ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On July 21, 2006, the United States (U.S.) Bankruptcy Court for the Southern District of New York entered a final order (the Supplemental AIP Order) granting the motion of Delphi Corporation (Delphi) and certain of its U.S. subsidiaries, which together with Delphi filed voluntary petitions for reorganization relief under chapter 11 of the U.S. Bankruptcy Code (each a Debtor), to continue the annual incentive plan (AIP) for the six-month period running from July 1, 2006 through December 31, 2006 (the Performance Period) under substantially the same terms and conditions outlined in the order authorizing the Debtors to implement an AIP for the first half of the year as disclosed in Form 8-K filed on February 23, 2006, with new corporate and divisional targets based on the Debtors' forecasted financial results for the Performance Period. In addition, the Supplemental AIP Order provides for certain adjustments to be reasonably determined by the Unsecured Creditors' Committee to Delphi's corporate target based upon actual transformation costs in determining whether Delphi has achieved its corporate target for the Performance Period. The AIP authorized by the Supplemental AIP Order would pay approximately \$20.3 million for the achievement of target levels of performance. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Supplemental AIP Order, a copy of which is attached hereto as Exhibit 99 (a).
