Board of Directors
Retirement Savings Plan for the Employees of Del Webb Corporation

We have audited the accompanying statements of net assets available for plan benefits of the Retirement Savings Plan for the Employees of Del Webb Corporation (the Plan) as of December 31, 2002 and 2001, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Retirement Savings Plan for the Employees of Del Webb Corporation as of December 31, 2002 and 2001, and the changes in its net assets available for plan benefits for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

1. Description of Plan

The following description of the Retirement Savings Plan for the Employees of Del Webb Corporation (the Plan) provides only general information. Participants should refer to the Plan documents for more complete information. Del Webb Corporation (Company) is a wholly-owned subsidiary of Pulte Homes, Inc. (Pulte).

General and Eligibility

The Plan is a defined contribution plan and covers all eligible employees of participating affiliates of the Company who are 21 years of age or older. Terms of the agreement provide for covered employees to become participants generally after completion of six months of service. The Plan excludes any employee covered by a collective bargaining agreement negotiated in good faith with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2002, the employees of Del Webb Mortgage Corporation, a subsidiary of the Company, became employees of Pulte Mortgage LLC, a subsidiary of Pulte. In connection with this merger, Del Webb Mortgage Corporation became a participating employer under the Pulte Homes, Inc. 401(k) Plan and a trustee-to-trustee transfer of \$485,632 of assets into the Pulte Homes, Inc. 401(k) Plan was executed for the Del Webb Mortgage Corporation employees.

Trustee

Plan assets are held and investment transactions are executed by Fidelity Management Trust Company, as Trustee and Recordkeeper.

Administration of the Plan

The Plan is administered by a Benefits Advisory Committee (the Committee), which is appointed by the Board of Directors of the Company. As administrator of the Plan, the Committee is responsible for the general administration of the Plan and interpreting the Plan s provisions. In the event the Committee is disbanded for any reason, the Company will act as administrator of the Plan.

1. Description of Plan (continued)

Contributions

Participants may make pretax contributions to the Plan from 2% of their covered compensation up to a maximum percentage subject to the annual deferral limits set forth by the Internal Revenue Code of \$11,000 for 2002. If participants make pretax contributions, the Company will provide a matching contribution. For the year ended December 31, 2002, the Company matched 100% of the participant's first 3% of pretax compensation contributed and 50% of the next 2% of pretax compensation contributed.

The Plan also allows the Company to make a special contribution to the Plan. The allocation of the special contribution may exclude any participant eligible for the Company's Deferred Compensation Plan or any other Company incentive compensation plan. No such special contributions were made in 2002.

Annual contributions for each participant are subject to participation and discrimination standards of Internal Revenue Code Section 401(k)(3).

Participant Accounts

The Plan allows for each participant to control the allocation of their assets between the various investment funds and make changes to this allocation at any time. Each participant's account is credited with the participant's contribution, the Company matching contribution and an allocation of (a) the Company special contribution, if any, (b) plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balance, as defined in the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Contributions may be invested in one or more of the following investment options provided by the Plan: Vanguard Institutional Index Fund, Fidelity BrokerageLink Money Market, Fidelity Retirement Money Market Fund, Fidelity Balanced Fund, Fidelity Blue Chip Growth Fund, Fidelity Low-Priced Stock Fund, Fidelity Dividend Growth Fund, Fidelity Diversified International Fund, Fidelity Freedom Income Fund, Fidelity Freedom 2000 Fund, Fidelity Freedom 2010 Fund, Fidelity Freedom 2020 Fund, Fidelity Freedom 2030 Fund, Fidelity Freedom 2040 Fund, Fidelity Managed Income Portfolio Fund, Fidelity U.S. Bond Index Fund and the Pulte Homes, Inc. 1. Description of Plan (continued)

Vesting

Participants become 100% vested in their contributions, as well as employer contributions made on their behalf, on the date of contribution.

Benefits

Benefits are payable upon termination of employment, retirement, death, disability, election at age 59-1/2 or termination of the Plan. On termination of service, distribution of balances in excess of \$5,000 may be deferred until normal retirement age. Participants may withdraw from their account as set forth in the provisions of the Plan documents.

Participant Loans

Generally, participants may borrow up to 50% of their account balance subject to a minimum loan of \$1,000 and a maximum loan of \$50,000 reduced by the highest outstanding loan balance during the preceding 12 months. The duration of the loans are subject to a minimum term of 12 months and a maximum term of 54 months.
