PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Getty Realty Corp. (hereinafter called the "Company" or "Getty"), to be voted at the Annual Meeting of Stockholders to be held at 270 Park Avenue, 11th Floor, New York, New York, on May 16, 2002 at 10:30 a.m., and at any adjournments thereof, for the purpose of electing a Board of Directors, ratifying the appointment of independent auditors and transacting such other business as may properly come before the meeting.

On the March 21, 2002 record date for securities entitled to vote at the meeting, 21,429,235 shares of Getty Common Stock and 2,865,768 shares of Getty Preferred Stock (described below) were outstanding. Each outstanding common share is entitled to one vote and each outstanding preferred share is entitled to 1.1312 votes. The common and preferred shares vote together as a single class. In order to constitute a quorum at the meeting, there must be present or voting by proxy, holders of common and preferred shares holding a majority of the outstanding common shares (including common shares issuable upon conversion of the Getty Preferred Stock). In conformity with Maryland law, shares abstaining from voting or not voted on certain matters will not be treated as votes cast with respect to those matters, and, therefore, will not affect the outcome of any such matter.

This Proxy Statement and form of proxy will be sent to stockholders in an initial mailing on or about April 5, 2002. We must receive stockholder proposals that are intended to be presented at the 2003 annual meeting no earlier than February 15, 2003 and no later than March 17, 2003 in accordance with our by-laws. Stockholder proposals to be considered for inclusion in next year's proxy statement must be received by December 6, 2002.

GENERAL

The Company was incorporated in Maryland on December 23, 1997 in order to acquire Power Test Investors Limited Partnership ("PTI"), which occurred on January 30, 1998 (the "Merger"). As a result of the Merger, each share of common stock of Getty Realty Corp., a Delaware corporation formerly known as Getty Petroleum Corp. ("Old Getty"), was converted into the right to receive one share of common stock of the Company ("Getty Common Stock") and PTI unitholders received shares of the Company's Series A Participating Convertible Redeemable Preferred Stock ("Getty Preferred Stock"). When we refer to the Company prior to January 30, 1998, we mean Old Getty.

In December 2000, we changed our fiscal year from a January 31 to a December 31 year end. Information for the fiscal year ended December 31, 2000 is for the eleven month period from February 1 to December 31, 2000.

1

ELECTION OF DIRECTORS

Five directors are to be elected at the meeting for a term of one year or until their respective successors are elected and qualified. Election of the directors requires the plurality vote of the holders of a majority of the shares present in person or represented by proxy at the meeting.

You may use the enclosed proxy to cast your votes for the election of the nominees named in the table below. In the event that any of the nominees should become unable or unwilling to serve as a director, we intend to vote your proxy for the election of the person, if any, that is designated by the Board of Directors. DIRECTORS' MEETINGS, COMMITTEES AND EXECUTIVE OFFICERS

During the fiscal year ended December 31, 2001, the Board of Directors held four regular meetings and two telephonic special meetings. Each director attended all of the meetings of the Board of Directors and of the Committees of the Board on which the director served.

The Board of Directors has an Audit Committee, a Nominating Committee and a Compensation and Stock Option Committee, the membership and functions of which are described below.

The Audit Committee, consisting of Messrs. Coviello (Chairman), Cooper and Wintrub, met once last year. The Committee selects the firm of independent public accountants which audits the consolidated financial statements of Getty and its subsidiaries, discusses the scope and the results of the audit with the accountants and discusses Getty's financial accounting and reporting principles. The Committee also examines the summary reports of Getty's internal auditors and discusses the adequacy of Getty's financial controls with the accountants and with management.

The Nominating Committee, consisting of Messrs. Liebowitz (Chairman), Cooper, Coviello and Safenowitz, met one time last year. The Committee recommends candidates to the Board for election as officers. The Committee recommends nominees for election to the Board and reviews the role, composition and structure of the Board and its committees. The Committee will consider nominees recommended by shareholders upon submission in writing to the Secretary, in accordance with the provisions of our Bylaws, together with the nominee's qualifications for service as a director.

