To the Stockholders of El Paso Corporation

Dear Fellow Stockholders:

As one of the largest stockholders of El Paso Corporation, I have watched with great dismay the disastrous decline in the value of El Paso's securities, including the precipitous drop in its stock price and the recent series of debt ratings downgrades. I believe this drastic decline is the result of a tremendous loss of confidence in the current management and the board that supports it, and of an alarming series of errors in judgment by that group. I believe that the best way to restore confidence in El Paso and turn around its fortunes is to replace the current board with directors who have the credibility and the solid experience in the energy industry necessary to maximize the value and productivity of El Paso's employees and assets. I believe that I have assembled the right group to meet the challenges facing El Paso and urge you to support their election as directors of El Paso.

I urge you to read the enclosed Proxy Statement carefully, as it contains more detailed information about the nominees and the other proposals I will present at the Annual Meeting.

Vote for change. Vote to replace the directors who have so badly failed us. Vote FOR the election of R. Gerald Bennett, C. Robert Black, Charles H. Bowman, Ronald J. Burns, Stephen D. Chesebro , Ted Earl Davis, John J. Murphy, John V. Singleton and Selim K. Zilkha by signing the enclosed BLUE Proxy and returning it to Innisfree M&A Incorporated in the self-addressed, postage-paid envelope provided.

If you have any questions, please feel free to call Innisfree M&A Incorporated toll free at (877) 750-5837. Banks and brokers may call collect at (212) 750-5833.

Thank you for your support.

Sincerely,

Selim K. Zilkha

This Proxy Statement is dated May , 2003 and was first furnished to stockholders on or about May , 2003.

2003 Annual Meeting of Stockholders of El Paso Corporation

Proxy Statement of Selim K. Zilkha

This proxy statement (the Proxy Statement) and the enclosed **BLUE** proxy card are being furnished to you, the stockholders of El Paso Corporation, a Delaware corporation (El Paso or the Company), in connection with the solicitation of proxies by Selim K. Zilkha (the Stockholder) for use at the 2003 Annual Meeting of Stockholders of El Paso (including any adjournments, postponements, reschedulings or continuations of the meeting, the 2003 Annual Meeting).

El Paso has announced that the 2003 Annual Meeting will be held on June [], 2003, beginning at [] (local/Central time) at [], Houston, Texas []. El Paso has announced that the record date (the Record Date) for determining stockholders entitled to notice of and to vote at the 2003 Annual Meeting is May 2, 2003.

The Stockholder believes the performance of El Paso's current Board of Directors and management has been inexcusably poor and that they should be replaced. The recent minor changes in the composition of the Board have not changed this belief. **Less than three years ago, El Paso's fully integrated core businesses of natural gas exploration combined with nationwide pipeline distribution system and its solid balance sheet made it one of the nation's most successful commercial enterprises. Since that time, the current Board has led a once-proud company to the brink of disaster.** Specifically, the current Board and management have:

presided over an enormous destruction of shareholder value (over 90% by some measures);

diverted management attention and focus by repeatedly changing El Paso's business strategy, including by pursuing and then abandoning high-risk ventures that proved disastrous;

incurred excessive levels of debt, including through off-balance sheet financing schemes, triggering the current liquidity crisis facing El Paso;

facilitated a corporate culture that resulted in a massive \$1.7 billion settlement of claims by governmental authorities regarding energy trading while denying they did anything wrong;

encouraged financial disclosure strategies so lacking in transparency as to be incomprehensible to even the most qualified of securities analysts; and

trumpeted a plan to sell non-core assets while in fact selling mostly core assets.

The Stockholder further believes that only immediate, fundamental change can fix El Paso's management problems, because the Board and management culture at El Paso appears too deep-rooted to be affected by incremental change. The traits that typify the current culture are:

Edgar Filing: ZILKHA SELIM K - Form PRRN14A

condoning and indeed lavishly rewarding poor performance (William Wise, the CEO of El Paso until he was recently jettisoned, received compensation in excess of \$37 million between 2001 and 2003, including \$9.4 million in severance and a lump sum retirement benefit of \$15.3 million, while El Paso's stock price dropped from a high of over \$75 to a low of \$3.33);

insisting, without any apparent embarrassment or guilt, on retaining outrageously expensive golden parachute and related self-entrenchment devices (and apparently attempting to use the expense associated with these egregious arrangements as a means of deterring a change in control);

failing to act proactively and instead acting principally in response to outside pressure (the current Board belatedly fired Mr. Wise and added a few new directors only after Mr. Zilkha announced he would seek to replace the Board, demanded Mr. Wise be fired and criticized the Board's lack of energy industry experience); and

making excuses for poor performance, rather than taking responsibility for it.

The Stockholder is proposing to replace the incumbent Board and its troubled legacy with a talented, experienced slate of nominees that he believes offer El Paso a desperately-needed fresh start. The slate is comprised principally of industry veterans who have helped build and manage several of the most important and most complex companies in the energy industry. Importantly, several of these nominees have managed the same businesses and assets that now comprise substantial parts of El Paso's core businesses. Others within this group have managed companies that compete in the same markets as El Paso. This depth of experience and expertise is substantially greater than that of El Paso's existing Board (even with its last-minute, minor additions). Just as importantly from a stockholder perspective, the experience of this group is so directly relevant to El Paso's specific situation that the group is well-positioned to immediately and effectively take control of El Paso and to begin that process of seeking to fix it. In the Stockholder's opinion **this group will restore to El Paso the very qualities it currently lacks: business competence and discipline, focus, a commitment to honest transparency and credibility.**

The Stockholder has been troubled by the incumbent Board's repeated references to a change-of-control payment obligation of at least \$75 million that El Paso apparently has undertaken. Mr. Zilkha understands that this obligation can be eliminated by the incumbent Board at any time up to the Annual Meeting. He believes that under the circumstances, the incumbent Board's fiduciary duties require it to take that action, because failure to do so could inhibit the stockholders from exercising their right to select a board of their choosing and would impose a large expense on El Paso, at a time when it is desperately short of funds, without any corresponding corporate benefit (other than possibly retaining for a few months a group of executives who have brought El Paso to its current disastrous state). Mr. Zilkha expects that, if the existing directors fail to take action to eliminate this change-of-control provision, the Stockholder Nominees after being elected will consider whether to take legal action against the existing directors based on their breach of fiduciary duties.

Summary of Stockholder Proposals

The Stockholder is asking you to elect to the Company's Board of Directors at the 2003 Annual Meeting Messrs. R. Gerald Bennett, C. Robert Black, Charles H. Bowman, Ronald J. Burns, Stephen D. Chesebro, Ted Earl Davis, John J. Murphy, John V. Singleton and Selim K. Zilkha (the Stockholder Nominees) and seeking your approval of the proposals described in Matters to be Considered at the 2003 Annual Meeting The Stockholder Proposals beginning on page (the Stockholder Proposals).

As of the date of this Proxy Statement, the Stockholder is the beneficial owner of an aggregate of [8,909,195] shares of common stock, par value \$3.00 per share, of the Company, which represent approximately 1.49% of the issued and outstanding shares of El Paso common stock (599,435,088 shares as of March 27, 2003, based on information publicly disclosed by the Company in its annual report on Form 10-K for the year ended December 31, 2002, filed with the Securities and Exchange Commission (the SEC) on March 31, 2003).

Additional information concerning the Stockholder and the other participants in the solicitation is set forth under the heading Information Concerning the Participants in the Solicitation beginning on page .

Some of the statements contained in this Proxy Statement may constitute forward-looking statements, which for this purpose includes all statements that are not of historical facts. The actual future financial performance of El Paso could differ materially from those anticipated by these forward-looking statements. Particularly given the condition to which El Paso has been reduced under the current Board, there can be no assurance that Mr. Zilkha or the Stockholder Nominees will succeed in their efforts to turn El Paso around.

Your vote at this year's annual meeting is very important, no matter how many or how few shares you own. Please sign and date the enclosed BLUE proxy card and return it in the enclosed postage-paid envelope promptly.

Please do not return any proxy card sent to you by El Paso's incumbent board of directors. Reasons for the Solicitation; Plans for El Paso

Reasons for the Solicitation

The Stockholder decided to seek the replacement of all of El Paso's incumbent directors after concluding that, in his opinion, they cannot be relied upon to guide and oversee El Paso's management in the future. He based this conclusion particularly on the incumbent directors' performance, including the following:

The price of El Paso's common stock fell by over 90% between April 1, 2002 and February 18, 2003 (the date the Stockholder formally notified El Paso of his intent to present the Stockholder Proposals at the Annual Meeting).

