To Be Held on May 19, 2004**

SOLICITATION AND REVOCATION OF PROXY

The Board of Directors of Cullen/ Frost Bankers, Inc. (Cullen/ Frost or the Company) is soliciting proxies to be used at the Annual Meeting of Shareholders. The meeting will be held in the Commanders Room at The Frost National Bank, 100 West Houston Street, San Antonio, Texas, on Wednesday, May 19, 2004 at 10:00 a.m., San Antonio time. This Proxy Statement and the accompanying proxy card will be mailed to shareholders beginning on or about April 16, 2004.

The Company will pay for the solicitation of proxies for the Annual Meeting. Directors, officers, and employees of Cullen/ Frost may solicit proxies by mail, telephone, facsimile, or in person. Cullen/ Frost has also retained Georgeson Shareholder Communications, Inc. to assist in soliciting proxies for a fee of approximately \$6,500.00, plus out-of-pocket expenses. Cullen/ Frost has requested that brokers, nominees, fiduciaries, and other custodians forward proxy-soliciting material to the beneficial owners of Cullen/ Frost Common Stock. Cullen/ Frost will reimburse these persons for out-of-pocket expenses they incur in connection with its request.

All shares of Cullen/ Frost Common Stock represented by properly executed proxies, if returned in time, will be voted at the meeting in the manner directed in the proxy. If no direction is given, proxies will be voted for all proposals listed on the proxy and in the discretion of the persons named as proxies with respect to any other business that may properly come before the meeting. If authority to vote on any matter is withheld, the shares represented by the proxy will still be counted for determining the number of shares present at the meeting.

A shareholder may revoke a proxy at any time before it is voted by delivering a written revocation notice to the Corporate Secretary of Cullen/ Frost Bankers, Inc., 100 West Houston Street, San Antonio, Texas 78205. A shareholder who attends the meeting may vote by ballot at the meeting, if desired, and such vote will revoke any proxy previously given.

VOTING OF SECURITIES

The only class of voting securities of Cullen/ Frost outstanding and entitled to vote at the Annual Meeting is Common Stock, par value \$0.01 per share. The close of business on April 2, 2004 has been fixed as the record date for the determination of shareholders entitled to vote at the Annual Meeting. On April 2, 2004, there were outstanding 51,333,830 shares of Common Stock, with each share entitled to one vote. A quorum of shareholders is required to hold a valid meeting. If the holders of at least a majority of the issued and outstanding shares are present in person or represented by proxy, a quorum will exist. Abstentions and broker non-votes are counted as present for establishing a quorum.

Directors are elected by a plurality of the votes cast at the meeting. With respect to any other matter, the affirmative vote of the holders of a majority of the shares having voting power present in person or represented by proxy will be the act of the shareholders.

The Board has adopted written charters for the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee. The charter for the Audit Committee is attached as Annex A to this Proxy Statement. It is also available, together with the charter for the Compensation and Benefits Committee and the charter for the Corporate Governance and Nominating Committee, at www.frostbank.com.

As described in more detail below under **Certain Corporate Governance Matters** **Director Independence**, the Board has determined that each member of the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee is independent within the meaning of the listing standards of the New York Stock Exchange, Inc. (the "NYSE"). The Board has also determined that each member of the Audit Committee is independent within the meaning of the rules of the Securities and Exchange Commission (the "SEC"). In addition, the Board has determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

Director Nomination Process

The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors and for recommending to the Board the nominees to stand for election as Directors.

