PROXY STATEMENT/ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 20, 2004

PROXIES AND SOLICITATIONS

This Proxy Statement is furnished to shareholders in connection with the solicitation of proxies by the Board of Directors (the "Board") of Sun Communities, Inc. ("Sun" or the "Company") to be used at the Annual Meeting of Shareholders (the "Annual Meeting") and at any adjournments. If received in time for the Annual Meeting, the shares represented by a valid proxy will be voted in accordance with the specifications, if any, contained in such executed proxy. If no instructions are given, proxies will be voted: (a) FOR election of the two nominees for the Board; (b) for approval of the 2004 Non-Employee Director Option Plan; and (c) at the discretion of Gary A. Shiffman and Arthur A. Weiss, the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. A proxy executed in the enclosed form may be revoked by the person signing it at any time before it is exercised. Proxies may be revoked by filing with the Secretary of the Company, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy, or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

In addition to the use of mails, proxies may be solicited by personal interview, telephone and telegram, by directors, officers and employees of the Company. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares of the Company's common stock (the "Common Stock") held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred in forwarding material. The Company anticipates that fees and expenses for the foregoing parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by the Company.

The executive offices of the Company are located at 27777 Franklin Road, Suite 2000, Southfield, Michigan 48034. The approximate date of mailing of this Proxy Statement and the enclosed Proxy materials to the Company's shareholders is April 21, 2004.

TIME AND PLACE OF MEETING

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

The Annual Meeting will be held at the Embassy Suites, 28100 Franklin Road, Southfield, MI 48034, on Thursday, May 20, 2004, at 11:00 a.m., local time.

VOTING RIGHTS AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only shareholders of record at the close of business on April 9, 2004 are entitled to notice of and to vote at the Annual Meeting or at any adjournments. As of that date, the Company had 19,050,283 shares of Common Stock issued, outstanding and entitled to vote held by 593 holders of record. Each outstanding share entitles the record holder to one vote. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of Common Stock outstanding on the Record Date entitles the holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors (Proposal One) is considered a routine matter. Approval of the

Company's 2004 Non-Employee Director Option Plan (Proposal Two) is not considered a routine matter so your brokerage firm cannot vote your shares on that proposal if you do not return your proxy. Shares held by brokers as to which voting instructions have not been received from the beneficial owners with respect to non-routine matters are referred to as "broker non-votes." We encourage you to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the total votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

With respect to Proposal 1, the directors will be elected by a plurality of all votes cast at the Annual Meeting. Accordingly, abstentions and broker non-votes as to the election of directors will have no effect on the results of the vote.

Approval of the Company's 2004 Non-Employee Director Option Plan requires the affirmative vote of a majority of all the votes cast at the Annual Meeting. Abstentions and broker non-votes as to this proposal will not be counted as votes cast and will have no effect on the results of the vote.

If there is not a quorum at the Annual Meeting, the shareholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the shareholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Annual Meeting.

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

If a proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions set forth therein, the shares of Common Stock represented thereby will be voted by Gary A. Shiffman and Arthur A. Weiss, the Board's proxy agents for the Annual Meeting, in accordance with the specifications made thereon by the shareholder. If no such specifications are made, such proxy will be voted (i) for the election of the two nominees for director to the Board, (ii) for the approval of the 2004 Non-Employee Director Option Plan, and (iii) at the discretion of Messrs. Shiffman and Weiss with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Information concerning principal holders of the Common Stock is discussed under "Security Ownership of Certain Beneficial Owners and Management."

INCORPORATION BY REFERENCE

To the extent this Proxy Statement has been or will be specifically incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the sections of this Proxy Statement entitled "Report of the Audit Committee," "Report of the Compensation Committee on Executive Compensation" and "Shareholder Return Performance Presentation" shall not be deemed to be so incorporated unless specifically otherwise provided in any such filing.

ANNUAL REPORT

Shareholders are concurrently being furnished with a copy of the Company's 2003 Annual Report which contains its audited financial statements as of December 31, 2003. In addition, copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2003, as filed with the Securities and Exchange Commission (the "SEC"), will be sent to any shareholder, without charge, upon written request to Sun Communities Investor Services, 27777 Franklin Road, Suite 2000, Southfield, Michigan 48034.

2

SHAREHOLDERS' PROPOSALS

Any and all shareholder proposals for inclusion in the proxy materials for the Company's next Annual Meeting of Shareholders must comply with the rules and regulations promulgated under the Exchange Act and must be received by the Company, at its offices at 27777 Franklin Road, Suite 2000, Southfield, Michigan 48034, not later than December 22, 2004. Such proposals should be addressed to the Company's Secretary.

