PROXY STATEMENT	PROSPECTUS
PARK MERIDIAN	REGIONS FINANCIAL CORPORATION
FINANCIAL CORPORATION	UP TO 2,011,200 SHARES OF COMMON STOCK

MERGER PROPOSED - YOUR VOTE IS VERY IMPORTANT

The boards of directors of Park Meridian Financial Corporation, a bank holding company headquartered in Charlotte, North Carolina, and Regions Financial Corporation, a bank holding company and financial holding company headquartered in Birmingham, Alabama, have agreed on a merger of Park Meridian and Regions. Regions will be the surviving corporation in the merger. Regions common stock is traded on the Nasdaq National Market under the symbol "RGBK" and Park Meridian common stock is traded on the OTC bulletin board under the symbol "PMFN."

If the merger is completed, you will receive .55 of a share of Regions common stock for each share of Park Meridian common stock you own, subject to possible upward adjustment in limited circumstances as described in this proxy statement-prospectus. Regions stockholders will continue to own their existing shares of Regions common stock after the merger.

The actual value of the Regions common stock received by Park Meridian shareholders in the merger will depend on the market value of Regions common stock at the time we complete the merger. On October 12, 2001, the last sale price of Regions common stock was \$26.83, and based on that price and the corresponding exchange ratio of .5945, a share of Park Meridian common stock would have an equivalent value of \$15.95 in the merger. The last reported sale price of Park Meridian common stock prior to the announcement of the merger was \$14.50.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

Park Meridian has scheduled a special meeting for its shareholders to vote on the merger, to be held at 9:30 a.m., local time, on November 13, at The Park Hotel, 2200 Rexford Road, Charlotte, North Carolina 28211. We cannot complete the merger unless the shareholders of Park Meridian approve it. Because the affirmative vote of a majority of the outstanding shares is necessary to approve the merger, if you do not vote or if you abstain, that will have the effect of a vote against the merger. YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE MERGER.

This proxy statement-prospectus provides you with detailed information about the proposed merger. You can also get information about Regions and Park Meridian from documents filed with the Securities and Exchange Commission. We encourage you to read this entire document carefully.

ALSO, YOU SHOULD CONSIDER CAREFULLY THE RISK FACTORS BEGINNING ON PAGE 12 OF THIS PROXY STATEMENT-PROSPECTUS.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES REGULATORS HAVE APPROVED THE REGIONS COMMON STOCK TO BE ISSUED UPON COMPLETION OF THE MERGER OR DETERMINED IF THIS PROXY STATEMENT-PROSPECTUS IS ACCURATE OR ADEQUATE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The date of this proxy statement-prospectus is October 16, 2001. It is first being mailed on or about October 16, 2001.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

TO BE HELD NOVEMBER 13, 2001

Park Meridian Financial Corporation will hold a special meeting of shareholders at The Park Hotel, located at 2200 Rexford Road, Charlotte, North Carolina, 28211 on November 13, 2001, at 9:30 a.m., local time. At the special meeting the following matters will be presented to the shareholders:

1. Merger. The plan of merger included in the Agreement and Plan of Merger dated as of June 26, 2001, by and between Park Meridian and Regions Financial Corporation. If the plan of merger is approved and the merger is completed, (1) Park Meridian will merge with and into Regions with Regions as the surviving corporation and (2) each share of Park Meridian common stock (excluding certain shares held by Park Meridian, Regions, or their respective subsidiaries and excluding all shares held by shareholders who perfect their dissenters' rights) will be converted into .55 of a share of Regions common stock, subject to possible upward adjustment, with cash to be paid instead of any remaining fractional share interest, all as described more fully in the accompanying proxy statement-prospectus; and

2. Other Business. Such other business as may properly come before the special meeting, including adjourning the special meeting to permit, if necessary, further solicitation of proxies.

Shareholders of record at the close of business on September 24, 2001, will receive notice of and may vote at the special meeting or any adjournment or postponement thereof.

You have a right to dissent from the merger and obtain payment of the fair value of your Park Meridian shares in cash by complying with the applicable provisions of North Carolina law, which are attached to the accompanying proxy statement-prospectus as Appendix C.

Your board of directors unanimously recommends that you vote FOR the proposals listed above.

We urge you to sign and return the enclosed proxy as promptly as possible, whether or not you plan to attend the special meeting in person. The proxy may be revoked by the person executing the proxy by filing with the corporate secretary of Park Meridian an instrument of revocation or a duly executed proxy bearing a later date or by electing to vote in person at the special meeting.

SUMMARY

This summary highlights selected information from this proxy statement-prospectus. It does not include all of the information that is important to you. You should carefully read this entire document and all other documents to which we refer in this document in order to understand fully the merger and to obtain a more complete description of the legal terms of the merger. See "Where You Can Find More Information" (page 59). Each item in this summary includes a page reference that directs you to a more complete description in this document of the topic discussed.

THE COMPANIES (PAGES 49 AND 50)

PARK MERIDIAN FINANCIAL CORPORATION
6826 Morrison Boulevard
Charlotte, North Carolina, 28211
Telephone: (704) 366-7275

Park Meridian is incorporated in North Carolina and is a bank holding company. Park Meridian owns Park Meridian Bank, a commercial bank which serves customers primarily in Mecklenburg County in North Carolina. As of June 30, 2001, Park Meridian's total assets were about \$298 million, deposits were about \$206 million, and stockholders' equity was about \$24 million.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

REGIONS FINANCIAL CORPORATION
417 North 20th Street
Birmingham, Alabama 35203
Telephone: (205) 944-1300

Regions is incorporated in Delaware and is a regional bank holding company and financial holding company. Through its subsidiaries, Regions provides banking and other financial services. Regions has banking operations in Alabama, Arkansas, Florida, Georgia, Louisiana, South Carolina, Tennessee, and Texas. As of June 30, 2001, Regions' total assets were about \$45.1 billion, deposits were about \$31.2 billion and stockholders' equity was about \$3.8 billion.

THE MERGER (PAGE 14)

If all of the conditions to completing the merger are satisfied or waived, Park Meridian will merge with Regions Financial Corporation. Regions will be the surviving corporation in the merger. When the merger is completed, you will receive Regions common stock in exchange for the Park Meridian common stock that you own. You will receive a minimum of .55 of a share of Regions stock for each of your shares of Park Meridian common stock, subject to upward adjustment as described below. You will not receive any fraction of a share of Regions common stock. Instead, you will receive a cash payment for any fraction of a share to which you become entitled.

If the "average price," meaning the average of the daily volume weighted average stock prices of Regions common stock over the period of ten consecutive full trading days ending at the close of trading on the second full trading day before the date of the special meeting, is less than \$29.00, then the exchange ratio will be increased to the fraction computed by (1) multiplying the original exchange ratio of .55 by

1

\$29.00, and then (2) dividing that amount by the average price. This mechanism is explained in greater detail under the heading "The Merger--Possible Adjustment of Exchange Ratio" at page 15. This adjustment mechanism is intended to result in you receiving, in exchange for each share of Park Meridian common stock you own, Regions common stock having a value of at least \$15.95, based on the average price over that ten-day period prior to the special meeting. Therefore, this adjustment mechanism protects you to the extent the average price over that ten-day period is less than \$29.00, but it does not protect against any decline in Regions' stock price that might occur after the ten-trading-day average is computed.

If you elect to dissent from the merger under North Carolina law and follow the required procedures, you will receive a cash payment for your shares of Park Meridian common stock instead of receiving Regions common stock. More information about your rights to dissent from the merger, and the procedures you must follow should you choose to do so, is included under the heading "The Merger -- Dissenting Shareholders" at page 29.

We have attached the agreement and plan of merger to this proxy statement-prospectus as Appendix A. We encourage you to read the entire

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

agreement. It is the legal document that establishes the terms and conditions of the merger.

COMPARATIVE PER SHARE MARKET PRICE INFORMATION (PAGE 47)

Shares of Regions are quoted on the Nasdaq National Market under the symbol "RGBK." Shares of Park Meridian are traded on the OTC bulletin board system under the symbol "PMFN." On June 26, 2001, the last full trading day prior to the public announcement of the merger, Regions stock closed at \$31.33 per share. As of that date, the last reported sale price of Park Meridian common stock was \$14.50 per share. On October 12, 2001, Regions stock closed at \$26.83 per share and the last reported sale price of Park Meridian common stock was \$15.20 per share.

The market value of the consideration that Park Meridian shareholders will receive in the merger for each share of Park Meridian common stock would be \$17.23 based on Regions' June 26, 2001 closing price and the corresponding exchange ratio of .55, and \$15.95 based on Regions' October 12, 2001 closing price and the corresponding exchange ratio of .5945. The exchange ratio will become fixed as of the end of trading on the second full trading day before the date of the special meeting. The market value of the merger consideration at the time we complete the merger will depend on the market value of Regions common stock at that time and the exchange ratio actually used in the merger. Because the market price of Regions common stock continuously fluctuates, we urge you to obtain current stock price quotations for Regions common stock.

REASONS FOR THE MERGER (PAGE 17)

Park Meridian and Regions believe that the merger will result in a company with expanded opportunities for profitable growth. In addition, we anticipate that the expansion of Regions' banking franchise into North Carolina will improve Regions' ability to compete in the evolving and competitive financial services industry.

To review the background of and reasons for the merger in greater detail, please see the discussion under the headings "The Merger--Background of the Merger" at page 17, "The Merger--Park Meridian's Reasons for the Merger" at page 17, and "The Merger--Regions' Reasons for the Merger" at page 19.

FAIRNESS OPINION OF PARK MERIDIAN'S FINANCIAL ADVISOR (PAGE 19)

In deciding to approve the merger, the Park Meridian board of directors considered the opinion of its financial advisor, The Orr Group, that, as of the date of the opinion, the exchange ratio was fair to the Park

2

Meridian shareholders from a financial point of view. We have attached this opinion as Appendix B to this proxy statement-prospectus. You should read it carefully.

THE SPECIAL MEETING (PAGE 13)

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

The Park Meridian special meeting will be held at The Park Hotel, 2200 Rexford Road, Charlotte, North Carolina, 28211, at 9:30 a.m. local time on November 13, 2001. At the special meeting, Park Meridian shareholders will be asked to approve the agreement and plan of merger.

RECOMMENDATIONS TO SHAREHOLDERS (PAGE 17)

The Park Meridian board of directors has unanimously approved the agreement and plan of merger and the merger and believes that the merger is fair to you and in your best interests. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE MERGER BY MARKING YOUR PROXY CARD "FOR" THE PROPOSAL TO APPROVE THE AGREEMENT AND PLAN OF MERGER.

VOTING RIGHTS AT THE SPECIAL MEETING (PAGE 14)

You can vote at the Park Meridian special meeting if you owned Park Meridian common stock as of the close of business on September 24, 2001, the record date. On that date, 2,513,293 shares of Park Meridian common stock were outstanding and therefore are allowed to vote at the special meeting. You will be able to cast one vote for each share of Park Meridian common stock you owned on September 24, 2001.

Regions stockholders will not vote on the merger.

SHAREHOLDER VOTE REQUIRED (PAGE 14)

To approve the merger, Park Meridian shareholders who hold a majority of the outstanding shares of common stock on the record date must vote for the merger. If you do not vote or if you abstain, this will have the same effect as a vote against the merger.

SHARE OWNERSHIP OF MANAGEMENT AND CERTAIN SHAREHOLDERS (PAGE 49)

All together, the directors and executive officers of Park Meridian, their immediate family members and entities they control can cast about 25% of the votes entitled to be cast at the Park Meridian special meeting. The members of the Park Meridian board of directors have agreed to vote all of the shares over which they have voting authority, other than as a fiduciary, in favor of the merger.

EFFECTIVE TIME (PAGE 23)

When all conditions of the merger have been satisfied or waived, we will file a certificate of merger reflecting the merger with the Secretary of State of the state of Delaware and articles of merger reflecting the merger with the Secretary of State of the state of North Carolina. The merger will be final when both the certificate of merger has been declared effective by the Delaware Secretary of State and the articles of merger have been declared effective by the North Carolina Secretary of State. If Park Meridian shareholders approve the merger at the special meeting, and Regions obtains all required regulatory approvals, we currently anticipate that the merger will be completed during the fourth quarter of 2001. Park Meridian and Regions cannot assure you that we can obtain the necessary shareholder and regulatory approvals or that the other conditions to completion of the merger can or will be satisfied.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

EXCHANGE OF STOCK CERTIFICATES (PAGE 23)

Promptly after the merger is completed, you will receive a letter and instructions on how to surrender your Park Meridian stock certificates in exchange for Regions stock certificates. You will need to carefully review and complete these materials and return them as instructed along with your stock certificates for Park Meridian common stock. You should not send Park Meridian, Regions, or Regions' transfer agent any stock certificates until you receive these instructions.

REGULATORY APPROVALS AND OTHER CONDITIONS TO COMPLETION OF THE MERGER (PAGE 24)

Regions has obtained approvals from the Federal Reserve Board and the North Carolina Commissioner of Banks. These are the only approvals from government regulatory agencies required for us to complete the merger.

In addition to the required regulatory approvals, the merger will be completed only if certain conditions, including, but not limited to the following, are met or, if waivable, waived:

- Park Meridian shareholders approve the agreement and plan of merger at the special meeting;
- Park Meridian and Regions each receive an opinion of counsel that the merger will qualify as a tax-free reorganization; and
- neither Regions nor Park Meridian has breached in any material respect any of its representations or obligations under the agreement and plan of merger.

In addition to these conditions, the agreement and plan of merger, attached to this proxy statement-prospectus as Appendix A, describes other conditions that must be met before the merger may be completed.

In cases where the law permits, either Regions or Park Meridian could elect to waive a condition that has not been satisfied and complete the merger although it is entitled not to. We cannot be certain whether or when any of the conditions we have listed will be satisfied (or waived, where permissible), or that the merger will be completed.

TERMINATION OF THE AGREEMENT AND PLAN OF MERGER (PAGE 25)

Regions and Park Meridian may agree to terminate the agreement and plan of merger and elect not to complete the merger at any time before the merger is completed.

Each of the parties also can unilaterally terminate the agreement and plan of merger in limited circumstances, including if the merger is not completed by December 31, 2001. However, a party may not terminate the agreement and plan of merger for this reason if the merger has not been completed because of a breach of the agreement and plan of merger by the party seeking termination.

In addition, the parties may also terminate the agreement and plan of merger if other circumstances occur which are described in the agreement, attached to this proxy statement-prospectus as Appendix A.

The agreement and plan of merger may be amended by the written agreement of Park Meridian and Regions. The parties may amend the agreement and plan of merger without shareholder approval, even if Park Meridian shareholders have already approved the agreement and plan of merger. However, Park Meridian shareholders must approve any amendments that would modify, in a material respect, the terms and conditions of the merger, the manner of converting Park Meridian common stock into Regions common stock in the merger, or the identity of the surviving corporation.

FEDERAL INCOME TAX CONSEQUENCES (PAGE 32)

We expect that you will not recognize any gain or loss for U.S. federal income tax purposes when you exchange all of your shares of Park Meridian common stock for shares of Regions common stock in the merger, except in connection with cash received instead of fractional shares. We have conditioned the merger on our receipt of a legal opinion that this will be the case, but this will not bind the Internal Revenue Service, which could take a different view.

THIS TAX TREATMENT MAY NOT APPLY TO CERTAIN PARK MERIDIAN SHAREHOLDERS, INCLUDING THE TYPES OF PARK MERIDIAN SHAREHOLDERS DISCUSSED ON PAGE 32, AND WILL NOT APPLY TO ANY PARK MERIDIAN SHAREHOLDER WHO DISSENTS FROM THE MERGER UNDER NORTH CAROLINA LAW. DETERMINING THE ACTUAL TAX CONSEQUENCES OF THE MERGER TO YOU CAN BE COMPLICATED. THEY WILL DEPEND ON YOUR SPECIFIC SITUATION AND MANY VARIABLES NOT WITHIN OUR CONTROL. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR FOR A FULL UNDERSTANDING OF THE MERGER'S TAX CONSEQUENCES.

ACCOUNTING TREATMENT (PAGE 33)

Regions expects to account for the merger as a purchase transaction for accounting and financial reporting purposes, meaning that the assets and liabilities of Park Meridian will be recorded at their estimated fair values and added to those of Regions. Therefore, the financial statements of Regions issued after the merger will reflect these values from Park Meridian and will not be restated retroactively to reflect the historical financial position or results of operations of Park Meridian.

INTERESTS OF CERTAIN PERSONS IN THE MERGER THAT MAY BE DIFFERENT FROM YOURS (PAGE 27)

Some of the officers of Park Meridian have benefit and compensation plans and employment contracts that provide them with interests in the merger that are different from, or in addition to, their interests as shareholders of Park Meridian. In particular, they hold outstanding options under Park Meridian's existing stock option plan, which will immediately vest and be converted into stock options to acquire Regions stock after the merger. Also, members of Park Meridian's board of directors and its officers are entitled to indemnification under the agreement and plan of merger. The Park Meridian board of directors was aware of these interests and considered them in approving and recommending the merger.

For more information about these matters, please refer to the discussion under the heading "The Merger-Interests of Certain Persons in the Merger" on page 27.

DISSENTERS' APPRAISAL RIGHTS (PAGE 45)

North Carolina law permits you to dissent from the merger and to have the fair value of your stock paid to you in cash. To do this, you must follow certain procedures, including the filing of certain notices and refraining from

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

voting your shares in favor of the merger. If you dissent from the merger, your shares

5

of Park Meridian common stock will not be exchanged for shares of Regions common stock in the merger, and your only right will be to receive the appraised value of your shares in cash.

CERTAIN DIFFERENCES IN STOCKHOLDERS' RIGHTS (PAGE 38)

When the merger is completed you will automatically become a Regions stockholder. The rights of Regions stockholders differ from the rights of Park Meridian shareholders in certain significant ways. Many of these differences have to do with provisions in Regions' certificate of incorporation, bylaws, and Delaware law. Certain of these provisions are intended to make a takeover of Regions more difficult if the Regions board of directors does not approve it.

COMPARATIVE PER SHARE DATA

The following table shows information about Regions' and Park Meridian's income per share, dividends per share and book value per share, and similar information reflecting the merger of Regions and Park Meridian (which is referred to as "pro forma" information). In presenting the comparative pro forma information for certain time periods, we have assumed that Regions and Park Meridian had been merged throughout those periods.

In presenting the comparative pro forma information, we also assumed that Regions will record Park Meridian assets and liabilities at their estimated fair values and add them to the assets and liabilities of Regions for accounting and financial reporting purposes (a method which is referred to as the "purchase" method of accounting).

The information listed as "equivalent pro forma" was computed by multiplying the pro forma amounts by an assumed exchange ratio of .55. It is intended to reflect the fact that Park Meridian shareholders will be receiving a minimum of .55 of a share of Regions common stock for each share of Park Meridian common stock exchanged in the merger. This may not be the actual exchange ratio, since the exact ratio will not be determined until shortly before the special meeting.

The pro forma information, while helpful in illustrating the financial attributes of the combined company under one set of assumptions, does not attempt to predict or suggest future results. Also, the information we have set forth for the six-month period ended June 30, 2001 does not indicate what the results will be for the full 2001 fiscal year.

The information in the following table is based on the historical financial information of our companies. See "Where You Can Find More Information" on page 59.

RISK FACTORS

GENERAL

If the merger is completed, you will receive shares of Regions common stock in exchange for your shares of Park Meridian common stock unless you dissent from the merger. You should be aware of particular risks and uncertainties that are applicable to an investment in Regions common stock. Specifically, there are risks and uncertainties that bear on Regions' future financial results and that may cause Regions' future earnings and financial condition to be less than Regions' expectations.

Some of the risks and uncertainties involved in an investment in Regions common stock relate to economic conditions generally and would affect other financial institutions in similar ways. These aspects are discussed in this proxy statement-prospectus under the heading "Forward-Looking Statements" on page 57. This section addresses particular risks and uncertainties that are specific to Regions.