In identifying Director candidates, the Corporate Governance and Nominating Committee may seek input from Cullen/ Frost's management and from current members of the Board. In addition, it may use the services of an outside consultant, although it has not done so in the past. The Corporate Governance and Nominating Committee will consider candidates recommended by shareholders. Shareholders that wish to recommend candidates may do so by writing to the Corporate Governance and Nominating Committee of Cullen/ Frost Bankers, Inc., c/o Corporate Secretary, 100 West Houston Street, San Antonio, Texas 78205. Recommendations may be submitted at any time, but recommendations for consideration as nominees at the Annual Meeting of Shareholders must be received not less than 120 days before the first anniversary of the date of the proxy statement released to shareholders in connection with the previous year's Annual Meeting. Therefore, to recommend a candidate for consideration as a nominee for Director at the 2005 Annual Meeting, a shareholder must submit the recommendation by December 17, 2004. The written recommendation must include the name of the candidate, the number of shares of Cullen/ Frost Common Stock owned by the candidate and the information regarding the candidate that would be included in a proxy statement for the election of Directors pursuant to paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the SEC.

In evaluating Director candidates, the Corporate Governance and Nominating Committee initially considers the Board's need for additional or replacement Directors. It also considers the criteria approved by the Board and set forth in Cullen/ Frost's Corporate Governance Guidelines, which include, among other things, the candidate's personal qualities (in light of the Company's core values and mission statement), accomplishments and reputation in the business community, the fit of the candidate's skills and personality with those of other Directors and candidates and the ability of the candidate to commit adequate time to Board and committee matters. The objective is to build a Board that is effective, collegial and responsive to

Table of Contents

the needs of Cullen/ Frost. In addition, considerable emphasis is given to Cullen/ Frost's mission statement and core values, statutory and regulatory requirements, the Board's goal of having a substantial majority of independent directors and the Board's retirement policy.

The Corporate Governance and Nominating Committee evaluates all Director candidates in the same manner, including candidates recommended by shareholders. In considering whether candidates satisfy the criteria described above, it will initially utilize the information it receives with the recommendation or otherwise possesses. If it determines, in consultation with other Board members, including the Chairman, that more information is needed, it may, among other things, conduct interviews.

Director Compensation

Cullen/ Frost employees receive no fees for their services as members of the Board of Directors or any of its committees. Non-employee Directors receive an annual retainer fee of \$8,000 and \$2,000 for each Board meeting attended. In addition, non-employee Directors receive \$1,000 for attending each meeting of a committee of the Board to which they have been appointed, except that the Chairman of the Audit Committee receives \$1,500 for each meeting of the Audit Committee attended. Non-employee Directors are also eligible to receive stock options each year under Cullen/ Frost's 1997 Director Stock Plan. In 2003, each non-employee Director received options to purchase 2,000 shares of the Company's Common Stock. The options have a term of six years from the date of the grant, are exercisable immediately from the date of the grant and have an exercise price of \$35.84, which is equal to the closing price of the Company's Common Stock on the date of the grant.

In addition, the Board of Directors also serves as the Board of Directors for The Frost National Bank, a subsidiary of Cullen/ Frost, and non-employee Directors receive fees for serving in this capacity. In particular, non-employee Directors receive \$2,000 for each meeting of such Board attended and \$1,000 for attending each meeting of a committee of such Board to which they have been appointed.

The following are directorships held by nominees and Directors in public companies other than Cullen/ Frost, or in registered investment companies:

Mr. Arnold
Mr. Caldwell

Nuevo Energy Co.
SABRE Corporation
Valero Energy Corp.

Miscellaneous Information

There are no arrangements or understandings between any nominee or Director of Cullen/ Frost and any other person regarding such nominee's or Director's selection as such, except that Mr. Robert S. McClane's retirement agreement with Cullen/ Frost provides that, until he reaches age 70, subject to the sole discretion of the Board of Directors, he will be considered as a candidate for reelection to the Board. In addition, pursuant to such retirement agreement, Mr. McClane is entitled to office space and secretarial services and support until he reaches age 70. The only family relationships among the Directors or executive officers of Cullen/ Frost that are first cousin or closer are those of Messrs. T.C. Frost and Patrick B. Frost, who are father and son, and Messrs. Harry H. Cullen and Isaac Arnold, Jr., who are first cousins.