During that same period:

following the Board's high-risk business strategies and the excessive levels of debt it authorized, El Paso's financial condition continued to decline, leading it to fall into its current severe liquidity crisis

the Board's failure to act quickly and decisively made the liquidity crisis considerably worse than it otherwise would have been

instead of acknowledging responsibility for its mistakes, the Board continued to bestow lavish financial benefits on itself and the management team it continued to support Brent Austin, who as El Paso's Chief Financial Officer had direct responsibility for the series of financing transactions including the ultimately disastrous off-balance sheet transactions that led to El Paso's current sorry state, was promoted to President in late 2002.

This history of poor performance has been compounded by the lack of transparency in El Paso's recent public disclosures. A recent report published by Morgan Stanley concludes that it is not possible to determine from El Paso's SEC filings whether its total debt level is \$25 billion or \$29 billion.

The same Morgan Stanley report concludes that the maximum prudent debt level for El Paso is \$11 billion in other words, the incumbent directors have permitted El Paso to become seriously over-leveraged.

A number of securities analysts have been openly skeptical of the financial projections published by El Paso's management reflecting a widespread lack of confidence within the investment community in El Paso's current management. According to a recent report by a Goldman Sachs analyst, One of El Paso's key challenges is restoring management credibility.

In the Stockholder's opinion, this combination of managerial hubris, ineffectiveness and lack of transparency, and the lack of confidence those traits have caused in the financial community, cannot be repaired by the minor tinkering with Board composition that the incumbents have proposed. These problems are too deep-rooted and require radical change.

The Incumbent Board's Changing Business Plans and Poor Execution

Mr. Zilkha has noted the incumbent Board's enthusiastic promotion of its current business plan; however, he can not overlook the series of failed plans that preceded this one. In fact, El Paso has a history of abrupt changes in strategic direction:

In 1999, El Paso announced in its annual report that it would enter the telecommunications arena in 2000, stating: "Our physical footprint, risk management capabilities, and Internet trading platform provide us with a strong entry point into this business."

By the end of 2001, El Paso had stated that it would no longer participate in the telecommunications market.

In 2001, El Paso announced in its annual report: "Future growth will be driven by our [liquefied natural gas (LNG)] business, increased market share in North America, expansion of our petroleum business, and the addition of selected power generation assets."

On May 2, 2002, El Paso stated during a call with analysts: The most significant development is our [LNG] business. The board of directors has authorized a major move by the Corporation into [LNG]. We believe we have real competitive advantage in the business and we believe it should be the largest growing subsequent of the energy sector over the next 10 years.

On May 29, 2002, El Paso implemented a restructuring plan in which its Merchant Energy Segment was reorganized so that LNG, Petroleum and Energy Trading Businesses would each report separately. El Paso's stated objective for this restructuring was to generate better and higher earnings, get the credit profile right.

On February 4, 2003, El Paso announced that it was exiting the LNG and Energy Trading Businesses and would seek to sell its petroleum assets.

The incumbents already appear to have veered off track on their current business plan. That plan calls for preserving and enhancing the value of El Paso's core businesses which, according to El Paso's SEC filings, include its Pipeline, Production, Midstream and Non-merchant Power Businesses, and divesting non-core businesses. In fact, from January 1, 2002 through the date of this Proxy Statement approximately 75% by value of El Paso's asset dispositions have been in core (not non-core) areas and since January 1, 2003, over 50% by value of El Paso's asset dispositions have been in core (not non-core) areas.

Recent Developments

Since Mr. Zilkha first publicly announced his intent to nominate his slate of directors, the current Board has issued a barrage of self-congratulatory announcements regarding the removal of Mr. Wise, the addition of a handful of new directors and the impending retirement of some others, and a series of financing transactions and asset sales. During this same period, El Paso filed its Annual Report on Form 10-K for the year ended December 31, 2002 with the SEC. These developments leave Mr. Zilkha more convinced than ever that the current Board must be replaced in its entirety. His reasons include:

The incumbent directors' alacrity in jettisoning Mr. Wise, only weeks after confirming their unanimous support for him to Mr. Zilkha (an illustration of two of the current directors' worst tendencies—their tendency to constantly and abruptly change strategic direction and their tendency to be reactive rather than proactive).

Even with the addition of a few new directors, the Board remains burdened with the legacy of the past (8 of the 12 incumbent nominees have been El Paso directors since 2001).

A most notable legacy of the past is Mr. Kuehn, a staunch supporter of Mr. Wise who has replaced Mr. Wise as CEO. Given the record established by Mr. Kuehn when he ran Sonat (a four-year period in which that company sank from earning \$2.24 per share to losing \$4.82 per share while he was paid a total of \$10 million), Mr. Zilkha has no confidence that Mr. Kuehn will help El Paso. Notwithstanding Mr. Kuehn's new-found belief in sound corporate governance, a hint of cronyism can be found in the recent additions to El Paso's Board. One of the four new directors and a member of the compensation committee, J. Michael Talbert, is a longtime close business associate of Mr. Kuehn.

Mr. Zilkha believes the financing transactions and asset sales currently being touted by the incumbent Board are belated reactions to the El Paso liquidity crisis that one securities analyst called—mostly of its own making. Fixing self-created problems does not, in Mr. Zilkha's view, demonstrate competence.

Edgar Filing: ZILKHA SELIM K - Form PRRN14A

Furthermore, El Paso's recent asset sales further reflect a continuing lack of focus approximately 75% by value of the asset dispositions announced from January 1, 2002 through the date of this Proxy Statement are of core (not non-core) assets.

El Paso's Annual Report on Form 10-K for the year ended December 31, 2002, indicated two things to Mr. Zilkha first, that El Paso's condition is extremely serious and in need of immediate skillful attention; and, second, that El Paso's opaque approach to disclosure is leading to further erosion of

confidence in the financial world. When a firm such as Morgan Stanley announces in a research report that it cannot tell if El Paso's debt burden is \$25 billion or \$29 billion, the quality of El Paso's disclosure is clearly unacceptable.

The incumbent Board even may have bungled its termination of Mr. Wise who, according to recent published reports, now intends to claim even more money from El Paso than the \$9.4 million severance payment, the \$15.3 million lump sum retirement benefit, \$97,500 per year lifetime pension and other miscellaneous benefits he already has been permitted to take from El Paso,

Plans for El Paso

The Stockholder expects that, after the Stockholder Nominees are elected in place of the incumbent directors, they immediately will begin the process of seeking to repair the damage done to El Paso. Since the damage is extensive, this will not be an easy task. No one should expect an overnight turnaround, or that El Paso's stock price will soon return anywhere close to its former heights. The Stockholder believes, however, that by harnessing the Stockholder Nominees' deep experience and expertise in the oil and gas industry and re-energizing employees, it should be possible to set a major turnaround in motion.

The Stockholder Nominees have reviewed El Paso's public disclosures about its business operations and financial condition with a view to developing a strategy for the Company. Unfortunately, El Paso's public disclosures are not as transparent as they could be (as noted above, a Morgan Stanley securities analyst was unable to determine from publicly available information and conversations with El Paso management if El Paso's true debt number was \$24.9 billion, or \$29.1 billion, or some other number). Furthermore, once elected as directors, the Stockholder Nominees will have a fiduciary obligation to act in an appropriately deliberate, fully-informed basis that they believe to be in the best interests of El Paso and its stockholders. Subject to these considerations, the Stockholder expects that, once elected as directors of El Paso, the Stockholder Nominees will:

Management Plan

Elect John J. Murphy Chairman of the Board of Directors.

Elect Stephen D. Chesebro Chief Executive Officer.

Terminate Mr. Kuehn from all management positions.

Retain all qualified members of management who are committed to rebuilding El Paso.

Build a cohesive team of employees to maximize stockholder value.

Immediately implement plans to enhance El Paso's financial and business disclosure.

Aggressively review all existing management compensation arrangements.

Business Plan

Immediately focus on core assets to maximize fundamental cash earnings and improve return on equity. Core assets for this purpose are Exploration and Production, Pipeline, and Midstream assets.

Exit non-core assets and related direct and indirect overhead costs on sound economic terms.

Aggressively reduce administrative costs to be equal to, or below, industry norms.

Set reasonable, but aggressive, operating and financial targets for each business unit, and hold them accountable. Reward exceptional performance.

Fund Exploration and Production through partnerships, farm-outs, and other financial arrangements.

Maintain adequate pipeline expenditures to ensure safe, reliable, efficient operations.

Seek to reduce El Paso's leverage.

Seek to restructure existing debt to consolidate and to extend maturities where practicable.

Corporate Governance Matters

The Stockholder expects that the Stockholder Nominees, if elected, will adopt and follow corporate governance policies that meet or exceed all of the requirements of the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC and the New York Stock Exchange listing guidelines (including the recently proposed amendments to those guidelines).

None of the Stockholder Nominees nor any of their respective immediate family members is an employee of, or a consultant to, or has any other contractual relationship with El Paso. None of the Stockholder Nominees is or has been a partner of or otherwise employed by any present or former auditor of El Paso in the past five years and none of them is an officer of a company of which any other Stockholder Nominee is also a board member. When elected, each Stockholder Nominee other than Mr. Chesebro (who is expected to be appointed Chief Executive Officer) will be independent for purposes of the New York Stock Exchange's listing requirements and guidelines, the Institutional Shareholder Services U.S. Proxy Voting Manual and the AFL-CIO Proxy Voting Guidelines.