The Compensation and Stock Option Committee (the "Compensation Committee"), which met three times last year, consists of Messrs. Wintrub (Chairman), Cooper, Liebowitz and Safenowitz. Mr. Cooper had served as Chairman until March 2001, at

which time Mr. Wintrub became Chairman. The Compensation Committee administers Getty's bonus plan, Supplemental Retirement Plan and 1998 Stock Option Plan, and reviews the compensation of the directors and officers of Getty.

DIRECTORS' COMPENSATION

Directors receive annual retainer fees of \$12,000, and committee and board meeting fees of \$1,000 for each meeting attended, except for telephonic meetings for which the fee is \$500. The Chairman of the Audit Committee receives \$1,500 for each committee meeting, except that he receives \$750 for each telephonic meeting. Directors who are employees of Getty do not receive retainers or board meeting fees. Messrs. Coviello, Safenowitz and Wintrub have received options under Getty's stock option plan.

OTHER EXECUTIVE COMPENSATION

In December 1994, we entered into agreements (collectively, the "Change of Control Agreements") with non-director officers and certain key employees, in which Getty agreed to make payments under certain circumstances upon a "change of control" of Getty, and also agreed that all Getty stock options granted to such officer or key employee would immediately vest. In March 1996, we amended the Change of Control Agreements to treat a spinoff or similar transaction involving a substantial portion of Getty's marketing or real estate business or assets as a "change of control". Accordingly, a "change of control" for purposes of the Change of Control Agreements occurred on March 21, 1997, when Marketing was spun off to Getty shareholders. On April 8, 1997, we formally confirmed to each covered employee our obligations under the Change of Control Agreements including a minimum guaranteed annual compensation (the "Guaranteed Salary"). On March 9, 1998, we further amended the Change of Control Agreements to provide that in the event of the termination of an officer or covered employee by Getty for other than cause, or by either party following the assignment to such officer or covered employee of materially less favorable job responsibilities or duties, for the 24-month period after the date of termination for officers and a

⁽¹⁾ None of the Named Executive Officers received perquisites or other personal benefits that exceeded the lesser of \$50,000 or 10% of the officer's salary and bonus.

12-month period after the date of termination for the covered employees, Getty will make payments to each such individual over the applicable period at an annual rate of not less than the Guaranteed Salary, reduced by the amount of compensation, if any, the officer or key employee receives from any other employer during the covered period. In addition, Getty will continue to pay at least the Guaranteed Salary to each covered employee as long as he or she remains a Getty employee. Ms. Young Filip and Mr. Stirnweis are currently covered by these arrangements with a 12-month benefit period.

In connection with John Fitteron's retirement as Senior Vice President, Treasurer and Chief Financial Officer in January 2001, Getty agreed to pay Mr. Fitteron a lump sum payment and bonus for fiscal 2000 and the sum of \$30,500 per year for two years commencing February 1, 2001, in lieu of what was owed to him under his Change of Control Agreement. Mr. Fitteron also will receive certain related benefits through October 31, 2003.

STOCK OPTIONS

The following table sets forth as to the Named Executive Officers additional information with respect to the stock options granted during the fiscal year ended December 31, 2001, including the potential realizable value from the stock options assuming they are exercised at the end of the option term and assuming 5% and 10% annual rates of stock price appreciation during the option term.

⁽¹⁾ The dollar amounts under the potential realizable value column are the result of calculations of assumed annual compound rates of appreciation over the ten-year life of the options in accordance with the rules of the SEC and are not intended to forecast possible future appreciation, if any, of the Company's Common Stock. The actual value, if any, an executive may realize will depend on the excess of the market price of the shares over the exercise price on the date the option is exercised. The Company did not use an alternative formula for a grant date valuation, as the Company is not aware of any formula which will determine with reasonable accuracy a present value based on unknown or volatile factors. If the price of

7

Getty Common Stock appreciates, the value of Getty Common Stock held by the Company's stockholders will also increase. For example, the aggregate market value of Getty Common Stock on December 31, 2001 was approximately \$403,811,000, based upon the market price on that date. If the share price

of Getty's Common Stock increases by 5% per year, the aggregate market value on December 31, 2011 of the same number of shares would be approximately \$657,765,000. If the price of Getty's Common Stock increases by 10% per year, the aggregate market value on December 31, 2011 would be approximately \$1,047,381,000.

