PROXY STATEMENT

This statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Celadon Group, Inc. (the "Company") to be voted at the Annual Meeting of Stockholders of the Company (the "Meeting") to be held on Monday, November 19, 2001, beginning at 10:00 a.m., local time, at the Company's corporate headquarters and principal executive offices located at One Celadon Drive, Indianapolis, Indiana 46235-4207. If not otherwise specified, all properly executed proxies received pursuant to this solicitation, and not revoked, will be voted in the election of directors FOR the persons named below.

Stockholders who execute proxies may revoke them at any time before they are exercised by giving written notice of revocation to the Secretary of the Company at the address of the Company, by executing a subsequent proxy relating to the same shares and presenting it to the Secretary of the Company, or by attending the meeting and voting in person (attendance at the meeting, will not, in and of itself, constitute revocation of a proxy).

Directors will be elected by a plurality of the votes present in person or represented by proxy at the Meeting and entitled to vote on election of directors. Approval of any other matters that come before the Meeting for action, will require the affirmative vote of the holders of a majority of the stock duly voted on the matter. In the election of directors, stockholders may either vote "FOR" all nominees for election or withhold their votes from one or more nominees for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called "broker non-voters") in the election of directors will not be included in determining the number of votes cast. With respect to a vote for any other matter that comes before the Meeting for action, stockholders may vote "FOR," "AGAINST" or "ABSTAIN" with respect to such matters. Proxies marked to abstain will have the same effect as votes against such matters and broker non-votes will have no effect on such matters. Unless a proxy is properly revoked pursuant to the procedures described above, the Board of Directors, as proxy for the stockholder, will have the discretion to vote on any other matters that come before the Meeting on behalf of the stockholder as directed by a majority of the Board of Directors in their best judgment. A majority of the shares of the Company's common stock, present in person or represented by proxy, shall constitute a quorum for purposes of the Meeting. Proxies marked to abstain and broker non-votes are counted for purposes of determining a quorum.

4

Edgar Filing: CELADON GROUP INC - Form DEF 14A

The entire cost of soliciting proxies hereunder will be borne by the Company. Proxies will be solicited by mail, and may be solicited personally by directors, officers or regular employees of the Company who will not be compensated for their services. The Company will reimburse brokers and banks for their reasonable expenses for forwarding material to beneficial owners for whom they hold stock.

As of September 24, 2001, the record date for the Meeting, the Company had outstanding 7,539,642 shares of common stock, par value \$.033 per share (the "Common Stock"), entitled to vote at the meeting, each share being entitled to one vote. Only stockholders of record at the close of business on September 24, 2001 will be entitled to vote at the Meeting. This Proxy Statement and the accompanying proxy are being sent to such stockholders on or about October 19, 2001.

MATTER TO COME BEFORE THE ANNUAL MEETING

PROPOSAL 1: ELECTION OF DIRECTORS

At the Meeting, five directors are to be elected to hold office until the Annual Meeting of Stockholders in 2003 and until their respective successors have been elected and qualified. It is the intention of the persons named in the enclosed form of proxy to vote for the election as directors of the Company Stephen Russell, Paul A. Biddelman, Anthony Heyworth, Michael Miller and John Kines. All of the individuals are currently directors of the Company, and all of the named individuals are nominees of the Board of Directors. All directors of the Company hold office until the next annual meeting of stockholders of the Company or until their successors are elected and qualified or they resign.

The table in the section below entitled "Directors and Executive Officers" sets forth certain information about each nominee for election to the Board of Directors, as well as each of the Company's executive officers.

It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Meeting for the election of the nominees identified below. If any nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected.

Executive officers hold office until their successors are chosen and qualified, subject to their removal by the Board of Directors, to any employment agreements or their resignation. See "Compensation of Committee Report on Executive Compensation--Chief Executive Officer's Compensation."

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

ROLE OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Company's Board of Directors (the "Compensation Committee") was formed in September 1993 and is currently comprised of two non-employee directors of the Company. The Compensation Committee is responsible for determining the Company's compensation program for its executive officers, including the Named Executive Officers. The Committee also administers the Stock Plan and the Incentive Plan and, subject to the provisions of such plans, determines grants under the plans for all employees, including the Named Executive Officers.

The Compensation Committee has furnished this report on the Company's executive compensation policies. This report describes the Compensation committee's compensation policies applicable to the Company's executive officers and provides specific information regarding the compensation of the Company's Chief Executive Officer. (The information contained in the "Compensation Committee Report on Executive Compensation" shall not be deemed to be "soliciting material" or to be "filed" with the commission, nor shall such information be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that the Company specifically incorporates it by reference into such filing.)

PRINCIPLES OF EXECUTIVE COMPENSATION AND PROGRAM COMPONENTS

The Company's executive compensation philosophy is designed to attract and retain outstanding executives and to foster employee commitment and align employee and stockholder interests. To this end, the Company has sought to provide competitive levels of compensation that integrate pay with the Company's annual and long-term performance goals and reward above-average corporate performance.