Transition

The Stockholder believes the management transition that will occur when the Stockholder Nominees are elected will be a smooth one because, in addition to the broad energy industry expertise that exists within the slate, certain of the Stockholder Nominees have personal knowledge of significant portions of El Paso's core businesses and assets. Mr. Chesebro was CEO of Tenneco Energy, which is an important part of El Paso's natural gas transmission system. Tenneco Energy owned and operated a large portion of El Paso's current Midstream Business, was a partner with (Bear Creek Storage) and a competitor against SONAT (East Tennessee Natural Gas), was a partner (Mojave) and competitor against El Paso (California market), and was a partner (Iroquois Pipeline) and competitor against Coastal (Kern River Pipeline, internationally). Mr. Chesebro established the base for most of El Paso's international operations including Australia, Indonesia and Brazil. In addition, Mr. Chesebro managed South Texas exploration and production activities for both Tenneco Oil Company and Pennzoil. Mr. Chesebro was operations manager for Tenneco's Gulf of Mexico operations when it was the largest and most active in the industry. Mr. Murphy has worked with most, if not all of the major pipeline and Exploration and Production companies building refineries, providing pipeline components, or directly contributing to the exploration, production, and processing of oil and gas. Mr. Zilkha owned and operated a significant part of what is now El Paso's Exploration and Production Business Segment. Mr. Burns and Mr. Bennett both have extensive experience directly related to El Paso's natural gas business, including trading. Mr. Davis has extensive Exploration and Production plus Midstream experience, and along with Mr. Black and Mr. Bowman have led successful Exploration and Production organizations in the United States and worldwide.

The Stockholder urges all El Paso stockholders to vote FOR the Stockholder Nominees and FOR the adoption of each of the Stockholder Proposals by signing, dating and returning the enclosed BLUE proxy card.

The Election of Directors

The By-Laws of the Company currently provide that there will be at least one director, with the number of directors to be fixed from time to time by the Board. The Board currently consists of 12 directors. The Stockholder is asking the stockholders of the Company to approve the reduction of the size of the Board from 12 to nine and elect the nine Stockholder Nominees.

The Stockholder Nominees

The Stockholder Nominees are Messrs. R. Gerald Bennett, C. Robert Black, Charles H. Bowman, Ronald J. Burns, Stephen D. Chesebro, Ted Earl Davis, John J. Murphy, John V. Singleton and Selim K. The Stockholder Nominees will not receive any compensation from the Stockholder for agreeing to be nominated by the Stockholder and to serve as directors of El Paso, if elected pursuant to the Stockholder's solicitation. The Stockholder and Mr. Oscar S. Wyatt, Jr. have agreed to reimburse the Stockholder Nominees for all expenses, including legal expenses, reasonably incurred by them in connection with this proxy solicitation and any related proceedings.

It is expected that each of the Stockholder Nominees, if elected, will receive customary director's compensation from the Company.

According to the Company's definitive proxy statement for the 2002 annual meeting of stockholders dated April 8, 2002, filed with the SEC on April 28, 2002 (the "El Paso 2002 Proxy Statement"), under compensation arrangements then in effect, non-employee directors receive an annual retainer of \$80,000, \$20,000 of which is required to be paid in deferred shares of El Paso common stock (including a conversion premium) and the remaining \$60,000 paid at the election of the director in cash, deferred cash or deferred shares of common stock (including a conversion premium) or any combination of cash, deferred cash or deferred shares of common stock. In addition, each non-employee director who chairs a committee of the Board of Directors (other than the Nominating Committees) receives an additional retainer fee of \$15,000, which may be paid in the same manner as the annual retainer. Each non-employee director also receives a retirement benefit credit in the form of deferred shares of El Paso common stock (without the conversion premium) equal to the amount of their annual retainer. Pursuant to El Paso's 2001 Stock Option Plan for Non-Employee Directors, non-employee directors receive a grant of 5,000 stock options upon initial election to the Board of Directors, and 3,000 stock options upon each annual reelection by the stockholders. Directors with balances in their deferred account of at least \$200,000

are eligible to participate in El Paso's Estate Enhancement Program. See El Paso's 2002 Proxy Statement and other materials on file with the SEC for additional information regarding compensation of directors generally.

It is also expected that each of the Stockholder Nominees, if elected, will be indemnified for his services as director of the Company to the same extent indemnification is available to directors of the Company under the

Company's Restated Certificate of Incorporation or otherwise provided by the Company. In addition, it is expected that, upon their election, such nominees will be covered by any officer and director liability insurance maintained by the Company.

Each of the Stockholder Nominees has consented to being nominated to the Board, being named in this Proxy Statement as a nominee, and serving as a director of El Paso, if elected pursuant to the Stockholder's solicitation. If the nomination of any individual Stockholder Nominee by the Stockholder shall be deemed to be ineffective for any reason, or if any individual Stockholder Nominee shall be unable to serve for any reason, the Stockholder reserves the right to propose a replacement Stockholder Nominee at the 2003 Annual Meeting. Shares represented by the Stockholder's **BLUE** proxy cards will be voted for any such substitute or additional nominees of the Stockholder.

If Proposal 1 is not approved at the 2003 Annual Meeting, the Board might consist of 12 directors while the Stockholder has nominated nine individuals. Under those circumstances, the Stockholder Nominees, if elected, would constitute nine of 12 directors on the Board. The Stockholder therefore urges you to vote not only **FOR** the stockholder nominees, but also **FOR** the adoption of each of Stockholder Proposals, including Proposal 1.

When you return the BLUE proxy card you will be voting for the Stockholder Nominees to serve as directors and for adoption of the Stockholder Proposals, unless you appropriately mark your card otherwise.

The Stockholder believes that it is in the best interest of stockholders to elect the stockholder nominees at the 2003 Annual Meeting, and strongly recommends a vote FOR the election of the Stockholder Nominees and FOR the adoption of each of the Stockholder Proposals.

Your vote is important regardless of the number of shares you own.

Please sign and date the BLUE proxy card and return it in the enclosed envelope whether or not you plan to attend the 2003 Annual Meeting.

Background to the Solicitation

The Stockholder was the majority owner of Zilkha Energy Company, L.L.C. for several years before that company was acquired by Sonat, Inc. in 1998. Sonat in turn was acquired by El Paso in 1999. As a result of these transactions, Mr. Zilkha became the holder of a substantial number of shares of El Paso's common stock. Mr. Zilkha, like many other El Paso stockholders, has suffered a tremendous decline in the value of his investment in El Paso. At January 2, 2001, based on the prices at which El Paso's common stock was traded on the New York Stock Exchange, the shares Mr. Zilkha now owns were worth approximately \$626 million. As of February 18, 2003 (the date on which the Stockholder formally notified El Paso of his intent to present the Stockholder Proposals at the Annual Meeting), these shares were worth approximately \$36 million. In other words, over a period of slightly more than two years, Mr. Zilkha suffered unrealized losses on his El Paso stock position of approximately \$590 million. This coincided with a decline in El Paso's equity market capitalization from over \$37 billion to approximately \$3 billion. He has continued to hold the bulk of his position notwithstanding this loss in value because he believes that with effective new leadership and management, El Paso can again be a valuable investment.

Mr. Zilkha is a private investor. In the course of his career he has managed several large businesses, including Zilkha Energy Company, L.L.C. After the acquisition of Sonat by the Company, Mr. Zilkha served as a director of El Paso from November 1999 to February 2001, and as an advisory director from February 2001 until he resigned from that position on June 4, 2002. During the time Mr. Zilkha was a voting director, he participated in Board deliberations and periodically consulted with management regarding El Paso's business. As an advisory director, Mr. Zilkha had no vote on matters coming before the Board. Mr. Zilkha did not actively participate in the day-to-day management of El Paso at any time. A primary reason for Mr. Zilkha's resignation from his position as an advisory director was his desire to be able to more freely sell a portion of his El Paso common stock in order to satisfy some near-term liquidity requirements, including commitments made to charitable organizations. He subsequently did, in fact, sell in the aggregate 2,855,577 shares. Mr. Zilkha also donated in the aggregate an additional 933,723 shares or the proceeds generated from the sale of these shares to certain charities, primarily the Keck School of Medicine at the University of Southern California and The Hobby Center for the Performing Arts in Houston, Texas.