The Company's Bylaws also contain certain provisions which affect shareholder proposals. The Company's Bylaws provide that: (a) with respect to an annual meeting of shareholders, nominations of persons for election to the Board of Directors and the proposal of business to be considered by shareholders may be made only (i) pursuant to the Company's notice of the meeting, (ii) by the Board of Directors, or (iii) by a shareholder who is entitled to vote at the meeting and has complied with the advance notice procedures set forth in the Bylaws; and (b) with respect to special meetings of shareholders, only the business specified in the Company's notice of meeting may be brought before the meeting of shareholders, and nominations of persons for election to the Board of Directors may be made only (i) by the Board of Directors, or (ii) provided that the Board of Directors has determined that directors shall be elected at such meeting, by a shareholder who is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the Bylaws.

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

ELECTION OF DIRECTORS

(PROPOSAL ONE)

The first matter to be considered at the Annual Meeting will be the election of two directors. It is proposed that these positions be filled by persons nominated to the Board by management. Each director shall be elected by a plurality of the votes cast at the Annual Meeting. Therefore, if a quorum is present, abstentions and broker non-votes will have no effect on the election of directors. Proxies will be tabulated by the Company's transfer agent. The Inspector of Elections appointed at the Annual Meeting will then combine the proxy votes with the votes cast at the Annual Meeting. Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until the Annual Meeting of Shareholders to be held in 2007 or until his successor is duly elected and qualified. In the absence of directions to the contrary, proxies will be voted in favor of the election of the two nominees listed below.

If either of the nominees named below are unavailable to serve for any reason, then a valid proxy may be voted for the election of such other persons as the person or persons voting the proxy may deem advisable in accordance with their best judgment. Management has no present knowledge that either of the persons named will be unavailable to serve. In any event, the enclosed proxy can be voted for only the two nominees named in this Proxy Statement or their substitutes.

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES NAMED BELOW. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

The following list identifies each incumbent director and nominee for election to the Board at the Annual Meeting and describes each person's principal occupation for the past five years. Each of the directors has served continuously from the date of his election to the present time.

The Board met eleven (11) times during 2003 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. The Company's Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has five standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, an Indemnification Committee and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee under the "Shareholder Info" section of our website at www.suncommunities.com.

The Audit Committee operates pursuant to a charter that was approved by the Board in January 2004, which is attached as Appendix A to this proxy statement. The current members of the Audit Committee are Messrs. Paul D. Lapidès, Clunet R. Lewis and Ronald L. The Audit Committee held four (4) formal meetings and several informal meetings during the fiscal year ended December 31, 2003. The Board has determined that Mr. Lapidès is an "audit committee financial expert," as defined by SEC rules. See "Report of the Audit Committee."

A copy of the Compensation Committee Charter is available on the Company's website at www.suncommunities.com. The Compensation Committee, among other functions, (1) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

on these evaluations, (2) approves the compensation of the Company's other executive officers, (3) recommends to the Board for approval the compensation of the non-employee directors and (4) oversees the Company's incentive-compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Ted J. Simon, Clunet R. Lewis and Ronald L. Piasecki, all of whom are independent directors under the NYSE rules. The current members of the Nominating and Corporate Governance Committee are Clunet R. Lewis, Paul D. Lapidés and Ted J. Simon, all of whom are independent under the NYSE rules. In accordance with its charter, the Nominating and Corporate Governance Committee is currently in the process of establishing a policy with regard to the consideration of director candidates recommended by shareholders.

The Indemnification Committee was established to: (i) perform such duties as provided in Article XII of the Company's Bylaws; and (ii) perform such other duties as may be delegated to it by the Board. The current members of the Indemnification Committee are Messrs. Ted J. Simon and Clunet R. Lewis. The Indemnification Committee did not hold any formal meetings in 2003.

All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman and Ted J. Simon. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2003 but took various actions pursuant to resolutions adopted by unanimous written consent.

INDEPENDENCE OF NON-EMPLOYEE DIRECTORS

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence -- independence under New York Stock Exchange rules, under Section 16 of the Securities Exchange Act of 1934 and under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board has reviewed information about each of the Company's non-employee directors and determined that Paul D. Lapedes, Clunet R. Lewis, Ronald L. Piasecki and Ted J. Simon are independent directors.

REPORT OF THE AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of three of the Company's directors. The directors who serve on the Audit Committee are all "independent" for purposes of the New York Stock Exchange listing standards. The Audit Committee held four (4) formal meetings and several informal meetings during the 2003 fiscal year.

The SEC has promulgated, and the New York Stock Exchange has adopted, new audit committee rules in response to the passage by the United States Congress in July 2002 of the Sarbanes-Oxley Act. In response to these recent developments, the Board adopted an amended and restated charter for the Audit Committee in January 2004, a copy of which is attached as Appendix A to this proxy statement.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, the Company's independent auditors, for the fiscal year ended December 31, 2003;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

Statements on Auditing Standards); and

- reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, as filed with the Securities and Exchange Commission.