RISKS RELATING TO THE MERGER

PARK MERIDIAN SHAREHOLDERS MAY RECEIVE SHARES OF REGIONS COMMON STOCK VALUED AT LESS THAN \$29.00 AT THE CLOSING OF THE MERGER. The exchange ratio of .55 may be increased based on the average of the daily volume weighted average trading prices of Regions common stock over the ten full trading days ending on the second full trading day prior to the date of the special meeting. If, and only if, such average is less than \$29.00, then the exchange ratio will be increased based on a formula in the agreement and plan of merger. See "The Merger-Possible Adjustment of Exchange Ratio." However, the exact value of Regions common stock on the date we complete the merger will not be known until that date. If the market price of Regions common stock on the date we complete the merger is lower than the average of the daily volume weighted average trading prices of Regions common stock used to determine the exchange ratio, the value of each share of Regions common stock you receive in exchange for your shares of Park Meridian common stock may be less than \$29.00 on the date we complete the merger or the date you receive your stock certificate for Regions common stock. The trading price of Regions common stock could fluctuate

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

depending upon any number of reasons, including those specific to Regions and those that influence the trading prices of equity securities generally.

REGIONS MAY NOT BE ABLE TO SUCCESSFULLY ASSIMILATE PARK MERIDIAN'S OPERATIONS INTO REGIONS' OPERATIONS. The merger involves the assimilation of two companies that have previously operated independently of each other. Successful assimilation of Park Meridian's operations will depend primarily on Regions' ability to consolidate operations, systems and procedures and to reduce costs. Regions may not be able to assimilate Park Meridian's operations without encountering difficulties, including the loss of key employees and customers and unexpected problems with operations, personnel, or technology. In addition, Regions currently does not have banking operations in North Carolina, and Regions may not be successful in entering this new market.

REGIONS' ACQUISITION STRATEGY COULD POSE RISKS OF FUTURE STOCKHOLDER DILUTION OR REDUCTION OF CAPITAL, WHICH IN TURN COULD REDUCE THE VALUE OF AN INVESTMENT IN REGIONS COMMON STOCK. Regions has grown through acquisitions in recent years, and Regions from time to time evaluates strategic opportunities in the banking industry and in the related financial services industries. If Regions makes acquisitions in the future, one or more of those possible future acquisitions could be material to Regions. Regions may issue

12

common stock to pay for those future acquisitions, which could dilute the ownership interest of all Regions stockholders at the time of any such acquisition. Regions may also use cash or other liquid assets or incur debt to complete future acquisitions. In those events, Regions could become more susceptible to economic downturns and competitive pressures.

THE SPECIAL MEETING

GENERAL

This proxy statement-prospectus is being furnished to the shareholders of Park Meridian Financial Corporation in connection with the solicitation by the Park Meridian board of directors of proxies for use at a special meeting of shareholders, at which Park Meridian shareholders will be asked to vote to approve the agreement and plan of merger by and between Park Meridian and Regions.

The special meeting will be held at 9:30 a.m., local time, on November 13, 2001, at The Park Hotel, located at 2200 Rexford Road, Charlotte, North Carolina, 28211.

Park Meridian shareholders are requested promptly to sign, date, and return the accompanying proxy card to Park Meridian in the enclosed postage-paid, addressed envelope. Item number 1 on the proxy card is the proposal to approve the agreement and plan of merger by and between Park Meridian and Regions. To vote in favor of the merger by proxy you must vote "FOR" item number 1 on the proxy card, sign the proxy card, and return it before the special meeting. A shareholder's failure to return a properly executed proxy card or to vote at the special meeting will have the same effect as a vote against the merger.

Any Park Meridian shareholder who has delivered a proxy may revoke it at any time before it is voted by giving notice of revocation in writing or submitting to Park Meridian a signed proxy card bearing a later date, provided

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

that such notice or proxy card is actually received by Park Meridian before the special meeting or in open meeting prior to the taking of the shareholder vote at the special meeting. Any notice of revocation should be sent to Park Meridian Financial Corporation, Post Office Box 11816, Charlotte, North Carolina, 28220, Attention: Pamela Brady. A proxy will not be revoked by death of the shareholder executing the proxy, or if the shareholder becomes incompetent after submitting a signed proxy, unless, before the vote, notice of such death or incapacity is filed with Park Meridian's Corporate Secretary. The shares of Park Meridian common stock represented by properly executed proxies received at or prior to the special meeting and not subsequently revoked will be voted as directed in such proxies. IF INSTRUCTIONS ARE NOT GIVEN, SHARES REPRESENTED BY PROXIES RECEIVED WILL BE VOTED FOR APPROVAL OF THE AGREEMENT AND PLAN OF MERGER AND IN THE DISCRETION OF THE PROXY HOLDER AS TO ANY OTHER MATTERS THAT PROPERLY MAY COME BEFORE THE SPECIAL MEETING. IF NECESSARY, AND UNLESS CONTRARY INSTRUCTIONS ARE GIVEN OR YOU HAVE VOTED AGAINST THE MERGER, THE PROXY HOLDER ALSO MAY VOTE IN FAVOR OF A PROPOSAL TO ADJOURN THE SPECIAL MEETING TO PERMIT FURTHER SOLICITATION OF PROXIES IN ORDER TO OBTAIN SUFFICIENT VOTES TO APPROVE THE AGREEMENT AND PLAN OF MERGER. As of the date of this proxy statement-prospectus, Park Meridian is unaware of any other matter to be presented at the special meeting.

Park Meridian will solicit proxies by mail, and possibly by telephone or telegram or in person by the directors, officers, and employees of Park Meridian, who will receive no additional compensation for such solicitation but may be reimbursed for out-of-pocket expenses. Park Meridian may also engage the firm of

13

Georgeson Shareholder Communications, Inc., which has previously served as a proxy solicitation agent for Park Meridian, to provide certain solicitation services. Georgeson would be compensated at its usual and customary rates, which are estimated to be approximately \$10,000. Brokerage houses, nominees, fiduciaries, and other custodians will be requested to forward solicitation materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses.

Park Meridian shareholders should not forward any stock certificates with their proxy cards.

RECORD DATE; VOTE REQUIRED

Park Meridian's board of directors has established the close of business on September 24, 2001, as the record date for determining the Park Meridian shareholders entitled to notice of and to vote at the special meeting. Only Park Meridian shareholders of record as of the record date will be entitled to vote at the special meeting. As of the record date, there were approximately 575 record holders of 2,513,293 shares of the \$.01 par value common stock of Park Meridian outstanding and entitled to vote at the special meeting. Each share is entitled to one vote. For information as to persons known by Park Meridian to beneficially own more than 5.0% of the outstanding shares of Park Meridian common stock as of the record date, see "Voting Securities and Principal Shareholders of Park Meridian."

The presence, in person or by proxy, of a majority of the outstanding shares of Park Meridian common stock is necessary to constitute a quorum of the shareholders. A quorum must be present before a vote on the merger can be taken at the special meeting. For these purposes, shares of Park Meridian common stock that are present, or represented by proxy, at the special meeting will be

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on the merger for any reason, including broker nonvotes. Generally, a broker who holds shares of Park Meridian common stock in "street" name on behalf of a beneficial owner lacks authority to vote such shares in the absence of specific voting instructions from the beneficial owner.

Once a quorum is established, approval of the agreement and plan of merger requires the affirmative vote of the holders of a majority of the outstanding shares of Park Meridian common stock entitled to vote at the special meeting. A failure to vote, in person or by proxy, for any reason, including failure to return a properly executed proxy, an abstention, or a broker nonvote, has the same effect as a vote against the merger.

The directors and executive officers of Park Meridian and their affiliates possessed or shared the power to vote, as of the record date, 631,991 shares, or approximately 25% of the outstanding shares, of Park Meridian common stock. The directors of Park Meridian have agreed to vote those shares of Park Meridian common stock over which they have voting control, other than as a fiduciary, in favor of the merger. The directors and executive officers of Regions and their affiliates beneficially owned, as of the record date, no shares of Park Meridian common stock. As of that date, no subsidiary of either Park Meridian or Regions held any shares of Park Meridian common stock as a fiduciary for others.

THE MERGER

The following material describes certain aspects of the merger of Park Meridian with and into Regions. This description does not purport to be complete and is qualified in its entirety by reference to the Appendices hereto, including the agreement and plan of merger, which is attached as Appendix A to

14

this proxy statement-prospectus and incorporated herein by reference. All shareholders are urged to read the Appendices in their entirety.

GENERAL

The agreement and plan of merger provides generally for the acquisition of Park Meridian by Regions pursuant to the merger of Park Meridian with and into Regions, with Regions as the surviving corporation resulting from the merger.

On the date and at the time that the merger becomes effective, each share of Park Meridian common stock (excluding shares held by Park Meridian, Regions, or their respective subsidiaries, in each case other than shares held in a fiduciary capacity or as a result of debts previously contracted, and excluding all shares held by shareholders who perfect their dissenters' rights) issued and outstanding at the time we complete the merger will be converted into .55 of a share of the \$.625 par value common stock of Regions, subject to possible upward adjustment as described below under the caption "--Possible Adjustment of Exchange Ratio." Each share of Regions common stock outstanding immediately prior to the time we complete the merger will remain outstanding and unchanged as a result of the merger.

No fractional shares of Regions common stock will be issued in connection with the merger. Instead of Regions issuing fractional shares, each Park Meridian shareholder will receive a cash payment equal to the fractional

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

part of a share which the shareholder would otherwise receive multiplied by the last sale price of Regions common stock on the Nasdaq National Market (as reported by The Wall Street Journal, or, if not reported thereby, by another authoritative source selected by Regions), on the last trading day prior to the date we complete the merger.

POSSIBLE ADJUSTMENT OF EXCHANGE RATIO

If we complete the merger, you will receive .55 of a share of Regions common stock in exchange for each of your shares of Park Meridian common stock, unless this exchange ratio is adjusted as described below.

If the average of the daily volume weighted averages of the trading prices of Regions common stock for the 10 consecutive full trading days ending at the close of trading on the second full trading day immediately prior to the special meeting (the "average price") is less than \$29.00, then the exchange ratio will be adjusted as follows:

The exchange ratio shall be equal to the quotient obtained by dividing:

the product of \$29.00 and the exchange ratio (as then in effect)

by

the "average price."

This adjustment formula reflects the parties' intention that, for the period of time between the date of the agreement and plan of merger and the date of the special meeting, Park Meridian's shareholders will not bear the risk of a decline in the market value of Regions common stock below \$29.00 per share, as measured by the "average price" over the ten-trading-day period described above. This formula is intended to result in you receiving, in exchange for each share of Park Meridian common stock you own, Regions common

15

stock having a minimum value that approximates \$15.95 as of the time of the special meeting. You should understand that this minimum amount is only an approximation, because of the likely difference between the trading price of Regions common stock on the date of the special meeting and the "average price" of Regions common stock computed as described above for use in the adjustment formula.

The operation of the formula can be illustrated by the following examples, using the last sale price of Regions common stock on October 12, 2001, the latest reasonably practicable date to obtain sale price information before we mailed this proxy statement-prospectus. If the "average price" over such ten-trading-day period were \$26.83 and the last sale price of Regions common stock on the date of the special meeting were \$26.33, then the following would result:

- The "average price" would be less than \$29.00 so the exchange ratio would be adjusted upward.
- The new exchange ratio computed pursuant to the formula would be .5945.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

- The value of the Regions common stock you would receive for each share of Park Meridian common stock would equal \$15.95 based on the "average price" of \$26.83 but would equal \$15.65 as of the date of the special meeting, based on the last sale price of \$26.33.

If the example were changed slightly to assume the same "average price" of \$26.83 but a last sale price of Regions common stock on the date of the special meeting of \$27.33 instead of \$26.33, the value of the Regions common stock you would receive for each share of Park Meridian common stock would equal \$16.25 as of the date of the special meeting.

The actual market value of a share of Regions common stock at the time we complete the merger and at the time certificates for those shares are delivered following surrender and exchange of certificates for shares of Park Meridian common stock may be more or less than the "average price" computed prior to the special meeting as described above. We urge you to obtain current market quotations for Regions common stock. See "Comparative Market Prices and Dividends."

TREATMENT OF PARK MERIDIAN OPTIONS

The agreement and plan of merger provides that all rights with respect to Park Meridian common stock pursuant to stock options or stock appreciation rights granted by Park Meridian under its stock option plans which are outstanding at the time we complete the merger, whether or not then exercisable, will be converted into and will become rights with respect to Regions common stock, and Regions will assume each of such options in accordance with the terms of the plan under which it was issued and the agreement by which it is evidenced. After the time we complete the merger, those options will become options to purchase Regions common stock, with the exercise price and number of shares of Regions common stock purchasable thereunder adjusted to reflect the exchange ratio, as it may be adjusted. Those options that were issued as incentive stock options will be adjusted in accordance with Section 424 of the Internal Revenue Code in order to avoid certain tax consequences for the option holder.

The executive officers or directors of Park Meridian held in the aggregate exercisable options to purchase 254,114 shares of Park Meridian common stock, as of the date of this proxy statement-prospectus.

BACKGROUND OF THE MERGER

For several years, the board of directors of Park Meridian has been aware of emerging trends in the banking industry - the increasing incidence of consolidation and geographic expansion, increased emphasis and reliance on automation and technology, increased specialization of products and services, and increased competition from non-bank financial institutions. The languishing stock prices of most community banks have also been of concern to the board. With these trends in mind, the board and management have periodically reviewed and discussed, on a preliminary, informal basis, strategic plans for Park Meridian.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

During the second week of March 2001, representatives of Regions contacted management of Park Meridian to schedule a meeting to discuss a possible transaction involving Regions and Park Meridian. On March 19, 2001, representatives of Regions met with Park Meridian's management in Charlotte, North Carolina. At this meeting, representatives of Regions expressed a desire to explore a possible acquisition of Park Meridian by Regions.

On May 9, 2001, Regions delivered a letter expressing its preliminary interest in acquiring Park Meridian in a stock-for-stock merger, and presented an outline of a proposed transaction. Regions and Park Meridian entered into a confidentiality agreement dated May 14, 2001, under which Regions agreed not to disclose any nonpublic information provided to it by Park Meridian and not to make a public announcement of a proposal to acquire Park Meridian or purchase any Park Meridian shares for two years unless invited to do so by Park Meridian's board.

Park Meridian's board held a special meeting on May 17, 2001 and authorized Park Meridian management to proceed with further negotiations. At that point, at the advice of counsel, Park Meridian's board authorized management to retain the services of a third-party financial advisor to advise the board as to the fairness, from a financial point of view, of the proposed transaction. On May 29, 2001, Park Meridian engaged The Orr Group to evaluate the fairness, from a financial point of view, of the proposed merger to Park Meridian's shareholders.

The parties and their respective counsel continued discussions, negotiations, and due diligence reviews. At a special meeting on June 24, 2001, Park Meridian's board met and reviewed and discussed the terms of the proposed merger with Park Meridian's management and its financial advisor and counsel. After considering the material factors described below, including the opinion of Park Meridian's financial advisor, Park Meridian's board unanimously approved the agreement and plan of merger with Regions and authorized it to be executed on behalf of Park Meridian. Park Meridian and Regions executed the agreement and plan of merger on June 26, 2001.

PARK MERIDIAN'S REASONS FOR THE MERGER

In approving the merger, the directors of Park Meridian considered a number of factors. Without assigning any relative or specific weights to the factors, the Park Meridian board of directors considered the following material factors:

- the information presented to the directors by the management of Park Meridian concerning the business, operations, earnings, asset quality, and financial condition of Park Meridian and Regions;
 - the financial terms of the merger, including the relationship of the merger price to the book value and earnings per share of Park Meridian common stock and the protection against a decline in the market value of Regions common stock;
- 17
- the nonfinancial terms of the merger, including the treatment of the merger as a tax-free exchange of Park Meridian common stock for Regions common stock for federal and state income tax purposes;
 - the likelihood of the merger being approved by applicable regulatory authorities without undue conditions or delay;

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

- the opinion rendered by Park Meridian's financial advisor to the effect that, from a financial point of view, the exchange of Park Meridian common stock for Regions common stock on the terms and conditions set forth in the agreement and plan of merger was as of such date fair to the holders of Park Meridian common stock;
- the fact that shareholders of Park Meridian will receive shares of Regions common stock, which is publicly traded on the Nasdaq National Market, while the current public market for Park Meridian common stock on the OTC bulletin board is not as liquid as is generally the case on the Nasdaq National Market;
- their belief that affiliation with a larger holding company will provide the opportunity to realize economies of scale and increase efficiencies of operations to the benefit of shareholders and customers and enhance the development of new products and services, the development and provision of which are becoming increasingly difficult to address by smaller banks;
- the potential benefits and opportunities for employees of Park Meridian, as a result of both employment in a larger enterprise and Regions' benefit plans and policies; and
- their belief that growth of Park Meridian without affiliation with a larger holding company would likely be limited because of Park Meridian's need for increasing capital resources to support that growth.

The foregoing discussion of the information and factors considered by the Park Meridian board of directors is not intended to be exhaustive but includes all material factors considered by the board of directors. In reaching its determination to approve the merger and the agreement and plan of merger, the Park Meridian board of directors did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors. After deliberating with respect to the merger, and considering, among other things, the matters discussed above, the Park Meridian board of directors determined that the merger is in the best interests of Park Meridian and its shareholders and unanimously approved the agreement and plan of merger and the merger. Each member of the board of directors of Park Meridian has agreed to vote those shares of Park Meridian common stock over which such member has voting authority, other than as a fiduciary, in favor of the merger and the agreement and plan of merger.

The terms of the merger were the result of arms-length negotiations between representatives of Park Meridian and representatives of Regions. Based upon the consideration of the foregoing factors, the board of directors of Park Meridian unanimously approved the merger as being in the best interests of Park Meridian and its shareholders.

18

PARK MERIDIAN'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT PARK MERIDIAN SHAREHOLDERS VOTE IN FAVOR OF THE MERGER BY VOTING "FOR" APPROVAL OF THE AGREEMENT AND PLAN OF MERGER UNDER ITEM NUMBER 1 ON THE PROXY CARD.

REGIONS' REASONS FOR THE MERGER

In approving the agreement and plan of merger and the merger, the Regions board of directors considered a number of factors concerning the benefits of the merger, including the following:

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

- Information Concerning Park Meridian: The Regions board of directors considered information concerning the business, operations, earnings, asset quality, and financial condition of Park Meridian, and aspects of the Park Meridian franchise, including the market position of Park Meridian in the market in which it operates and the compatibility of the community bank orientation of the operations of Park Meridian to that of Regions. The Regions board of directors concluded that Park Meridian is a sound, well managed financial institution which is well positioned in its market area and which presents an attractive opportunity for Regions to expand its franchise into North Carolina as an adjunct to its franchise in neighboring states.
- Financial Terms of the Merger: The Regions board of directors considered various financial aspects of the merger as reported by Regions' management including (1) the anticipated effect of the merger on Regions' per share earnings (with the merger anticipated to have no significant effect on Regions' earnings per share), (2) the anticipated effect of the merger on Regions' book value per share (with the merger anticipated not to dilute significantly Regions' book value per share), (3) a comparison of Park Meridian to selected peer banks and a comparison of pricing aspects of the merger to pricing characteristics of other merger transactions involving financial institutions, and (4) the anticipated accounting treatment of the merger as a purchase.
- Nonfinancial Terms of the Merger. The Regions board of directors considered various nonfinancial aspects of the merger, including the treatment of the merger as a tax-free exchange of Park Meridian common stock for Regions common stock for federal income tax purposes and the likelihood of the merger being approved by applicable regulatory authorities without undue conditions or delay.

The foregoing discussion of the information and factors considered by the Regions board of directors is not intended to be exhaustive but includes all material factors considered by the Regions board of directors. In reaching its determination to approve the merger and the agreement and plan of merger, the Regions board of directors did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors. After deliberating with respect to the merger, and considering, among other things, the matters discussed above, the Regions board of directors determined that the merger is in the best interests of Regions and its stockholders and unanimously approved the agreement and plan of merger and the merger.

OPINION OF PARK MERIDIAN'S FINANCIAL ADVISOR

Park Meridian retained The Orr Group on May 29, 2001, to evaluate, and report to the board of directors of Park Meridian with respect to, the fairness, from a financial point of view, to the shareholders of Park Meridian of the terms of the proposed Park Meridian merger with Regions. On June 24, 2001, The Orr Group presented its written opinion to the board of Park Meridian.

The full text of The Orr Group's opinion, which has been updated through October 10, 2001, is attached as Appendix B hereto. This opinion includes important information regarding the procedures followed, assumptions made, matters considered and qualification and limitation on the review undertaken by The Orr Group in connection with its opinion. Park Meridian's shareholders are urged to read the opinion in its entirety.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

The Orr Group's opinion to Park Meridian's board of directors on the Park Meridian merger is directed only to the Park Meridian exchange ratio. The Orr Group's opinion does not constitute a recommendation to any shareholder of Park Meridian as to how such shareholder should vote at the Park Meridian special meeting.

