Fred S. L. Chan has served as the Company's Chairman of the Board of Directors since the Company's inception in 1999. Prior to joining the Company, Mr. Chan founded and held various executive positions at ESS Technology, Inc., a designer, developer and marketer of highly integrated digital system processor chips, since 1986, as well as being Chairman of the Board, in which capacity he still serves.

Didier Pietri has been a member of Vialta's board of directors since September 2001. Mr. Pietri joined the Company in April 2001 as its President and in August 2001 also became its Chief Executive Officer. Prior to joining Vialta, Mr. Pietri served as President and Chief Executive Officer of TVA/Motion International, a global entertainment production and distribution company from August 1999 to March 2001. Matthew K. Fong has been a member of Vialta's board of directors since April 1999. Mr. Fong was employed by the Company from September 2001 through January 31, 2003, as an Advisor to the Chairman of the Board. In addition, since February 1999, Mr. Fong has been an attorney with the law firm of Sheppard, Mullin, Richter & Hampton, LLP and the Chief Executive Officer of Strategic Advisory Group, a financial and high technology consulting group that he founded. Prior to that, Mr. Fong served as California State Treasurer from January 1995 to January 1999.

Board of Directors Meetings and Committees

The Board of Directors met four times during fiscal year 2003. The Board of Directors, during 2003, had an Audit Committee and a Compensation Committee, but did not have a Nominating Committee or any other standing committees. Nominations to the Board of Directors are handled as discussed below. Each incumbent director attended at least 75% of the meetings of the Board and meetings of the Committees of the Board on which he served during the fiscal year 2003. The Company invites Board members to attend annual meetings of the stockholders. Didier Pietri attended the last annual meeting of stockholders.

Audit Committee. The Audit Committee is currently comprised of three members: Matthew Fong (Chairman), Michael Dubester and Herbert Chang. Mr. Dubester was elected to the Audit Committee on May 1, 2003. Mr. Chang was elected to the Audit Committee on April 23, 2002. Currently, Mr. Chang and Mr. Dubester are both independent as defined by the listing standard of NASDAQ as now in effect. Prior to January 31, 2003, Mr. Fong was employed by the Company as the Advisor to the Chairman so is not independent under such standard. During 2003, the Board did not designate any member as a financial expert within the meaning of applicable regulatory standards, but believes that each member has the appropriate experience and ability to perform their duties as Audit Committee members.

The Audit Committee pre-approves the performance of audit and non-audit services by the Company's accountants and reviews the Company's internal control systems, financial reporting procedures, the general scope of the Company's annual audit, the fees charged by the independent accountants, and the fairness of any proposed transaction between any officer, director or other affiliate of the Company and the Company. With respect to the foregoing, the Audit Committee makes recommendations to the full Board and performs such further functions as may be required or delegated to the Committee by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached to the Proxy Statement filed by the Company on April 30, 2002. During fiscal year 2003, the Audit Committee of the Board held four meetings independent of the entire Board of Directors.

Compensation Committee. The Compensation Committee is comprised of three members: Matthew Fong (Chairman), George Cain and Michael Dubester. The Compensation Committee reviews and approves compensation and benefits for the Company's key executive officers, administers the Company's stock purchase and equity incentive plans and makes recommendations to the Board of Directors regarding such matters. During fiscal year 2003, the Compensation Committee held two meetings independent of the entire Board of Directors.

Nominations. The Company does not have a nominating committee. In light of the relatively small size of the Board of Directors, the Company does not believe that a separate nominating committee is currently necessary. In the interim, all current directors will take part, as necessary, in selecting any required nominees. The Board currently considers candidates for Board membership suggested by its members. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary in writing with whatever supporting material the stockholder considers appropriate. The Board will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's bylaws relating to stockholder nominations.

EXECUTIVE OFFICERS

Our current Executive Officers are Fred S.L. Chan, Didier Pietri and William Scharninghausen. Information about Mr. Scharninghausen is set forth below. Information about Messrs. Chan and Pietri is set forth above in Directors.