The following table provides information as to options exercised by each of the Named Executive Officers of Getty during the fiscal year ended December 31, 2001 and the value of options held by such officers at year end measured in terms of the closing price of Getty Common Stock on December 31, 2001.

STOCK OPTION PLAN

Our 1998 Stock Option Plan, as amended (the "Stock Option Plan"), which has been approved by our stockholders, authorizes the grant to directors, officers and other key employees of Getty and its subsidiaries of long-term incentive share awards in the form of options ("Options") to purchase shares of Getty Common Stock. The Stock Option Plan is administered by a committee of four members of the Board of Directors (the "Compensation Committee"). The maximum number of shares which may be the subject of outstanding Options under the 1998 Stock Option Plan is 1,100,000, subject to adjustments for stock dividends and stock splits. As of December 31, 2001, 318,349 shares of Getty Common Stock were issuable upon the exercise of options outstanding under the Stock Option Plan. No grants may be made under the Stock Option Plan after January 30, 2008. The number of remaining shares available for grant under the Stock Option Plan was 715,084 at March 15, 2002.

The recipients, terms (including price and exercise period) and type of Option to be granted under the Stock Option Plan are determined by the Compensation Committee; however, the Option price per share under the Stock Option Plan generally must be at least equal to the fair market value of a share of Getty Common Stock (110% of the amount in the case of Incentive Stock Options granted to any individual who owns stock representing more than 10% of the voting power of Getty Common Stock) on the date the Option is granted. Subject to certain limitations, Options granted under the Stock Option Plan may be either Incentive Stock Options (within the meaning of Section 422(b) of the Internal Revenue Code) or Non-Qualified Stock Options. With certain limited exceptions, Options may not be exercised for a period of twelve months following the grant of the Option and are exercisable in installments as are specified in the Stock Option Plan or the terms of each Option. The exercise period of an Option may not extend more than 10 years following its grant.

RETIREMENT PLANS

Getty has a retirement profit-sharing plan with Deferred 401(k) Savings Plan Provisions (the "Retirement Plan") for employees meeting certain service requirements. Under the terms of the Retirement Plan, the

8

annual discretionary contribution portion of the Retirement Plan is determined by the Board of Directors. For the 401(k) portion of the Retirement Plan, the Board of Directors has elected to contribute to the Retirement Plan for each participating employee an amount equal to 50% of the employee's contribution to the Retirement Plan but in no event more than 3% of the employee's compensation.

Getty also has a Supplemental Retirement Plan for Executives (the "Supplemental Plan"). Under the Supplemental Plan, which is not qualified for purposes of Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code"), a participating executive may receive in his trust account an amount equal to 10% of his compensation, reduced by the amount of any contributions allocated to the executive under the Retirement Plan. The amounts paid to the trustee under the Supplemental Plan may be used to satisfy claims of general creditors in the event of Getty's or any of its subsidiaries' bankruptcy. The trustee may not cause the Supplemental Plan to be other than "unfunded" for purposes of the Employee Retirement Income Security Act of 1974, as amended. An executive's account vests in the same manner as under the Retirement Plan and is paid upon termination of employment. Under the Supplemental Plan, the Board of Directors may during any fiscal year elect not to make any payment to the account of any or all executives.

Pursuant to a long-standing arrangement, in the event of the death of Mr. Liebowitz, benefits in an amount equal to twelve months' salary will be paid to his estate. In the event of termination of Mr. Liebowitz' employment due to illness or incapacity for a period of one year or longer, benefits equal to twenty-four months salary will be payable to Mr. Liebowitz.

Mr. Liebowitz receives an annual pension of \$3,500 from a subsidiary's defined benefit retirement plan which was terminated effective October 1, 1985.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee are Messrs. Cooper, Liebowitz, Safenowitz and Wintrub. Mr. Liebowitz is President and Chief Executive Officer. Mr. Cooper was a vice president of Getty until June 1992.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE

To Our Stockholders:

This report addresses our compensation policies with respect to the compensation of the Chief Executive Officer and the other executive officers during fiscal 2001. The Compensation and Stock Option Committee of the Board of Directors (the "Compensation Committee") is responsible for setting the policies which govern base salary compensation, bonuses, the Retirement Plan, the Supplemental Retirement Plan, and the Stock Option Plan, and for determining amounts payable under these plans.