In 2003, the Audit Committee approved a policy concerning the pre-approval of audit and non-audit services to be provided by the Company's independent auditors. The policy requires that all services provided by the independent auditor to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. The Audit Committee approved all audit and non-audit related services provided to the Company by Grant Thornton LLP during the 2003 fiscal year.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP's for provision of services other than the audit services is compatible with maintaining the auditor's independence.

Respectfully Submitted,
Members of the Audit Committee:

Paul D. Lapidés
Clunet R. Lewis
Ronald L. Piasecki

APPROVAL OF 2004 NON-EMPLOYEE DIRECTOR OPTION PLAN (PROPOSAL TWO)

The second matter to be considered at the Annual Meeting will be the approval of the 2004 Non-Employee Director Option Plan (the "2004 Plan"). The Company's Amended and Restated 1993 Non-Employee Director Stock Option Plan (the "Original Plan") was adopted by the Board on May 20, 1996 and was approved by the Company's shareholders at the Annual Meeting of Shareholders held on July 23, 1996. There are only 5,500 shares of common stock available for issuance under the Original Plan and, accordingly, the Board adopted the 2004 Plan on April 16, 2004. The purpose of the 2004 Plan is to enhance the Company's ability to attract and retain the services of experienced and knowledgeable independent directors who are not officers or employees of the Company ("Non-Employee Directors") and to provide an additional incentive for such directors to continue to work for the best interests of the Company and its shareholders.

The following discussion is intended to summarize and highlight certain important provisions of the 2004 Plan and is qualified in its entirety by the more detailed information contained in the 2004 Plan itself. A copy of the Plan is attached as Appendix B to this proxy statement.

The operation of the 2004 Plan is automatic and awards are granted pursuant to a formula set forth in the 2004 Plan.

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

The 2004 Plan provides that, on the date of each of the Company's annual shareholder meetings, each Non-Employee Director automatically will be granted an option to purchase 1,500 shares of the Company's Common Stock or, at the election of a Non-Employee Director, 1,500 partnership units in Sun Communities Operating Limited Partnership (the "Automatic Option") if, on that date, he or she has served on the Board for at least six (6) months. The purchase price of each share/unit which may be purchased upon exercise of Automatic Options granted under the 2004 Plan will be the fair market value of the Common Stock on the date of grant.

In addition to the Automatic Option, each Non-Employee Director that has continuously served the Company for the entire fiscal year shall automatically receive an option (the "Performance Option") to purchase the following number of shares of the Company's Common Stock or, at the election of a Non-Employee Director, the following number of partnership units in Sun Communities Operating Limited Partnership:

(i) if the Company's funds from operations per weighted average number of outstanding shares of Common Stock ("Per Share FFO") for such fiscal year, as determined by reference to the Company's audited financial statements, increased by less than 5% as compared to Per Share FFO for the previous fiscal year, 0 shares/units;

(ii) if Per Share FFO for such fiscal year increased by 5% or more but less than 6% as compared to Per Share FFO for the previous fiscal year, 250 shares/units;

(iii) if Per Share FFO for such fiscal year increased by 6% or more but less than 7% as compared to Per Share FFO for the previous fiscal year, 500 shares/units;

(iv) if Per Share FFO for such fiscal year increased by 7% or more but less than 8% as compared to Per Share FFO for the previous fiscal year, 750 shares/units;

(v) if Per Share FFO for such fiscal year increased by 8% or more but less than 9% as compared to Per Share FFO for the previous fiscal year, 1,000 shares/units;

(vi) if Per Share FFO for such fiscal year increased by 9% or more but less than 10% as compared to Per Share FFO for the previous fiscal year, 1,250 shares/units; or

(vii) if Per Share FFO for such fiscal year increased by 10% or more as compared to Per Share FFO for the previous fiscal year, 1,500 shares/units

The per share/unit exercise price for the Performance Option will be the average of the closing sales prices of the Common Stock as quoted on the New York Stock Exchange for the ten (10) business day period

8

immediately preceding and including June 30th of the year for which the Performance Option was earned. For each year in which Performance Options are earned, such Performance Options will be granted as soon as practicable after the Company's audited financial statements for such year are issued.

No grants have been made under the 2004 Plan. The table below indicates the options which would have been granted for the year ended December 31, 2003 if the 2004 Plan was in effect.

(1) The 7,500 Automatic Options (as defined above) would have been granted at the fair market value of the Common Stock on the date of grant and no Performance Options would have been granted.

The options awarded under the 2004 Plan will be in addition to, and not in lieu of, the Non-Employee Director's annual retainer fee, meeting fees, or other compensation payable as a result of his or her service on the Company's Board of Directors.