William M. Scharninghausen, 47, has been Chief Financial Officer of the Company since October 2002. Prior to joining Vialta, he was the Chief Financial Officer of Diva Systems, Inc., a video on demand technology company, from January 1999 to September 2002. He also served as the Senior Vice President of Finance and Administration of Diva Systems, Inc. from June 1997 to September 2002. As part of Gemstar-TV Guide International, Inc.'s proposed purchase of Diva's assets, Diva filed a Chapter 11 bankruptcy petition and pre-negotiated plan of reorganization on May 29, 2002 in the Northern District of California.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers, and persons who own more than 10% of the Company's Common Stock to file initial reports of ownership and reports of changes in ownership. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms that they file. Based solely on its review of the copies of such forms furnished to the Company and written representations from the executive officers and directors, the Company believes that all transactions required to be reported pursuant to Section 16(a) for the year ended December 31, 2003 were reported on a timely basis with the exception of Mr. Pietri, who filed a report in July 2003 for options granted in June 2003; Mr. Cain, who filed a form in March 2003 for options granted in February 2003; Mr. Chang, who filed a report in June 2003 for options granted in March 2003; Mr. Dubester, who filed a form in March 2003 for options granted in February 2003, and Mr. Fong, who filed a form in June 2003 for options granted in April 2003.

Code of Ethics

Vialta has not adopted a Code of Ethics that applies to its principal executive officer, principal financial officer and principal accounting officer. In view of Vialta's small size and the limited number of personnel who are responsible for its operations, the Company has determined that a formal code of ethics is not currently necessary. Our Board of Directors will, however, revisit this issue in the future to determine if adoption of a code of ethics is appropriate. In the meantime, our management has adopted an insider trading policy and is committed to promoting honest and ethical conduct, full and fair disclosure in our reports to the SEC, and compliance with applicable governmental laws and regulations.

COMPENSATION OF DIRECTORS

During 2003, non-employee directors of the Company received cash compensation for their services, along with reimbursement for their reasonable expenses in attending meetings of the Board of Directors or any meetings of a Committee of the Board of Directors. Commencing with the first quarter of 2003, each non-employee director received the following fees:

\$2,000 for each Board meeting attended in person;

\$1,000 for each Board meeting attended by telephone;

\$8,000 per year for service on the Audit Committee or \$12,000 per year for service as the Chairman of the Audit Committee, in each case payable in four quarterly installments; and

an annual stock grant of 20,000 shares under our 2000 Directors Stock Option Plan, as amended on April 30, 2003. Prior to its amendment, the 2000 Directors Stock Option Plan provided for an initial grant of 32,000 shares and subsequent grants of 8,000 shares each year for services as a director. All options are granted at an exercise price equal to the fair market value of a share of Common Stock on the date of grant and vest in four equal annual installments, starting on the first anniversary of the date of grant. For a more detailed description of the Directors Plan, including the amendment, see Exhibit 10.2 of the Company's 2003 Form 10-K for the 2003 fiscal year filed with the SEC.

Up until January 2003, Mr. Fong served as an advisor to the Chairman of the Board and received \$8,025 in 2003 as compensation for advisory services provided to the Company. Subsequent to January 2003, Mr. Fong, as a non-employee director, received \$20,000 for Board and committee meetings attended in 2003. REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

General

The Committee acts on behalf of the Board to examine and implement the general compensation policy of the Company for all executive officers and such other employees of the Company as the Board of Directors may deem appropriate. The Committee reviews the general compensation policy applicable to the Chief Executive Officer (CEO) and other executive officers on an annual basis. The Committee administers the Company's incentive and equity plans, including the 1999 Stock Incentive Plan, the 2000 Directors Stock Option Plan and the 2001 Nonstatutory Stock Option Plan.

The Company's policy in compensating its executive officers is intended to attract, motivate and retain these executives. Consistent with this policy, key executives are eligible to receive, in addition to their base salaries, stock option grants under the 1999 Stock Incentive Plan in amounts determined by the Board of Directors based on recommendations by the Compensation Committee. Stock options have value for these executives only if the price of the Company's stock increases above the fair market value on the grant date and the executive remains in the Company's employ for the period required for the shares to vest. Additional incentive compensation is also considered by the Committee based on individual performance and the achievement of short term goals.

The base salary, incentive compensation and stock option grants of the executive officers are determined in part by the Committee reviewing data on prevailing compensation practices in technology companies with whom the Company competes for executive talent and by their evaluating such information in connection with the Company's corporate goals. To this end, the Committee attempts to compare the compensation of the Company's CEO and other executive officers with the compensation practices of comparable companies to determine base salary, target bonuses and target total cash compensation.

Compensation of Executive Officers

During the fiscal year that ended on December 31, 2003, the Company's executive compensation program was comprised of the following key components: base salary, annual bonus, and equity-based incentives.

Base Salary. The Company sets the base salaries of its executives at levels believed to be consistent with comparably sized companies engaged in similar industries.