CERTAIN CORPORATE GOVERNANCE MATTERS

Cullen/ Frost believes that it has operated over the years with sound corporate governance practices that exemplify its commitment to integrity and protect both the interests of its shareholders and the other

Table of Contents

constituencies that it serves. These practices include a substantially independent Board of Directors, periodic meetings of non-management Directors and a sound and comprehensive code of conduct, which obligates Directors and all employees to adhere to the highest legal and ethical business practices. A review of some of Cullen/ Frost's corporate governance measures is set forth below.

Director Independence

The Board of Directors believes that a substantial majority of its members should be independent within the meaning of the NYSE's listing standards. To this end, the Board reviews annually the relevant facts and circumstances regarding relationships between Directors and Cullen/ Frost. The purpose of the Board's review is to determine whether any Director has a material relationship with Cullen/ Frost (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cullen/ Frost).

In connection with the Board's latest review, the Board determined that the following Directors, which compose 84% of the Board, are independent within the meaning of the NYSE's listing standards: Mr. R. Denny Alexander, Mr. Carlos Alvarez, Mr. Isaac Arnold, Jr., Mr. Royce S. Caldwell, Mr. Harry H. Cullen, Mr. Eugene H. Dawson, Sr., Mr. Ruben M. Escobedo, Mr. Joe R. Fulton, Mr. Preston M. Geren III, Mr. James L. Hayne, Ms. Karen E. Jennings, Mr. Richard M. Kleberg, III, Mr. Robert S. McClane, Ms. Ida Clement Steen, Mr. Horace Wilkins, Jr. and Ms. Mary Beth Williamson. Mr. T.C. Frost, Mr. Richard W. Evans and Mr. Patrick B. Frost are not independent because they are executive officers of Cullen/ Frost.

In making its independence determinations, the Board considers the rules included in the NYSE's listing standards, as well as the standards set forth below. The Board adopted these standards pursuant to the NYSE's listing standards to assist it in making independence determinations. For purposes of the standards, the term "Cullen/ Frost Entity" means, collectively, Cullen/ Frost and each of its subsidiaries.

Credit Relationships. A proposed or outstanding relationship that consists of an extension of credit by a Cullen/ Frost Entity to a Director or a person or entity that is affiliated, associated or related to a Director should not be deemed to be a material relationship if it satisfies each of the following criteria:

It is not categorized as "classified" by the Cullen/ Frost Entity or any regulatory authority that supervises the Cullen/ Frost Entity.

It is made on terms and under circumstances, including credit standards, that are substantially similar to those prevailing at the time for comparable relationships with other unrelated persons or entities and, if subject to the Federal Reserve Board's Regulation O (12 C.F.R. Part 215), is made in accordance with Regulation O.

In the event it was not made, in the case of a proposed extension of credit, or it was terminated in the normal course of the Cullen/ Frost Entity's business, in the case of an outstanding extension of credit, the action would not reasonably be expected to have a material adverse effect on the Director or the business, results of operations or financial condition of any person or entity related to such Director.

Non-Credit Banking or Financial Products or Services Relationships. A proposed or outstanding relationship in which a Director or a person or entity that is affiliated, associated or related to a Director procures non-credit banking or financial products or services from a Cullen/ Frost Entity should not be deemed to be a material relationship if it (i) has been or will be offered in the ordinary course of the Cullen/ Frost Entity's business and (ii) has been or will be offered on terms and under circumstances that were or are substantially similar to those prevailing at the time for comparable non-credit banking of financial products or services provided by the Cullen/ Frost Entity to other unrelated persons or entities.

Property or Services Relationships. A proposed or outstanding relationship in which a Director or a person or entity that is affiliated, associated or related to a Director provides property or services to a Cullen/ Frost Entity should not be deemed to be a material relationship if the property or services (i) have been or will be procured in the ordinary course of the Cullen/ Frost Entity's business and (ii) have been or will be procured

Table of Contents

on terms and under circumstances that were or are substantially similar to those that the Cullen/ Frost Entity would expect in procuring comparable property or services from other unrelated persons or entities.

