For the past five years Mr. Osgood has been working for or responsible to The Sorin Group, which holds a conglomerate of companies dedicated to medical technology and product development for treatment of cardiovascular and renal disease. Of such companies held by Sorin Group, from June 2001 to March 2006 Mr. Osgood was the Vice President/General Manager of COBE Cardiovascular, Inc. (COBE), a \$140 million division headquartered in Milan, Italy. In March 2006 Mr. Osgood was promoted to Senior Vice President, Cardiopulmonary Business Line. Mr. Osgood holds the following degrees from University of California, Los Angeles: BS in Engineering, MS in Control Theory, MBA and Ph.D. in Systems Engineering.

Mr. Osgood has no family relationships with any director or executive officer of the Company, or persons nominated or chosen by the Company to become directors or executive officers.

The term of the Employment Agreement is for three (3) years. Mr. Osgood shall serve as the Company's General Manager of Operations under the direction of the Company's Chief Executive Officer.
