Item 1.01 Entry into a Material Definitive Agreement.

On January 23, 2006, Cal Dive International, Inc. and Remington Oil and Gas Corporation issued a joint press release announcing that they have signed a definitive agreement under which Remington will merge into a subsidiary of Cal Dive in exchange for cash and common stock of Cal Dive.

Under the terms of the definitive agreement, Remington stockholders, will receive in the merger \$27.00 in cash and 0.436 shares of Cal Dive common stock for each Remington share they own. This represents a transaction value of approximately \$46.33 per share, based on the closing price of Cal Dive shares on Friday, January 20, 2006. At closing the total net cost to Cal Dive will be reduced by the approximate \$2 per share of cash Remington is expected to have on its balance sheet at that time. The acquisition is conditioned upon, among other things, the approval of Remington stockholders and customary regulatory approvals. The transaction is expected to be completed in the second quarter.

A copy of the merger agreement will be filed with an amendment to this Current Report on Form 8-K.