No option granted under the 2004 Plan may be exercised prior to one year from the date of grant. Each option under the 2004 Plan will become exercisable with respect to 1/3 of the shares/units one year from the date of grant, with respect to another 1/3 of the shares/units two years from the date of grant and with respect to the final 1/3 of the shares/units three years from the date of grant. Each option under the 2004 Plan shall terminate after ten years from the date of grant or, if earlier, three months after the optionee ceases to be a director of the Company, except in the case of death. If a Non-Employee Director dies while a director, the right to exercise all unexercised options would be accelerated and could be exercised by the director's beneficiary within one year of the director's death. If a Non-Employee Director dies within the three month period after he or she ceases to be a director, the Non-Employee Director's beneficiary may exercise his or her options, to the extent exercisable on the date of death, within one year after the Non-Employee Director's death.

The options granted to Non-Employee Directors under the 2004 Plan may not be assigned or transferred other than by will or the laws of descent and distribution except that a Non-Employee Director can transfer options to his or her spouse, lineal ascendants, lineal descendants, or to a trust for the benefit of one or more such individuals. All rights to receive options under the 2004 Plan will terminate immediately in the event a Non-Employee Director ceases to serve as a director.

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

The total number of shares of Common Stock which may be granted under the 2004 Plan (including shares of Common Stock issuable upon the exchange of partnership units of Sun Communities Operating Limited Partnership granted under the 2004 Plan) may not exceed 100,000 shares, subject to adjustments for

stock dividends, split-ups, consolidation or similar capital adjustments, and may be authorized and unissued shares or issued shares which have been reacquired by the Company.

The 2004 Plan will remain in effect until remaining shares available are insufficient to grant the options provided hereunder, or until earlier terminated by action of the Board of Directors. The Board of Directors may amend the 2004 Plan at any time without shareholder approval, except as required by applicable law.

The options granted under the 2004 Plan will be nonqualified options (options which are not Incentive Stock Options within the meaning of Section 422 of the Code) and the grant of such an option will have no income tax consequences for either the Company or the participant (unless the option is freely transferable and has a readily ascertainable market value). Upon the exercise of a stock option by a participant, the participant will recognize ordinary income and the Company will be entitled to a deduction in an amount equal to the excess of the fair market value of the Common Stock purchased over the purchase price. Such ordinary income is not subject to withholding of tax by the Company. The subsequent sale or exchange of the Common Stock acquired pursuant to the exercise of an option would generally give rise to capital gain or loss. Upon the exercise of a unit option by a participant, the participant will recognize ordinary income and Sun Communities Operating Limited Partnership will be entitled to a deduction in an amount equal to the excess of the fair market value of the partnership units purchased over the purchase price. Such ordinary income is not subject to withholding of tax by Sun Communities Operating Limited Partnership. The subsequent sale or exchange of the partnership units acquired pursuant to the exercise of an option would generally give rise to capital gain or loss.

The 2004 Plan will be approved if it receives the affirmative vote of a majority of all the votes cast at the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on the proposal.

THE BOARD RECOMMENDS A VOTE "FOR" THE 2004 PLAN. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE 2004 PLAN UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

POLICY OF EXECUTIVE OFFICER COMPENSATION

The executive compensation program is administered by the Compensation Committee of the Board, which is currently comprised of Ted J. Simon, Clunet R. Lewis and Ronald L. Piasecki. None of the members of the Compensation Committee are employees of the Company and each of them is an independent director for purposes of the requirements of the NYSE rules. The executive compensation program supports the Company's commitment to providing superior shareholder value. It is designed to attract and retain high-quality executives, to encourage them to make career commitments to the Company, and to accomplish the Company's short and long term objectives. The Committee attempts to structure a compensation program for the Company that will reward its top executives with bonuses and stock and option awards upon attainment of specified goals and objectives while striving to maintain salaries at reasonably competitive levels. The Committee reviews the compensation (including salaries, bonuses and stock options) of the Company's Chairman and CEO as well as the Company's other executive officers, administers the Company's incentive and equity based compensation plans and performs such other duties as may be delegated to it by

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

the Board. The Committee held two (2) formal meetings during the fiscal year ended December 31, 2003 and took action pursuant to resolutions adopted by unanimous written consent.

In reviewing the compensation to be paid to the Company's executive officers during the fiscal year ended December 31, 2003, the Committee sought to ensure that executive officers were rewarded for long term strategic management, for increasing the Company's value for its shareholders, and for achieving internal goals established by the Board.