Meetings of Non-Management Directors

Cullen/ Frost s non-management Directors meet in executive sessions without members of management present at each regularly scheduled meeting of the Board. The Chair of the Board s Corporate Governance and Nominating Committee, who is currently Ms. Mary Beth Williamson, presides at the executive sessions.

Communications with Directors

The Board of Directors has established a mechanism for shareholders or other interested parties to communicate with the non-management Directors as a group and the presiding non-management Director. All such communications should be addressed to the Board of Directors of Cullen/ Frost Bankers, Inc., c/o Corporate Counsel, 100 West Houston Street, San Antonio, Texas 78205.

In addition, the Board of Directors has established a mechanism for shareholders or other interested parties that have concerns or complaints regarding accounting, internal accounting controls or auditing matters to communicate them to the Audit Committee. Such concerns or complaints should be addressed to the Audit Committee of Cullen/ Frost Bankers, Inc., c/o Corporate Counsel, 100 West Houston Street, San Antonio, Texas 78205.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation and Benefits Committee Report on Executive Compensation

The Compensation and Benefits Committee of the Board of Directors is composed of three Directors that the Board has determined to be independent within the meaning of the NYSE's listing standards. The duties and responsibilities of the Compensation and Benefits Committee, as well as certain components of Cullen/ Frost's compensation philosophy, are set forth below.

Compensation and Benefits Committee Duties and Responsibilities

The duties and responsibilities of the Compensation and Benefits Committee include, among other things, the following:

In consultation with management, to establish Cullen/ Frost's general compensation philosophy and oversee the development of Cullen/ Frost's compensation and benefit programs;

To review and approve corporate goals and objectives relevant to the compensation of Cullen/ Frost's Chief Executive Officer, evaluate his performance in light of those goals and objectives, and set his compensation level based on this evaluation.

Certain Components of Cullen/ Frost's Compensation Philosophy

Compensation levels should be competitive with the median of comparable financial organizations to attract and maintain a stable, successful management team;

Executives' total compensation packages should depend upon the level of success in meeting specified Company and individual performance goals;

Executive ownership of the Company's Common Stock should be encouraged to align executives' interests with shareholders' interests; and

Sustained superior performance by individual executives should be rewarded.

Each year an independent consultant engaged by the Compensation and Benefits Committee provides a comprehensive analysis of competitive market data for senior executives, which compares Cullen/ Frost's compensation practices and programs to a group of comparator companies that have similar business operations, total assets, market capitalizations, and lines of business. These companies include, but are not limited to, the companies in the Standard & Poor's (S&P) Bank Index. The Compensation and Benefits Committee has chosen not to use the S&P's Bank Index as its sole comparator group for compensation purposes since detailed data for all senior executives at the banks comprising the index is not available.

The S&P's Bank Index was used for comparison of total shareholder return shown in the Performance Graph on page 19.

Key elements of the Cullen/ Frost's executive compensation are base salary, annual incentives, and long-term compensation, which are discussed below. The Compensation and Benefits Committee considers all elements of an executive's total compensation package, including severance plans, insurance, and other benefits.

Base Salary

Reviewed annually for each of the Company's four named executive officers.

Based on subjective evaluation of individual performance, achievement, and contribution to growth.

May be adjusted to reflect competitive market levels following performance evaluations.

Table of Contents

May be adjusted to attract and retain appropriate officers.

Company base salary levels for the senior executive group were overall slightly below median market levels of comparator companies in 2003.

Annual Incentives

Designed to promote and reward teamwork as measured by overall corporate performance and also recognize individual contributions.

Generally, bonus pools are established when the Company achieves a predetermined level of financial performance, as established by the Compensation and Benefits Committee.

