**Item 1.01 Entry into a Material Definitive Agreement.**

On August 20, 2008, Smith International, Inc., a Delaware corporation (the Company or Smith ), entered into a credit agreement consisting of (i) a four-year unsecured term loan facility (the Term Loan Facility ) of \$1.0 billion and (ii) a 364-day unsecured bridge loan facility (the Bridge Loan Facility ) of \$1.0 billion with Fortis Bank SA/NV as administrative agent, the other agents named therein, and the lenders parties thereto (collectively referred to as the

Credit Agreement ). Borrowings under the Credit Agreement have been utilized to fund the cash consideration payable by the Company in its acquisition of W-H Energy Services, Inc., a Texas corporation ( W-H ). Borrowings under the Credit Agreement will also be utilized to repay the W-H revolving credit agreement, other costs of the W-H transaction and for general corporate purposes. Borrowings under the Credit Agreement bear interest at the rates specified in the agreements, and the agreements contain customary covenants, including leverage ratio covenants.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as Exhibit 10.01, to this Form 8-K and incorporated by reference herein.

**Item 1.02 Termination of a Material Definitive Agreement.**

In connection with the closing of the acquisition of W-H on August 25, 2008, as described in Item 2.01 of this Form 8-K, W-H terminated its revolving credit agreement, dated as of June 30, 2004 and as amended to date, among W-H, as borrower, Wells Fargo Bank, N.A., as administrative agent, the other agents named therein, and the lenders parties thereto (the W-H Credit Agreement ). The W-H Credit Agreement provided for aggregate borrowings of up to \$375 million and was secured by substantially all of W-H s assets. There were no termination penalties incurred in connection with the termination of the W-H Credit Agreement.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On August 25, 2008, Smith completed its acquisition of all of the outstanding shares of common stock, \$0.0001 par value per share (the Shares ), of W-H, pursuant to an Agreement and Plan of Merger (the Merger Agreement ), dated as of June 3, 2008, among Smith, Whitehall Acquisition Corp., a wholly-owned subsidiary of Smith ( Acquisition ), and W-H.

The exchange offer expired at 12:00 midnight, Eastern time, on Monday, August 18, 2008. The exchange agent reported that 30.37 million Shares were validly tendered and not withdrawn pursuant to the exchange offer, reflecting approximately 94 percent of the Shares outstanding. The 15.96 million Shares tendered for which mixed consideration elections were made were not subject to proration. These W-H shareholders received, in exchange for each Share tendered, \$56.10 per Share in cash and 0.4800 of a share of Smith common stock. The 0.46 million shares tendered for which all-stock consideration elections were made were not subject to proration and received 1.1990 shares of Smith common stock per Share. The 13.95 million Shares tendered for which all-cash consideration elections were made were subject to a fixed proration factor of 0.4841. As a result, W-H shareholders who elected the all-cash consideration received, in exchange for each Share tendered, \$45.29 cash plus 0.6186 of a share of Smith common stock. Under the terms of the exchange offer, cash was paid in lieu of fractional shares of Smith stock.

On August 25, 2008, pursuant to a short-form merger procedure available under Texas law, Acquisition filed Articles of Merger with the Secretary of State of the State of Texas whereupon

Acquisition was merged with and into W-H (the Merger ). In the Merger, each remaining Share (except for Shares purchased in the exchange offer and Shares held by W-H and its subsidiaries) was converted and the respective holders received \$56.10 in cash and 0.4800 shares of Smith common stock.

As a result of the merger transaction, the Company is expected to issue approximately 17.78 million shares of its common stock and is expected to pay approximately \$1.64 billion in cash, which was funded using borrowings under the Credit Agreement.

On August 19, 2008, Smith issued a press release announcing the completion of the exchange offer and the acceptance of all Shares validly tendered pursuant thereto. On August 22, 2008, Smith issued a press release announcing the final results of the exchange offer and the related proration calculations. The full text of the press releases referenced above are attached hereto as Exhibits 99.01 and 99.02, respectively and are incorporated herein by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On August 25, 2008, the Company borrowed \$2.0 billion under the new Credit Agreement, the proceeds of which were used to pay the cash portion of the merger consideration for the W-H acquisition, to repay amounts outstanding under the W-H revolving credit facility, pay fees and expenses related to the acquisition and for other corporate purposes.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 19, 2008, the Compensation and Benefits Committee of Smith’s Board of Directors approved increases to the base salaries of the following Named Executive Officers, effective August 25, 2008, in the following amounts: Margaret Dorman, Executive Vice President, Chief Financial Officer and Treasurer, \$65,000; Donald McKenzie, President and CEO M-I SWACO, \$62,000; Bryan Dudman, Executive Vice President and President of Smith Drilling & Evaluation, \$62,000.