Compensation of Getty's executive officers (with the exception of the Chief Executive Officer) is recommended by the Chief Executive Officer to the Compensation Committee and is discussed, reviewed and approved by the full Board of Directors. The compensation of the Chief Executive Officer is also discussed,

reviewed and approved by the full Board of Directors.

EXECUTIVE OFFICER COMPENSATION

Getty's compensation program for executive officers is designed to provide each officer with a total compensation package competitive with amounts paid for similar positions in similar companies. With its objective being to attract and retain capable people, Getty endeavors to ensure that each officer's compensation is based on his or her ability, effort and achievement. In addition to the base salary program, Getty has a discretionary bonus plan that is administered by the Compensation Committee in light of Getty's focus on managing its portfolio of gasoline service stations, terminals and related properties while minimizing expenses. Executive Officers' base salaries increased modestly at the end of the fiscal year.

Mr. Liebowitz' bonus for fiscal 2001 was based on the Committee's evaluation of his overall performance during the year, including his efforts in connection with Getty's common stock public offering, substantial distributions to shareholders (including the one-time special "earnings and profits" distribution in August 2001) and the Company's election to be treated as a real estate investment trust, as well as the significant increase in the Company's stock price during fiscal 2001.

STOCK OPTIONS

Stock options are granted to encourage and facilitate personal stock ownership by the directors, executives and certain other key employees and thus strengthen their personal commitment to Getty and provide a longer term perspective to their managerial responsibilities. The stock option portion of the compensation program directly links the executive's interests with those of the stockholders. The Compensation Committee's policy is to grant stock option awards based on individual performance and the potential to contribute to the future success of Getty. In September 2001, stock options were awarded to certain key employees and directors. No options were granted to Mr. Liebowitz, who has not, to date, participated in the Stock Option Plan.

The Compensation Committee believes that the three components described above provide compensation that is competitive with that offered by other corporations, and effectively links executive and stockholder interests through varied plans that are structured to coincide with the long term vision of Getty.

Section 162 (m) of the Code denies the federal income tax deduction by publicly held corporations of compensation in excess of \$1 million paid to certain executives and highly compensated officers during a fiscal year. It is our policy to take this rule into account in setting the compensation of its affected executives. In addition to salaries and bonuses, compensation income recognized upon the exercise of stock options may represent compensation subject to the Section 162 (m) limitation. Although it is possible that in any given year, some portion of the compensation paid to an executive will not be tax deductible under Section 162 (m), the Compensation Committee believes that portions of the affected executive's total compensation that are performance based are excepted from application of Section 162 (m). Deductibility will also depend upon the amount of any bonus paid, upon the market price of the shares on the date stock options are exercised, and the number of options exercised by an executive in any fiscal year.

INDEPENDENCE

The Board of Directors has determined that each of the Audit Committee members are "independent" as such term is defined in the NYSE Rules.

AUDIT COMMITTEE CHARTER

At the Audit Committee Meeting held on March 23, 2000, the Audit Committee adopted a written Charter, which was approved by Getty's Board of Directors and attached to the Company's proxy statement dated May 1, 2000.

FINANCIAL STATEMENTS

With regard to our audited financial statements, the Audit Committee has:

- (1) reviewed and discussed the audited financial statements with management and with PricewaterhouseCoopers L.L.P.;
- (2) discussed with PricewaterhouseCoopers L.L.P., our independent auditors, the matters required by SAS 61, as may be modified or supplemented;
- (3) (a) received the written disclosures and the letter from PricewaterhouseCoopers L.L.P. required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as modified or supplemented, (b) discussed with PricewaterhouseCoopers L.L.P. their independence, and (c) concluded that the provision of those services other than audit services by PricewaterhouseCoopers L.L.P. is compatible with maintaining their independence; and
- (4) based upon the review and discussions set forth in paragraphs (1) through (3) above, recommended to Getty's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001.

The Audit Committee Chairman and one or more of the other Audit Committee members, prior to filing with the SEC each of the Company's quarterly reports on Form 10-Q for the quarters ended March 31, June 30 and September 30, 2001, reviewed with the Company's management and PricewaterhouseCoopers L.L.P. the Company's interim financial results to be included in such report, and the

matters required to be discussed by SAS 61.