Around May 2002, shortly before the time Mr. Zilkha resigned as an advisory director, the trading price of El Paso's common stock began what would prove to be a precipitous decline. By September 2002 the shares, which had traded over \$46.00 in the spring of 2002, had traded as low as \$5.30. This decline in El Paso's share price was accompanied by a decline in Mr. Zilkha's confidence in El Paso's Board and management. Mr. Zilkha's loss of confidence was prompted by mounting evidence, appearing from mid-2002 onwards, that things were going badly at El Paso, including, among other things, increasing signs of financial distress, signs of increased scrutiny by the Securities and Exchange Commission and the Federal Energy Regulatory Commission, and class action stockholder lawsuits being filed against the Company. At various times between July 2002 and February 2003, Mr. Zilkha corresponded with members of the Company's Board regarding his increasing concerns over the strategic direction of El Paso and the quality of El Paso's management. In this correspondence, Mr. Zilkha repeatedly called for the resignation of William A. Wise from all his positions at the Company. In the same correspondence, Mr. Zilkha also made suggestions regarding candidates to replace Mr. Wise, all of which were rejected or seemingly ignored. The responses Mr. Zilkha received to his various requests and suggestions indicated to him that the Board was simply unwilling to face up to the serious reality of El Paso's deteriorating financial condition. The Board during this period appeared to ignore, or at least refuse to address, the numerous warning signs that so concerned Mr. Zilkha. Mr. Zilkha's view that the Board was in denial was reinforced when El Paso offered no response to his proposal that El Paso sell for cash the Gulfstream V jet that was provided for the use of Mr. Wise, even as El Paso's liquidity constraints became ever more acute. The Stockholder finds the incumbent Board's silence regarding the Gulfstream V even more troubling now that El Paso claims to have been seeking a purchaser since July 2002. Mr. Zilkha was so concerned about the declining condition of El Paso and the quality of its management that at one point, Mr. Zilkha proposed that he and his son, Michael Zilkha, would be willing to assume the active management of El Paso for no compensation. This proposal was intended only as

a temporary response to a situation Mr. Zilkha viewed (correctly, as it turned out) as critical for El Paso. **Neither Mr. Zilkha nor any of his immediate family members intends to accept in the future any executive management position with El Paso.**

The Company's Board responded to Mr. Zilkha's expressions of increasing concern over its failures of management with a series of overtures that apparently were intended to placate him. On January 9, 2003, Mr. Wise and two of El Paso's directors, Ron Kuehn and John Bissell, proposed to Mr. Zilkha that he be given the opportunity to nominate two directors to the Board. Mr. Zilkha rejected this proposal because by that time he had become convinced that both Mr. Wise's immediate removal and a fundamental change in the composition of the Board were required to address El Paso's problems and the proposal he rejected would have achieved neither of these objectives. Until early February 2003, the Board continued to indicate to Mr. Zilkha that it supported Mr. Wise and was not willing to remove him.

On several occasions after January 9, 2003, Mr. Zilkha suggested to Mr. Kuehn and others that along with the resignation of Mr. Wise, several of El Paso's directors should be replaced by independent directors with managerial or operating experience in the energy industry. There were several further attempts to reach a compromise agreement with Mr. Kuehn and others on a change in the composition of the Board, but each attempt failed. In these discussions, Mr. Kuehn and his colleagues continued to offer only two or three board seats and no commitment to replace Mr. Wise, while Mr. Zilkha continued to seek a substantially larger Board representation and the removal of Mr. Wise. Following these failed attempts at compromise, Mr. Zilkha concluded that real change could only be effected, and the interests of the Company's stockholders protected, through the replacement of the entire incumbent Board (including Mr. Wise) and not through the two or three Board seats being offered for him and his nominees.

On February 11, 2003, El Paso announced that Mr. Wise intended to resign his position as Chief Executive Officer and President of the Company at an unspecified future date, following the selection (with Mr. Wise's assistance) of a successor. In any event, according to the Company's announcement, Mr. Wise would continue to serve as Chairman of El Paso's Board until the end of 2003. This appeared to be an abrupt change in strategic direction on the part of the incumbent Board, because as recently as January 17, 2003, Mr. Kuehn had advised Mr. Zilkha in an email that "The Board does not believe that a change in management involving Bill Wise at this critical and challenging time in the industry is in the best interest of the shareholders and the employees. Therefore, the Board unanimously reaffirmed its support for the current senior management of the Company." When Mr. Zilkha examined the details of El Paso's announcement regarding Mr. Wise's change in status, however, he recognized that it appeared as if Mr. Wise's active involvement in the Company's management was to continue for an indeterminate period and that Mr. Wise would continue, through his chairmanship of the Board, to exert significant influence over El Paso's corporate decision-making at least until the end of 2003. Accordingly, Mr. Zilkha determined that the Company's announcement of Mr. Wise's planned departure did not reflect the significant, immediate change in direction at El Paso that he had been looking for and, therefore, Mr. Zilkha decided to continue to press for more radical change through the replacement of the entire incumbent Board.

On February 14, 2003, one day after El Paso's common stock traded at its all-time low of \$3.33, attorneys from the law firm of Fried Frank Harris Shriver & Jacobson, representing the Company and its incumbent Board, contacted lawyers at Clifford Chance who were representing Mr. Zilkha and stated that members of the Board had heard that Mr. Zilkha was planning to propose nominees for election to the Company's Board at the 2003 Annual Meeting. They said they wanted to explore a way to settle the matter, specifically by offering Mr. Zilkha the ability to nominate a minority of the Board. Mr. Zilkha's response, as communicated to the incumbent Board's attorneys, was that his concerns about El Paso's condition had become so grave that the only acceptable resolution was for the entire incumbent Board to resign.

On February 18, 2003, Mr. Zilkha sent a letter to the Board, the text of which was as follows:

Dear Directors:

As one of the largest stockholders of El Paso Corporation, I have watched with great dismay the disastrous decline in the value of El Paso's securities, including the precipitous drop in its stock price and the series of debt ratings downgrades. Many stockholders are convinced that immediate action is needed to restore El Paso to its former greatness. I believe that the only way to achieve this vital goal is to effect a complete change in the board of directors of the company. Along with the company's thousands of employees and stockholders who rely on El Paso, I can no longer watch passively as the value of the company continues to decline. Accordingly, I feel I have no choice but to deliver the attached notice of my intention to seek the support of my fellow stockholders to replace the board of directors of El Paso at its upcoming annual meeting.

The value of El Paso shares has fallen to its lowest point in a decade, including an all time low in the past week and a decline of 90% in the past year, and its debt has been downgraded to junk levels. I believe this drastic decline is the result of the ever increasing loss of confidence in the current board and management.

The recent announcement that William A. Wise intends to resign his positions with El Paso is woefully inadequate to address the many problems that plague El Paso. Throughout El Paso's sharp decline in share value, the current board of directors has failed the stockholders miserably. The only way to correct the problems and meet the challenges that face El Paso is to replace the current board with directors who have the credibility and the solid experience in the energy industry necessary to maximize the value and productivity of El Paso's employees and assets. I believe that I have assembled the right group to face these challenges. The individuals that I intend to nominate have the credibility, experience and expertise necessary to turn El Paso around and restore value to its stockholders.

As many of you know, I have long been a proponent of accountability and change at El Paso. I remain convinced that El Paso is capable of being a strong, growing enterprise. However, that turnaround can never happen under the current board and management.

I urge you, the directors, to consider your duty to the stockholders of the company and resign immediately and appoint the attached slate of directors.

They stand ready to serve.

Sincerely,

/s/ Selim K. Zilkha

Information Concerning the Participants in the Solicitation

Mr. Zilkha, Mr. Oscar S. Wyatt, Jr, and the Stockholder Nominees may be deemed participants (the Participants) in this solicitation. Mr. Wyatt is currently the Chairman and President of both NuCoastal Corporation and NuCoastal Trading Company, each of which maintain offices at 8 Greenway Plaza, Suite 930, Houston, TX 77046.

Mr. Wyatt is the beneficial owner of 4,324,368 shares of the Company s Common Stock, and may be deemed to be the beneficial owner of 350,689 shares of the Company s Common Stock owned by Mr. Wyatt s wife as to which Mr. Wyatt disclaims beneficial ownership. Of these holdings 3,861,123 shares are held of record by Mr. Wyatt. This represents less than 1% of the Company s outstanding stock as of March 27, 2003, as reported in the Company s annual report on Form 10-K for the year ended December 31, 2002. Mr. Wyatt disclaims beneficial ownership of the shares owned by his wife.

Mr. Wyatt is the named lead plaintiff in a class action suit against the Company alleging, among other things, violations of the federal securities laws. **Mr. Wyatt is not being nominated for election to the Company s Board of Directors and Mr. Wyatt has advised the Stockholder that he does not intend to seek office in the future with the Company.** If any or all of the Stockholder Nominees are elected as directors of the Company, they will be required under applicable law to act, in their capacity as directors, consistently with the best interests of the Company and its Stockholders in all matters coming before the Board, including the handling of the litigation to which Mr. Wyatt is a party. Mr. Zilkha acquired 2,095 shares of El Paso common stock during the class periods alleged in the lawsuit pursuant to stock grants made in consideration of Mr. Zilkha s service on El Paso s Board and accordingly may be entitled to participate (together with all other persons who purchased or acquired El Paso common stock during the relevant periods) in any recovery that may occur (by settlement or otherwise) under that lawsuit.

