**ITEM 7.01 REGULATION FD DISCLOSURE**

On October 12, 2005, Dolphin Limited Partnership I, L.P. ( Dolphin ), a stockholder of *infoUSA* Inc. (the Company ), issued a press release announcing that it had commenced an action to obtain the books and records of the Company pursuant to a September 19, 2005 demand under Section 220 of the Delaware General Corporation Law. In its release, Dolphin stated that it was taking the action because of the Company s alleged delay in producing documents demanded by Dolphin.

On September 23, 2005, the Company informed Dolphin that it would provide access to the Company s books and records, consistent with and to the extent required by the Delaware General Corporation Law, subject to the execution of an appropriate confidentiality agreement by Dolphin. On that same date the Company submitted a confidentiality agreement to Dolphin, which subsequently has been subject to negotiation between the parties. The Company has required the execution of a confidentiality agreement because the books and records sought by Dolphin include non-public, confidential, proprietary, or commercially sensitive information.

It continues to be the Company s position that it will provide access to its books and records, consistent with and to the extent required by the Delaware General Corporation Law, subject to the execution of an appropriate confidentiality agreement by Dolphin. To date, Dolphin has been unwilling to execute a confidentiality agreement in a form acceptable to the Company.

The foregoing information is being furnished pursuant to Item 7.01 of Form 8-K. This information shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