Compensation and Benefits Committee has authority to adjust the total bonus pool up or down based on Company's overall performance.

Compensation and Benefits Committee authorized payouts slightly in excess of target for 2003 based on Company's superior performance.

Bonuses awarded for 2003 performance ranged from approximately 95% - 115% of target. Actual award sizes recognized individual contributions and teamwork.

Long-Term Incentives

Size of award depends on levels of responsibility, prior experience, individual performance, and compensation practices at comparator companies.

Current stock holdings and the magnitude of outstanding long-term incentives are not considered in making current awards.

Stock Options

Primary long-term incentive award.

Nonqualified stock options granted at a price not less than the fair market value of Company Common Stock on the date of grant.

Size of stock option grants determined based on numerous factors including Company and individual performance, level of responsibility, competitive market, historical awards, and available option pool.

Compensation and Benefits Committee's objective is to deliver a competitive award opportunity.

Number awarded varies from year to year.

Restricted Stock

Provides executives with immediate link to shareholder interests.

Helps maintain a stable executive team.

Restricted stock was granted to selected senior executives in 2003 as part of the annual long-term incentive package.

Awards granted in 2003 vest 100% four years from the date of grant to promote executive retention.

CEO Compensation

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

After four years with no increase in base salary, the Compensation and Benefits Committee raised Mr. Evans' base salary to \$630,000 for 2004, which approximates the median level of CEOs at comparator

Table of Contents

companies. The Compensation and Benefits Committee awarded Mr. Evans a bonus of \$410,000 for 2003, based on the Company's superior financial performance and Mr. Evans' outstanding leadership during 2003. In addition, Mr. Evans was granted 32,700 options with an exercise price of \$38.12 as detailed in the table on page 15. Mr. Evans also received 25,000 shares of restricted stock, which will vest in October of 2007. As of December 31, 2003, Mr. Evans had beneficial ownership of 721,332 shares of stock, which includes 506,000 shares that he has a right to receive pursuant to presently exercisable options.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally limits the corporate tax deduction to \$1,000,000 in a taxable year for compensation paid to each covered employee of the Company, which, under Section 162(m), includes the Company's Chief Executive Officer and the three other named executive officers, unless the compensation is performance-based. Under Section 162(m), one condition to qualify compensation as performance-based is to establish the amount of an incentive award by an objective formula that precludes any discretion. While the Compensation and Benefits Committee has continued to review the impact of Section 162(m) on the Company's incentive plans and has determined that it is currently inapplicable because no covered employee of the Company receives annual compensation in excess of \$1,000,000, in order to preserve the Company's tax deduction for future years, the Compensation and Benefits Committee has approved the Cullen/ Frost Bankers, Inc. Deferred Compensation Plan For Covered Employees. This plan requires that a covered employee's compensation that would exceed the amount deductible under Section 162(m) be deferred until the plan year after he or she ceases to be a covered employee or upon his or her death or disability. Currently, Cullen/ Frost's Chief Executive Officer is the only covered employee under this plan. The Compensation and Benefits Committee also believes it is in the Company's and shareholders' best interests to retain the discretionary evaluation of individual performance as provided in the annual incentive plan.

Conclusion

The Compensation and Benefits Committee believes that Cullen/ Frost's executive compensation policies and programs effectively serve the interests of the Company and its shareholders. The various compensation arrangements offered are appropriately balanced to provide increased motivation for executives to contribute to the Company's overall future successes, thereby enhancing the value of the Company for the shareholders' benefit.

The Compensation and Benefits Committee will continue to monitor the effectiveness of the Company's total compensation program to meet the current needs of the Company.