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option awards. Salary is generally based on factors such as an individual officer's level of responsibility,

14

prior years' compensation, comparison to compensation of other officers in the Company, and compensation provided at competitive companies and companies of similar size. Bonuses, restricted stock awards and stock option awards are intended to reward exceptional performances. Benchmarks for determining base salary and bonus levels include targeted funds from operations levels, strength of the balance sheet and creation of shareholder value. Restricted stock awards and stock option awards are also intended to increase an officer's interest in the Company's long-term success as measured by the market and book value of its Common Stock. Stock awards may be granted to officers and directors of the Company and its subsidiaries and to certain employees who have managerial or supervisory responsibilities under the Company Stock Option Plan. Stock awards may be stock options, stock appreciation rights, restricted share rights or any variation thereof.

The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the compensation of all executive officers. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable REITs, as well as various compensation studies and surveys, to ensure that compensation packages are in line with our peer group and the real estate industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for the Company's executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of the Company and to create a link between the performance of the Company's stock and executive compensation.

CEO COMPENSATION

During the fiscal year ended December 31, 2003, Gary A. Shiffman served in the capacity of Chief Executive Officer of the Company. As of December 31, 1996, the Company entered into an employment agreement with Mr. Shiffman which governed the salary and bonus paid to Mr. Shiffman during the fiscal year ended December 31, 2003. Pursuant to this employment agreement (which was amended in July 2002), Mr. Shiffman was paid a salary of \$425,000. Based upon market studies of pay levels for chief executive officers of publicly traded REITs (conducted by the National Association of Real Estate Investment Trusts), the Committee believes that Mr. Shiffman's total compensation in 2003 was competitive with the appropriate level for his position, particularly in view of his performance. See "Certain Transactions."

Respectfully submitted,
Members of the Compensation Committee:

EMPLOYMENT AGREEMENTS

GARY A. SHIFFMAN

The Company has entered into an employment agreement with Gary A. Shiffman pursuant to which Mr. Shiffman serves as Chief Executive Officer and President of the Company. Mr. Shiffman's employment agreement is for an initial term ending December 31, 2006 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to his employment agreement, commencing January 1, 2003, Mr. Shiffman is paid an annual base salary of \$425,000, which will be increased by an annual cost of living adjustment beginning with calendar year 2004. In addition to his base salary and in accordance with the terms of his employment agreement, Mr. Shiffman is entitled to incentive compensation of up to 50% of his then base salary in accordance with the incentive compensation formula set forth in the employment agreement. The non-competition clauses of Mr. Shiffman's employment agreement preclude him from engaging, directly or indirectly: (a) in the real estate business or any ancillary business of the Company during the

15

period he is employed by the Company; and (b) in the manufactured housing community business or any ancillary business of the Company for a period of eighteen months following the period he is employed by the Company. However, Mr. Shiffman's employment agreement does allow him to make passive investments relating to real estate in general or the housing industry in particular (other than in manufactured housing communities) during the period he is employed by the Company.

JEFFREY P. JORISSEN

LEASE OF PRINCIPAL EXECUTIVE OFFICES

On November 1, 2002, the Company leased approximately 31,300 rentable square feet of office space from American Center LLC and the Company relocated its principal executive offices to this office space in the second quarter of 2003. Gary A. Shiffman, together with certain family members, indirectly own approximately a 21% equity interest in American Center LLC. This lease is for an initial term of five years and the Company has the right to extend the lease for an additional five year term. The annual base rent under this lease begins at \$19.25 per square foot (gross) for the first lease year and increases \$0.50 per square foot for each successive year of the initial term.

LOANS TO EXECUTIVE OFFICERS

In 1995, the Company issued Gary A. Shiffman, its Chief Executive Officer and President, 400,000 shares of common stock for \$8,650,000 (the "Purchase Price"). The Purchase Price is evidenced by three (3) separate 10-year promissory notes that bear interest at a rate equal to six months' LIBOR plus 175 basis points, with a maximum interest rate of 9% per annum and a minimum interest rate of 6% per annum (the "Promissory Notes"). Two of the Promissory Notes (with an initial aggregate principal amount of approximately \$7.6 million) are secured by approximately 270,000 shares of common stock of the Company held by Mr. Shiffman (the "Secured Shares") and/or 128,000 common partnership units in Sun Communities Operating Limited Partnership (the "Secured Units") and the last Promissory Note (with an initial principal amount of approximately \$1.0 million) is unsecured but fully recourse to Mr. Shiffman. Mr. Shiffman's personal liability on the secured Promissory Notes is limited to all accrued interest on such notes plus fifty percent (50%) of the deficiency, if any, after application of the proceeds from the sale of the Secured Shares and/or the Secured Units to the then outstanding principal balance of the Promissory Notes. The Promissory Notes provide for quarterly interest only payments and provide that all cash distributions and dividends paid to Mr. Shiffman on the Secured Shares and the Secured Units (the "Distributions") will first be applied toward the accrued and unpaid interest under the Promissory Notes and sixty percent (60%) of the remainder of the Distributions, if any, will be applied toward the outstanding principal balance of the Promissory Notes.

