Item 1.01 Entry into a Material Definitive Agreement

Pursuant to a Letter Agreement dated February 13, 2009 and a Securities Purchase Agreement Standard Terms attached thereto (collectively, the Purchase Agreement), Westamerica Bancorporation, a California corporation (the Company) issued to the United States Department of the Treasury (the Treasury Department)(i) 83,726 shares of the Company s Series A Fixed Rate Cumulative Perpetual Preferred Stock, having a liquidation preference of \$1,000 per share (the Series A Preferred Stock) and (ii) a warrant (the Warrant) to purchase up to 246,640 shares of the Company s common stock, no par value (Common Stock), for an aggregate purchase price of \$83,726,000. Both the Series A Preferred Stock and the Warrant will be accounted for as components of Tier 1 capital.

The terms, rights, obligations, and preferences of the Series A Preferred Stock are set forth in a Certificate of Determination of Preferences of Series A Fixed Rate Cumulative Perpetual Preferred Stock (the Certificate of Determination), which the Company filed with the Secretary of State of the State of California on February 10, 2009, as previously reported on a Form 8-K filed on February 13, 2009. Cumulative dividends on the Series A Preferred Stock will accrue on the liquidation preference at a rate of 5% per annum for the first five years and at a rate of 9% per annum thereafter, but will be paid only if, as and when declared by the Company s Board of Directors. In the event that dividends payable on the Series A Preferred Stock have not been paid for the equivalent of six or more quarters, whether or not consecutive, the holder of the Series A Preferred Stock will have the right to elect two members to the Company s board of directors. In order to effect the terms set forth in the Certificate of Determination, on February 13, 2009, the Company also entered into an additional Letter Agreement with the Treasury Department (the Additional Letter Agreement), pursuant to which the Company agreed to (i) maintain an authorized number of directors sufficient to permit the holders of the Series A Preferred Stock to elect to members to the Company s board of directors, and (ii) amend its bylaws to provide that the authorized number of directors will automatically be increased by two in the event dividends payable on the Series A Preferred Stock have not been paid for the equivalent of six or more quarters, whether or not consecutive.

The Series A Preferred Stock ranks senior to the Common Stock with respect to the payment of dividends and distributions and amounts payable upon liquidation, dissolution, and winding up of the Company. The Series A Preferred Stock may not be redeemed by the Company prior to February 15, 2012, except with the proceeds of the sale and issuance for cash of perpetual preferred stock, Common Stock or any combination of such securities that, in each case, qualify as and may be included as Tier 1 capital of the Company pursuant to applicable risk-based capital guidelines (each such issuance, a Qualified Equity Offering). On or after February 15, 2012, the Company may, at its option, redeem, in whole or in part from time to time, the shares of the Series A Preferred Stock then outstanding. Any redemption of the Series A Preferred Stock will be at a redemption price equal to (i) the liquidation preference per share plus (ii) any accrued and unpaid dividends. Holders of the Series A Preferred Stock do not have any right to require the redemption or repurchase of the Series A Preferred Stock. Any redemption of the Series A Preferred Stock will also be subject to the approval of the Board of Governors of the Federal Reserve System.

The warrant is initially exercisable for up to 246,640 shares of Common Stock at an exercise price of \$50.92 per share. The ultimate number of shares of Common Stock that may be issued under the Warrant and the exercise price of the Warrant are subject to certain provisions, such as upon stock split or distributions of securities or other assets to the holders of Common Stock, and upon certain issuances of Common Stock at or below a specified price relative to the then current market price of the Common Stock. The Warrant expires ten years from the issuance date. The Warrant is exercisable at any time, in whole or in part, except that the Treasury Department may not exercise the Warrant for, or transfer the Warrant with respect to, more than one-half of the original

shares underlying the Warrant prior to the earlier of (i) the date on which the Company receives aggregate gross proceeds of not less than \$83,726,000 from one or more Qualified Equity Offerings and (ii) December 31, 2009. If, on or prior to December 31, 2009, the Company receives aggregate gross proceeds of not less than 83,726,000, the number of shares of Common Stock issuable pursuant to the Treasury Department's exercise of the Warrant will be reduced by one-half of the original number of shares, taking into account all adjustments, underlying the Warrant. Pursuant to the Purchase Agreement, the Treasury Department has agreed not to exercise voting power with respect to any shares of Common Stock issued upon exercise of the Warrant.

Prior to February 13, 2012, unless the Company has redeemed the Series A Preferred Stock or the Treasury Department has transferred the Series A Preferred Stock to a third party, the consent of the Treasury Department will be required for the Company to (1) declare or pay any dividend or make any distribution of the Common Stock (other than regular quarterly cash dividends of not more than \$.35 per share of Common Stock) or (2) redeem, purchase or acquire any shares of Common Stock or other equity or capital securities, other than in connection with benefit plans consistent with past practice and certain other circumstances specified in the Purchase Agreement. In addition, under the Certificate of Determination, the Company's ability to declare or pay dividends or repurchase Common Stock or other equity or capital securities will be subject to restrictions in the event that it fails to declare to pay (or set aside for payment) full dividends on the Series A Preferred Stock and the Warrant.

Pursuant to the terms of the Purchase Agreement, the Company agreed that, until such time as the Treasury Department ceases to own any securities of the Company acquired under the Purchase Agreement, the Company will take all necessary action to ensure that its benefit plans with respect to its senior executive officers comply with Section 111(b) of the Emergency Economic Stabilization Act of 2008 (EESA) and will not adopt any benefit plans with respect to, or which cover, its senior executive officers that do not comply with EESA. On February 9, 2009, the compensation committee of the Company's board of directors took action to amend the Company's benefit plans with respect to the Company's senior executive officers. In connection with the requirements under EESA, the following individuals were determined by the Company to be senior executive officers covered by EESA: David L. Payne, John Robert Thorson, Jennifer J. Finger, Dennis R. Hansen, and David L. Robinson (the SEOs). Each of the SEOs entered into a Consent in the form attached hereto as Exhibit 10.4 and a Waiver in the form attached hereto as Exhibit 10.3, pursuant to which they consented to the amendment of such benefit plans and waived any claims they may otherwise have against the Company or the Treasury Department relating hereto.

The description of the Purchase Agreement, the Warrant, the Additional Letter Agreement, the form of Waiver executed by the SEOs and the form of Consent executed by the SEOs contained or incorporated herein is qualified in its entirety by reference to the full text of the Purchase Agreement, the Warrant, the Additional Letter Agreement, the form of Waiver, and the form of Consent executed by the SEOs hereto attached to as Exhibits 10.1, 4.2, 10.2, 10.3, and 10.4, respectively, and incorporated herein by reference.