Within two days after Mr. Wyatt was appointed lead plaintiff in the class action suit, El Paso Merchant Energy-Petroleum Company (EPMA), a subsidiary of the Company, commenced a lawsuit against Mr. Wyatt alleging the breach by Mr. Wyatt of his obligations under a guaranty that Mr. Wyatt provided to Coastal Refining & Marketing, Inc., the purported predecessor of EPMA. Approximately 45 days prior to filing this suit, El Paso sent a letter to an attorney representing Mr. Wyatt seeking payment.

Mr. Wyatt owns NuCoastal Corporation. NuCoastal Corporation does not currently have any operating assets. NuCoastal Corporation has bid in the past and intends to bid for assets in the energy industry. Some of these assets may be in competition with El Paso. Mr. Wyatt also owns NuCoastal Trading Company, a small crude oil and products trading company operating primarily on the East Coast, which does not compete with El Paso.

For information relating to transactions by each of the Participants in securities of the Company over the past two years, see Schedule II hereto. For all other required information on the Participants other than Mr. Wyatt, see The Election of Directors The Stockholder Nominees beginning on page .

Each of the Stockholder Nominees, as well as Mr. Wyatt, may communicate with stockholders of El Paso in the manner contemplated by this Proxy Statement on behalf of the Stockholder.

Matters to Be Considered at the 2003 Annual Meeting

The Stockholder Proposals

In order to replace the current Board, the Stockholder is soliciting proxies to take the following actions at the 2003 Annual Meeting:

- Proposal 1.** To amend the Company's By-Laws to fix the number of directors constituting the entire Board of Directors at nine, including by appropriate amendments to Article III, Section 1 of the Company's By-Laws.
- Proposal 2.** To elect each of the Nominees referred to below to the Company's Board of Directors, in lieu of any persons who may be nominated by the Company's incumbent Board of Directors or by any other person.
- Proposal 3.** To amend the Company's By-Laws to delete any requirements for advance notice to be provided by stockholders prior to nominating persons for election to the Company's Board of Directors, including by appropriate amendment to Article III, Section 3 of the Company's By-Laws.

Proposal 4. To repeal each provision of or amendment to the Company's By-Laws (other than the provisions and amendments added or effected pursuant to Proposals 1 and 3) adopted after the version of the By-Laws, purportedly as amended through November 7, 2002, filed by the Company with the

Securities and Exchange Commission as Exhibit 3.B to the Company's Quarterly Report on Form 10-Q for the period ended September 30, 2002.

Proposal 5. To require that action be taken at the Annual Meeting on proposals 1 to 4 above in the sequence indicated and before any other business is conducted.

In accordance with the By-Laws of El Paso, on February 18, 2003, the Stockholder delivered written notice to the Secretary of the Company of his intention to nominate for election to the Company's Board at the 2003 Annual Meeting Messrs. R. Gerald Bennett, C. Robert Black, Charles H. Bowman, Ronald J. Burns, Stephen D. Chesebro, Ted Earl Davis, John J. Murphy, John V. Singleton and Selim K. Zilkha and present the Proposals described above to the stockholders of the Company for their approval at the 2003 Annual Meeting. The Stockholder believes that the Stockholder Nominees are highly qualified individuals who have the credibility and the solid experience in the energy industry necessary to maximize the value and productivity of El Paso's employees and assets. For more information regarding the Stockholder Nominees, see "The Election of Directors - The Stockholder Nominees", beginning on page .

Purposes of the Stockholder Proposals

The purposes of the Stockholder Proposals are as follows:

The purpose of Proposal 1 is to ensure that if all of the Stockholder Nominees are elected as directors, they will constitute the entire Board. The current Board consists of 12 directors. Therefore, in the absence of Proposal 1, the Stockholder Nominees, if elected, would constitute nine of 12 directors on the new Board, with the remaining three vacancies being filled by the nominees of the current Board. Proposal 1, if approved by the stockholders of El Paso, would prevent such a split outcome. The text of the amendment to the By-Laws to be effectuated by Proposal 1 is set forth in Schedule I. Adoption of this By-Law by stockholders will not prevent stockholders or the Board from further amending the By-Laws to again change the number of directors following the Annual Meeting.

The purpose of Proposal 2 is to elect the Stockholder Nominees.

Proposal 3 will allow any stockholder of the Company to nominate individuals to serve as directors without being subject to the restrictive advance notice requirements that currently are in effect. This amendment will provide El Paso stockholders with the same rights as management to nominate individuals to serve as directors. The text of the amendment to the By-Laws to be effected by Proposal 3 is set forth in Schedule I.

The purpose of Proposal 4 is to protect the transparency and fairness of the election process by ensuring that the provisions governing or related to the election of El Paso's directors, as stipulated in the latest publicly available draft of the By-Laws, remain unchanged through the time of the Annual Meeting. Proposal 4 is designed to prevent the current Board from changing the By-Laws before the Annual Meeting in ways that could limit the ability of the Company's stockholders to elect their choice of directors. El Paso has disclosed one non-substantive change to the By-Laws since November 27, 2002. After the Stockholder gave the required notice of his proposals, El Paso announced it had made some technical, previously undisclosed, amendments to its By-Laws since November 27, 2002 that would be repealed under Proposal 4.

The purpose of Proposal 5 is to ensure that action is taken at the Annual Meeting in a logical manner and to prevent results that would thwart the will of El Paso's stockholders as expressed by your votes at the 2003 Annual Meeting.

Board Proposals

Edgar Filing: ZILKHA SELIM K - Form PRRN14A

The Company has announced that it will present the following proposals numbered 6 through 8 below at the 2003 Annual Meeting:

Proposal 6. Ratification of appointment of PricewaterhouseCoopers LLP as independent certified public accountants.

The Board is seeking stockholder ratification of the resolution appointing PricewaterhouseCoopers LLP, which has served continuously as El Paso's independent certified public accountants since 1983, as independent certified public accountants for El Paso for fiscal year 2003.

The Stockholder has no objection to the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent certified public accountants for El Paso for fiscal year 2003. Unless you indicate otherwise on your proxy card, if you give the Stockholder the proxy he is requesting, your shares will be voted **FOR** that proposal.

Proposal 7. Amendment of Restated Certificate of Incorporation to eliminate fair price provision.

Proposal 8. Amendment of Restated Certificate of Incorporation to eliminate Series A Junior Participating Preferred Stock.

The Board is proposing amendments to eliminate the fair price provision currently contained in Article 12 of El Paso's Restated Certificate of Incorporation and the series of El Paso's preferred stock currently designated as Series A Junior Participating Preferred Stock in Article 4.2 of El Paso's Restated Certificate of Incorporation. A detailed description of these proposals and the reasons for the Board's support of the proposed amendments to El Paso's Restated Certificate of Incorporation are set forth in the Company's preliminary proxy statement filed with the Securities and Exchange Commission on April 9, 2003.

The Stockholder supports both amendments to the Company's Restated Certificate of Incorporation proposed by the Board as being in the best interests of El Paso's stockholders and recommends voting **FOR** proposals 7 and 8. Unless you indicate otherwise on your proxy card, if you give the Stockholder the proxy he is requesting, your shares will be voted **FOR** proposals 7 and 8.

Additional Proposals

The Company has announced that three proposals numbered 9 through 11 below were received from various other shareholders of the Company, which intend to submit such proposals for action at the 2003 Annual Meeting:

Proposal 9. Pay disparity report

Two stockholders have indicated that they will present a proposal for action at the 2003 Annual Meeting requesting the Board's Compensation Committee to prepare and make available by January 1, 2004 a report to requesting stockholders comparing the total compensation of the Company's top executives and its lowest paid workers both in this country and abroad on January 1, 1982, 1992 and 2002.

The Stockholder supports more transparency regarding the compensation of El Paso's top executives and believes that proposal 9 will help to insure that stockholders of the Company are fully informed about the compensation arrangements of El Paso's top executives. Accordingly, unless you indicate otherwise on your proxy card, if you give the Stockholder the proxy he is requesting, your shares will be voted **FOR** proposal 9.

Proposal 10. Indexed options for senior executives

A stockholder has indicated that it will present a proposal for action at the 2003 Annual Meeting requesting the Board to adopt an executive compensation policy that all future stock option grants to senior executives shall be performance-based, so that the options have value only to the extent that the Company's stock price performance exceeds the peer group performance level.

A detailed description of this proposal, supporting statement from the Massachusetts Laborers' Pension Fund and statement of the Board in opposition to this proposal are set forth in the Company's preliminary proxy statement filed with the Securities and Exchange Commission on April 9, 2003.