In April 1997, the Company loaned Mr. Shiffman an additional \$2,600,391 on terms substantially identical to the terms of the other loan to Mr. Shiffman, as described above, and such loan is secured by

20

80,000 shares of common stock of the Company held by Mr. Shiffman (the promissory notes evidencing this loan, together with the Promissory Notes, are hereinafter referred to as the "Shiffman Notes"). On July 15, 2002, the due date of the Shiffman Notes was extended such that one-third of the principal balance becomes due on December 31, 2008, an additional one-third of the principal balance becomes due on December 31, 2009 and the balance of the Shiffman Notes becomes due on December 31, 2010. The largest aggregate indebtedness outstanding under the Shiffman Notes since January 1, 2003 was approximately \$10,450,000. As of March 31, 2004, the amount outstanding under the Shiffman Notes was approximately \$10,135,000.

On April 8, 1996, the Company completed a \$122.8 million public offering of 4.7 million shares of its common stock (the "Equity Offering"). Jeffrey P. Jorissen, the Company's Executive Vice President, Treasurer, Chief Financial Officer and Secretary, purchased shares of common stock in the Equity Offering at the public offering price of \$26.125 per share. This purchase was financed with a loan from the Company on terms substantially identical to the terms of our loans to Mr. Shiffman described above. The largest aggregate indebtedness

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

outstanding under Mr. Jorissen's notes since January 1, 2003 was approximately \$229,000. Mr. Jorissen has repaid, in full, his loan from the Company.

SECURITIES ISSUABLE PURSUANT TO THE PLAN

3.01 Securities Issuable. Shares to be issued under the Plan may be authorized and unissued shares or issued shares which have been reacquired by the Company. OP Units to be issued under the Plan may be authorized and unissued OP Units or issued OP Units which have been reacquired by SCOLP. Except as provided in Section 3.03, the Options granted under the Plan shall be limited so that all shares issued upon the exercise of outstanding Options granted under the Plan (together with all shares of Company Common Stock issuable upon exchange of OP Units issued upon the exercise of outstanding Options granted under the Plan) shall never exceed 100,000 shares of Company Common Stock.

B-2

3.02 Securities Subject to Terminated Options. In the event that any Option at any time granted under the Plan shall be surrendered to the Company, be terminated or expire before it shall have been fully exercised, then all shares/OP Units formerly subject to such Option as to which such Option shall not have been exercised shall be available for any Option subsequently granted in accordance with the Plan.

3.03 Adjustments to Reflect Capital Changes.

(a) Recapitalization. The number and kind of shares subject to outstanding Options, the Purchase Price for such shares, and the number and kind of shares available for Options subsequently granted under the Plan shall be appropriately adjusted to reflect any stock dividend, stock split, reverse stock split, combination or classification of Company Common Stock or any other increase or decrease in the number of issued shares of Company Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." The number and kind of OP Units subject to outstanding Options, the Purchase Price for such OP Units, and the number and kind of OP Units available for Options subsequently granted under the Plan shall be appropriately adjusted to reflect any unit split, reverse unit split, combination or classification of OP Units or any other increase or decrease in the number of issued OP Units effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." The Board shall have the power to determine the amount of the adjustment to be made in each case and the Board's determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or Purchase Price of shares of Company Common Stock subject to an Option. Except as expressly provided herein, no issuance by SCOLP of partnership units of any class, or securities convertible into partnership units of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or Purchase Price of OP Units subject to an Option.

(b) Corporate Transactions. In the event of a Corporate Transaction, outstanding Options may be assumed or equivalent options may be substituted by

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

the successor corporation or a Parent or Subsidiary thereof (the "Successor Corporation"). If an Option is assumed or substituted for, the Option or equivalent option shall continue to be exercisable in accordance with this Plan for so long as the Optionee serves as a Director or a director of the Successor Corporation. Following such assumption or substitution, if the Optionee's status as a Director or director of the Successor Corporation, as applicable, is terminated other than upon a voluntary resignation by the Optionee, the Option or option shall become fully exercisable, including as to shares/OP Units for which it would not otherwise be exercisable. Thereafter, the Option or option shall remain exercisable in accordance with Section 5.04.

If the Successor Corporation does not assume an outstanding Option or substitute for it an equivalent option, the Option shall become fully vested and exercisable, including as to shares/OP Units for which it would not otherwise be exercisable. In such event, the Board shall notify the Optionee that the Option shall be fully exercisable for a period of thirty (30) days from the date of such notice, and upon the expiration of such period the Option shall terminate.