Park Meridian selected The Orr Group as its investment banker on the basis of its expertise in merger and acquisition advisory services. The Orr Group is an investment banking firm whose principals have over 75 years of combined banking experience and have been involved with over 40 bank related mergers and acquisitions.

Park Meridian imposed no limitations on The Orr Group with respect to rendering its opinion.

In arriving at its opinion, The Orr Group reviewed, among other things: (1) the agreement and plan of merger; (2) certain publicly available information concerning Park Meridian and Regions, including Annual Reports on Form 10-KSB of Park Meridian and Annual Reports on Form 10-K of Regions for each of the years in the three year period ended December 31, 2000, and the Quarterly Report on Form 10-QSB for Park Meridian and the Quarterly Report on Form 10-Q for Regions for the quarter ended June 30, 2001; (3) certain available financial forecasts concerning the business and operations of Park Meridian and Regions, respectively; and (4) certain publicly available information with respect to other companies that The Orr Group believes to be comparable in certain respects to Park Meridian and Regions and the trading markets for such other companies' securities.

In The Orr Group's review and analysis, The Orr Group assumed and relied upon the accuracy and completeness of all of the financial and other information that was provided to The Orr Group or publicly available, and has not attempted independently to verify nor assumed responsibility for verifying any such information. With respect to the financial projections, The Orr Group assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of Park Meridian or Regions, as the case may be, and The Orr Group expresses no opinion with respect to such forecasts or the assumptions on which they are based. The Orr Group has not made or obtained or assumed any responsibility for making or obtaining any independent evaluations or appraisals of any of the assets (including properties and facilities) or liabilities of Park Meridian or Regions.

The following summary does not purport to be a complete description of the analyses performed or the matters considered by The Orr Group in arriving at its opinion.

In addressing the fairness, from a financial point of view, of the consideration to be issued by Regions to the shareholders of Park Meridian, The Orr Group addressed certain issues relating to the financial fairness of the proposed merger, including: (1) how the merger compares to similar bank transactions; (2) the financial impact of the merger to the current shareholders of Park Meridian; and (3) whether Regions' operations and currency are of similar value to other acquirors in similar transactions. To address the impact of the proposed merger transaction, The Orr Group reviewed analyses of recently announced bank acquisitions, Park Meridian's contribution to the new combined entity, The Orr Group's analysis of

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

stockholders' claims on the new entity, a present value analysis of Park Meridian's common stock on a stand-alone basis, and Regions' operations and stock compared to its peers. In summary, The Orr Group reached the conclusions that the proposed merger transaction is comparable to similar bank transactions, the financial impact to the current shareholders of Park Meridian is positive and fair, and Regions' operations and stock are well within the range of comparable acquirors in the industry.

The Orr Group employed a variety of methodologies in its analyses, including analyses of the financial impact of the transaction based on a pro forma contribution analysis, a shareholder's claims analysis, and a discounted dividend analysis. The pro forma contribution analysis looked at the financial impact of the Park Meridian merger on certain balance sheet and income statement items. Such analysis included calculations, among others, that showed the percentage contributions of Park Meridian and Regions to the total equity capital of the combined entities would be .6% and 99.4%, respectively; and the percent of contribution to market capitalization at October 10, 2001 would be .7% by Park Meridian and 99.3% by Regions.

Shareholder's Claims Analysis. In its shareholder's claims analysis, The Orr Group calculated an earnings per share claims analysis and concluded that the merger would result in an increase of 22.8% in the expected 2001 earnings per share of \$1.00 for Park Meridian. The Orr Group also performed a dividend claims analysis as part of its shareholder's claims analysis and concluded that, based on Regions' second quarter dividend of \$.28 per share of Regions' common stock, the new equivalent dividend per share for Park Meridian would increase from 0 to \$.17.

Discounted Dividend Analysis. The Orr Group's discounted dividend analysis compared the value of Park Meridian's current share value to the value it will receive in the exchange for share of Regions common stock. Park Meridian provided The Orr Group estimated earnings data for 2001 and 2002 and the basis for these estimates. The Orr Group discounted the dividends at rates of 13%, 15%, and 17% and assumed a take-out value at the end of year five based on price-to-earnings multiples of 13, 15, and 17. The discounted values ranged from a low of \$11.50 per share to a high of \$17.50 per share. The analysis revealed that the offer from Regions, \$15.95 per share (based on the contractual floor provision) is within the upper half of this range.

Comparable Bank Transactions Analysis. The Orr Group reviewed 25 comparable bank transactions announced since June 30, 2000 involving sellers with assets between \$200-\$750 million. The Orr Group noted the prices paid in these mergers as a multiple of book values and earnings, as well as reviewing other data, including the amount of total assets, the return on average assets and the return on average earnings of the acquired institutions. The Orr Group then compared this data to corresponding information regarding Park Meridian and the value to be received by Park Meridian shareholders in the proposed merger.

The comparable bank transactions showed a range of transaction values as multiples of book value per share of a low of 1.1 times to a high of 3.7 times and an average of 2.0 times. The range of transaction values as multiples of earnings per share revealed a low of 10.8 times, a high of 45.3 times and an average of 17.5 times. The Park Meridian acquisition multiple of book value was 1.8 times and the multiple of earnings per share was 16.1 times.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

As The Orr Group noted, no company or transaction used in the above analyses as a comparison is identical to Park Meridian, Regions or the proposed merger. Accordingly, an analysis of the results of the

21

foregoing comparisons necessarily involves complex considerations and judgments concerning differences in the financial growth and operating characteristics of Park Meridian, Regions, and the companies to which they are being compared, as well as other factors that could affect the public trading value of the companies. Mathematical analysis in and of itself does not necessarily provide meaningful intercompany comparisons.

The Orr Group will be paid a fee in connection with the proposed merger. The payment of that fee is contingent upon completion of the merger. In addition, Park Meridian has agreed to reimburse legal and other reasonable expenses and to indemnify The Orr Group and its affiliates, directors, agents, employees and controlling persons in connection with certain matters related to rendering its opinion, including liabilities under securities laws.

THE WRITTEN FAIRNESS OPINION OF THE ORR GROUP TO PARK MERIDIAN IS ATTACHED AS APPENDIX B TO THIS PROXY STATEMENT-PROSPECTUS AND IS INCORPORATED HEREIN BY REFERENCE. THIS DESCRIPTION OF THE FAIRNESS OPINION IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO APPENDIX B. PARK MERIDIAN SHAREHOLDERS ARE URGED TO READ THE OPINION IN ITS ENTIRETY FOR A DESCRIPTION OF THE PROCEDURES FOLLOWED, ASSUMPTIONS MADE, MATTERS CONSIDERED, AND QUALIFICATIONS AND LIMITATIONS ON THE REVIEW UNDERTAKEN BY THE ORR GROUP IN CONNECTION WITH RENDERING ITS OPINION.

22

EFFECTIVE TIME OF THE MERGER

After all conditions to the merger are satisfied or waived, Regions will file a certificate of merger with the Secretary of State of Delaware and articles of merger with the Secretary of State of North Carolina. The merger will be effective on the date and at the time specified in such filings, or, if later, the date and time when both the Delaware certificate of merger has been declared effective by the Delaware Secretary of State and the North Carolina articles of merger have been accepted for filing by the North Carolina Secretary of State. Unless otherwise agreed upon by Regions and Park Meridian, and subject to the satisfaction or waiver of the conditions to the obligations of the parties to complete the merger, the parties will use their reasonable efforts to complete the merger not later than the last business day of the month during which the last of the following events occur: (1) the effective date (including the expiration of any applicable waiting period) of the last federal or state regulatory approval required for the merger and (2) the date on which the agreement and plan of merger is approved by the requisite vote of Park Meridian shareholders.

No assurance can be provided that the necessary shareholder and regulatory approvals can be obtained or that other conditions precedent to the merger can or will be satisfied. Regions and Park Meridian anticipate that all conditions to completion of the merger will be satisfied so that the merger can be completed during the fourth quarter of 2001. However, delays in the completion of the merger could occur.

The board of directors of either Regions or Park Meridian generally may

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

terminate the agreement and plan of merger if the merger is not completed by December 31, 2001, unless the failure to complete by that date is the result of a breach of the agreement and plan of merger by the party seeking termination. See "-Conditions to Completion of the Merger" and "-Waiver, Amendment, and Termination of the Agreement."

DISTRIBUTION OF REGIONS STOCK CERTIFICATES AND PAYMENT FOR FRACTIONAL SHARES

Promptly after we complete the merger, Regions will cause an exchange agent selected by Regions to mail to the former shareholders of Park Meridian a form letter of transmittal, together with instructions for the exchange of such shareholders' certificates representing shares of Park Meridian common stock for certificates representing shares of Regions common stock.

PARK MERIDIAN SHAREHOLDERS SHOULD NOT SEND IN THEIR CERTIFICATES UNTIL THEY RECEIVE THE FORM LETTER OF TRANSMITTAL AND INSTRUCTIONS. Upon surrender to the exchange agent of certificates for Park Meridian common stock, together with a properly completed letter of transmittal, there will be issued and mailed to each holder of Park Meridian common stock surrendering such items a certificate or certificates representing the number of shares of Regions common stock to which such holder is entitled, if any, and a check for the amount to be paid instead of any fractional share interest, without interest. After we complete the merger, to the extent permitted by law, Park Meridian shareholders of record as of the time we complete the merger will be entitled to vote at any meeting of holders of Regions common stock the number of whole shares of Regions common stock into which their Park Meridian common stock has been converted, regardless of whether such shareholders have surrendered their Park Meridian common stock certificates. No dividend or other distribution payable after the time we complete the merger with respect to Regions common stock, however, will be paid to the holder of any unsurrendered Park Meridian certificate until the holder duly surrenders such certificate. Upon such surrender, all undelivered dividends

23

and other distributions and, if applicable, a check for the amount to be paid instead of any fractional share interest will be delivered to such shareholder, in each case without interest.

After the time we complete the merger, a Park Meridian shareholder will be unable to transfer shares of Park Meridian common stock. If a certificate representing shares of Park Meridian common stock is presented for transfer after the completion of the merger, it will be canceled and exchanged for shares of Regions common stock and a check for the amount due, if any, instead of a fractional share.

CONDITIONS TO COMPLETION OF THE MERGER

Completion of the merger is subject to a number of conditions, including, but not limited to:

- approval from the Board of Governors of the Federal Reserve System and the expiration of all applicable waiting periods associated with such approval, without any conditions or restrictions (excluding requirements relating to the raising of additional capital or the disposition of assets or deposits) that would, in the reasonable good faith judgment of Regions' board of directors, so materially adversely impact the economic or business benefits of the transactions contemplated by the agreement and plan of merger as to render inadvisable the completion of the merger;

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

- the approval by the holders of the requisite number of shares of Park Meridian common stock;
- the absence of any action by any court, or governmental authority, or regulatory authority with appropriate jurisdiction restricting, prohibiting, or making illegal the completion of the merger and the other transactions contemplated by the agreement and plan of merger; and
- the receipt of a satisfactory opinion of counsel that the merger qualifies for federal income tax treatment as a reorganization under Section 368(a) of the Code, with the effects described under "--Federal Income Tax Consequences of the Merger," including, among others, that the exchange of Park Meridian common stock for Regions common stock will not give rise to recognition of gain or loss to Park Meridian shareholders, except to the extent of any cash received instead of fractional shares.

Completion of the merger also is subject to the satisfaction or waiver of various other conditions specified in the agreement and plan of merger which are customary in transactions of this nature. Such conditions include the delivery by Regions and Park Meridian of certificates executed by their respective duly authorized officers as to the satisfaction of certain conditions and obligations set forth in the agreement and plan of merger. Also, the accuracy of certain representations and warranties and the compliance in all material respects with the agreements and covenants of each party are conditions to completion of the merger.

REGULATORY APPROVALS

The merger may not proceed in the absence of the requisite regulatory approvals.

Applications for the approvals described below have been submitted to the appropriate regulatory agencies.

24

Regions and Park Meridian are not aware of any material governmental approvals or actions that are required for completion of the merger, except as described below. Should any other approval or action be required, it presently is contemplated that such approval or action would be sought.

The merger requires the prior approval of the Federal Reserve Board, pursuant to Section 3 of the Bank Holding Company Act of 1956. In granting its approval under Section 3 of the Bank Holding Company Act, the Federal Reserve Board was required to take into consideration, among other factors, the financial and managerial resources and future prospects of the institutions and the convenience and needs of the communities to be served. The relevant statutes prohibit the Federal Reserve Board from approving a merger (1) if it would result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any part of the United States or (2) if its effect in any section of the country may be to substantially lessen competition or to tend to create a monopoly, or if it would be a restraint of trade in any other manner, unless the Federal Reserve Board finds that any anticompetitive effects are outweighed clearly by the public

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

interest and the probable effect of the transaction in meeting the convenience and needs of the communities to be served. Under the Bank Holding Company Act, the merger may not be completed until the 30th day following the date of Federal Reserve Board approval, which may be shortened by the Federal Reserve Board to the 15th day, during which time the United States Department of Justice may challenge the transaction on antitrust grounds. The commencement of any antitrust action would stay the effectiveness of the Federal Reserve Board's approval, unless a court specifically orders otherwise.

The merger also is subject to review and approval of the North Carolina Commissioner of Banks.

The Federal Reserve Board and the North Carolina Commissioner of Banks each has issued its approval of the merger.

WAIVER, AMENDMENT, AND TERMINATION OF THE AGREEMENT AND PLAN OF MERGER

Prior to the time we complete the merger, and to the extent permitted by law, any provision of the agreement and plan of merger generally may be (1) waived by the party benefited by the provision or (2) amended by a written agreement between Regions and Park Meridian approved by their respective boards of directors; provided, however, that after approval by the Park Meridian shareholders, no amendment that pursuant to the North Carolina Business Corporation Act requires further approval of the Park Meridian shareholders, including modifying the terms and conditions of the merger or the identity of the surviving corporation, may be made without the further approval of such shareholders.

The agreement and plan of merger may be terminated, and the merger abandoned, at any time prior to the time we complete the merger, either before or after approval by Park Meridian shareholders, under certain circumstances, including:

- by mutual consent of the boards of directors of Regions and Park Meridian;
- by the board of directors of either party upon final denial of any required consent of any regulatory authority, if such denial is nonappealable or was not appealed within the time limit for appeal;
- by the board of directors of either party, if the holders of the requisite number of shares of Park Meridian common stock do not approve the agreement and plan of merger at the Park Meridian special meeting;
- by the board of directors of either party (provided the terminating party is not in material breach of any representation, warranty, covenant, or agreement included in the agreement and plan of merger),

25

in the event of any inaccuracy in any representation or warranty by the other party which meets certain standards specified in the agreement and cannot be or has not been cured within 30 days after the giving of written notice to the breaching party;

- by the board of directors of either party (provided the terminating

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

party is not in material breach of any representation, or warranty included in the agreement and plan of merger), in the event of a material breach by the other party of any covenant or agreement included in the agreement that cannot be cured within 30 days after giving notice to the breaching party; and

- by the board of directors of either party if the merger shall not have been completed by December 31, 2001, but only if the failure to complete the merger by such date has not been caused by the terminating party's breach of the agreement and plan of merger.

If the agreement and plan of merger is terminated, the parties will have no further obligations, except with respect to certain provisions, including those providing for payment of expenses and restricting disclosure of confidential information. Further, termination generally will not relieve the parties from the consequences of any uncured willful breach of the agreement and plan of merger giving rise to such termination.

CONDUCT OF BUSINESS PENDING THE MERGER

Each of Park Meridian and Regions generally has agreed to operate its business only in the usual, regular, and ordinary course, and to use its reasonable best efforts to preserve intact its business organizations and assets and maintain its rights and franchises. Each has also agreed to take no action, unless required to do so by law, which would materially adversely affect the ability of either party to obtain any consents required for the merger or to perform its covenants and agreements under the agreement and plan of merger and to complete the merger. However, Regions and its subsidiaries are not prevented from discontinuing or disposing of any of its assets or business. Nor is Regions prevented from acquiring or agreeing to acquire any other entity or any assets thereof, if such action is, in the judgment of Regions, desirable in the conduct of the business of Regions and its subsidiaries. In addition, the agreement and plan of merger includes certain other restrictions applicable to the conduct of the business of Park Meridian prior to completion of the merger, as described below.

Park Meridian. Park Meridian has agreed not to take certain actions relating to the operation of its business pending completion of the merger without the prior written consent of Regions, which Regions has agreed it will not unreasonably withhold. The actions Park Meridian has agreed not to take are subject in some cases to exceptions for actions in the ordinary course of business consistent with Park Meridian's past practice or subject to exceptions expressly recognized in the agreement and plan of merger. The specific agreements not to take certain actions, including the exceptions and contractually permitted actions, are set forth in the agreement and plan of merger, which is attached as Appendix A. See Article 7 of the agreement and plan of merger. The actions Park Meridian has agreed not to take are in the general categories of:

- amending its articles of incorporation, bylaws, or other governing instruments or the governing instruments of its subsidiaries;
- incurring indebtedness in excess of \$500,000 or incurring material liens;

- acquiring any of its outstanding shares of stock or the shares of stock of its subsidiaries or making distributions with respect to its outstanding shares;

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

- issuing additional securities;
- reclassifying capital stock or selling or encumbering assets;
- increasing employees' salaries and benefits or accelerating the vesting of any stock-based compensation or employee benefits;
- entering into or amending employment contracts;
- adopting employee benefit plans or amending existing plans;
- changing accounting methods or practices;
- commencing or settling litigation; or
- entering into or terminating material contracts.

In addition, Park Meridian has agreed not to solicit, directly or indirectly, encourage, or knowingly facilitate any acquisition proposal from any other person. Park Meridian also has agreed not to negotiate with any other person with respect to any such proposal, provide nonpublic information to any party making such a proposal, unless its board of directors concludes in good faith and consistent with its fiduciary duties that such proposal could reasonably be expected to result in an acquisition proposal that is superior to the proposed merger with Regions. In such a case, Park Meridian's board must notify Regions, prior to providing information to, or entering into negotiations with, such other person, of the name of the person making the proposal and the material terms of the proposal. In addition, Park Meridian has agreed to use reasonable efforts to cause its officers, directors, affiliates, advisors, and other representatives not to engage in any of the foregoing activities.

MANAGEMENT FOLLOWING THE MERGER

Upon completion of the merger, the present officers and directors of Regions will retain their respective positions with Regions. Information pertaining to the directors and executive officers of Regions, executive compensation, certain relationships and related transactions, and other related matters is included in Regions' Annual Report on Form 10-K for the year ended December 31, 2000, incorporated herein by reference. See "Where You Can Find More Information" on page 59.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

The agreement and plan of merger generally provides that Regions will indemnify and hold harmless each person entitled to indemnification from Park Meridian or any of its subsidiaries to the full extent permitted by law, for a period of six years from the time we complete the merger with respect to matters occurring at or prior to the time we complete the merger.

The agreement and plan of merger also provides that, after the time we complete the merger, Regions will provide generally to officers and employees of Park Meridian and its subsidiaries who, at or after the effective time, become officers or employees of Regions or its subsidiaries, employee benefits under employee benefit plans (other than stock option or other plans involving the potential issuance of Regions common stock) on terms and conditions that, taken as a whole, are substantially similar to those currently provided by Regions and

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

its subsidiaries to their similarly situated officers and employees. For purposes of participation and vesting (but not benefit accrual) under such employee benefit plans, service with Park Meridian or its subsidiaries prior to the time we complete the merger will be treated as service with Regions or its subsidiaries. The agreement and plan of merger further provides that Regions will cause Park Meridian to honor all employment, severance, consulting, and other compensation contracts previously disclosed to Regions between Park Meridian or its subsidiaries and any current or former director, officer, or employee, and all provisions for vested amounts earned or accrued through the time we complete the merger under Park Meridian's benefit plans.

Kevin T. Kennelly, President of Park Meridian and Park Meridian Bank, and Regions have agreed that, contingent upon completion of the merger, Mr. Kennelly's existing employment agreement with Park Meridian Bank will be amended to provide that he will continue employment with Regions after the merger. Pursuant to the amendment, for a period of at least five years after the merger Mr. Kennelly will be entitled to an annual base salary and bonus of at least \$200,000.