13

In fiscal year 2001, the Compensation Committee adopted a formal management incentive plan (the "Incentive Plan") for senior employees of the Company. Awards under the Incentive Plan will only be made after achieving predetermined levels of profitability. The Incentive Plan is designed to attract, retain and motivate individuals who are responsible for enhancing shareholder value through increased profitability of the Company.

Federal tax laws limit the deduction a publicly held company is allowed for compensation paid to its chief executive officer and its four most highly

compensated executive officers. Generally, amounts in excess of \$1 million (other than performance-based compensation) paid in any tax year to a covered executive cannot be deducted. The Committee will consider ways to maximize the deductibility of executive compensation, while retaining the discretion the Committee deems necessary to compensate executive officers in a manner commensurate with performance and the competitive environment for executive talent.

STOCK PLAN

The Stock Plan is intended to enhance the profitability and value of Celadon for the benefit of its stockholders by enabling Celadon (i) to offer stock-based incentives to employees, thereby creating a means to raise the level of stock ownership by such individuals in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and stockholders, and (ii) to grant non-discretionary, nonqualified stock options to non-employee directors, thereby creating a means to attract, retain and reward such non-employee directors and strengthen the mutuality of interests between non-employee directors and stockholders. The Stock Plan permits the grant of incentive stock options and nonqualified stock options on a discretionary, case-by-case basis, after consideration of an individual's position, contribution to the Company, length of service with the Company, number of options held, if any, and other compensation.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

Mr. Russell is employed pursuant to an employment agreement dated January 21, 1994, as amended thereafter, providing for his continued employment until January 21, 2004. The employment period shall be automatically renewed for successive two-year terms unless the Company or Mr. Russell gives written notice to the other at least 90 days prior to the expiration of the then current employment period of their intention to terminate Mr. Russell's employment. The employment agreement provides Mr. Russell with a base salary equal to \$521,000 (as adjusted annually for increases in the Consumer Price Index). In addition, Mr. Russell is eligible to participate in an incentive bonus program designed for all members of the Company's senior management pursuant to which he may receive a bonus in an amount equal to between 0% and 105% of his base salary. The employment agreement also provides that Mr. Russell is entitled to participate in all employment benefit plans of the Company and all other fringe benefit plans generally available to employees of the Company.

14

The agreement provides that in the event of termination: (i) by the Company without cause (including the non-renewal of the employment period by the Company) or by Mr. Russell for cause, Mr. Russell will be entitled to receive his salary for the remainder of the then employment period or one year, whichever is greater; (ii) by reason of his disability, Mr. Russell will be entitled to receive 50% of his salary during the two-year period commencing on the date of his termination; and (iii) by reason of his death, Mr. Russell's estate will be entitled to receive a pro-rata portion of the bonus for the fiscal year in which his death occurs and to receive 50% of his salary until the earlier of the end of the then current employment period or one year after the date of death. The employment agreement includes a two-year non-compete covenant commencing on termination of employment.

Upon the occurrence of a change in control (as defined in the employment agreement), the amended agreement provides that if (i) at any time within two years of a change in control or within 180 days prior to a change in control,

Edgar Filing: CELADON GROUP INC - Form DEF 14A

Mr. Russell's employment is terminated by the Company without cause or by Mr. Russell for cause or (ii) at any time during the 90-day period immediately following the date which is six months after the change in control Mr. Russell terminates his employment for any reason, Mr. Russell shall be entitled to receive (1) a lump sum payment in an amount equal to three times his base salary and three times the highest annual bonus paid to him within three years prior to the change in control; (2) any accrued benefits; (3) a pro-rata portion of the bonus for the fiscal year in which the change in control occurs; (4) continued medical and dental benefits for Mr. Russell (and eligible dependents) for 36 months; (5) outplacement services for one year; and (6) upon the occurrence of the change in control, full and immediate vesting of all stock options and equity awards. The agreement also provides that Mr. Russell is entitled to receive a gross-up payment on any payments made to Mr. Russell that are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code; provided, however, that if the total payments made to Mr. Russell do not exceed 110% of the greatest amount that could be paid to Mr. Russell such that the receipt of payments would not give rise to any excise tax, then no gross-up payment will be made and the payments made to Mr. Russell, in the aggregate, will be reduced to an amount that would result in no excise tax being triggered.

TERMINATION OF EMPLOYMENT AGREEMENT

Mr. Will and Mr. Shatto are party to a separation agreement, with the Company, whereby the Company has the right at any time with or without prior written notice to terminate or obtain his resignation. The agreement provides that in the event of termination: (i) employee will be entitled to receive one year salary less normal withholding; (ii) a pro-rata bonus payment equal to the then current bonus formula for the time employed in the current fiscal year up to date of termination in that fiscal year less normal withholdings; (iii) a lump sum payment equal to twelve months of COBRA premiums for the group medical and dental plans; (iv) a lump sum payment equal to twelve months car allowance; and (v) may exercise any vested or unvested stock options employee has in accordance with the terms of the Stock Option Plan for a period of one year from employee's termination.