In the opinion of management, all of the transactions have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. The frozen Retirement Plan provides a monthly benefit based on a percentage of an eligible employee's final average Compensation based on the highest three years of compensation during the last ten years of service prior to January 1, 2002. Included in Compensation according to the Retirement Plan are Salary, Overtime, Bonuses, Commissions, and Wages deferred for the Company 401(k) Plan or used to pay health care premiums, expenses, or parking under the Company Pre Tax Plan (IRS Section 125 Plan). Participants in the Plan are fully vested in their accrued benefits under the Plan upon attaining age 65 or after five years of service, whichever occurs first. Death benefits are provided to married participants who have completed five years of service. Normal retirement is at age 65, but early retirement is available starting at age 55. Early Retirement benefits are provided on a reduced basis. The benefit amounts listed in the table represent amounts payable from the plans and are not subject to any additional deduction for Social Security benefits or other offset amounts.

The years of credited service under the Retirement Plan as of December 31, 2001 for each person named in the Summary Compensation Table on page 14 are: Mr. T.C. Frost 52 years; Mr. Richard W. Evans 31 years; Mr. Phillip D. Green 21 years; and Mr. Patrick B. Frost 17 years. Mr. T.C. Frost activated his retirement benefit effective July 1, 1994, but still remains an active employee.

The Company also maintains a supplemental executive retirement plan (SERP). The plan provides for target retirement benefits, as a percentage of annual cash compensation, beginning at age 55. The target percentage is 45% of annual cash compensation at age 55, increasing to 60% at age 60 and later. Benefits under the SERP are reduced dollar-for-dollar by benefits received under the Retirement Plan and Restoration Plan, described previously, and any Social Security benefits. Effective January 1, 2002, SERP benefits will also be reduced by the annuity equivalent of any account balance in the Company's Profit Sharing Plan at retirement. The Profit Sharing Plan was implemented by the Company effective January 1, 2002. Contributions to the Profit Sharing Plan are made annually to each participant's account based on the profitability of the Company.

Table of Contents

Mr. Evans currently participates in the SERP. At current salary levels, at age 60, it is estimated that Mr. Evans will receive \$137,946 annually. This benefit has been reduced by a projected Profit Sharing Plan account balance.

Change-in-Control Agreements

Cullen/ Frost has change-in-control agreements with three of the four named executives above and other key employees. The main purposes of these agreements are (i) to help executives evaluate objectively whether a potential change-in-control is in the best interests of shareholders; (ii) to help protect against the departure of executives, thus assuring continuity of management, in the event of an actual or threatened merger or change-in-control; and (iii) to maintain compensation and benefits comparable to those available from competing employers. Change-in-control is generally defined in the agreements as (a) an acquisition of beneficial ownership of 20 percent or more of Cullen/ Frost Common Stock by an individual, corporation, partnership, group, association, or other person; (b) certain changes in the composition of the Board of Directors by 50 percent or more; or (c) certain other events involving a merger of Cullen/ Frost or a sales of substantially all of its assets.

Under the change-in-control agreements, Messrs. Richard W. Evans, Phillip D. Green and Patrick B. Frost could receive severance payments equal to three times their base salary and target bonus if their position is terminated by the Company within two years following a change-in-control, if the termination is for reasons other than cause, death, disability or retirement. Cause is generally defined in the agreements as an executive's (i) willful and continued failure to substantially perform his duties after delivery of a written demand for substantial performance, (ii) willful engagement in conduct materially injurious to Cullen/ Frost; or (iii) conviction of a felony. In addition, the change-in-control agreements provide that Messrs. Richard W. Evans, Phillip D. Green and Patrick B. Frost could receive severance payments described above if they terminate their employment for good reason within two years following a change-in-control. Good reason is generally defined in the agreements as the occurrence of one or more of the following events: (a) a significant change or reduction in the executive's responsibilities, (b) an involuntary transfer of the executive to a location that is 50 miles further than the distance between the executive's current residence and Cullen/ Frost's headquarters, (c) a significant reduction in the executive's current compensation, (d) the failure of any successor to Cullen/ Frost to assume the executive's change-in-control agreement; or (e) any termination of the executive's employment that is not effected pursuant to a written notice which indicates the reasons for the termination. The change-in-control agreements also provide for a continuation of certain employee benefits and a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments.