Bryan F. Kennedy III, Executive Vice President of Park Meridian Bank, and Regions have agreed that, contingent upon completion of the merger, Mr. Kennedy's existing employment agreement with Park Meridian Bank will be amended to provide that he will continue employment with Regions after the merger. Pursuant to the amendment, for a period of at least three years after the merger Mr. Kennedy will be entitled to an annual base salary and bonus of at least \$175,000.

The amended employment agreements will also provide that both Mr. Kennelly and Mr. Kennedy will be entitled to participate in all of Regions' executive incentive compensation programs and all savings and retirement plans, policies, and programs applicable generally to other employees of Regions holding comparable positions. In addition, upon completion of the merger Mr. Kennelly will be granted 15,000 stock options and Mr. Kennedy will be granted 10,000 stock options under Regions' long term incentive plan. The options will vest ratably over the first, second, and third year following the merger. In both cases the options will have an exercise price equal to the fair market value of Regions common stock on the date of the grant. Park Meridian's board reviewed the terms of these amended employment agreements at its June 24 meeting to consider the merger with Regions and approved each of the agreements subject to the completion of the merger.

As described above under " -Treatment of Park Meridian Options," the agreement and plan of merger also provides that all rights with respect to Park Meridian common stock pursuant to stock options or stock appreciation rights granted by Park Meridian under its stock option and other stock-based compensation plans which are outstanding at the time we complete the merger, whether or not then exercisable, will immediately vest, will be converted into and will become rights with respect to Regions common stock, and Regions will assume each of such options in accordance with its terms.

As of the record date, directors and executive officers of Park Meridian owned no shares of Regions common stock.

DISSENTING SHAREHOLDERS

Article 13 of the North Carolina Business Corporation Act (a copy of which is attached as Appendix C to this proxy statement-prospectus) governs the rights of Park Meridian shareholders who may desire to dissent from the merger

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

and obtain a cash payment for the fair value of their Park Meridian common stock.

If the merger is completed, any holder of record of Park Meridian common stock who

- gives to Park Meridian written notice of such holder's intent to demand payment for such holder's shares, which notice must be given by the shareholder and actually received by Park Meridian prior to the vote at the special meeting on the agreement and plan of merger, and
- does not vote in favor of the agreement and plan of merger, and
- complies in all respects with the statutory requirements summarized below

shall be entitled to receive, in cash, the fair value of such holder's shares plus interest accrued from the effective date of the merger to the date of payment. The "fair value" of such shares as finally determined under such statutory requirements may be more or less than the value of the Regions common stock that will be paid in respect of Park Meridian shares held by non-dissenting shareholders in the Merger. Failure to follow the prescribed statutory requirements precisely may result in loss of the right to dissent and receive payment.

For purposes of the governing statute and this discussion of the North Carolina dissent procedure, the term "Corporation" refers to Park Meridian prior to the effective date of the merger or Regions as the surviving corporation after the effective date of the merger, as the case may be.

A shareholder of record may assert dissenters' rights as to fewer than all the shares registered in such holder's name only if such holder dissents with respect to all shares beneficially owned by any one person and such holder notifies the Corporation in writing of the name and address of each person on whose behalf such holder asserts dissenters' rights. The rights of a partial dissenter are determined as if the shares as to which such holder dissents and such holder's other shares were registered in the names of different shareholders. A beneficial owner may assert dissenters' rights as to shares held on his behalf only if he: (1) submits to the Corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights and (2) asserts dissenters' rights with respect to all shares of which he is the beneficial owner.

The written notice requirement referred to above will not be satisfied under the North Carolina statutory provisions by merely voting against approval of the agreement and plan of merger by proxy or in person at the special meeting. In addition to not voting in favor of the agreement and plan of merger, a shareholder wishing to preserve the right to dissent and seek appraisal must give, and the Corporation must receive before the vote on the merger is taken, a separate written notice of such holder's intent to demand payment for such holder's shares if the merger is completed, as provided by statute and described in this summary of the statute.

Any written notice of intent to demand payment satisfying the requirements discussed above should be addressed as follows: Park Meridian Financial Corporation, Post Office Box 11816, Charlotte, North Carolina 28220, Attention: Kevin T. Kennelly.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

If the merger is approved at the special meeting, the Corporation must deliver a written notice of such approval, referred to as the dissenters' notice, to all holders of Park Meridian common stock who satisfied the foregoing requirements within 10 days of such approval.

Any shareholder who receives such dissenters' notice and elects to dissent must file with the Corporation, within a time period to be selected by the Corporation but not fewer than 30 days or more than 60 days after the date the dissenters' notice is mailed, a notice of such election. The dissenting shareholder should give notice of election to dissent by completing the form for demanding payment that will be included with the dissenter's notice. Any shareholder failing to file such election to dissent within the period set forth shall be bound by the terms of the merger. Any shareholder filing an election to dissent must deposit such holder's certificates for certificated shares with the Corporation simultaneously with the filing of the election to dissent.

At the completion of the merger or within 30 days after the Corporation's receipt of a payment demand, the Corporation shall pay each dissenting shareholder who has made demand, as described in the preceding paragraph, an amount the Corporation estimates to be the fair market value for such shares, plus interest accrued to the date of payment. The Corporation may not wait for a final agreement on value before making payment, and the shareholder has the immediate use of the amount determined by the Corporation to represent fair value without waiting for the conclusion of appraisal proceedings. The payment shall be accompanied by specified financial information. If the dissenting shareholder decides to accept the payment in full satisfaction, the holder shall cease to have any interest in such shares.

Under certain circumstances a dissenting shareholder may notify the Corporation in writing of the holder's own estimate of the fair value of the holder's shares and amount of interest due, and demand payment of the amount in excess of the payment made by the Corporation. A dissenting shareholder may take this action if:

- the holder believes that the amount paid by the Corporation is less than the fair value of the holder's shares or that the interest due is incorrectly calculated;
- or
- the Corporation fails to make timely payment of its calculation of the fair value of the holder's shares; or
- or
- the Corporation, having failed to effectuate the proposed merger, does not return the deposited certificates within 60 days after the date set for demanding payment.

A dissenting shareholder waives this right to demand payment unless the holder notifies the Corporation of his demand in writing either within 30 days after the Corporation made payment for the holder's shares or within 30 days after the Corporation has failed to perform timely. The failure to notify

the Corporation of the holder's demand within such 30-day period shall be deemed as a withdrawal of the holder's dissent and demand for payment.

If a demand for payment made pursuant to the previous paragraph remains

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

unsettled, the dissenting shareholder may commence a proceeding within 60 days after the earlier of the date the Corporation made payment of its determination of the shares' fair value and accrued interest or the date of the dissenting shareholder's payment demand for the holder's determination of the shares' fair value and accrued interest. The dissenting shareholder should file a complaint with the Superior Court Division of the General Court of Justice to determine the fair value of the shares and accrued interest. The failure to take action within such 60-day period shall be deemed as a withdrawal of the holder's dissent and demand for payment.

The court shall have the discretion to make all dissenting shareholders (whether or not residents of North Carolina) whose demands remain unsettled parties to the proceeding as in an action against their shares. All parties must be served with a copy of the complaint in a specified manner.

The jurisdiction of the court is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers shall have such power and authority as is specified in the order of their appointment or an amendment thereof. The parties are entitled to the same discovery rights as parties in other civil proceedings. The proceeding shall be tried as in other civil actions. However, because Park Meridian is a public corporation, there is no right to a trial by jury.

Each dissenting shareholder made party to the proceeding is entitled to judgment for the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the Corporation. Upon payment of the judgment, the dissenting shareholder shall cease to have any interest in such shares.

The court in an appraisal proceeding shall determine all costs of the proceeding, including reasonable compensation and expenses of appraisers appointed by the court, and shall assess the costs as it finds equitable. The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable. If the court finds the Corporation did not substantially comply with the requirements of notifying shareholders that the proposed merger would create dissenters' rights, the fees and expenses of counsel and experts may be assessed against the Corporation and in favor of any or all dissenting shareholders. If the court finds that a party acted arbitrarily, vexatiously or not in good faith, the fees and expenses of counsel and experts may be assessed against that party. If the court finds that the services of counsel for any dissenting shareholder were of substantial benefit to other dissenting shareholders similarly situated, and that the fees for those services should not be assessed against the Corporation, the court may award to these counsel reasonable fees to be paid out of the amounts awarded the dissenting shareholders who were benefited.

The foregoing is a summary of the material rights of a dissenting shareholder of Park Meridian, but is qualified in its entirety by reference to the pertinent provisions of the North Carolina Business Corporation Act, included as Appendix C to this proxy statement--prospectus. Any Park Meridian shareholder who intends to dissent from approval of the agreement and plan of merger should carefully review the text of such provisions and should also consult with such holder's attorney. No further notice of the events giving rise to dissenters' rights or any steps associated therewith will be furnished to Park Meridian shareholders, except as indicated above or otherwise required by law.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

Any dissenting Park Meridian shareholder who perfects such holder's right to be paid the value of such holder's shares will recognize taxable gain or loss upon receipt of cash for such shares for federal income tax purposes. See "--Federal Income Tax Consequences of the Merger."

FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

THE FOLLOWING IS A DISCUSSION OF THE MATERIAL FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO HOLDERS OF PARK MERIDIAN COMMON STOCK. THIS DISCUSSION MAY NOT APPLY TO SHAREHOLDERS WHO HAVE SPECIAL SITUATIONS, SUCH AS PARK MERIDIAN SHAREHOLDERS, IF ANY, WHO HOLD PARK MERIDIAN COMMON STOCK OTHER THAN AS A CAPITAL ASSET, WHO RECEIVED PARK MERIDIAN COMMON STOCK UPON THE EXERCISE OF EMPLOYEE STOCK OPTIONS OR OTHERWISE AS COMPENSATION, WHO HOLD PARK MERIDIAN COMMON STOCK AS PART OF A "STRADDLE" OR "CONVERSION TRANSACTION," OR WHO ARE INSURANCE COMPANIES, SECURITIES DEALERS, FINANCIAL INSTITUTIONS OR FOREIGN PERSONS. THIS DISCUSSION DOES NOT ADDRESS ANY ASPECTS OF STATE, LOCAL, OR FOREIGN TAXATION. THIS DISCUSSION IS BASED UPON LAWS, REGULATIONS, RULINGS AND DECISIONS NOW IN EFFECT AND ON PROPOSED REGULATIONS, ALL OF WHICH ARE SUBJECT TO CHANGE (POSSIBLY WITH RETROACTIVE EFFECT) BY LEGISLATION, ADMINISTRATIVE ACTION, OR JUDICIAL DECISION. NO RULING HAS BEEN OR WILL BE REQUESTED FROM THE INTERNAL REVENUE SERVICE ON ANY MATTER RELATING TO THE TAX CONSEQUENCES OF THE MERGER.

Completion of the merger is conditioned upon receipt by Regions and Park Meridian of an opinion from Alston & Bird LLP, special counsel to Regions, concerning the material federal income tax consequences of the merger. Based upon the assumption that the merger is completed in accordance with the agreement and plan of merger and upon factual statements and factual representations made by Regions and Park Meridian, it is such firm's opinion that:

1. The merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986 (the "Code").

2. No gain or loss will be recognized by holders of Park Meridian common stock who exchange all of their Park Meridian common stock solely for Regions common stock pursuant to the merger (except with respect to any cash received in lieu of fractional share interests in Regions common stock).

3. The tax basis of the Regions common stock received (including fractional shares deemed received and redeemed) by holders of Park Meridian common stock who exchange all of their Park Meridian common stock solely for Regions common stock in the merger will be the same as the tax basis of the Park Meridian common stock surrendered in exchange for the Regions common stock (reduced by an amount allocable to a fractional share interest in Regions common stock deemed received and redeemed).

4. The holding period of the Regions common stock received (including fractional shares deemed received and redeemed) by holders of Park Meridian common stock who exchange all of their Park Meridian common stock solely for Regions common stock in the merger will be the same as the holding period of the Park Meridian common stock surrendered in exchange therefor, provided that such Park Meridian common stock is held as a capital asset at the effective time of the merger.

5. The payment of cash to holders of Park Meridian common stock in lieu of fractional share interests of Regions common stock will be treated for federal income tax purposes as if the fractional shares were distributed as part of the exchange and then were redeemed by Regions. These cash payments will be

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

treated as having been received as distributions in full payment in exchange for the Regions common stock redeemed, as provided in Section 302(a) of the Code.

6. Where solely cash is received by a holder of Park Meridian common stock in exchange for Park Meridian common stock pursuant to the exercise of dissenters' rights, such cash will be treated as having been received in redemption of such holder's Park Meridian common stock, subject to the provisions and limitations of Section 302 of the Code.

THE TAX OPINION DOES NOT ADDRESS ANY STATE, LOCAL, FOREIGN, OR OTHER TAX CONSEQUENCES OF THE MERGER. PARK MERIDIAN SHAREHOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS WITH RESPECT TO THE TAX CONSEQUENCES OF THE PROPOSED TRANSACTION TO THEM INDIVIDUALLY, INCLUDING TAX REPORTING REQUIREMENTS AND TAX CONSEQUENCES UNDER STATE, LOCAL, AND FOREIGN LAW.

ACCOUNTING TREATMENT

It is anticipated that the merger will be accounted for as a "purchase," as that term is used pursuant to accounting principles generally accepted in the United States, for accounting and financial reporting purposes. Under the purchase method of accounting, the assets and liabilities of Park Meridian as of the time we complete the merger will be recorded at their estimated respective fair values and added to those of Regions. Financial statements of Regions issued after the effective time will reflect such values and will not be restated retroactively to reflect the historical financial position or results of operations of Park Meridian.

EXPENSES AND FEES

The agreement and plan of merger provides, in general, that each of the parties will bear and pay its own expenses in connection with the transactions contemplated by the agreement, including fees and expenses of its own financial or other consultants, investment bankers, accountants, and counsel, except that Regions will bear and pay all of the filing fees and one-half of the printing costs in connection with this proxy statement-prospectus.

RESALES OF REGIONS COMMON STOCK

The Regions common stock to be issued to Park Meridian shareholders in the merger has been registered under the Securities Act of 1933, but that registration does not cover resales of those shares by persons who control, are controlled by, or are under common control with, Park Meridian (such persons are referred to hereinafter as "affiliates" and generally include executive officers, directors, and 10% shareholders) at the time of the special meeting. Affiliates may not sell shares of Regions common stock acquired in connection with the merger, except pursuant to an effective registration statement under the Securities Act or in compliance with Rule 145 promulgated under the Securities Act or in accordance with a legal opinion satisfactory to Regions that such sale or transfer is otherwise exempt from the Securities Act registration requirements.

Rule 145 promulgated under the Securities Act restricts the sale of Regions common stock received in the merger by affiliates and certain of their family members and related interests. Under the rule, during the one-year period following the time we complete the merger, affiliates of Park Meridian may resell publicly the Regions common stock received by them in the merger subject to certain limitations as to the amount of Regions common stock sold in any three-month period and as to the manner of sale, and

subject to the timeliness of Regions' periodic reporting obligations with the Securities and Exchange Commission. After the one-year period and within two years following the time we complete the merger, affiliates of Park Meridian who are not affiliates of Regions may effect such resales subject only to the timeliness of Regions' periodic reporting requirements. After two years, such affiliates of Park Meridian who are not affiliates of Regions may resell their shares without restriction. Persons who are affiliates of Regions after the time we complete the merger may publicly resell the Regions common stock received by them in the merger subject to similar limitations and subject to certain filing requirements specified in SEC Rule 144. Affiliates will receive additional information regarding the effect of Rule 145 on their ability to resell Regions common stock received in the merger. Affiliates also would be permitted to resell Regions common stock received in the merger pursuant to an effective registration statement under the Securities Act or an available exemption from the Securities Act registration requirements. This proxy statement-prospectus does not cover any resales of Regions common stock received by persons who may be deemed to be affiliates of Park Meridian or Regions.

Each person who Park Meridian reasonably believes is an affiliate of Park Meridian has delivered to Regions a written agreement providing that such person generally will not sell, pledge, transfer, or otherwise dispose of any Regions common stock to be received by such person upon completion of the merger, except in compliance with the Securities Act and the rules and regulations promulgated thereunder

STOCK OPTION AGREEMENT

As an inducement and a necessary condition to Regions entering into the agreement and plan of merger, Park Meridian and Regions entered into an option agreement, pursuant to which Park Meridian granted Regions an option entitling it to purchase up to 556,816 shares (representing approximately 19.9% of the shares of Park Meridian common stock issued and outstanding before giving effect to the issuance of additional shares of Park Meridian common stock pursuant to the exercise of such option) of Park Meridian common stock under the circumstances described below, at a cash price per share equal to \$13.50, subject to possible adjustment in certain circumstances. In no event, however, shall Regions' total profit (defined in the option agreement generally as the net amount realizable by Regions upon transfer or sale of the shares acquired upon exercise of the option or of the option itself, including, without limitation, transfer of the option back to Park Meridian) exceed \$2.0 million. This description of the option agreement and the option does not purport to be complete and is qualified in its entirety by reference to the option agreement, which is filed as an exhibit to the registration statement of which this proxy statement-prospectus forms a part.

Exercise of the Option. Regions may exercise the option, in whole or in part, at any time, from time to time, if, but only if, a purchase event (as explained below) occurs prior to the option's termination. However, Regions cannot exercise the option if any court of competent jurisdiction in the United States has issued a preliminary or permanent injunction or other order against the delivery of the shares of Park Meridian common stock covered by the option and the injunction or order is in effect. Also, Regions cannot exercise the option if Regions is in material breach of any of the agreements or covenants included in the option agreement or the agreement and plan of merger. As defined in the option agreement, a "purchase event" that would give Regions the right to exercise the option means any of the following events:

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

- without Regions' prior written consent, Park Meridian authorizing, recommending, publicly proposing, or publicly announcing an intention to authorize, recommend or propose or entering into an agreement with any third party to effect any of the following:
 - a merger, consolidation, or similar transaction involving Park Meridian or any of its subsidiaries
 - (other than transactions solely between Park Meridian's subsidiaries and transactions involving Park Meridian or any of Park Meridian's subsidiaries in which the voting securities of Park Meridian outstanding immediately prior thereto continue to represent at least 75% of the combined voting power of the voting securities of Park Meridian or the surviving entity or the parent thereof outstanding immediately after the completion of the transaction),
 - the disposition, by sale, lease, exchange, or otherwise, of 20% or more of the consolidated assets of Park Meridian and its subsidiaries, except as permitted by the agreement and plan of merger, or
 - the issuance, sale, or other disposition (including by way of merger, consolidation, share exchange, or any similar transaction) of securities representing 20% or more of the voting power of Park Meridian or any of its subsidiaries; or
- any person (other than Regions or any subsidiary of Regions) acquiring beneficial ownership (as such term is defined in Rule 13d-3 promulgated under the Securities Exchange Act of 1934), or the right to acquire beneficial ownership of, or the formation of any "group" (as defined under the Exchange Act), other than a group of which Regions or any Regions subsidiary is a member, that beneficially owns or has the right to acquire beneficial ownership of 20% or more of the outstanding shares of Park Meridian common stock.

After the occurrence of a purchase event, Regions may assign the option agreement and its rights thereunder in whole or in part.

Termination of the Option. The option will terminate upon the earliest of the following:

- the time we complete the merger;
- or
- 12 months after termination of the agreement and plan of merger by Regions pursuant to a "default termination," meaning a termination of the agreement under certain circumstances involving generally a willful breach by Park Meridian of a representation or warranty contained in the agreement and plan of merger or a material breach by Park Meridian of a covenant contained in the agreement;
- or
- 12 months after termination of the agreement and plan of merger following the occurrence of a preliminary purchase event or a purchase event;

As defined in the option agreement, a "preliminary purchase event" includes either of the following events:

- commencement or filing of a registration statement under the Securities Act by any third party of a tender offer or exchange offer to purchase any shares of Park Meridian common stock such that, upon completion of such offer, such person would own or control 15% or more of the then outstanding shares of Park Meridian common stock; or
- failure of the holders of Park Meridian common stock to approve the agreement and plan of merger at the Park Meridian special meeting, the failure to hold the Park Meridian special meeting or another shareholder meeting for the purpose of voting on the agreement and plan of merger, or the cancellation of such meeting prior to termination of the agreement and plan of merger, or the withdrawal or modification by the Park Meridian board of directors in a manner adverse to Regions of the recommendation of the Park Meridian board with respect to the agreement and plan of merger, in each case, after public announcement that a third party (1) made a proposal to engage in an acquisition transaction, (2) commenced a tender offer or filed a registration statement under the Securities Act with respect to an exchange offer, or (3) filed an application or gave a notice in draft or final form under any federal or state statute or regulation for approval or consent to engage in an acquisition transaction.

or

- termination of the agreement and plan of merger, other than a default termination, in accordance with the terms thereof prior to the occurrence of a preliminary purchase event or a purchase event.