As stated in Reasons for the Solicitation, the Stockholder Nominees, if elected, will review the compensation arrangements of management including the use of options as a component of compensation. Currently, the Stockholder does not have a view as to proposal 10 and unless you indicate otherwise on your proxy card, if you give the Stockholder the proxy he is requesting, your shares will be voted **ABSTAIN** with respect to proposal 10.

Proposal 11. Approval of any adoption of poison pills

A stockholder indicated that he will present a proposal recommending that the Board of Directors redeem any poison pill previously issued (if applicable) and not adopt or extend any poison pill unless such adoption or extension has been submitted to a shareholder vote.

The Stockholder supports measures to limit the use of anti-takeover devices such as poison pills that tend to limit stockholder choice. Accordingly, unless you indicate otherwise on your proxy card, if you give the Stockholder the proxy he is requesting, your shares will be voted **FOR** proposal 11.

Detailed descriptions of these proposal, supporting statement from the proponents and statements of the Board in opposition to the proposals are set forth in the Company's preliminary proxy statement filed with the Securities and Exchange Commission on April 9, 2003.

If the Stockholder becomes aware of a new matter raised by the Board of Directors of El Paso after the Stockholder's proxy cards have been delivered to stockholders of El Paso, but a reasonable time before the Annual Meeting, Stockholder will either (1) include this new matter in a revised proxy card and disseminate it to stockholders with accompanying explanatory soliciting material, thus giving stockholders a meaningful opportunity to revoke any previously executed proxy granting discretionary authority; or (2) if the new matter is not so included in the card, forego the exercise of discretionary voting authority on such matter. If the Stockholder does not receive notice of a new matter a reasonable time before the Annual Meeting, the Stockholder may still exercise discretionary voting authority with respect to that matter in accordance with applicable laws and regulations.

Voting Procedures

2003 Annual Meeting

El Paso has announced that the 2003 Annual Meeting will be held on June [], 2003, beginning at [] (local/Central time) at [], Houston, Texas[]. El Paso has announced that the record date (the Record Date) for determining stockholders entitled to notice of and to vote at the 2003 Annual Meeting is May 2, 2003.

Voting and Revocation of Proxies

For the proxy solicited hereby to be voted, the enclosed **BLUE** proxy card must be signed, dated, and returned in the envelope enclosed, in time to be voted at the 2003 Annual Meeting. If you wish to vote **FOR** the election of the Stockholder Nominees and **FOR** the adoption of each of the Stockholder Proposals you must submit the enclosed **BLUE** proxy card and must **NOT** submit the Company's proxy card. If you have already returned the Company's proxy card, you have the right to revoke it as to all matters covered thereby and may do so by subsequently signing, dating, and mailing the enclosed **BLUE** proxy card. **Only your latest dated proxy will count at the 2003 annual meeting.** Execution of a **BLUE** proxy card will not affect your right to attend the 2003 Annual Meeting and to vote in person.

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by (i) submitting to the Chairman of the Board or the Stockholder a later dated written revocation or duly executed proxy; or (ii) attending and voting at the 2003 Annual Meeting in person (attendance at the 2003 Annual Meeting will not in and of itself constitute a revocation).

Although a revocation will be effective only if delivered to the Company, the Stockholder requests that either the original or a copy of all revocations be mailed to Selim K. Zilkha c/o Innisfree M&A Incorporated at the address set forth on the back page of this Proxy Statement, so that the Stockholder will be aware of all revocations and can more accurately determine if and when the requisite proxies have been received. If the Stockholder receives an original copy of a revocation of a proxy furnished by El Paso's incumbent Board of Directors, he will deliver it to the Company to assure its effectiveness.

Shares of El Paso common stock represented by a valid, unrevoked **BLUE** proxy card will be voted as specified. Shares represented by a **BLUE** proxy card where no specification has been made will be voted **FOR** the election of the Stockholder Nominees and **FOR** the adoption of each of the Stockholder Proposals. Except as set forth in this Proxy Statement, the Stockholder is not aware of any other matter to be considered at the 2003 Annual Meeting. If you return a **BLUE** proxy card and any other matter is presented at the 2003 Annual Meeting, the persons named on the enclosed **BLUE** proxy card will vote your shares in accordance with their best judgment concerning such matter.

If any of your shares were held in the name of a brokerage firm, bank, bank nominee or other institution on the Record Date, only that institution can vote your shares and only upon its receipt of your specific instructions. Accordingly, please promptly contact the person responsible for your account at the relevant institution and instruct that person to execute and return the **BLUE** proxy card on your behalf. You should also promptly sign, date and mail the voting instruction form (or **BLUE** proxy card) that your broker or banker sends you. Please do this for each account you maintain to ensure that all of your shares are voted. If any of your shares were held in the name of a brokerage firm, bank, bank nominee or other institution on the Record Date, to revoke your proxy you will need to give appropriate instructions to the relevant institution. **If you do not give instructions to your broker or other nominee, your shares will not be voted.**

Record Date and Voting Power

Only holders of record as of the close of business on May 2, 2003, the Record Date for the 2003 Annual Meeting, will be entitled to vote at the 2003 Annual Meeting. If you were a stockholder of record on the Record Date, you will retain your voting rights for the 2003 Annual Meeting even if you sell those shares after the Record Date. Accordingly, it is important that you vote the shares you owned on the Record Date or grant a proxy to vote those shares, even if you sell some or all of your shares after the Record Date.

The shares of common stock are the only shares of capital stock of El Paso entitled to notice of, and to vote at, the 2003 Annual Meeting. According to information publicly disclosed in El Paso's annual report on Form 10-K for the year ended December 31, 2002, there were 599,435,088 shares of El Paso common stock outstanding as of March 27, 2003. Every holder of shares of El Paso's common stock is entitled to one vote for each share held.

Quorum and Required Vote

In accordance with El Paso's By-Laws, at the 2003 Annual Meeting, a majority of the shares of common stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum.

Nominees for election as directors of El Paso will be elected by a plurality of the votes of the shares present in person or represented by proxy at the 2003 Annual Meeting and entitled to vote on the election of directors. Because directors are elected by a plurality of the votes cast at the 2003 Annual Meeting, the only effect of abstentions and broker non-votes in connection with the election of directors is to reduce the number of shares voted in favor of the nominees. Broker non-votes are shares as to which a broker indicates on a proxy that it does not have discretionary authority and has not received voting instructions from the beneficial owner on a particular matter.

El Paso's By-Laws provide that a non-vote by a stockholder will be counted as a vote for the management's position. It is unclear from the By-Laws exactly how this provision will be applied at the 2003 Annual Meeting, but it is possible that the Company's incumbent Board may seek to treat a non-vote by a stockholder as a vote **FOR** the incumbent Board's nominees and **AGAINST** the Stockholder Nominees. The Stockholder believes that this approach, if taken with respect to any of the Stockholder Proposals, would be inconsistent with Delaware law.

The adoption of Stockholder Proposals 1, 3 and 4 will require the affirmative vote of a majority of votes cast on, and abstentions with respect to, each such proposal. Abstentions with respect to these proposals would have the effect of a vote **AGAINST** the proposals. Stockholder Proposal 5 will require for its adoption the affirmative vote of a majority of the votes cast on the proposal. Abstentions will not be counted as votes cast with respect to this proposal and therefore will not affect the outcome. In addition, with respect to each of Stockholder Proposals 1, 3, 4 and 5, broker non-votes, if any, will not be counted as votes cast or abstentions and therefore will not affect the outcome of the vote.

The affirmative vote of a majority of the votes cast on proposals 6, 9, 10 and 11 is required for approval of each of these proposals. Abstentions and broker non-votes, if any, will not be counted as votes cast and therefore will not affect the outcome of the vote.

Edgar Filing: ZILKHA SELIM K - Form PRRN14A

Under El Paso's Restated Certificate of Incorporation, the adoption of the amendment proposed by the Board in proposal 7 requires the affirmative vote of holders of at least 51% of the outstanding shares of El Paso's common stock, excluding shares of common stock beneficially owned by any stockholder who is the beneficial owner of 10% or more of El Paso's common stock. Abstentions and broker non-votes, if any, will have the effect of a vote **AGAINST** the adoption of the amendment proposed by the Board in proposal 7.

The adoption of the amendment proposed by the Board in proposal 8 requires the affirmative vote of holders of at least a majority of the outstanding shares of El Paso's common stock. Abstentions and broker non-votes, if any, will have the effect of a vote **AGAINST** the adoption of the amendment proposed by the Board in proposal 8.

Subject to Delaware law, inspectors of election that are appointed by the Board or, if no such appointment is made or such inspectors fail to appear or act, by the Chairman of the 2003 Annual Meeting (appointed in accordance with the By-Laws of the Company), will determine the validity of proxies and receive, inspect, count and report to the meeting in writing the votes cast at the 2003 Annual Meeting.