For the purposes of this Section 3.03(b), an Option shall be considered assumed, if at the time of issuance of the stock or other consideration upon such Corporate Transaction, each Optionee would be entitled to receive upon exercise of an Option the same number and kind of shares of stock or the same amount of property, cash or securities as the Optionee would have been entitled to receive upon the occurrence of such transaction if the Optionee had been, immediately prior to such transaction, the holder of the number of shares of Company Common Stock or OP Units subject to the Option at such time (after giving effect to any adjustments in the number of shares or OP Units covered by the Option as provided for in Section 3.03(a)); provided, however, that if such consideration received in the Corporate Transaction is not solely common stock of the Successor Corporation, the Board may, with the consent of the Successor Corporation, provide for the consideration to be received upon exercise of the Option, for each share of Company Common Stock or OP Units subject to the Option, to be solely common stock of the Successor

Corporation equal in fair market value to the per share consideration received by holders of Company Common Stock in the Corporate Transaction.

B-4

The Performance Options, if any, shall be granted as soon as possible after issuance of the Company's audited financial statements. Each Performance Option shall be evidenced by an Option Agreement.

5.02 Purchase Price of Options. The Purchase Price of each share of Company Common Stock or OP Unit which may be purchased upon exercise of an Annual Option granted under the Plan shall be 100% of the Fair Market Value on the Date of Grant. The Purchase Price of each share of Company Common Stock or OP Unit which may be purchased upon exercise of any Performance Option granted under the Plan shall be the Average Price.

5.03 Vesting of Options. No Option may be exercised prior to the date one (1) year after the Date of Grant. An Option shall become exercisable with respect to one-third (1/3) of the shares/OP Units on the first anniversary of the Date of Grant, with respect to an additional one-third (1/3) of the shares/OP Units on the second anniversary of the Date of Grant and with respect to the final one-third (1/3) of the shares/OP Units on the third anniversary of the Date of Grant.

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

5.04 Duration of Options. Options granted under the Plan shall terminate after the first to occur of the following events:

(b) Three months after the Optionee ceases to be a Director, except in the case of death, as described in (c) below.

(c) In the event of the death of an Optionee while a Director, the right to exercise all unexpired Options shall be accelerated and shall accrue as of the date of death, and the Optionee's Options may be exercised by his Beneficiary at any time within one year after the date of the Optionee's death. In the event of the death of an Optionee within the ninety day period after he or she ceases to be a Director, the Optionee's Beneficiary may exercise his or her Options, to the extent exercisable on the date of death, within one year after the date of the Optionee's death.

5.05 Exercise Procedures. Each Option granted under the Plan may be exercised by written notice to the Company which must be received by the Secretary of the Company on or before the Expiration Date of the Option. An Option may not be exercised for a fraction of a share of Company Common Stock or OP Unit. The Purchase Price of shares/OP Units purchased upon exercise of an Option granted under the Plan shall be paid by the Optionee at the time of exercise in the form of (a) cash, (b) check, (c) other shares which (i) have been owned by the Optionee for more than six (6) months on the date of surrender and (ii) have a Fair Market Value on the date of surrender equal to the aggregate Purchase Price of shares purchased upon exercise of the Option, (d) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, (e) any combination of the foregoing methods of payment, and/or (f) any other consideration or method of payment as shall be permitted under applicable corporate law.

5.06 Rights as a Stockholder or Partner. The Optionee or any transferee of an Option pursuant to Section 5.04(c) or Section 5.09 shall have no rights as a stockholder with respect to any shares of Company Common Stock covered by an Option until the Optionee or transferee shall have become the holder of record of any such shares, and no adjustment shall be made for dividends and cash or other property or distributions or other rights with respect to any such shares of Company Common Stock for which the record date is prior to the date on which the Optionee or a transferee of the Option shall have become the holder of record of any such shares covered by the Option. The Optionee or any transferee of an Option pursuant to Section 5.04(c) or Section 5.09 shall have no rights as a partner with respect to any OP Units covered by an Option until the Optionee or transferee shall have become the holder of record of any such OP Units, and no adjustment shall be made for distributions and cash or other property or distributions or other rights with respect to any such OP Units for which the record date is prior to the date on which the Optionee or a transferee of the Option shall have become the holder of record of any such OP Units covered by the Option.

5.07 Plan Provisions Control Option Terms. The terms of the Plan shall govern all Options granted under the Plan. In the event any provision of any Option granted under the Plan shall conflict with any term in

B-5

the Plan as constituted on the Date of Grant of such Option, the term in the Plan as constituted on the Date of Grant of such Option shall control. Except as provided in Section 3.03, (i) the terms of any Option granted under the Plan may not be changed after the granting of such Option without the express approval of

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

the Optionee and (ii) no modification may be made to an Option granted under the Plan except in compliance with Rule 16b-3.

5.08 Taxes. The Company shall be entitled, if the Company deems it necessary or desirable, to withhold (or secure payment from the Non-Employee Director in lieu of withholding) the amount of any withholding or other tax required by law to be withheld or paid by the Company with respect to any shares/ OP Units issuable upon exercise of an Option, and the Company may defer issuance of the stock/OP Units upon exercise unless indemnified to its satisfaction against any liability for such tax.