Substitute Option. The option agreement includes provisions that entitle Regions to request a substitute option under the circumstances described below. These provisions are intended to ensure that the value of the option to Regions will not be diminished if Park Meridian agrees to an acquisition transaction in which Park Meridian is not the surviving corporation, in which the value of Park Meridian's common shares is fundamentally altered, or in which Park Meridian's business is transferred to another party.

Regions may request a substitute option if Park Meridian agrees to one of the following:

- a merger or consolidation with a party other than Regions in which Park Meridian does not survive,
- a merger in which Park Meridian is the surviving corporation but Park Meridian's common shares end up representing less than 50% of the ownership interests of the merged company, or
- a sale of all or substantially all of Park Meridian's assets.

The substitute option provisions require that, while the option is outstanding, any agreement by Park Meridian relating to one of these

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

transactions must allow Regions to receive a new option when the transaction is completed and must require the acquiring corporation, or any person controlling the

36

acquiring corporation, as applicable, to enter into a new option agreement with Regions. The new option is referred to as a "substitute option" because it substitutes for the existing option.

In connection with the issuance of a substitute option, Regions can select the common shares of any of the following to be subject to the option, although not all may apply to any particular transaction:

- the continuing or surviving person of a consolidation or merger with Park Meridian in which Park Meridian does not survive,
- Park Meridian in a merger in which Park Meridian is the surviving corporation,
- the transferee of all or substantially all of the assets of Park Meridian or any of its significant subsidiaries, or
- any person that controls any of the entities described above.

The substitute option shall have the same terms as the option, provided that, if the terms of the substitute option cannot, for legal reasons, be the same as the option, such terms shall be as similar as possible and in no event less advantageous to Regions. The substitute option will be exercisable for a number of shares and at an exercise price calculated based upon a formula intended to reflect the value assigned to Park Meridian's common stock, or assets as the case may be, in the acquisition transaction.

If the exercise price of the original option is less than the market or offer price for shares of Park Meridian's common stock, the adjustments discussed above will result in the substitute option having a higher financial value, measured at the time of exercise, than the original option-subject in all cases to the \$2.0 million limit on total profit. The board of directors of Park Meridian considered this feature and believed it to be appropriate because it concluded that \$2.0 million in total profit represented an appropriate amount to increase the likelihood that the merger will be completed and to compensate Regions for its efforts and its expenses and losses if the merger is not completed.

Park Meridian's Contingent Repurchase Obligation. Upon the occurrence of a repurchase event (as explained below) that occurs prior to the exercise or termination of the option, at the request of Regions, delivered within 18 months of the repurchase event, Park Meridian will, subject to regulatory restrictions, be obligated to repurchase the option and any shares of Park Meridian common stock purchased pursuant to the option agreement at a specified price.

As defined in the option agreement, a "repurchase event" includes either of the following events:

- any person (other than Regions or any Regions subsidiary) shall have acquired beneficial ownership (as such term is defined in Rule 13d-3 promulgated under the Securities Exchange Act of 1934), or the right to acquire beneficial ownership, or any "group" (as such term is defined under the Exchange Act) shall have been formed which beneficially owns or has the right to acquire beneficial ownership of 50% or more of the

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

then outstanding shares of Park Meridian common stock, or

- Park Meridian completes a transaction of one of the three types described above as would give rise to a substitute option.

37

Registration Rights. Upon the occurrence of certain events, Park Meridian has agreed to file with the SEC and to cause to become effective certain registration statements under the Securities Act with respect to dispositions by Regions and its assigns of all or part of the option and/or any shares of Park Meridian common stock into which the option is exercisable.

Adjustment of Option Terms. In the event of any change in Park Meridian common stock by reason of a stock dividend, stock split, split-up, recapitalization, combination, exchange of shares, or similar transaction, the type and number of securities subject to the option, and the purchase price therefor shall be adjusted appropriately. In the event that any additional shares of Park Meridian common stock are issued (other than pursuant to an event described in the preceding sentence), the number of shares of Park Meridian common stock subject to the option will be adjusted so that, after such issuance, it, together with any shares of Park Meridian common stock previously issued pursuant to the option agreement, equals the lesser of (1) 19.9% of the number of shares of Park Meridian common stock then issued and outstanding, without giving effect to any shares subject to or issued pursuant to the option, and (2) that minimum number of shares of Park Meridian common stock which, when aggregated with any other shares of Park Meridian common stock beneficially owned by Regions or any affiliate of Regions, would cause the provisions of any North Carolina takeover laws to be applicable to Regions' ownership of Park Meridian common stock.

Purpose of Option Agreement. The option agreement is intended to have the effect of discouraging persons who might now or at any other time prior to the time we complete the merger be interested in acquiring all or a significant interest in Park Meridian from considering or proposing such an acquisition, even if such persons were prepared to offer or pay consideration to the Park Meridian shareholders which had a current higher market price than the shares of Regions common stock to be received per share of Park Meridian common stock pursuant to the agreement and plan of merger. The existence of the option agreement could significantly increase the cost to a potential acquiror of acquiring Park Meridian compared to its cost had Park Meridian not entered into the option agreement. Such increased cost might discourage a potential acquiror from considering or proposing an acquisition or might result in a potential acquiror proposing to pay a lower per share price to acquire Park Meridian common stock than it might otherwise have proposed to pay.

EFFECT OF THE MERGER ON RIGHTS OF SHAREHOLDERS

As a result of the merger, holders of Park Meridian common stock will be exchanging their shares of a North Carolina corporation governed by the North Carolina Business Corporation Act and Park Meridian's articles of incorporation, as amended, and bylaws, for shares of Regions, a Delaware corporation governed by the Delaware General Corporation Law and Regions' certificate of incorporation and bylaws. Certain significant differences exist between the rights of Park Meridian shareholders and those of Regions stockholders. The material differences are summarized below. In particular, Regions' certificate of incorporation and bylaws contain several provisions that under certain circumstances may have an antitakeover effect in that they could impede or

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

prevent an acquisition of Regions unless the potential acquirer has obtained the approval of Regions' board of directors. The following discussion is necessarily general; it is not intended to be a complete statement of all differences affecting the rights of Park Meridian shareholders and Regions stockholders and their respective entities, and it is qualified in its entirety by reference to the North Carolina Business Corporation Act and the Delaware General Corporation Law as well as to Regions' certificate of incorporation and bylaws and Park Meridian's articles of incorporation and bylaws.

38

ANTITAKEOVER PROVISIONS GENERALLY

The provisions of Regions' certificate of incorporation and bylaws described below under the headings, "-Authorized Capital Stock," "-Amendment of Certificate or Articles of Incorporation and Bylaws," "-Classified Board of Directors and Absence of Cumulative Voting," "-Removal of Directors," "-Limitations on Director Liability," "-Special Meetings of Stockholders," "-Actions by Stockholders Without a Meeting," "-Stockholder Nominations," and "-Mergers, Consolidations, and Sales of Assets Generally," and the provisions of the Delaware General Corporation Law described under the heading "-Business Combinations With Certain Persons," are referred to herein as the "protective provisions." In general, one purpose of the protective provisions is to assist Regions' board of directors in playing a role in connection with attempts to acquire control of Regions, so that the board of directors can further and protect the interests of Regions and its stockholders as appropriate under the circumstances, including, if the board of directors determines that a sale of control is in their best interests, by enhancing the board of directors' ability to maximize the value to be received by the stockholders upon such a sale.

Although Regions' management believes the protective provisions are, therefore, beneficial to Regions' stockholders, the protective provisions also may tend to discourage some takeover bids. As a result, Regions' stockholders may be deprived of opportunities to sell some or all of their shares at prices that represent a premium over prevailing market prices. On the other hand, defeating undesirable acquisition offers can be a very expensive and time-consuming process. To the extent that the protective provisions discourage undesirable proposals, Regions may be able to avoid those expenditures of time and money.

The protective provisions also may discourage open market purchases by a potential acquirer. Such purchases may increase the market price of Regions common stock temporarily, enabling stockholders to sell their shares at a price higher than that which otherwise would prevail. In addition, the protective provisions may decrease the market price of Regions common stock by making the stock less attractive to persons who invest in securities in anticipation of price increases from potential acquisition attempts. The protective provisions also may make it more difficult and time consuming for a potential acquirer to obtain control of Regions through replacing the board of directors and management. Furthermore, the protective provisions may make it more difficult for Regions' stockholders to replace the board of directors or management, even if a majority of the stockholders believes such replacement is in the best interests of Regions. As a result, the protective provisions may tend to perpetuate the incumbent board of directors and management.

AUTHORIZED CAPITAL STOCK

Regions. The certificate of incorporation authorizes the issuance of up to 500,000,000 shares of Regions common stock and 5,000,000 shares of preferred stock. At June 30, 2001, 229,133,874 shares of Regions common stock were issued,

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

including 1,500,000 treasury shares, and 227,633,874 shares were issued and outstanding. No shares of preferred stock have been issued. Regions' board of directors may authorize the issuance of additional shares of Regions common stock or preferred stock without further action by Regions' stockholders, unless such action is required in a particular case by applicable laws or regulations or by any stock exchange upon which Regions' capital stock may be listed. The certificate of incorporation does not provide preemptive rights to Regions stockholders.

The authority to issue additional shares of Regions capital stock provides Regions with the flexibility necessary to meet its future needs without the delay resulting from seeking stockholder approval. The

39

authorized but unissued shares of Regions common stock will be issuable from time to time for any corporate purpose, including, without limitation, stock splits, stock dividends, employee benefit and compensation plans, acquisitions, and public or private sales for cash as a means of raising capital. Such shares could be used to dilute the stock ownership of persons seeking to obtain control of Regions. In addition, the sale of a substantial number of shares of Regions common stock to persons who have an understanding with Regions concerning the voting of such shares, or the distribution or declaration of a dividend of shares of Regions common stock (or the right to receive Regions common stock) to Regions stockholders, may have the effect of discouraging or increasing the cost of unsolicited attempts to acquire control of Regions. Regions has committed not to issue shares of preferred stock for any antitakeover purpose, including any purpose to make a change in control of Regions more costly or difficult.

Park Meridian. Park Meridian's authorized capital stock consists of 25,000,000 shares of Park Meridian common stock, which is the only class of capital stock authorized and of which 2,513,293 shares were issued and outstanding as of the record date.

Pursuant to the North Carolina Business Corporation Act, Park Meridian's board of directors may authorize the issuance of additional shares of Park Meridian common stock without further action by Park Meridian's shareholders. Park Meridian's articles of incorporation do not provide the shareholders of Park Meridian with preemptive rights to purchase or subscribe to any unissued authorized shares of Park Meridian common stock or any option or warrant for the purchase thereof.

AMENDMENT OF CERTIFICATE OR ARTICLES OF INCORPORATION AND BYLAWS

Regions. The Delaware General Corporation Law generally provides that the approval of a corporation's board of directors and the affirmative vote of a majority of (1) all shares entitled to vote thereon and (2) the shares of each class of stock entitled to vote thereon as a class is required to amend a corporation's certificate of incorporation, unless the certificate specifies a greater voting requirement. The certificate of incorporation states that its provisions regarding authorized capital stock, election, classification, and removal of directors, the approval required for certain business combinations, meetings and actions of stockholders, and amendments of the certificate of incorporation and bylaws may be amended or repealed only by the affirmative vote of the holders of at least 75% of the outstanding shares of Regions common stock.

The certificate of incorporation also provides that the board of

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

directors has the power to adopt, amend, or repeal the bylaws. Any action taken by the stockholders with respect to adopting, amending, or repealing any bylaws may be taken only upon the affirmative vote of the holders of at least 75% of the outstanding shares of Regions common stock.

Park Meridian. The North Carolina Business Corporation Act provides that a corporation's board of directors may adopt certain minor amendments to a corporation's articles of incorporation without a shareholder vote. Other proposed amendments to the articles of incorporation must be submitted to the shareholders by the board of directors and must be approved by (1) a majority of the votes entitled to be cast on the amendment by any voting group with respect to which the amendment would create dissenters' rights; and (2) for shares entitled to vote as a separate voting group, a majority of the shares voted, provided that a quorum of the voting group is present. The Park Meridian articles do not contain any special provisions regarding their amendment.

40

CLASSIFIED BOARD OF DIRECTORS AND ABSENCE OF CUMULATIVE VOTING

Regions. The certificate of incorporation provides that Regions' board of directors is divided into three classes, with each class to be as nearly equal in number as possible. The directors in each class serve three-year terms of office.

The effect of Regions' having a classified board of directors is that only approximately one-third of the members of the board of directors are elected each year; consequently, two annual meetings are effectively required for Regions' stockholders to change a majority of the members of the board of directors.

Pursuant to the certificate of incorporation, each stockholder generally is entitled to one vote for each share of Regions stock held and is not entitled to cumulative voting rights in the election of directors. With cumulative voting, a stockholder has the right to cast a number of votes equal to the total number of such holder's shares multiplied by the number of directors to be elected. The stockholder has the right to cast all of such holder's votes in favor of one candidate or to distribute such holder's votes in any manner among any number of candidates. Directors are elected by a plurality of the total votes cast by all stockholders. With cumulative voting, it may be possible for minority stockholders to obtain representation on the board of directors. Without cumulative voting, the holders of more than 50% of the shares of Regions common stock generally have the ability to elect 100% of the directors. As a result, the holders of the remaining Regions common stock effectively may not be able to elect any person to the board of directors. The absence of cumulative voting, therefore, could make it more difficult for a stockholder who acquires less than a majority of the shares of Regions common stock to obtain representation on Regions' board of directors.

Park Meridian. As is the case with Regions, Park Meridian's articles of incorporation provide for a classified board of directors, with one-third of the total number of directors, or as close to one-third as possible, elected each year for a three-year term. Holders of Park Meridian common stock are not afforded cumulative voting rights.

REMOVAL OF DIRECTORS

Regions. Under the certificate of incorporation, any director or the entire board of directors may be removed only for cause and only by the affirmative vote of the holders of at least 75% of Regions' voting stock.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

Park Meridian. Pursuant to Park Meridian's bylaws, any or all of the directors may be removed by the shareholders with or without cause. The vote required for removal of any director is that the number of shares voted for removal exceed the number of shares voted against removal. A director may not be removed by vote of the shareholders at a meeting unless the notice of the meeting states that the purpose, or one of the purposes of the meeting, is the removal of the director.

LIMITATIONS ON DIRECTOR LIABILITY

Regions. The certificate of incorporation provides that a director of Regions will have no personal liability to Regions or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for (1) any breach of the director's duty of loyalty to the corporation or its stockholders, (2) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of

41

law, (3) the payment of certain unlawful dividends and the making of certain unlawful stock purchases or redemptions, or (4) any transaction from which the director derived an improper personal benefit.

Although this provision does not affect the availability of injunctive or other equitable relief as a remedy for a breach of duty by a director, it does limit the remedies available to a stockholder who has a valid claim that a director acted in violation of such director's duties, if the action is among those as to which liability is limited. This provision may reduce the likelihood of stockholder derivative litigation against directors and may discourage or deter stockholders or management from bringing a lawsuit against directors for breach of their duties, even though such action, if successful, might have benefited Regions and its stockholders. The SEC has taken the position that similar provisions added to other corporations' certificates of incorporation would not protect those corporations' directors from liability for violations of the federal securities laws.

Park Meridian. Under the North Carolina Business Corporation Act, a corporation, through its articles of incorporation or bylaws or by contract or resolution, may eliminate or limit a director's personal liability to the corporation or its shareholders for any monetary damages for breach of duty, except for (1) acts or omissions that the director at the time of such breach knew or believed were clearly in conflict with the best interests of the corporation, (2) unlawful distributions, (3) any transaction from which the director derived an improper personal benefit, or (4) a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation. Park Meridian's articles of incorporation provide that to the fullest extent permitted by the North Carolina Business Corporation Act, a director of Park Meridian shall not be personally liable to Park Meridian or its shareholders for monetary damages for breach of his or her duty as a director.

INDEMNIFICATION

Regions. The certificate of incorporation provides that Regions will indemnify its officers, directors, employees, and agents to the full extent permitted by the Delaware General Corporation Law. Under Section 145 of the Delaware General Corporation Law as currently in effect, other than in actions brought by or in the right of Regions, such indemnification would apply if it were determined in the specific case that the proposed indemnitee acted in good faith and in a manner such person reasonably believed to be in or not opposed to

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

the best interests of Regions and, with respect to any criminal proceeding, if such person had no reasonable cause to believe that the conduct was unlawful. In actions brought by or in the right of Regions, such indemnification probably would be limited to reasonable expenses (including attorneys' fees) and would apply if it were determined in the specific case that the proposed indemnitee acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of Regions, except that no indemnification may be made with respect to any matter as to which such person is adjudged liable to Regions, unless, and only to the extent that, the court determines upon application that, in view of all the circumstances of the case, the proposed indemnitee is fairly and reasonably entitled to indemnification for such expenses as the court deems proper. To the extent that any director, officer, employee, or agent of Regions has been successful on the merits or otherwise in defense of any action, suit, or proceeding, as discussed herein, whether civil, criminal, administrative, or investigative, such person must be indemnified against reasonable expenses incurred by such person in connection therewith.

Park Meridian. The North Carolina Business Corporation Act and Park Meridian's bylaws provide for indemnification of its directors in substantially the same manner and with substantially the same effect as in the case of Regions.

42

SPECIAL MEETINGS OF STOCKHOLDERS

Regions. Regions' certificate of incorporation and bylaws provide that special meetings of stockholders may be called at any time, but only by the chief executive officer, the secretary, or the board of directors of Regions. Regions stockholders do not have the right to call a special meeting or to require that Regions' board of directors call such a meeting. This provision, combined with other provisions of the certificate of incorporation and the restriction on the removal of directors, would prevent a substantial stockholder from compelling stockholder consideration of any proposal (such as a proposal for a business combination) over the opposition of Regions' board of directors by calling a special meeting of stockholders at which such stockholder could replace the entire board of directors with nominees who were in favor of such proposal.

Park Meridian. Under Park Meridian's bylaws, a special meeting of Park Meridian shareholders may be called by the president, the secretary, or the board of directors.

ACTIONS BY STOCKHOLDERS WITHOUT A MEETING

Regions. The certificate of incorporation provides that any action required or permitted to be taken by Regions stockholders must be effected at a duly called meeting of stockholders and may not be effected by any written consent by the stockholders. These provisions would prevent stockholders from taking action, including action on a business combination, except at an annual meeting or special meeting called by the board of directors, chief executive officer, or secretary, even if a majority of the stockholders were in favor of such action.

Park Meridian. Under the North Carolina Business Corporation Act and Park Meridian's bylaws, any action requiring or permitting shareholder approval may be approved by written consent of shareholders holding all of the shares of Park Meridian common stock outstanding and entitled to vote.

STOCKHOLDER NOMINATIONS

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

Regions. Regions' certificate of incorporation and bylaws provide that any nomination by stockholders of individuals for election to the board of directors must be made by delivering written notice of such nomination (the "nomination notice") to the Secretary of Regions not less than 14 days nor more than 50 days before any meeting of the stockholders called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to stockholders, the nomination notice must be delivered to the Secretary of Regions not later than the seventh day following the day on which notice of the meeting was mailed to stockholders. The nomination notice must set forth certain background information about the persons to be nominated, including information concerning (1) the name, age, business, and, if known, residential address of each nominee, (2) the principal occupation or employment of each such nominee, and (3) the number of shares of Regions capital stock beneficially owned by each such nominee. The board of directors is not required to nominate in the annual proxy statement any person so proposed; however, compliance with this procedure would permit a stockholder to nominate the individual at the stockholders' meeting, and any stockholder may vote such holder's shares in person or by proxy for any individual such holder desires.

Park Meridian. Park Meridian's articles of incorporation and bylaws do not provide for special nominating procedures for election of directors.