CERTAIN TRANSACTIONS AND RELATIONSHIPS

Some of the Directors and executive officers of Cullen/Frost, and some of these persons' associates, are current or past customers of one or more of the Company's subsidiaries. Since January 1, 2003, transactions between these persons and such subsidiaries have occurred, including borrowings. In addition, the offices of the Hulen Financial Center of The Frost National Bank in Fort Worth, Texas are leased on a long-term basis from OPNB Building J.V., a Texas joint venture of which Mr. R. Denny Alexander, a Director of Cullen/Frost, owns a 13.3 percent interest and is the managing general partner. During 2003, lease payments of \$790,663.94 were made by The Frost National Bank and Frost Insurance Agency, Inc. to OPNB Building J.V. In the opinion of management, all of the foregoing transactions, including borrowings, have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. Additional transactions may take place in the future.

Table of Contents**SELECTION OF AUDITORS****(Item 2 On Proxy Card)**

The Board of Directors recommends that the shareholders of the Company ratify the selection of Ernst & Young LLP, certified public accountants, as independent auditors of Cullen/Frost. Ernst & Young LLP has audited the financial statements of Cullen/Frost since 1969.

Neither Cullen/Frost's Articles of Incorporation nor Bylaws requires that the shareholders ratify the selection of Ernst & Young LLP as its independent auditors. Cullen/Frost is doing so because it believes it is a matter of good corporate practice. Should the shareholders not ratify the selection, the Audit Committee will reconsider its determination to retain Ernst & Young LLP, but may elect to continue to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that the change would be in the best interests of Cullen/Frost and its shareholders.

The purpose of the Audit Committee is to assist the Board of Directors in its oversight of (i) the integrity of Cullen/ Frost's financial statements, (ii) Cullen/ Frost's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence and (iv) the performance of the independent auditors and Cullen/ Frost's internal audit function. The Audit Committee operates pursuant to a written charter that is attached hereto as Annex A and met five times in 2003. The Board has determined that each

member of the Audit Committee is independent within the meaning of the NYSE's listing standards and the SEC's rules. The Board has also determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

Management of Cullen/ Frost is responsible for the preparation, presentation and integrity of Cullen/ Frost's financial statements, as well as for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing Cullen/ Frost's financial statements and expressing an opinion as to conformity with generally accepted accounting principles. Members of the Audit Committee are not full-time employees of Cullen/ Frost and are not, and do not represent themselves to be, performing the functions of auditors or accountants. Accordingly, as described above, the Audit Committee provides oversight of the responsibilities of management and the independent auditors.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the independent auditors the independent auditors' independence.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Cullen/ Frost's Annual Report on Form 10-K for the year ended December 31, 2003 to be filed with the Securities and Exchange Commission.

(Amended and Restated as of January 29, 2004)

I. COMMITTEE MEMBERSHIP

The Audit Committee (the Committee) of the Board of Directors (the Board) of Cullen/ Frost Bankers, Inc. (Cullen/ Frost) shall be comprised of three or more directors, each of whom the Board has determined is independent under the then-existing rules of the New York Stock Exchange, Inc., the Sarbanes-Oxley Act of 2002 and the rules of the Securities and Exchange Commission (the SEC) promulgated thereunder, the Federal Deposit Insurance Corporation Improvement Act of 1991 and other applicable law and regulation. The Board shall also determine that each member of the Committee is financially literate and that one member has accounting or related financial management expertise, as such qualifications are interpreted by the Board in its business judgment, and whether any member of the Committee is an audit committee financial expert, as defined by the SEC.

No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee, and discloses this determination in Cullen/ Frost's annual proxy statement.

The members of the Committee shall be appointed by the Board. Members shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

The Committee shall designate one member of the Committee as its chairperson.

In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of Cullen/ Frost and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards.
