Item 1.01. Entry into a Material Definitive Agreement.

On May 25, 2005, the Compensation Committee of the Board of Directors of Danielson Holding Corporation (Danielson) approved an amendment to a certain stock option agreement between Danielson and Robert S. Silberman, a director of Danielson. The amendment accelerates Mr. Silberman's right to exercise certain vested stock options that would otherwise have become exercisable on June 8, 2005, subject to his agreement not to sell any shares of Danielson s common stock issuable upon the exercise of such stock options before June 8, 2005. The stock options, which were issued in accordance with Danielson s Equity Award Plan for Directors, vested on December 8, 2004. The amendment accelerates the exercisability date of the options to May 25, 2005.

The acceleration of exercisability of the options allows Mr. Silberman to participate in Danielson s rights offering in connection with its proposed acquisition of American Ref-Fuel Holdings Corp. (Ref-Fuel). Under this rights offering, Danielson s existing stockholders will be issued rights to purchase Danielson s Common Stock on a pro rata basis, with each holder entitled to purchase approximately 0.9 shares of Danielson s Common Stock at an exercise price of \$6.00 per share for each share of Danielson s Common Stock then held.

A copy of the Amendment to Stock Option Agreement that effects this acceleration is attached hereto as Exhibit 10.1 and is incorporated by reference herein.