43

MERGERS, CONSOLIDATIONS, AND SALES OF ASSETS GENERALLY

Regions. The certificate of incorporation generally requires the affirmative vote of the holders of at least 75% of the outstanding voting stock of Regions to effect (1) any merger or consolidation with or into any other corporation, or (2) any sale or lease of any substantial part of the assets of Regions to any party that beneficially owns 5.0% or more of the outstanding shares of Regions voting stock, unless the transaction was approved by Regions' board of directors before the other party became a 5.0% beneficial owner or is approved by 75% or more of the board of directors after the party becomes such a 5.0% beneficial owner. In addition, the Delaware General Corporation Law generally requires the approval of a majority of the outstanding voting stock of Regions to effect (1) any merger or consolidation with or into any other corporation, (2) any sale, lease, or exchange of all or substantially all of Regions property and assets, or (3) the dissolution of Regions. However, pursuant to the Delaware General Corporation Law, Regions may enter into a merger transaction without stockholder approval if (1) Regions is the surviving corporation, (2) the agreement of merger does not amend in any respect Regions' certificate of incorporation, (3) each share of Regions stock outstanding immediately prior to the effective date of the merger is to be an identical outstanding or treasury share of Regions after the effective date of the merger, and (4) either no shares of Regions common stock and no shares, securities, or obligations convertible into such stock are to be issued or delivered under the agreement and plan of merger, or the authorized unissued shares or the treasury shares of Regions common stock to be issued or delivered under the agreement and plan of merger plus those initially issuable upon conversion of any other shares, securities, or obligations to be issued or delivered under such plan do not exceed 20% of the shares of Regions common stock outstanding immediately prior to the effective date of the merger.

Park Meridian. The North Carolina Business Corporation Act provides that, unless a corporation's governance documents provide otherwise, certain business combinations (including mergers) require the approval of a majority of the outstanding shares of each voting group of the corporation entitled to vote on the subject transaction. Neither the articles nor the bylaws of Park Meridian

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

require a greater vote.

BUSINESS COMBINATIONS WITH CERTAIN PERSONS

Regions. Section 203 of the Delaware General Corporation Law ("Section 203") places certain restrictions on "business combinations" (as defined in Section 203 to include, generally, mergers, sales and leases of assets, issuances of securities, and similar transactions) by Delaware corporations with an "interested stockholder" (as defined in Section 203 to include, generally, the beneficial owner of 15% or more of the corporation's outstanding voting stock). Section 203 generally applies to Delaware corporations, such as Regions, that have a class of voting stock listed on a national securities exchange, authorized for quotation on an interdealer quotation system of a registered national securities association, or held of record by more than 2,000 stockholders, unless the corporation expressly elects in its certificate of incorporation or bylaws not to be governed by Section 203.

Regions has not specifically elected to avoid the application of Section 203. As a result, Section 203 generally would prohibit a business combination by Regions or a subsidiary with an interested stockholder within three years after the person or entity becomes an interested stockholder, unless (1) prior to the time when the person or entity becomes an interested stockholder, Regions' board of directors approved either the business combination or the transaction pursuant to which such person or entity became an interested stockholder, (2) upon completion of the transaction in which the person or entity

44

became an interested stockholder, the interested stockholder held at least 85% of the outstanding Regions voting stock (excluding shares held by persons who are both officers and directors and shares held by certain employee benefit plans), or (3) once the person or entity becomes an interested stockholder, the business combination is approved by Regions' board of directors and by the holders of at least two-thirds of the outstanding Regions voting stock, excluding shares owned by the interested stockholder.

Park Meridian. North Carolina has two antitakeover statutes in force, The North Carolina Shareholder Protection Act and The North Carolina Control Share Acquisition Act. These statutes restrict business combinations with, and the accumulation of shares of voting stock of, certain North Carolina corporations. In accordance with the provisions of these statutes, Park Meridian has elected not to be covered by the restrictions imposed by these statutes. As a result, such statutes do not apply to Park Meridian.

DISSENTERS' RIGHTS

Regions. The rights of dissenting stockholders of Regions are governed by the Delaware General Corporation Law. Pursuant thereto, except as described below, any stockholder has the right to dissent from any merger of which Regions could be a constituent corporation. No appraisal rights are available, however, for (1) the shares of any class or series of stock that is either listed on a national securities exchange, quoted on the Nasdaq National Market, or held of record by more than 2,000 stockholders or (2) any shares of stock of the constituent corporation surviving a merger if the merger did not require the approval of the surviving corporation's stockholders, unless, in either case, the holders of such stock are required by an agreement of merger or consolidation to accept for that stock something other than: (a) shares of stock of the corporation surviving or resulting from the merger or consolidation; (b) shares of stock of any other corporation that will be listed at the effective

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

date of the merger on a national securities exchange, quoted on the Nasdaq National Market, or held of record by more than 2,000 stockholders; (c) cash instead of fractional shares of stock described in clause (a) or (b) immediately above; or (d) any combination of the shares of stock and cash instead of fractional shares described in clauses (a) through (c) immediately above. Because Regions common stock is quoted on the Nasdaq National Market and is held of record by more than 2,000 stockholders, unless the exception described immediately above applies, holders of Regions common stock will not have dissenters' rights. Holders of Regions common stock do not have dissenters' rights in connection with the Park Meridian merger.

Park Meridian. A summary of the pertinent provisions of the North Carolina Business Corporation Act pertaining to dissenters' rights is set forth under the caption "The Merger--Dissenting Shareholders," and such provisions are included as Appendix C.

STOCKHOLDERS' RIGHTS TO EXAMINE BOOKS AND RECORDS

Regions. The Delaware General Corporation Law provides that a stockholder may inspect books and records upon written demand under oath stating the purpose of the inspection, if such purpose is reasonably related to such person's interest as a stockholder.

Park Meridian. The North Carolina Business Corporation Act provides that a shareholder who has owned shares for at least six months may inspect and copy books and records upon written demand made in good faith and for a proper purpose, if the demand describes with reasonable particularity the shareholder's purpose and the books and records to be inspected and the books and records are directly connected to the shareholder's stated purpose.

45

DIVIDENDS

Regions. The Delaware General Corporation Law provides that, subject to any restrictions in the corporation's certificate of incorporation, dividends may be declared from the corporation's surplus, or, if there is no surplus, from its net profits for the fiscal year in which the dividend is declared and the preceding fiscal year. Dividends may not be declared, however, if the corporation's capital has been diminished to an amount less than the aggregate amount of all capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets. Substantially all of the funds available for the payment of dividends by Regions are derived from its subsidiary depository institutions. There are various statutory limitations on the ability of Regions' subsidiary depository institutions to pay dividends to Regions. See "Supervision and Regulation--Payment of Dividends."

Park Meridian. Subject to any restrictions in a North Carolina corporation's articles, the corporation's board of directors may declare dividends so long as after giving effect to each dividend declaration, (1) the corporation can pay its debts as they become due, and (2) the corporation's total assets are greater than the sum of its liabilities plus the amount that would be needed to satisfy the liquidation preference of any shares that are superior to the shares receiving the dividend. As with Regions, substantially all of the funds available for payment of dividends by Park Meridian are derived from its subsidiaries, including Park Meridian Bank. Payment of dividends by Park Meridian Bank to Park Meridian is subject to the statutory restrictions applicable to depository institutions. Park Meridian's articles place no restriction on the ability of its board of directors to declare dividends.

The holders of Regions common stock are entitled to receive dividends when and if declared by the board of directors out of funds legally available therefor. Regions has paid regular quarterly cash dividends since 1971. Although Regions currently intends to continue to pay quarterly cash dividends on the

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

Regions common stock, there can be no assurance that Regions' dividend policy will remain unchanged after completion of the merger. The declaration and payment of dividends thereafter will depend upon business conditions, operating results, capital and reserve requirements, and the board of directors' consideration of other relevant factors.

Regions is a legal entity separate and distinct from its subsidiaries and its revenues depend in significant part on the payment of dividends from its subsidiary financial institutions. Regions' subsidiary depository institutions are subject to certain legal restrictions on the amount of dividends they are permitted to pay. See "Supervision and Regulation-Payment of Dividends."

47

Park Meridian's dividend policy, as adopted by its board of directors and in effect since 1997, provides that the board will determine dividends based on growth, profit and Park Meridian's overall financial condition, giving consideration to expected capital needs. Pursuant to this policy, the board has to date determined not to declare dividends.

INFORMATION ABOUT REGIONS

GENERAL

Regions is a regional bank holding company and financial holding company organized and existing under the laws of the state of Delaware and headquartered in Birmingham, Alabama, with more than 670 banking offices located in Alabama, Arkansas, Florida, Georgia, Louisiana, South Carolina, Tennessee, and Texas as of June 30, 2001. At that date, Morgan Keegan & Company, Inc., Regions' broker-dealer subsidiary, had 140 offices in 14 states. As of June 30, 2001, Regions had total consolidated assets of approximately \$45.1 billion, total consolidated deposits of approximately \$31.8 billion, and total consolidated stockholders' equity of approximately \$3.8 billion. Regions has banking-related subsidiaries engaged in mortgage banking, credit life insurance, and leasing, with offices in various Southeastern states. Through Morgan Keegan and its banking-related subsidiaries, Regions offers a broad range of banking and financial services.

Regions was organized under the laws of the state of Delaware and commenced operations in 1971 under the name First Alabama Bancshares, Inc. In 1994, the name of First Alabama Bancshares, Inc. was changed to Regions Financial Corporation. Regions' principal executive offices are located at 417 North 20th Street, Birmingham, Alabama 35203, and its telephone number at such

(1) Calculated as of the date of consummation in the case of the completed acquisitions and as of the date of announcement of the transaction in the case of pending acquisitions.

Consummation of the other pending acquisition is subject to the approval of certain regulatory agencies and approval of the stockholders of the institutions to be acquired. Moreover, the closing of each transaction is subject to various contractual conditions precedent. No assurance can be given that the conditions precedent to consummating the transaction will be satisfied in a manner that will result in its consummation.

If the other pending acquisition and the merger had been consummated on June 30, 2001, as of that date Regions' total consolidated assets would have been increased by approximately \$430 million to approximately \$45.6 billion; its total consolidated deposits would have increased by approximately \$358 million to approximately \$31.5 billion; and its total consolidated stockholders' equity would have remained at approximately \$3.8 billion.

SUPERVISION AND REGULATION

The following discussion sets forth certain of the material elements of the regulatory framework applicable to banks and bank holding companies and provides certain specific information related to Regions and Park Meridian. Additional information is available in Regions' Annual Report on Form 10-K for the fiscal year ended December 31, 2000. See "Where You Can Find More Information" on page 55.

GENERAL

Regions and Park Meridian are both bank holding companies registered with the Board of Governors of the Federal Reserve System under the Bank Holding Company Act. As such, Regions and Park Meridian and their non-bank subsidiaries are subject to the supervision, examination, and reporting requirements of the Bank Holding Company Act and the regulations of the Federal Reserve Board. Also, Regions is a financial holding company under the Bank Holding Company Act.

The Bank Holding Company Act requires every bank or financial holding company to obtain the prior approval of the Federal Reserve Board before: (1) it may acquire direct or indirect ownership or control of any voting shares of any bank if, after such acquisition, the bank holding company will directly or indirectly own or control more than 5.0% of the voting shares of the bank; (2) it or any of its subsidiaries, other than a bank, may acquire all or substantially all of the assets of any bank; or (3) it may merge or consolidate with any other bank holding company.

The Bank Holding Company Act further provides that the Federal Reserve Board may not approve any transaction that would result in a monopoly or would be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any section of the United States, or the effect of which may be substantially to lessen competition or to tend to create a monopoly in any section of the country, or that in any other manner would be in restraint of trade, unless the anticompetitive effects of the proposed transaction are clearly outweighed by the public interest in meeting the convenience and needs of the community to be served. The Federal Reserve Board

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

is also required to consider the financial and managerial resources and future prospects of the bank holding companies and banks concerned and the convenience and needs of the community to be served.

The Bank Holding Company Act prohibits bank holding companies that have not become financial holding companies from engaging in activities other than banking or managing or controlling banks or other permissible subsidiaries and from acquiring or retaining direct or indirect control of any company engaged in any activities other than those activities determined by the Federal Reserve Board to be so closely related to banking or managing or controlling banks as to be a proper incident thereto.

As a financial holding company, however, Regions has authority to engage in a range of activities that are financial in nature and that were not previously permissible for banks and bank holding companies. Subject to the regulations of the Federal Reserve Board, a financial holding company may engage directly or through a subsidiary in the statutorily authorized activities of securities dealing, underwriting, and market making, insurance underwriting and agency activities, merchant banking, and insurance company portfolio investments, and in any activity that the Federal Reserve Board determines by rule or order to be financial in nature or incidental to such financial activity. Merchant banking activities are subject to certain limitations and may become subject to more stringent capital requirements than other activities.

52

Under the Bank Holding Company Act, as amended by the Gramm-Leach-Bliley Act effective in 2000, securities brokerage firms and insurance companies may acquire banks and bank holding companies and become financial holding companies. The Gramm-Leach-Bliley Act provides for coordinated regulation of integrated financial holding companies, providing generally for "umbrella" regulation of financial holding companies by the Federal Reserve Board, and for functional regulation of banking activities by bank regulators, securities activities by securities regulators, and insurance activities by insurance regulators.

As of the date of this proxy statement-prospectus, Regions Bank is Regions' only subsidiary bank and Park Meridian Bank is Park Meridian's only subsidiary bank. Regions Bank and Park Meridian Bank are each a member of the Federal Deposit Insurance Corporation (the "FDIC"), and as such, its deposits are insured by the FDIC to the extent provided by law. Regions Bank and Park Meridian Bank are also subject to numerous state and federal statutes and regulations that affect their businesses, activities, and operations.

As an Alabama state bank that recently became a member of the federal reserve system, Regions Bank is subject to supervision and examination by the Federal Reserve Board and the State Banking Department of Alabama. Park Meridian Bank is subject to supervision and examination by the FDIC and the North Carolina Commissioner of Banks. The applicable federal and state banking regulators regularly examine the operations of the banks and have authority to approve or disapprove mergers, consolidations, the establishment of branches, and similar corporate actions. The federal and state banking regulators also have the power to prevent the continuance or development of unsafe or unsound banking practices or other violations of law.

PAYMENT OF DIVIDENDS

Regions and Park Meridian are legal entities separate and distinct from their banking and other subsidiaries. The principal sources of cash flow of both Regions and Park Meridian, including cash flow to pay dividends to their

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

respective stockholders and shareholders, are dividends from their respective subsidiary bank. There are statutory and regulatory limitations on the payment of dividends by the subsidiary banks to Regions and Park Meridian, as well as by Regions and Park Meridian to their stockholders and shareholders.

As to the payment of dividends, Regions Bank is subject to the laws and regulations of the state of Alabama, and to the regulations of the Federal Reserve Board. Park Meridian is subject to the laws and regulations of the state of North Carolina, and to the regulations of the FDIC.

If, in the opinion of a federal banking regulatory agency, an institution under its jurisdiction is engaged in or is about to engage in an unsafe or unsound practice (which, depending on the financial condition of the depository institution, could include the payment of dividends), such agency may require, after notice and hearing, that such institution cease and desist from such practice. The federal banking agencies have indicated that paying dividends that deplete an institution's capital base to an inadequate level would be an unsafe and unsound banking practice. Under current federal law, an insured institution may not pay any dividend if payment would cause it to become undercapitalized or if it already is undercapitalized. See "-Prompt Corrective Action." Moreover, the Federal Reserve Board and the FDIC have issued policy statements which provide that bank holding companies and insured banks should generally pay dividends only out of current operating earnings.

53

At June 30, 2001, under dividend restrictions imposed under federal and the respective state laws, without obtaining governmental approvals, Regions Bank could declare aggregate dividends to Regions of approximately \$340 million.

The payment of dividends by Regions and Park Meridian and their subsidiary banks may also be affected or limited by other factors, such as the requirement to maintain adequate capital above regulatory guidelines.

CAPITAL ADEQUACY

Each of Regions, Park Meridian, and their respective subsidiary banks is required to comply with the capital adequacy standards established by its primary federal regulator, the Federal Reserve Board in the case of Regions, Regions Bank and Park Meridian and the FDIC in the case of Park Meridian Bank. There are two basic measures of capital adequacy for bank holding companies that have been promulgated by the Federal Reserve Board: a risk-based measure and a leverage measure. All applicable capital standards must be satisfied for a bank holding company to be considered in compliance.

The risk-based capital standards are designed to make regulatory capital requirements more sensitive to differences in risk profile among banks and bank holding companies, to account for off-balance-sheet exposure, and to minimize disincentives for holding liquid assets. Assets and off-balance sheet items are assigned to broad risk categories, each with appropriate weights. The resulting capital ratios represent capital as a percentage of total risk-weighted assets and off-balance sheet items.

The minimum guideline for the ratio of total capital ("Total Capital") to risk-weighted assets (including certain off-balance-sheet items, such as standby letters of credit) is 8.0%. At least half of the Total Capital must be

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

composed of common equity, undivided profits, minority interests in the equity accounts of consolidated subsidiaries, qualifying noncumulative perpetual preferred stock, and a limited amount of cumulative perpetual preferred stock, less goodwill and certain other intangible assets ("Tier 1 Capital"). The remainder may consist of certain subordinated debt, other preferred stock, and a limited amount of loan loss reserves. The minimum guideline for Tier 1 Capital is 4.0%. At June 30, 2001, Regions' consolidated Total Capital Ratio was 12.18% and its Tier 1 Capital Ratio (i.e., the ratio of Tier 1 Capital to risk-weighted assets) was 8.78%, and Park Meridian's consolidated Total Capital Ratio was 11.98% and its Tier 1 Capital Ratio was 10.80%.

In addition, the Federal Reserve Board has established minimum leverage ratio guidelines for bank holding companies. These guidelines provide for a minimum ratio of Tier 1 Capital to average assets, less goodwill and certain other intangible assets (the "Leverage Ratio"), of 3.0% for bank holding companies that meet certain specified criteria, including having the highest regulatory rating. All other bank holding companies generally are required to maintain a Leverage Ratio of at least 3.0%, plus an additional cushion of 100 to 200 basis points above the stated minimums. The guidelines also provide that bank holding companies experiencing internal growth or making acquisitions will be expected to maintain strong capital positions substantially above the minimum supervisory levels without significant reliance on intangible assets. Furthermore, the Federal Reserve Board has indicated that it will consider a "tangible Tier 1 Capital leverage ratio" (deducting all intangibles) and other indicators of capital strength in evaluating proposals for expansion or new activities. At June 30, 2001 Regions' Leverage Ratio was 6.69% and Park Meridian's Leverage Ratio was 9.45%.

54

Each of Regions Bank and Park Meridian Bank is subject to risk-based and leverage capital requirements applicable to banks as adopted by its respective primary federal regulator, which requirements are substantially similar to those adopted by the Federal Reserve Board applicable to bank holding companies. Each of the subsidiary banks was in compliance with applicable minimum capital requirements as of June 30, 2001. Neither Regions, Park Meridian, nor any of their subsidiary banks has been advised by any federal banking agency of any specific minimum capital ratio requirement applicable to it.

Failure to meet capital guidelines could subject a bank to a variety of enforcement remedies, including issuance of a capital directive, the termination of deposit insurance by the FDIC, a prohibition on the taking of brokered deposits, and to certain other restrictions on its business. As described below, substantial additional restrictions can be imposed upon FDIC-insured depository institutions that fail to meet applicable capital requirements. See "--Prompt Corrective Action."

The Federal Reserve Board and the FDIC also have adopted final regulations requiring regulators to consider interest rate risk (when the interest rate sensitivity of an institution's assets does not match the sensitivity of its liabilities or its off-balance-sheet position) in the evaluation of a bank's capital adequacy. The bank regulatory agencies' methodology for evaluating interest rate risk requires banks with excessive interest rate risk exposure to hold additional amounts of capital against such exposures.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

PROMPT CORRECTIVE ACTION

Current federal law establishes a system of prompt corrective action to resolve the problems of undercapitalized banks and other depository institutions. Under this system the federal banking regulators have established five capital categories ("well capitalized," "adequately capitalized," "undercapitalized," "significantly undercapitalized," and "critically undercapitalized") and must take certain mandatory supervisory actions, and are authorized to take other discretionary actions, with respect to institutions in the three undercapitalized categories, the severity of which will depend upon the capital category in which the institution is placed. Generally, subject to a narrow exception, current federal law requires the appropriate federal banking regulator to appoint a receiver or conservator for a depository institution that is critically undercapitalized. The federal banking agencies have specified by regulation the relevant capital level for each category.