Equity-Based Incentive Compensation. Stock options are an important component of the total compensation of executives. The Company believes that stock options align the interests of each executive with those of the stockholders. They also provide executives a significant, long-term interest in the Company's success and help retain key executives in a competitive market for executive talent. The Company's 1999 Equity Incentive Plan authorizes the Committee to grant stock options to executives. The number of shares owned by, or subject to options held by, each executive officer is periodically reviewed and additional awards are considered based upon past performance of the executive and the relative holdings of other executives in the Company. The option grants generally utilize four-year vesting periods to encourage executives to continue contributing to the Company, and they expire not later than ten years from the date of grant.

Table of Contents

Compensation of the Chief Executive Officer

The Company's CEO's compensation plans include the same elements and performance measures as the plans of the Company's other executive officers. The Compensation Committee evaluates the performance of the Company's CEO, sets his base compensation and determines bonuses and awards stock or option grants, if any. In May 2003 the Compensation Committee approved continuing Mr. Pietri's basic compensation at the rate he has been paid since joining the Company in April of 2001. In addition, the Compensation Committee voted to provide a guaranteed bonus of \$75,000, which was paid in November 2003. A discretionary bonus of \$75,000 has not yet been paid as of the date of this proxy statement filing. The Compensation Committee also approved a stock option grant to Mr. Pietri of 2,000,000 shares of common stock to vest 25% immediately, 25% on the first anniversary of the grant and 2 1/2% each month thereafter. In determining the terms of his agreement, the Compensation Committee considered a number of factors and criteria including, Mr. Pietri's depth of experience, his past accomplishments with other companies, his vision and leadership abilities, and the future needs of the Company. In making its compensation decisions with Mr. Pietri, the Compensation Committee also considered the need to provide continuity of leadership. The Compensation Committee exercised its discretion and judgment based on the above factors, and no specific formula was applied to determine the weight of any factor.

Deductibility of Executive Compensation

The Compensation Committee has considered the impact of Section 162(m) of the Code, which disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, unless such compensation meets the requirements for the performance-based exception to the general rule. Since the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million, the Compensation Committee believes that this section will not affect the tax deductions available to the Company. It will be the Compensation Committee's policy to qualify, to the extent reasonable, the executive officers' compensation for deductibility under applicable tax law.

EMPLOYMENT AGREEMENTS

Didier Pietri originally entered into an employment letter agreement on April 2001, with the Company pursuant to which he was entitled to receive an annual salary of \$300,000. In addition to basic compensation, Mr. Pietri was entitled to participation in employee benefit plans, stock option grants and a guaranteed bonus of \$100,000 after one year of service. Mr. Pietri was also awarded an additional \$150,000 bonus, which was paid in 2003. In April 2002, the Compensation Committee approved continuing Mr. Pietri's basic compensation at the previous rate, but the guaranteed bonus for his second year of service was reduced to \$75,000, and a discretionary bonus of \$75,000 was added. Any discretionary bonus must be paid before the expiration of the agreement. In May, 2003, the Compensation Committee again approved continuing Mr. Pietri's base salary and retaining his guaranteed and discretionary bonuses. In addition, the compensation committee approved a stock option grant to Mr. Pietri of 2,000,000 shares of common stock to vest 25% immediately, 25% on the first anniversary of the grant and 2 1/2% each month thereafter.

Item 13. Certain Relationships and Related Transactions

Vialta employs Fred S.L. Chan's brother as its Senior Director of IT and one of his sons as its Director of Product Marketing and Design. The salary and benefits provided to these individuals for fiscal 2002 was \$107,194 and \$91,528, respectively, and they also received the Company's standard employee benefits package. Another of Mr. Chan's sons was employed as a Marketing Coordinator during a portion of fiscal 2003 and received salary and benefits during the last fiscal year that did not exceed \$60,000.

Mr. Chan is Chairman of the Board of ESS Technology, Inc., and owns approximately 14.1% of the outstanding common stock of ESS. Prior to its spin-off in August 2001, Vialta was a subsidiary of ESS. Vialta leases its corporate headquarters and purchases component parts from ESS. The companies are also parties to an Administrative and Management Services Agreement. During 2003, Vialta made payments to ESS of \$1,182,000 under the lease, \$194,000 for component parts, \$10,000 for administrative and management services, \$33,000 for services received in fiscal 2002, and received payments from ESS of \$4,000 for other services. Effective as of July 2003, Vialta renegotiated its lease with ESS Technology to extend the duration of the lease at fair market rate. Vialta believes it paid fair market value for the lease based on a review of lease rental rates in its area and believes the prices it was charged for parts is equivalent to those charged by ESS to other manufactures.