Stockholder Proposals for 2004 Annual Meeting

According to El Paso, if you want to submit a proposal for possible inclusion in next year's proxy statement, you must submit it in writing to the Corporate Secretary, El Paso Corporation, 1001 Louisiana Street, Houston, Texas 77002, telephone (713) 420-6195 and facsimile (713) 420-4099. El Paso must receive your proposal on or before []. Additionally, under El Paso's By-law provisions, a stockholder who desires to bring any matter before the Annual Meeting that is not included in the 2004 Proxy Statement must send written notice to the foregoing address not less than 90 days nor more than 120 days prior to the first anniversary of the 2003 Annual Meeting. Under these criteria, stockholders must provide us with notice of a matter to be brought before the 2004 Annual Meeting between February [], 2004 and March [], 2004. If the 2004 Annual Meeting is to be held more than 30 days before or 60 days after June [], 2004, for a stockholder to bring any matter before the 2004 Annual Meeting, the stockholder's written notice must be received not less than 90 days nor more than 120 days before the date of the 2004 Annual Meeting or by the tenth day after we publicly announce the date of the 2004 Annual Meeting, if that would result in a later deadline.

No Appraisal Rights

Stockholders of the Company do not have dissenter's rights of appraisal as a result of this solicitation or the adoption of any of the proposals included in this Proxy Statement.

Solicitation of Proxies; Expenses

In connection with the Stockholder's solicitation of proxies for use at the 2003 Annual Meeting, proxies may be solicited by mail, courier service, advertisement, telephone, facsimile, telegraph, electronic mail, internet, television, radio, and in person. Solicitations may be made, in the manner set forth in this Proxy Statement, by the Stockholders, Mr. Wyatt, and by the Stockholder Nominees, none of whom will receive additional compensation for such solicitations. The Stockholder may request banks, brokerage firms, and other custodians, nominees and fiduciaries to forward all of the solicitation materials to the beneficial owners of the shares of El Paso common stock they hold of record. The

Edgar Filing: ZILKHA SELIM K - Form PRRN14A

Stockholder will reimburse these record holders for customary clerical and mailing expenses incurred by them in forwarding these materials to their customers.

The Stockholder has retained Innisfree M&A Incorporated for solicitation and advisory services in connection with the solicitation of proxies for a fee of up to \$300,000, together with reimbursement for its reasonable out-of-pocket expenses. The Stockholder has also agreed to indemnify Innisfree M&A Incorporated against certain liabilities and expenses (including under federal securities laws). Innisfree has informed the

Stockholder that it would employ up to approximately [] persons to solicit proxies for use at the 2003 Annual Meeting.

All expenses associated with any solicitation of proxies by the Stockholder in connection with the 2003 Annual Meeting will be borne directly by Selim K. Zilkha and Oscar S. Wyatt, Jr. pro rata based upon the number of El Paso shares held by each of them respectively pursuant to an agreement between them (67.3% by Mr. Zilkha and 32.7% by Mr. Wyatt). There are no commitments or arrangements relating to Mr. Wyatt's litigation in this agreement or otherwise. The Stockholder and Mr. Wyatt further have agreed to seek reimbursement from the Company upon completion of the solicitation of all expenses incurred by them in connection with the nomination of the Stockholder Nominees, the submission of the Stockholder Proposals and this solicitation. The Stockholder does not intend to seek the approval of El Paso's stockholders for that reimbursement. If the Stockholder seeks reimbursement of the costs of this solicitation from the Company, the decision whether or not to submit the question of reimbursement to a stockholder vote will be made by the Board. The Stockholder estimates that the costs incidental to his solicitation of proxies, including expenditures for advertising, printing, postage, legal and related expenses will be approximately \$[] million. Total costs incurred to the date of this Proxy Statement by the Stockholder have been approximately \$[].

Annual Report and Proxy Statement of the Company

An annual report to stockholders covering the Company's fiscal year ended December 31, 2002, including financial statements, is required to be furnished to stockholders by the Company in connection with the Company's solicitation of proxies for the 2003 Annual Meeting. That annual report is not required to be provided by the Stockholder and does not form any part of the material being distributed by the Stockholder for the solicitation of proxies.

The Company's incumbent Board also will solicit proxies for use at the 2003 Annual Meeting and has furnished or will shortly furnish a proxy statement in connection with that solicitation. Neither the Stockholder, the Participants nor any of their respective affiliates or associates is presently an officer or director of, or otherwise engaged in the management of, the Company. Consequently, the Stockholder does not have current information concerning the common stock of the Company, other information concerning the Company's management, the procedures for submitting proposals for consideration at the next annual meeting of the Company's stockholders or certain other matters regarding the Company and the 2003 Annual Meeting. Accordingly, reference for that information is made to management's preliminary proxy statement filed with the Securities and Exchange Commission on April 9, 2003.

Under the federal securities laws, the Stockholder is required to disclose certain information as to the security ownership of the Company's management, its current directors and the holders of significant amounts of El Paso's Common Stock. That information, which has been obtained from El Paso's preliminary proxy statement with the Securities and Exchange Commission, on April 9, 2003 is provided in Schedule III.

- (1) For years 2000 and 2001, El Paso's incentive compensation plans required executives to receive a substantial part of their annual bonus in shares of restricted El Paso common stock. The amounts reflected in this column for years 2000 and 2001 represent a combination of the market value of the restricted common stock and cash at the time awarded under the applicable El Paso incentive compensation plan. Specifically for fiscal year 2001, Messrs. Wise, Eads, Austin, Somerhalder and Phillips received the following number of shares of restricted common stock and cash for their bonus: 40,258 shares and \$1,716,023 cash; 16,422 shares and \$700,020 cash; 13,372 shares and \$570,025 cash; 13,372 shares and \$570,025 cash; and 6,568 shares and \$280,042 cash, respectively. For fiscal year 2000, Messrs. Wise, Eads, Austin, Somerhalder and Phillips received the following number of shares of restricted common stock and cash for their bonus:

40,735 shares and \$32 cash; 13,727 shares and \$47 cash; 13,130 shares and \$57 cash; 13,130 shares and \$57 cash; and 7,833 shares and \$50 cash, respectively. The value of the shares of restricted stock issued has declined significantly since the date of grant. Dividends are paid directly to the holders of the restricted common stock during the four-year vesting schedule.

- (2) The amount reflected for Mr. Wise in fiscal year 2002 includes, among other things, \$90,000 for a perquisite and benefit allowance and \$65,509 in value attributed to use of El Paso's aircraft. The amount reflected for Mr. Wise in 2001 includes, among other things, \$90,000 for a perquisite and benefit allowance and \$62,692 in value attributed to use of El Paso's aircraft. The amount reflected for Mr. Wise in fiscal year 2000 includes, among other things, \$90,000 for a perquisite and benefit allowance and \$56,734 in value attributed to use of El Paso's aircraft. The amount reflected for Mr. Phillips in fiscal year 2002 includes, among other things, \$42,000 for a perquisite and benefit allowance. The amount reflected for Mr. Eads in fiscal year 2001 includes, among other things, \$42,000 for a perquisite and benefit allowance and \$10,136 in value attributed to use of El Paso's aircraft. Except as noted, the total value of the perquisites and other personal benefits received by the other executives named in this Proxy Statement in fiscal years 2002, 2001 and 2000 are not included in this column since they were below the Securities and Exchange Commission's reporting threshold.
- (3) For years 2000 and 2001, El Paso's incentive compensation plans provided for and encouraged participants to elect to take all or some of their cash portion of their annual bonus award in shares of restricted common stock. The amounts reflected in this column for years 2000 and 2001 include the market value of restricted common stock on the date of grant. Specifically for fiscal year 2001, Messrs. Wise, Eads, Austin, Somerhalder and Phillips received the following number of shares of restricted common stock in lieu of a cash bonus: 40,258; 16,422; 13,372; 13,372; and 6,568, respectively. For fiscal year 2000, Messrs. Wise, Eads, Austin, Somerhalder and Phillips received the following number of shares of restricted common stock in lieu of a cash bonus: 40,735; 13,727; 13,130; 13,130; and 7,833, respectively. The value of the shares of restricted stock issued has declined significantly since the date of grant.