Under the final agency rule implementing the prompt corrective action provisions, a depository institution that (1) has a Total Capital ratio of 10% or greater, a Tier 1 Capital ratio of 6.0% or greater, and a Leverage Ratio of 5.0% or greater and (2) is not subject to any written agreement, order, capital directive, or prompt corrective action directive issued by the appropriate federal banking agency is deemed to be "well capitalized." A depository institution with a Total Capital ratio of 8.0% or greater, a Tier 1 Capital ratio of 4.0% or greater, and a Leverage Ratio of 4.0% or greater is considered to be "adequately capitalized." A depository institution that has a Total Capital ratio of less than 8.0%, a Tier 1 Capital ratio of less than 4.0%, or a Leverage Ratio of less than 4.0% is considered to be "undercapitalized." A depository institution that has a Total Capital ratio of less than 6.0%, a Tier 1 Capital ratio of less than 3.0%, or a Leverage Ratio of less than 3.0% is considered to be "significantly undercapitalized," and a depository institution that has a tangible equity capital to assets ratio equal to or less than 2.0% is deemed to be "critically undercapitalized." For purposes of the regulation, the term "tangible equity" includes core capital elements counted as Tier 1 Capital for purposes of the risk-based capital standards plus the amount of outstanding cumulative perpetual preferred stock (including related surplus), minus all intangible assets with certain exceptions. A depository institution may be deemed to be in a capitalization category that is lower than is indicated by its actual capital position if it receives an unsatisfactory examination rating.

A depository institution that is categorized as undercapitalized, significantly undercapitalized, or critically undercapitalized is required to submit an acceptable capital restoration plan to its appropriate federal banking agency. Although the prompt corrective action system does not apply to holding companies of banks and other depository institutions, a bank holding company must guarantee that a subsidiary depository institution meet its capital restoration plan, subject to certain limitations. The obligation of a controlling bank holding company to fund a capital restoration plan is limited to the lesser of 5.0% of an undercapitalized subsidiary's assets or the amount required to meet regulatory capital requirements. An undercapitalized institution is also generally prohibited from increasing its average total assets, making acquisitions, establishing any branches, or engaging in any new line of business, except in accordance with an accepted capital restoration plan or with the approval of the FDIC. In addition, the appropriate federal banking

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

agency is given authority with respect to any undercapitalized depository institution to take any of the actions it is required to or may take with respect to a significantly undercapitalized institution as described below if it determines "that those actions are necessary to carry out the purpose" of the law.

At June 30, 2001, Regions Bank and Park Meridian Bank had the requisite capital levels to qualify as well capitalized.

FDIC INSURANCE ASSESSMENTS

The FDIC currently uses a risk-based assessment system for insured depository institutions that takes into account the risks attributable to different categories and concentrations of assets and liabilities. The risk-based assessment system, which went into effect on January 1, 1994, assigns an institution to one of three capital categories: (1) well capitalized; (2) adequately capitalized; and (3) undercapitalized. These three categories are substantially similar to the prompt corrective action categories described above, with the "undercapitalized" category including institutions that are undercapitalized, significantly undercapitalized, and critically undercapitalized for prompt corrective action purposes. An institution is also assigned by the FDIC to one of three supervisory subgroups within each capital group. The supervisory subgroup to which an institution is assigned is based on a supervisory evaluation provided to the FDIC by the institution's primary federal regulator and information which the FDIC determines to be relevant to the institution's financial condition and the risk posed to the deposit insurance funds (which may include, if applicable, information provided by the institution's state supervisor). An institution's insurance assessment rate is then determined based on the capital category and supervisory category to which it is assigned. Under the final risk-based assessment system, there are nine assessment risk classifications (i.e., combinations of capital groups and supervisory subgroups) to which different assessment rates are applied.

The FDIC recently has proposed changes to its assessment system that are designed to require premium payments by a greater number of banks and other FDIC-insured depository institutions and that also would provide rebates to some institutions. If any of these changes were to take effect, the assessment obligations of the subsidiary banks of Regions and Park Meridian could change.

The FDIC may terminate an institution's insurance of deposits upon a finding that the institution has engaged in unsafe and unsound practices, is in an unsafe or unsound condition to continue operations, or has violated any applicable law, regulation, rule, order, or condition imposed by the FDIC.

DESCRIPTION OF REGIONS COMMON STOCK

Regions is authorized to issue 500,000,000 shares of Regions common stock and 5,000,000 shares of preferred stock. At June 30, 2001, 229,133,874 shares of Regions common stock were issued, including 1,500,000 treasury shares, and 227,633,874 shares were issued and outstanding. At that date no preferred stock was issued. No other class of stock is authorized.

Holders of Regions common stock are entitled to receive such dividends as may be declared by the board of directors out of funds legally available therefor. The ability of Regions to pay dividends is

affected by the ability of its subsidiary institutions to pay dividends, which

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

is limited by applicable regulatory requirements and capital guidelines. At June 30, 2001, under such requirements and guidelines, Regions' subsidiary institutions had \$340 million of undivided profits legally available for the payment of dividends. See "Supervision and Regulation-Payment of Dividends."

For a further description of Regions common stock, see "Effect of the Merger on Rights of Shareholders."

STOCKHOLDER PROPOSALS

Regions expects to hold its next annual meeting of stockholders after the merger during May 2002. Under SEC rules, proposals of Regions stockholders intended to be presented at that meeting must be received by Regions at its principal executive offices by December 11, 2001, for consideration by Regions for possible inclusion in the proxy statement relating to that meeting.

Park Meridian will only hold its 2002 annual meeting if we do not complete the merger. In the event that Park Meridian does hold an annual meeting in 2002, proposals of Park Meridian shareholders intended to be presented at that meeting must be received by Park Meridian at its principal executive offices by December 16, 2001 for consideration by Park Meridian for possible inclusion in the proxy statement relating to that meeting.

FORWARD LOOKING STATEMENTS

The information contained in this proxy statement-prospectus, including information incorporated by reference in this document, contains forward-looking statements concerning the financial condition, results of operations and business of Regions following the completion of the proposed merger with Park Meridian, the anticipated financial and other benefits of the proposed merger and Regions' current views with respect to future events and financial performance. Regions' management believes that these forward-looking statements are reasonable, however, you should not place undue reliance on these statements as they are based only on current expectations and general assumptions and are subject to various risks, uncertainties, and other factors that may cause actual results to differ materially from the views, beliefs, and projections expressed in such statements. Such forward-looking statements are made in good faith by Regions pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995.

The words "believe," "expect," "anticipate," "project," and similar expressions signify forward-looking statements. Readers are cautioned not to place undue reliance on any forward-looking statements made by or on behalf of Regions. Any such statement speaks only as of the date the statement was made. Regions undertakes no obligation to update or revise any forward-looking statements.

Some factors which may affect the accuracy of the forward-looking statements apply generally to the financial services industry, including:

- the easing of restrictions on participants in the financial services industry, such as banks, securities brokers and dealers, investment companies, and finance companies, may increase Regions' competitive pressures;

- possible changes in interest rates may increase Regions' funding costs

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

and reduce Regions' earning asset yields, thus reducing margins;

- possible changes in general economic and business conditions in the United States and the Southeast in general and in the communities we serve in particular may lead to a deterioration in credit quality, thereby increasing Regions' provisioning costs, or a reduced demand for credit, thereby reducing earning assets;
- possible changes in trade, monetary and fiscal policies, laws, and regulations, and other activities of governments, agencies, and similar organizations, including changes in accounting standards, may have an adverse effect on Regions' business; and
- possible changes in consumer and business spending and saving habits could have an effect on Regions' ability to increase assets and to attract deposits.

Other factors which may affect the accuracy of the forward-looking statements are specific to Regions, including:

- the cost and other effects of material contingencies, including litigation contingencies;
- the ability to expand into new markets and to maintain profit margins in the face of pricing pressures;
- the ability to keep pace with technological changes;
- the ability to develop competitive new products and services in a timely manner and the acceptance of such products and services by Regions' customers and potential Regions customers;
- the ability to effectively manage interest rate risk, credit risk and operational risk;
- the ability to manage fluctuations in the value of Regions' assets and liabilities and off-balance sheet exposures so as to maintain sufficient capital liquidity to support Regions' business;
- the matters described under "Risk Factors," and
- the ability to achieve the earnings expectations related to the businesses that we have recently acquired or may acquire in the future (including the Park Meridian transaction), which in turn depends on a variety of factors, including: the ability to achieve in a timely manner anticipated cost savings and revenue enhancements with respect to acquired operations; the assimilation of acquired operations to the Regions corporate culture, including the ability to instill Regions' credit practices and efficient approach to acquired operations; the ability to retain existing customers and employees of acquired operations; and the continued growth of the markets that the acquired entities serve, consistent with recent historical experience.

The Boards of Directors of Park Meridian and Regions are of the opinion that the transactions described herein are in the best interests of the parties to this Agreement and their respective stockholders. This Agreement provides for the acquisition of Park Meridian by Regions pursuant to the merger of Park Meridian with and into Regions. At the effective time of the merger, the outstanding shares of the capital stock of Park Meridian shall be converted into shares of the common stock of Regions (except as provided herein). MANNER OF CONVERTING SHARES

3.1 Conversion of Shares. Subject to the provisions of this Article 3, at the Effective Time, by virtue of the Merger and without any action on the part of Regions or Park Meridian, or the stockholders of either of the foregoing, the shares of the constituent corporations shall be converted as follows:

(a) Each share of Regions Common Stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding from and after the Effective Time.

(b) Each share of Park Meridian Common Stock, excluding shares held by any Park Meridian Company or any Regions Company, in each case other than

in a fiduciary capacity or as a result of debts previously contracted, issued and outstanding at the Effective Time shall cease to be outstanding and shall be converted into .55 of a share of Regions Common Stock (subject to adjustment as set forth in the following proviso, the "Exchange Ratio"); provided that in the event the Average Price is less than \$29.00, the Exchange Ratio shall be equal to the quotient obtained by dividing (i) the product of \$29.00 and the Exchange Ratio (as then in effect) by (ii) the Average Price.

3.2 Anti-Dilution Provisions. In the event Park Meridian changes the number of shares of Park Meridian Common Stock issued and outstanding prior to the Effective Time as a result of a stock split, reverse stock split, stock dividend, or similar recapitalization with respect to such stock, the Exchange Ratio shall be

A-6

proportionately adjusted. In the event Regions changes the number of shares of Regions Common Stock issued and outstanding prior to the Effective Time as a result of a stock split, reverse stock split, stock dividend, or similar recapitalization with respect to such stock and the record date therefor (in the case of a stock dividend) or the effective date thereof (in the case of a stock split or similar recapitalization for which a record date is not established) shall be prior to the Effective Time, the Exchange Ratio shall be proportionately adjusted.

3.3 Shares Held by Park Meridian or Regions. Each of the shares of Park Meridian Common Stock held by any Park Meridian Company or by any Regions Company, in each case other than in a fiduciary capacity or as a result of debts previously contracted, shall be canceled and retired at the Effective Time and no consideration shall be issued in exchange therefor.

3.4 Dissenting Stockholders. Any holder of shares of Park Meridian Common Stock who perfects such holder's dissenters' rights of appraisal in accordance with and as contemplated by Article 13 of the NCBCA shall be entitled to receive the value of such shares in cash as determined pursuant to such provision of Law; provided, however, that no such payment shall be made to any dissenting stockholder unless and until such dissenting stockholder has complied with the applicable provisions of the NCBCA and surrendered to the Surviving Corporation the certificate or certificates representing the shares for which payment is being made. In the event that after the Effective Time a dissenting stockholder of Park Meridian fails to perfect, or effectively withdraws or loses, such holder's right to appraisal and of payment for such holder's shares, Regions shall issue and deliver the consideration to which such holder of shares of Park Meridian Common Stock is entitled under this Article 3 (without interest) upon surrender by such holder of the certificate or certificates representing shares of Park Meridian Common Stock held by such holder.

3.5 Fractional Shares. Notwithstanding any other provision of this Agreement, each holder of shares of Park Meridian Common Stock exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Regions Common Stock shall receive, in lieu thereof, cash (without interest) in an amount equal to a fractional part of a share of Regions Common Stock multiplied by the market value of one share of Regions Common Stock at the Effective Time. The market value of one share of Regions Common Stock at the Effective Time shall be the last sale price of Regions Common Stock at the close of regular trading on the Nasdaq NMS (as reported by The Wall Street Journal or, if not reported thereby, any other authoritative source agreed to by Park Meridian and Regions) on the last trading day preceding the Effective Time. 3.6 Conversion of Stock Rights.

(a) At the Effective Time, all rights with respect to Park Meridian Common Stock pursuant to stock options or stock appreciation rights ("Park Meridian Options") granted by Park Meridian under the Park Meridian Stock Plans, which are outstanding at the Effective Time, whether or not exercisable, shall be converted into and become rights with respect to Regions Common Stock, and Regions shall assume each Park Meridian Option, in accordance with the terms of the Park Meridian Stock Plan and stock option agreement by which it is evidenced. From and after the Effective Time, (i) each Park Meridian Option assumed by Regions may be exercised solely for shares of Regions Common Stock (or cash in the case of stock appreciation rights), (ii) the number of shares of Regions Common Stock subject to such Park Meridian Option shall be equal to the number of shares of Park Meridian Common Stock subject to such Park Meridian Option immediately prior to the Effective Time multiplied by the Exchange Ratio, and (iii) the per share exercise price under each such Park Meridian Option shall be adjusted by dividing the per share exercise price under each such Park Meridian Option by the Exchange Ratio and rounding down to the nearest cent. It is intended that the foregoing assumption shall be undertaken in a manner that will not constitute a "modification" as defined in Section 424 of the Internal Revenue Code, as to any stock option which is an "incentive stock option." Park Meridian and Regions agree to take all necessary steps to effectuate the foregoing provisions of this Section 3.6.

(b) As soon as reasonably practicable after the Effective Time, Regions shall file a registration statement on Form S-3 or S-8, as the case may be (or any successor or other appropriate forms), with

A-7

respect to the shares of Regions Common Stock subject to such options and shall use its reasonable efforts to maintain the effectiveness of such registration statement (and maintain the current status of the prospectus or prospectuses therein) for so long as such options remain outstanding.

(c) As soon as reasonably practicable after the Effective Time, Regions shall deliver to the participants in each of the Park Meridian Stock Plans an appropriate notice setting forth such participant's rights pursuant thereto and the grants pursuant to such Park Meridian Stock Plan shall continue in effect on the same terms and conditions (subject to the adjustments required by Section 3.6(a) of this Agreement after giving effect to the Merger), and Regions shall comply with the terms of each of the Park Meridian Stock Plans to ensure, to the extent required by, and subject to the provisions of, such Park Meridian Stock Plan, that Park Meridian Options that qualified as incentive stock options prior to the Effective Time continue to qualify as incentive stock options after the Effective Time. At or prior to the Effective Time, Regions shall take all corporate action necessary to reserve for issuance sufficient shares of Regions Common Stock for delivery upon exercise of Park Meridian Options assumed by it in accordance with this Section 3.6.

ARTICLE 4

EXCHANGE OF SHARES

4.1 Exchange Procedures.

(a) As soon as reasonably practicable after the Effective Time, Regions and Park Meridian shall cause the exchange agent selected by Regions (the "Exchange Agent") to mail to the former stockholders of Park

Meridian appropriate transmittal materials (which shall specify that delivery shall be effected, and risk of loss and title to the certificates theretofore representing shares of Park Meridian Common Stock shall pass, only upon proper delivery of such certificates to the Exchange Agent). After the Effective Time, Regions shall cause each holder of shares of Park Meridian Common Stock (other than shares to be canceled pursuant to Section 3.3 of this Agreement or as to which dissenters' rights of appraisal as contemplated by Section 3.4 of this Agreement have been perfected and not withdrawn or forfeited under Article 13 of the NCBCA) issued and outstanding at the Effective Time promptly upon surrender of the certificate or certificates representing such shares to the Exchange Agent, to receive in exchange therefor the consideration provided in Section 3.1 of this Agreement, together with all undelivered dividends and other distributions in respect of such shares (without interest thereon) pursuant to Section 4.2 of this Agreement. To the extent required by Section 3.5 of this Agreement, each holder of shares of Park Meridian Common Stock issued and outstanding at the Effective Time also shall receive, upon surrender of the certificate or certificates representing such shares, cash in lieu of any fractional share of Regions Common Stock to which such holder may be otherwise entitled (without interest). Until so surrendered, each outstanding certificate of Park Meridian Common Stock shall be deemed for all purposes, other than as provided below with respect to the payment of dividends or other distributions payable to the holders of shares of Regions Common Stock, to represent the consideration into which the number of shares of Park Meridian Common Stock represented thereby prior to the Effective Time shall have been converted. Regions shall not be obligated to deliver the consideration to which any former holder of Park Meridian Common Stock is entitled as a result of the Merger until such holder surrenders such holder's certificate or certificates representing the shares of Park Meridian Common Stock for exchange as provided in this Section 4.1. The certificate or certificates of Park Meridian Common Stock so surrendered shall be duly endorsed as the Exchange Agent may require. Any other provision of this Agreement notwithstanding, neither the Surviving Corporation, Park Meridian, nor the Exchange Agent shall be liable to a holder of Park Meridian Common Stock for any amounts paid or property delivered in good faith to a public official pursuant to any applicable abandoned property Law.

(b) In the event any Park Meridian Common Stock certificate shall have been lost, stolen, or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen, or destroyed and, if required by Regions, the posting by such person of a bond in such amount as Regions may reasonably direct as indemnity against any claim that may be made against it with respect to

A-8

such certificate, the Exchange Agent shall issue in exchange for such lost, stolen, or destroyed certificate, the consideration deliverable in respect thereof pursuant to this Agreement.

4.2 Rights of Former Park Meridian Stockholders. At the Effective Time, the stock transfer books of Park Meridian shall be closed as to holders of Park Meridian Common Stock immediately prior to the Effective Time and no transfer of Park Meridian Common Stock by any such holder shall thereafter be made or recognized. Until surrendered for exchange in accordance with the provisions of Section 4.1 of this Agreement, each certificate theretofore representing shares of Park Meridian Common Stock (other than shares to be canceled pursuant to Section 3.3 of this Agreement or as to which dissenters' rights of appraisal as contemplated by Section 3.4 of this Agreement have been perfected and not withdrawn or forfeited under Article 13 of the NCBCA) shall from and after the Effective Time represent for all purposes only the right to receive the

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

consideration provided in Sections 3.1 and 3.5 of this Agreement in exchange therefor, subject, however, to the Surviving Corporation's obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which have been declared or made by Park Meridian in respect of such shares of Park Meridian Common Stock in accordance with the terms of this Agreement and which remain unpaid at the Effective Time. To the extent permitted by Law, former holders of record of Park Meridian Common Stock at the Effective Time (other than holders of shares as to which dissenters' rights of appraisal as contemplated by Section 3.4 of this Agreement have been perfected and not withdrawn or forfeited under Article 13 of the NCBCA) shall be entitled to vote after the Effective Time at any meeting of Regions stockholders the number of whole shares of Regions Common Stock into which their respective shares of Park Meridian Common Stock are converted, regardless of whether such holders have exchanged their certificates representing Park Meridian Common Stock for certificates representing Regions Common Stock in accordance with the provisions of this Agreement. Whenever a dividend or other distribution is declared by Regions on the Regions Common Stock, the record date for which is at or after the Effective Time, the declaration shall include dividends or other distributions on all shares of Regions Common Stock issuable pursuant to this Agreement, but no dividend or other distribution payable to the holders of record of Regions Common Stock as of any time subsequent to the Effective Time shall be delivered to the holder of any certificate representing shares of Park Meridian Common Stock issued and outstanding at the Effective Time until such holder surrenders such certificate for exchange as provided in Section 4.1 of this Agreement. However, upon surrender of such Park Meridian Common Stock certificate, both the Regions Common Stock certificate (together with all such undelivered dividends or other distributions without interest) and any undelivered dividends and cash payments to be paid for fractional share interests (without interest) shall be delivered and paid with respect to each share represented by such certificate.