5.09 Limitations on Transfer. An Optionee's rights and interest under the Plan may not be assigned or transferred other than by will or the laws of descent and distribution. Notwithstanding the foregoing, or any other provision of this Plan, an Optionee may transfer Options to his or her spouse, lineal ascendants, lineal descendants, or to a duly established trust for the benefit of one or more of these individuals. Options so transferred may thereafter be transferred only to the Optionee who originally received the Options or to an individual or trust to whom the Optionee could have initially transferred the Option pursuant to this Section 5.09. Options which are transferred pursuant to this Section 5.09 shall be exercisable by the transferee according to the same terms and conditions as applied to the Optionee.

ARTICLE VI.

GENERAL PROVISIONS

6.01 Amendment and Termination of Plan.

(a) Amendment. The Board shall have complete power and authority to amend the Plan at any time as it deems necessary or appropriate and no approval by the stockholders of the Company or by any other person, committee or entity of any kind shall be required to make any amendment; provided, however, that the Board shall not, without the requisite affirmative approval of stockholders of the Company, make any amendment which requires stockholder approval under any applicable law, including Rule 16b-3 or the Code, unless such compliance, if discretionary, is no longer desired. No termination or amendment of the Plan may, without the consent of the Non-Employee Director to whom any Option shall theretofore have been granted under the Plan, adversely affect the right of such individual under such Option. For the purposes of this section, an amendment to the Plan shall be deemed to have the affirmative approval of the stockholders of the Company if such amendment shall have been submitted for a vote by the stockholders at a duly called meeting of such stockholders at which a quorum was present and the majority of votes cast with respect to such amendment at such meeting shall have been cast in favor of such amendment, or if the holders of outstanding stock having not less than a majority of the outstanding shares consent to such amendment in writing in the manner provided under the Company's bylaws.

(b) Termination. The Board shall have the right and the power to terminate the Plan at any time. If the Plan is not earlier terminated, the Plan shall terminate when all shares authorized under the Plan have been issued. No Option shall be granted under the Plan after the termination of the Plan, but the termination of the Plan shall not have any other effect and any Option outstanding at the time of the termination of the Plan may be exercised after termination of the Plan at any time prior to the expiration date of such Option to the same extent such award would have been exercisable if the Plan had not been terminated.

6.02 No Right To Continue as Director. Neither the Plan nor any action taken hereunder shall be construed as giving any Non-Employee Director any right to be retained as a Director, or to limit in any way the right of the

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

stockholders of the Company to remove such person as a Director.

6.03 Securities Law Restrictions. The shares of Company Common Stock and OP Units issuable pursuant to the terms of any Options granted under the Plan may not be issued by the Company without registration or qualification of such shares/OP Units under the Securities Act of 1933, as amended, or under

B-6

various state securities laws or without an exemption from such registration requirements. Unless the shares/ OP Units to be issued under the Plan have been registered and/or qualified as appropriate, the Company shall be under no obligation to issue shares of Company Common Stock or OP Units upon exercise of an Option unless and until such time as there is an appropriate exemption available from the registration or qualification requirements of federal or state law as determined by the Company in its sole discretion. The Company may require any person who is granted an award hereunder to agree with the Company to represent and agree in writing that if such shares are issuable under an exemption from registration requirements, the shares/ OP Units will be "restricted" securities which may be resold only in compliance with applicable securities laws, and that such person is acquiring the shares/OP Units issued upon exercise of the Option for investment, and not with the view toward distribution.

6.04 General Restriction. Notwithstanding anything to the contrary herein, the Company shall have no obligation or liability to deliver any shares of Company Common Stock or OP Units under the Plan or to make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws, rules and regulations, including, without limitation, the Securities Act of 1933, as amended, and the Exchange Act.

6.05 Non-Exclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock, OP Units or options otherwise than under the Plan.

6.06 Captions. The captions (i.e., all section headings) used in the Plan are for convenience only, do not constitute a part of the Plan, and shall not be deemed to limit, characterize or affect in any way any provisions of the Plan, and all provisions of the Plan shall be construed as if no captions have been used in the Plan.

6.07 Severability. Whenever possible, each provision in the Plan and every Option at any time granted under the Plan shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of the Plan or any Option at any time granted under the Plan shall be held to be prohibited or invalid under applicable law, then (a) such provision shall be deemed amended to accomplish the objectives of the provision as originally written to the fullest extent permitted by law and (b) all other provisions of the Plan and every other Option at any time granted under the Plan shall remain in full force and effect.

6.08 Choice of Law. All determinations made and actions taken pursuant to the Plan shall be governed by the laws of Michigan and construed in accordance therewith.
