Section 8 Other Events

Item 8.01 Other Events

On July 24 and 25, 2007, Exelon Corporation (Exelon), Exelon Generation Company, LLC (Generation) and Commonwealth Edison Company (ComEd) filed current reports on Form 8-K disclosing the material terms of a settlement agreement to address concerns about higher electric bills in Illinois without a rate freeze, generation tax or other legislation that would be harmful to consumers of electricity, electric utilities, generators of electricity and the State of Illinois (the Settlement). The Settlement will be effective only upon enactment of certain proposed legislation, House Amendment No. 5 to Senate Bill 1592, which was described in the Form 8-K filed on July 25, 2007. A copy of House Amendment No. 5 to Senate Bill 1592 is attached hereto as Exhibit 99.1. On July 26, 2007, Senate Bill 1592 was amended by House Amendment No. 6, which makes a technical correction and adds provisions related to minority and female owned businesses and businesses owned by persons with disabilities. A copy of House Amendment No. 6 to Senate Bill 1592 is attached hereto as Exhibit 99.2. On July 26, 2007, Senate Bill 1592 (the Legislation) was passed by both the Illinois House of Representatives, by votes of 80 votes for, 33 votes against, and 1 voting present, and the Illinois Senate, by a vote of 40 votes for, 13 votes against, and 1 voting present. These votes are both in excess of the three-fifths supermajority required for a law to become effective immediately when passed in an extended session of the Illinois General Assembly. To be enacted into law, the Legislation must be signed by the Governor of Illinois (the Governor). The Governor has indicated that he will sign it. However, there can be no assurance that the Governor will sign the Legislation. The parties to the Settlement have agreed that enactment of the Legislation will satisfy conditions of the Settlement relating to the enactment of legislation.
