**Item 8.01 Other Events**

(a) Dividend Reinvestment Plan

On May 6, 2009, Hawaiian Electric Industries, Inc. ( HEI or the Company ) filed a registration statement on Form S-3 with the Securities and Exchange Commission (the SEC ), pursuant to the Securities Act of 1933, as amended, to register 6,000,000 additional shares of HEI Common Stock for issuance under the HEI Dividend Reinvestment and Stock Purchase Plan, as amended through May 4, 2009 (the Plan ). The final prospectus for the Plan was filed as part of the registration statement. The Plan was filed as an exhibit to the registration statement.

On May 4, 2009, the Board of Directors of HEI approved amendments to the Plan. Other than amendments that are grammatical changes or minor language clarifications, the principal amendments to the Plan:

provide that Plan shares purchased on the open market will be credited to participants' accounts as of the settlement date of purchase of the last share, rather than as of the day of purchase of the last share, during an applicable investment period;

provide that HEI may provide participants with notification of and electronic access to the Company's annual reports to shareholders and proxy materials, instead of or in addition to delivering copies of such materials directly to shareholders;

clarify that whole shares withdrawn from the Plan or whole shares for which a participant chooses to terminate participation in the Plan may be issued by book entry as well as in certificated form;

clarify that in the event of a withdrawal of shares a cash payment will be made in lieu of issuing a fractional share; and

provide that in the event of a withdrawal of shares a \$20 service fee may be charged for whole shares issued in certificated form and confirm that there is no charge for shares issued by book entry.

The final prospectus, as well as a copy of the Plan filed as exhibit 4(a) to the registration statement of which the final prospectus is a part, can be accessed by visiting the SEC website, [www.sec.gov](http://www.sec.gov). To locate the final prospectus and a copy of the Plan on the SEC website, search for Hawaiian Electric Industries under Search for Company Filings and select the Registration Statement on Form S-3 filed on May 6, 2009 from the results list.

Plan participants and prospective participants may also obtain without charge, a copy of the final prospectus and Plan by contacting HEI at:

On May 6, 2009, HEI also filed a registration statement on Form S-8 with the SEC, pursuant to the Securities Act of 1933, as amended, to register 1,000,000 shares of HEI Common Stock for issuance under the 401(k) plan of HEI's indirect, wholly-owned subsidiary, American Savings Bank, F.S.B. ( ASB ). Participants in this plan will initially include employees and former employees of ASB who are participants in the HEI Retirement Savings Plan ( HEIRS ) and whose accounts will be transferred to the ASB 401(k) plan from the HEIRS plan.

Purchases of shares for the ASB Plan will initially be made on the open market, as is currently the case with purchases of shares by the HEI Dividend Reinvestment and Stock Purchase Plan and HEI Retirement Savings Plan, rather than directly from HEI as newly issued shares.
