#### **Report of Independent Auditors**

The Plan Administrator Polaris 401(k) Retirement Savings Plan

We have audited the accompanying statements of net assets available for benefits of Polaris 401(k) Retirement Savings Plan as of December 31, 2002 and 2001 and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2002 and 2001 and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

#### Polaris 401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2002

#### 1. Description of the Plan

The following description of Polaris 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan s provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of the Plan s sponsor, Polaris Industries Inc. (the Company), and its U.S. subsidiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Plan Operations**

Certain administrative costs totaling \$16,647 and \$17,500 for the plan years ended December 31, 2002 and 2001, respectively, were paid by the Company. Administrative costs paid by the Company include trustee/asset custodian fees, record-keeping fees, and investment management fees.

#### **Plan Administration**

The Plan s trustee, Fidelity Management Trust Company (the Trustee), holds and invests the assets of the Plan and also distributes the retirement benefits upon instruction from the plan administrator. The Plan is administered by an executive committee appointed by the Board of Directors of the Company.

#### **Contributions/Participant Accounts**

Participants may elect to make contributions (limited to a maximum of 50% of the participant s compensation, as defined in the Plan) to their account balances.

The Company will make a fully vested matching contribution to each participant s account in the Plan of 100% of each dollar of 401(k) contributions up to 5% of covered compensation. This contribution is intended to satisfy a safe harbor contribution formula permitted by Internal Revenue Service (IRS) regulations. By making the safe harbor matching contribution, the Plan will automatically satisfy the nondiscrimination requirements which otherwise would apply to 401(k) contributions made to the Plan.

Plan earnings, as defined, are allocated pro rata based on participants account balances.

The interest rate charged on loans outstanding ranged from 6.75% to 11.50% as of December 31, 2002 and December 31, 2001.

#### **Distributions to Participants**

Employee account balances are distributable upon retirement, disability, death, termination from the Company, or hardship. Upon the occurrence of one of these events, a participant (or the participant s beneficiary in the case of death) may receive his or her account balance as a lump-sum payment or in monthly payments through an annuity as available per plan provisions.

#### **Plan Amendment and Termination**

The Company has the right to amend or terminate the Plan, subject to the provisions of ERISA. In the event of the Plan s termination, all assets of the Plan will be distributed to participants in accordance with plan provisions.
