Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

The Company has received a notice from the staff of the American Stock Exchange (the Amex), dated April 20, 2007, advising that the Company is not in compliance with Amex s continued listing standards, as provided in Sections 134 and 1101 of the Amex Company Guide. The notice was prompted by the Company s failure to timely file with the Securities and Exchange Commission the Company s annual report on Form 10-K as of and for the year ended December 31, 2006. For more information, see Item 8.01 of this current report.

The Amex notice requires that the Company submit a plan by May 21, 2007 advising the Amex of action the Company has taken, or will take, to bring the Company into compliance with the continued listing standards by no later than October 16, 2007. As required by the Amex s notice, on April 23, 2007, the Company issued a press release disclosing the receipt of the notice and the Company s non-compliance with the specified provisions of the Amex continued listing standards. A copy of this press release is attached as Exhibit 99.1 to this current report on Form 8-K.

The Company intends to submit a plan to the Amex and anticipates that the Company will be able to file its Form 10-K on or prior to May 15, 2007.

Item 8.01. Other Events.

On April 23, 2007, the Company issued a press release announcing that the Company was not able to file its annual report on Form 10-K as of and for the year ended December 31, 2006 by April 16, 2007.

The Company s notification of late filing with respect to the Form 10-K, filed with the SEC on April 3, 2007, indicated that the Company consistent with its expectations at the time would file its Form 10-K on or before April 16, 2007. The Company now expects that it will be able to file its Form 10-K on or before May 15, 2007. The additional delay in filing the Company s Form 10-K is primarily because it had not completed its assessment of the value of its investment in Hallwood Energy, L.P., a 25% owned affiliate of the Company. The assessment is affected by the current status of Hallwood Energy s loan facility under which \$40,000,000 has been advanced. At April 23, 2007, Hallwood Energy was in default of certain covenants under the loan facility and is negotiating a replacement of the loan facility, which Hallwood Energy believes may be completed by May 15, 2007.