The report of the Audit Committee should not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or under the Exchange Act, except to the extent that Getty specifically incorporates this information by reference, and should not otherwise be deemed filed under such Acts.

Peer Group	\$100.00	120.08	116.23	95.66	110.54

Assumes \$100 invested at the close of trading on 12/31/96 in Getty Common Stock, Standard & Poor's 500, and Peer Group.

*Cumulative total return assumes reinvestment of dividends, and in the case of Getty includes (i) a special dividend relating to the Marketing spin-off and (ii) the special one-time earnings and profits distribution made in August 2001.

Getty has chosen as its Peer Group the following companies: Commercial Net Lease Realty, Inc., U.S. Restaurant Properties, Inc., Realty Income Corp. and FFP Partners, LP. We have chosen these companies as our Peer Group because a substantial segment of each of their businesses is as a real estate company that owns and leases commercial properties. For 2001, we have included Commercial Net Lease Realty, Inc. in lieu of Franchise Finance Corp. of America, in our Peer Group since FFCA was acquired by General Electric Capital Corporation during 2001.

The Stock Performance Graph should not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or under the Exchange Act, except to the extent that Getty specifically incorporates this graph by reference, and should not otherwise be deemed filed under such Acts.

We cannot assure you that Getty stock performance will continue in the future with the same or similar trends depicted in the graph above. We do not make or endorse any predictions as to future stock performance.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Pursuant to the direction of the Board of Directors, on February 28, 2002, the Audit Committee recommended the appointment of the firm of PricewaterhouseCoopers L.L.P., subject to ratification by the stockholders at the Annual Meeting, to audit the accounts of Getty with respect to our operations for the fiscal year ending December 31, 2002 and to perform other services as may be required. Should this firm of auditors be unable to perform these services for any reason, the Board of Directors will appoint other independent auditors to perform these services. A majority of votes cast at the meeting is necessary in order to ratify the appointment of the independent auditors.

The fees paid to PricewaterhouseCoopers L.L.P., our principal auditors, during fiscal 2001 were as follows:

Audit Fees(1) \$ 94,000 Financial Information Systems Design and Implementation Fees None All Other Fees(2) \$208,500

- (1) Includes the aggregate fees billed for professional services rendered by PricewaterhouseCoopers L.L.P. for the audit of the Company's annual financial statements for fiscal 2001 and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for fiscal 2001.
- (2) Includes the aggregate fees billed for all services rendered by PricewaterhouseCoopers L.L.P., other than fees for the services which must be reported under "Audit Fees" and "Financial Information Systems Design and Implementation Fees", during fiscal 2001, including fees for a common stock offering prospectus supplement and the audit of the Company's Profit Sharing Plan.

Representatives of the firm of PricewaterhouseCoopers L.L.P. are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote "FOR" the proposal to ratify the selection of PricewaterhouseCoopers L.L.P. as Getty's independent public auditors for the fiscal year ending December 31, 2002.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Pursuant to Section 16(a) of the Exchange Act and the rules issued thereunder, Getty's executive officers and directors are required to file with the SEC and the New York Stock Exchange reports of ownership and changes in ownership of Getty equity securities. Copies of these reports are required to be furnished to us. Based on our review of Forms 3 and 4 we received during fiscal 2001 and of Forms 5 we received with respect to fiscal 2001, Getty believes that

during fiscal 2001 all of our executive officers and directors complied with the Section 16(a) requirements.

OTHER MATTERS

Management does not know of any matters, other than those referred to above, to be presented at the meeting for action by the stockholders. However, if any other matters are properly brought before the meeting, or any adjournment or adjournments thereof, we intend to cast votes pursuant to the proxies with respect to such matters in accordance with the best judgment of the persons acting under the proxies.

The proxy may be revoked at any time prior to its exercise. Brokerage houses and other custodians will be requested to forward solicitation material to beneficial owners of stock that they hold of record. We will reimburse brokerage houses, banks and custodians for their out-of-pocket expenses in forwarding proxy material to the beneficial owners. The cost of this solicitation, which will be effected by mail, will be borne by us. April 5, 2002 By Order of the Board of Directors,