The number of shares of performance and time vesting restricted stock, the number of shares of time vesting restricted stock, the total number of shares of restricted stock, and value of restricted common stock (including the amount in this column) held on December 31, 2002, is as follows:

Name	Performance & Time Vesting	Time Vesting Only	Total	Value (\$)
William A. Wise	350,000	281,248	631,248	\$ 4,393,486
Ralph Eads	110,000	78,594	188,594	\$ 1,312,614
H. Brent Austin	88,300	89,596	177,896	\$ 1,238,156
John W. Somerhalder II	65,000	89,596	154,596	\$ 1,075,988
Robert G. Phillips	60,000	51,706	111,706	\$ 777,474

Shares of restricted common stock that are subject to a time-vesting schedule generally vest four years from the date of grant (including the shares awarded as part of the annual bonus in years 2000 and 2001 described above). With respect to performance vesting, if the required El Paso performance targets are not met within a four-year time period, all unvested shares are forfeited. Any dividends awarded on the restricted common stock are paid directly to the holder of the El Paso common stock. These total values can be realized if, and only if, the restricted common stock granted to the executives named in this Proxy Statement vests with respect to both time and performance. As a result of their terminations of employment, Mr. Wise forfeited 80,000 shares of performance and time vesting restricted stock and 59,609 shares of time vesting restricted stock, and Mr. Eads forfeited 14,000 shares of performance and time vesting restricted stock and 21,466 shares of time vesting restricted stock on their respective termination dates. Their remaining shares of restricted stock have vested.

- (4) No long-term incentive payouts were made in fiscal years 2002, 2001 and 2000.
- (5) The compensation reflected in this column for fiscal year 2002 includes El Paso's contributions to the El Paso Retirement Savings Plan, a supplemental company match for the Retirement Savings Plan under the Supplemental Benefits Plan, and the above-market interest earned on deferred compensation. Specifically,

these amounts for fiscal year 2002 were \$9,000, \$209,789 and \$36,843 for Mr. Wise; \$9,000, \$51,393 and \$34,270 for Mr. Eads; \$9,000, \$70,987 and \$5,100 for Mr. Austin; \$9,000, \$69,299 and \$3,627 for Mr. Somerhalder; and \$7,500, \$28,499 and \$1,922 for Mr. Phillips, respectively.

(6) Mr. Wise ceased to be Chairman and CEO on March 12, 2003.

(7) Mr. Eads ceased to be an employee on December 31, 2002.

Stock Option Grants

This table sets forth the number of stock options granted at fair market value to the executive named in this Proxy Statement during the fiscal year 2002. In satisfaction of applicable SEC regulations, the table further sets forth the potential realizable value of such stock options in the year 2012 (the expiration date of the stock options) at an assumed annualized rate of stock price appreciation of 5% and 10% over the full ten-year term of the stock options. As the table indicates, annualized stock price appreciation of 5% and 10% would result in stock prices in the year 2012 of approximately \$14.83 and \$23.62, respectively. The amounts shown in the table as potential values for all shares of common stock outstanding on December 31, 2002 (approximately \$3.4 billion and \$8.7 billion), represent the corresponding increases in the market value of 601,307,688 shares of the common stock outstanding as of December 31, 2002. No gain to the executive named in this Proxy Statement is possible without an increase in stock price, which would benefit all stockholders. Actual gains, if any, on stock option exercises and common stock holdings are dependent on the future performance of the common stock and overall stock market conditions. There can be no assurances that the potential realizable values shown in this table will be achieved.

- (1) The stock options granted in 2002 by El Paso to the executive named above vest one-half on each of the first two anniversaries of the grant. No stock options were granted to any other of the named executives. There were no stock appreciation rights granted in 2002. Any unvested stock options become fully exercisable in the event of a change in control (see page 43 of this Proxy Statement for a description of El Paso's 2001 Omnibus Incentive Compensation Plan and the definition of the term change in control.) Under the terms of El Paso's 2001 Omnibus Incentive Compensation Plan, the Compensation Committee may, in its sole discretion and at any time, change the vesting of the stock options. Certain non-qualified stock options may be transferred to immediate family members, directly or indirectly or by means of a trust, corporate entity or partnership. Further, stock options are subject to forfeiture and/or time limitations in the event of a termination of employment.

Option Exercises and Year-End Value Table

This table sets forth information concerning stock option exercises and the fiscal year-end values of the unexercised stock options, provided on an aggregate basis, for each of the executives named in this Proxy Statement.

Long-Term Incentive Awards***Restricted Stock***

This table provides information concerning incentive awards of restricted common stock made under El Paso's 2001 Omnibus Incentive Compensation Plan. The number of shares of restricted common stock will vest if, and only if, the executive named below remains an employee of El Paso for the specified time period and the required increase in total stockholder return is achieved during such time period. No other named executive received an incentive award during 2002.

- (1) The indicated number of shares of restricted common stock vest at the Threshold, Target and Maximum levels only if total stockholder return equals or exceeds 40%, 65% and 90%, respectively within the indicated performance period. Total stockholder return equals stock price appreciation/depreciation, plus any dividends and distributions declared on El Paso's common stock during the relevant period.

Performance Units

This table provides information concerning long-term incentive awards of performance units under El Paso's 2001 Omnibus Incentive Compensation Plan. The grant reflected vests over the indicated maturation performance period, at the end of which El Paso's total stockholder return is compared to that of its peer group. With respect to the grant, if El Paso's total stockholder return ranks in the first, second, third or fourth quartiles of its peer group, the value of each unit is \$150, \$100, \$50 and \$0, respectively. The payout, if any, will be made

in cash. All the amounts shown are potential assumed amounts. There can be no assurance that El Paso will achieve the results that would lead to final payments under the plan. No other named executive received any performance units during 2002.

PENSION PLAN

Effective January 1, 1997, El Paso amended its pension plan to provide pension benefits under a cash balance plan formula that defines participant benefits in terms of a hypothetical account balance. Prior to adopting a cash balance plan, El Paso provided pension benefits under a plan (the Prior Plan) that defined monthly benefits based on final average earnings and years of service. Under the cash balance plan, an initial account balance was established for each El Paso employee who was a participant in the Prior Plan on December 31, 1996. The initial account balance was equal to the present value of Prior Plan benefit as of December 31, 1996. At the end of each calendar quarter, participant account balances are increased by an interest credit based on 5-Year Treasury bond yields, subject to a minimum interest credit of 4% per year, plus a pay credit equal to a percentage of salary and bonus. The pay credit percentage is based on the sum of age plus service at the end of the prior calendar year according to the following schedule:

Age Plus Service	Pay Credit Percentage
Less than 35	4%
35 to 49	5%
50 to 64	6%
65 and over	7%

Under El Paso's pension plan and applicable Internal Revenue Code provisions, compensation in excess of \$200,000 cannot be taken into account and the maximum payable benefit in 2002 was \$160,000. Any excess benefits otherwise accruing under El Paso's pension plan are payable under El Paso's Supplemental Benefits Plan. Participants may elect to receive benefits in the form of either a lump sum payment or actuarial equivalent monthly payments over a period of time not less than five years and not more than the participant's remaining life.

Participants with an initial account balance on January 1, 1997 (including each of the executives named in this Proxy Statement, except Mr. Eads) are provided minimum benefits equal to the Prior Plan benefit accrued as of the end of 2001. The Prior Plan benefit is computed as follows: for each year of credited service up to a total of 30 years, 1.1% of the first \$26,800, plus 1.6% of the excess over \$26,800, of the participant's average annual earnings during his five years of highest earnings. Upon retirement, the pension benefit equals the greater of the cash balance formula benefit or the Prior Plan benefit accrued as of the end of 2001. Credited service as of December 31, 2001, for each executive named in this Proxy Statement is shown in the table below. Amounts reported under Salary and Bonus for each executive named in this Proxy Statement in the Summary Compensation Table approximate earnings as defined under the pension plan.

Edgar Filing: ZILKHA SELIM K - Form PRRN14A

Estimated annual benefits payable from the pension plan and Supplemental Benefits Plan upon retirement at the normal retirement age (age 65) for each executive named in this Proxy Statement is reflected below (based on assumptions that each executive named in this Proxy Statement receives base salary shown in the Summary Compensation Table with no pay increases, receives 75% of maximum annual bonuses beginning with bonuses earned for fiscal year 2003, and cash balances are credited with interest at a rate of 4% per annum):

Named Executive	Credited Service As Of December 31, 2001	Pay Credit Percentage During 2003	Estimated Annual Benefits(1)
William A. Wise(2)	30	7%	\$ 842,452
Ralph Eads(3)	N/A	5%	\$ 0
H. Brent Austin	15	7%	\$ 270,415
John W. Somerhalder II	24	7%	\$ 398,400
Robert G. Phillips	6	6%	\$ 180,870

- (1) For Messrs. Wise and Austin, the amounts reflected have been reduced as a result of their participation in the Alternative Benefits Program, as described on page 41 of this Proxy Statement. Prior Plan minimum benefits for Wise and Somerhalder are greater than their projected cash balance benefits at age 65.
- (2) The amount reflected for Mr. Wise is his actual pension benefit amount under the Supplemental Benefits Plan and the pension plan as of his termination date of March 12, 2003. Mr. Wise has elected to receive his Supplemental Benefits Plan benefit in a lump sum of \$15,326,532, net of applicable tax withholding. If Mr. Wise elects a single life annuity benefit under the pension plan, his actual annual benefit will be \$97,533.
- (3) Mr. Eads was not vested in his pension benefits upon his termination of employment with El Paso on December 31, 2002.