7.1 Affirmative Covenants of Both Parties. Unless the prior written consent of the other Party shall have been obtained, and except as otherwise expressly contemplated herein, each Party shall and shall cause each of its Subsidiaries to (i) operate its business only in the usual, regular, and ordinary course, (ii) use its reasonable efforts to preserve intact its business organization and Assets and maintain its rights and franchises, (iii) use its reasonable efforts to maintain its current employee relationships, and (iv) except as may be required by Law, take no action which would (a) adversely affect the ability of any Party to obtain any Consents required for the transactions contemplated hereby, or (b) adversely affect the ability of any Party to perform its covenants and agreements under this Agreement; provided, that the foregoing shall not prevent any Regions Company from discontinuing or disposing of any of its Assets or business, or from acquiring or agreeing to acquire any other Person or any Assets thereof, if such action is, in the reasonable good faith judgment of Regions, desirable in the conduct of the business of Regions and its Subsidiaries.

7.2 Negative Covenants of Park Meridian. From the date of this Agreement until the earlier of the Effective Time or the termination of this Agreement, except as specifically contemplated by this Agreement, Park Meridian covenants and agrees that it will not do or agree or commit to do, or permit any of its Subsidiaries to do or agree or commit to do, any of the following without the prior written consent of Regions, which consent shall not be unreasonably withheld:

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

(d) except for this Agreement or pursuant to the exercise of Rights outstanding as of the date of this Agreement and pursuant to the terms thereof in existence on the date of this Agreement, (i) issue, sell, pledge, encumber, authorize the issuance of, (ii) enter into any Contract to issue, sell, pledge, encumber, or authorize the issuance of, or (iii) otherwise permit to become outstanding, any additional shares of Park Meridian Common Stock or any capital stock of any Park Meridian Company, or any stock appreciation rights, or any option, warrant, conversion, or other right to acquire any such stock, or any security convertible into any such stock; or

(e) adjust, split, combine, or reclassify any capital stock of any Park Meridian Company or issue or authorize the issuance of any other securities in respect of or in substitution for shares of Park Meridian Common Stock (other than upon the exercise of existing Rights), or sell, lease, mortgage, or otherwise dispose of or otherwise encumber (i) any shares of capital stock of any Park Meridian Subsidiary (unless any such shares of stock are sold or otherwise transferred to another Park Meridian Company), or (ii) any Asset other than in the ordinary course of business for reasonable and adequate consideration and other than dispositions in the ordinary course of business consistent with past practice; or

(f) (i) grant any increase in compensation or benefits to the employees, officers, or directors of any Park Meridian Company, except as required by Law, (ii) pay any severance or termination pay or any bonus other than pursuant to written policies or written Contracts in effect on the date of this Agreement, (iii) enter into or amend any severance agreements with officers of any Park Meridian Company; (iv) grant any increase in fees or other increases in compensation or other benefits to directors of any Park Meridian Company; or (v) voluntarily accelerate the vesting of any stock options or other stock-based compensation or employee benefits; or

(g) enter into or amend any employment Contract between any Park Meridian Company and any Person (unless such amendment is required by Law) that the Park Meridian Company does not have the unconditional right to terminate without Liability (other than Liability for services already rendered and in accordance with the Park Meridian Benefit Plans), at any time on or after the Effective Time; or

(h) adopt any new employee benefit plan of any Park Meridian Company or make any Material change in or to any existing employee benefit plans of any Park Meridian Company other than any such change that is required by Law or that, in the opinion of counsel, is necessary or advisable to maintain the tax qualified status of any such plan; or

(i) make any significant change in any Tax or accounting methods, Material elections, or systems of internal accounting controls, except as may be appropriate to conform to changes in Tax Laws or regulatory accounting requirements or GAAP; or

(j) commence any Litigation other than as deemed necessary or advisable in the good faith judgment of management for the prudent operation of its business or settle any Litigation involving any Liability of any Park Meridian Company for Material money damages or Material restrictions upon the operations of any Park Meridian Company; or

promptly to the other Party upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of its Subsidiaries which (i) is reasonably likely to have, individually or in the aggregate, a Material Adverse Effect on it, or (ii) would cause or constitute a Material breach of any of its representations, warranties, or covenants contained herein, and to use its reasonable efforts to prevent or promptly to remedy the same.

7.4 Reports. Each Party and its Subsidiaries shall file all reports required to be filed by it with Regulatory Authorities between the date of this Agreement and the Effective Time and shall deliver to the other Party copies of all such reports promptly after the same are filed.

ADDITIONAL AGREEMENTS

8.1 Registration Statement; Proxy Statement; Stockholder Approval. As soon as reasonably practicable after execution of this Agreement, Regions shall file the Registration Statement with the SEC, and shall use its reasonable efforts to cause the Registration Statement to become effective under the 1933 Act and take any action required to be taken under the applicable state Blue Sky or securities Laws in connection with the issuance of the shares of Regions Common Stock upon consummation of the Merger. Park Meridian shall furnish all information concerning it and the holders of its capital stock as Regions may reasonably request for inclusion in the Registration Statement. Park Meridian shall call a Stockholders' Meeting, to be held as soon as reasonably practicable after the Registration Statement is declared effective by the SEC, for the purpose of voting upon approval of this Agreement and such other related matters as it deems appropriate. In connection with the Stockholders' Meeting, (i) Park Meridian shall prepare and file with the SEC a Proxy Statement and mail such Proxy Statement to its stockholders, (ii) each Party shall furnish to the other all information concerning them that such other Party may reasonably request in connection with such Proxy Statement, (iii) the Board of Directors of Park Meridian shall recommend to its stockholders the approval of the matters submitted for approval, and (iv) the Board of Directors of Park Meridian shall use its reasonable efforts to obtain such stockholders' approval, provided that Park Meridian may withdraw, modify, or change in an adverse manner to Regions its recommendations if the Board of Directors of Park Meridian, after having consulted with and based upon the advice of outside counsel, determines in good faith that the failure to so withdraw, modify, or change its recommendation could reasonably constitute a breach of the fiduciary duties of Park Meridian's Board of Directors under applicable Law. In addition, nothing in this Section 8.1 or elsewhere in this Agreement shall prohibit accurate disclosure by Park Meridian of information that is required to be disclosed in the Registration Statement or the Proxy Statement or in any other document required to be filed with the SEC (including, without limitation, a Solicitation/Recommendation Statement on Schedule 14D-9) or otherwise required to be publicly disclosed by applicable Law or regulations or rules of the NASD.

8.2 Applications. As soon as reasonably practicable after the execution of this Agreement, Regions shall prepare and file, and Park Meridian shall cooperate in the preparation and, where appropriate, filing of, applications with all Regulatory Authorities having jurisdiction over the transactions contemplated by this Agreement seeking the requisite Consents necessary to consummate the transactions contemplated by this Agreement. Regions shall use all reasonable efforts to obtain the requisite Consents of all Regulatory Authorities as soon as reasonably practicable after the filing of the appropriate applications. Regions will promptly furnish to Park Meridian copies

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

of applications filed with all Regulatory Authorities and copies of written communications received by Regions from any Regulatory Authorities with respect to the transactions contemplated hereby.

8.3 Filings with State Offices. Upon the terms and subject to the conditions of this Agreement, Regions shall execute and file the Delaware Certificate of Merger with the Secretary of State of the State of Delaware and the North Carolina Articles of Merger with the Secretary of State of the State of North Carolina in connection with the Closing.

8.4 Agreement as to Efforts to Consummate. Subject to the terms and conditions of this Agreement, each Party agrees to use, and to cause its Subsidiaries to use, its reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws to consummate and make effective, as soon as reasonably practicable after the date of this Agreement, the transactions contemplated by this Agreement, including, without limitation, using its reasonable efforts to lift or rescind any Order adversely affecting its ability to consummate the transactions contemplated herein and to cause to be satisfied the conditions referred to in Article 9 of this Agreement; provided, that nothing herein shall preclude either Party from exercising its rights under this Agreement. Subject to the terms and conditions of this Agreement, each Party shall use, and shall cause each of its Subsidiaries to use, its reasonable efforts to obtain as promptly as practicable all Consents necessary or desirable for the consummation of the transactions contemplated by this Agreement.

A-24

8.5 Investigation and Confidentiality.

(a) Prior to the Effective Time, each Party shall keep the other Party advised of all Material developments relevant to its business and to consummation of the Merger and shall permit the other Party to make or cause to be made such investigation of the business and properties of it and its Subsidiaries and of their respective financial and legal conditions as the other Party reasonably requests, provided that such investigation shall be reasonably related to the transactions contemplated hereby and shall not interfere unnecessarily with normal operations. No investigation by a Party shall affect the representations and warranties of the other Party.

(b) Each Party shall, and shall cause its advisers and agents to, maintain the confidentiality of all confidential information furnished to it by the other Party concerning its and its Subsidiaries' businesses, operations, and financial positions to the extent required by, and in accordance with confidentiality agreements between the Parties, and shall not use such information for any purpose except in furtherance of the transactions contemplated by this Agreement. If this Agreement is terminated prior to the Effective Time, each Party shall promptly return or certify the destruction of all documents and copies thereof, and copies of all work papers containing confidential information received from the other Party.

(c) Each Party agrees to give the other Party notice as soon as practicable after any determination by it of any fact or occurrence relating to the other Party which it has discovered through the course of its investigation and which represents, or is reasonably likely to represent, either a Material breach of any representation, warranty, covenant, or agreement of the other Party or which has had or is reasonably likely to have a Material Adverse Effect on the other Party; provided, however, that the giving of such notice shall not be dispositive of the

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

occurrence of such breach or a Material Adverse Effect.

(d) Neither Party nor any of their respective Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of its customers, jeopardize the attorney-client or similar privilege with respect to such information or contravene any Law, rule, regulation, Order, judgment, decree, fiduciary duty, or agreement entered into prior to the date of this Agreement. The Parties will use their reasonable efforts to make appropriate substitute disclosure arrangements, to the extent practicable, in circumstances in which the restrictions of the preceding sentence apply.

8.6 Press Releases. Prior to the Effective Time, Regions and Park Meridian shall consult with each other as to the form and substance of any press release Materially related to this Agreement or any other transaction contemplated hereby; provided, that nothing in this Section 8.6 shall be deemed to prohibit any Party from making any disclosure which its counsel deems necessary or advisable in order to satisfy such Party's disclosure obligations imposed by Law.

8.7 No Solicitation. Except with respect to this Agreement and the transactions contemplated hereby, Park Meridian agrees that it shall not, and shall use its reasonable efforts to cause its officers, directors, agents, Affiliates, and Representatives not to, directly or indirectly, initiate, solicit, encourage or knowingly facilitate (including by way of furnishing confidential information) any inquiries or the making of any Acquisition Proposal. Notwithstanding anything herein to the contrary, Park Meridian and its Board of Directors shall be permitted (i) to the extent applicable, to comply with Rule 14d-9 and Rule 14e-2 promulgated under the 1934 Act with regard to an Acquisition Proposal, (ii) to engage in any discussions or negotiations with, or provide any information to, any Person in response to an unsolicited bona fide written Acquisition Proposal by any such Person, if and only to the extent that (a) Park Meridian's Board of Directors concludes in good faith and consistent with its fiduciary duties to Park Meridian's stockholders under applicable Law that such Acquisition Proposal could reasonably be expected to result in a Superior Proposal, (b) prior to providing any information or data to any Person in connection with an Acquisition Proposal by any such Person, Park Meridian's Board of Directors receives from such Person an executed confidentiality agreement containing terms at least as stringent as those contained in the Park Meridian Confidentiality Agreement, and (c) prior to providing any information or data to any Person or entering into discussions or negotiations with any Person, Park Meridian's Board of Directors notifies Regions promptly of such inquiries, proposals, or offers received by, any such information requested from, or any such discussions or negotiations sought to be initiated or

A-25

continued with, any of its Representatives indicating, in connection with such notice, the name of such Person and the Material terms and conditions of any inquiries, proposals or offers. Park Meridian agrees that it will promptly keep Regions informed of the status and terms of any such proposals or offers and the status and terms of any such discussions or negotiations. Park Meridian agrees that it will, and will cause its officers, directors and Representatives to, immediately cease and cause to be terminated any activities, discussions, or negotiations existing as of the date of this Agreement with any parties conducted heretofore with respect to any Acquisition Proposal. Park Meridian agrees that it will use reasonable best efforts to promptly inform its directors, officers, key employees, agents, and Representatives of the obligations undertaken in this Section 8.7. Nothing in this Section 8.7 shall (i) permit Park Meridian to terminate this Agreement (except as specifically provided in Article 10 of this Agreement) or (ii) affect any other obligation of Regions or Park Meridian under this Agreement.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

8.8 Tax Treatment. Each of the Parties undertakes and agrees to use its reasonable efforts to cause the Merger, and to take no action which would cause the Merger not, to qualify for treatment as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code for federal income tax purposes.

8.9 Agreement of Affiliates. Park Meridian has disclosed in Section 8.9 of the Park Meridian Disclosure Memorandum each Person whom it reasonably believes may be deemed an "affiliate" of Park Meridian for purposes of Rule 145 under the 1933 Act. Park Meridian shall use its reasonable efforts to cause each such Person to deliver to Regions not later than the Effective Time, a written agreement, in substantially the form of Exhibit 3, providing that such Person will not sell, pledge, transfer, or otherwise dispose of the shares of Park Meridian Common Stock held by such Person except as contemplated by such agreement or by this Agreement and will not sell, pledge, transfer, or otherwise dispose of the shares of Regions Common Stock to be received by such Person upon consummation of the Merger except in compliance with applicable provisions of the 1933 Act and the rules and regulations thereunder. Shares of Regions Common Stock issued to such affiliates of Park Meridian in exchange for shares of Park Meridian Common Stock shall not be transferable, regardless of whether each such affiliate has provided the written agreement referred to in this Section 8.9 (and Regions shall be entitled to place restrictive legends upon certificates for shares of Regions Common Stock issued to affiliates of Park Meridian pursuant to this Agreement to enforce the provisions of this Section 8.9), except as provided herein. Regions shall not be required to maintain the effectiveness of the Registration Statement under the 1933 Act for the purposes of resale of Regions Common Stock by such affiliates.

8.10 Employee Benefits and Contracts. Following the Effective Time, Regions shall provide generally to officers and employees of the Park Meridian Companies, who at or after the Effective Time become employees of a Regions Company ("Continuing Employees"), employee benefits under employee benefit plans (other than stock option or other plans involving the potential issuance of Regions Common Stock except as set forth in this Section 8.10), on terms and conditions which when taken as a whole are substantially similar to those currently provided by the Regions Companies to their similarly situated officers and employees. For purposes of participation and vesting (but not accrual of benefits) under such employee benefit plans, (i) service under any qualified defined benefit plans of Park Meridian shall be treated as service under Regions' qualified defined benefit plans, (ii) service under any qualified defined contribution plans of Park Meridian shall be treated as service under Regions' qualified defined contribution plans, and (iii) service under any other employee benefit plans of Park Meridian shall be treated as service under any similar employee benefit plans maintained by Regions. Regions shall cause the Regions welfare benefit plans that cover the Continuing Employees after the Effective Time to (a) waive any waiting period and restrictions and limitations for preexisting conditions or insurability, and (b) cause any deductible, co-insurance, or maximum out-of-pocket payments made by the Continuing Employees under Park Meridian's welfare benefit plans to be credited to such Continuing Employees under the Regions welfare benefit plans, so as to reduce the amount of any deductible, co-insurance, or maximum out-of-pocket payments payable by the Continuing Employees under the Regions welfare benefit plans. The continued coverage of the Continuing Employees under the employee benefits plans maintained by Park Meridian and/or any Park Meridian Subsidiary immediately prior to the Effective Time during a transition period shall be deemed to provide the Continuing Employees with benefits that are no less favorable than those offered to other employees of Regions and its Subsidiaries,

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

provided that after the Effective Time there is no Material reduction (determined on an overall basis) in the benefits provided under the Park Meridian employee benefit plans. Regions also shall cause Park Meridian and its Subsidiaries to honor all employment, severance, consulting, and other compensation Contracts disclosed in Section 8.10 of the Park Meridian Disclosure Memorandum to Regions between any Park Meridian Company and any current or former director, officer, or employee thereof, and all provisions for vested benefits or other vested amounts earned or accrued through the Effective Time under the Park Meridian Benefit Plans. Regions shall be responsible for the fees related to the termination of the Park Meridian Benefit Plans.

8.11 Indemnification.

(a) From and after the Effective Time, in the event of any threatened or actual claim, action, suit, proceeding, or investigation, whether civil, criminal, or administrative, including, without limitation, any such claim, action, suit, proceeding or investigation in which any person who is now, or has been at any time prior to the date of this Agreement, or who becomes prior to the Effective Time, a director or officer of Park Meridian or any Park Meridian Subsidiary (the "Indemnified Parties") is, or is threatened to be, made a party based in whole or in part on, or arising in whole or in part out of, or pertaining to (i) the fact that he is or was a director, officer, or employee of Park Meridian, any of the Park Meridian Subsidiaries, or any of their respective predecessors, or (ii) this Agreement or any of the transactions contemplated hereby, whether in any case asserted or arising before or after the Effective Time, Regions shall indemnify and hold harmless, as and to the fullest extent permitted by Law, each such Indemnified Party against any Liability (including reasonable attorneys' fees and expenses in advance of the final disposition of any claim, suit, proceeding, or investigation to each Indemnified Party to the fullest extent permitted by Law upon receipt of any undertaking required by applicable Law), judgments, fines, and amounts paid in settlement in connection with any such threatened or actual claim, action, suit, proceeding, or investigation, and in the event of any such threatened or actual claim, action, suit, proceeding, or investigation (whether asserted or arising before or after the Effective Time), the Indemnified Parties may retain counsel reasonably satisfactory to them; provided, however, that (a) Regions shall have the right to assume the defense thereof and upon such assumption Regions shall not be liable to any Indemnified Party for any legal expenses of other counsel or any other expenses subsequently incurred by any Indemnified Party in connection with the defense thereof, except that if Regions elects not to assume such defense or counsel for the Indemnified Parties reasonably advises the Indemnified Parties that there are issues which raise conflicts of interest between Regions and the Indemnified Parties, the Indemnified Parties may retain counsel reasonably satisfactory to them, and Regions shall pay the reasonable fees and expenses of such counsel for the Indemnified Parties, (b) Regions shall not be liable for any settlement effected without its prior written consent (which consent shall not be unreasonably withheld), and (c) Regions shall have no obligation hereunder to any Indemnified Party when and if a court of competent jurisdiction shall ultimately determine, and such determination shall have become final and nonappealable, that indemnification of such Indemnified Party in the manner contemplated hereby is prohibited by applicable Law. Regions' obligations under this Section 8.11(a) continue in full force and effect for a period of six years after the Effective Time; provided, however, that all rights to indemnification in respect of any claim (a "Claim") asserted or made within such period shall continue until the final disposition of such Claim.

(b) Regions agrees that all rights to indemnification and all limitations on Liability existing in favor of the directors, officers, and employees of Park Meridian and its Subsidiaries (the "Covered Parties") as

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

provided in their respective Articles of Incorporation, Bylaws, or similar governing instruments as in effect as of the date of this Agreement with respect to matters occurring prior to the Effective Time shall survive the Merger and shall continue in full force and effect, and shall be honored by such entities, and by their respective successors as if such successors were the indemnifying party thereunder, without any amendment thereto, for a period of six years after the Effective Time; provided, however, that all rights to indemnification in respect of any Claim asserted or made within such period shall continue until the final disposition of such Claim; provided, further, however, that nothing contained in this Section 8.11(b) shall be deemed to preclude the liquidation, consolidation, or merger of Park Meridian or any Park Meridian

A-27

Subsidiary, in which case all of such rights to indemnification and limitations on Liability shall be deemed to so survive and continue notwithstanding any such liquidation, consolidation, or merger. Without limiting the foregoing, in any case in which approval by Regions is required to effectuate any indemnification, Regions shall direct, at the election of the Indemnified Party, that the determination of any such approval shall be made by independent counsel mutually agreed upon between Regions and the Indemnified Party.

(c) Regions, from and after the Effective Time, will directly or indirectly cause the persons who served as directors or officers of Park Meridian at or before the Effective Time to be covered by Park Meridian's existing directors' and officers' liability insurance policy (provided that Regions may substitute therefor policies of at least the same coverage and amounts containing terms and conditions which are not less advantageous than such policy). Such insurance coverage, shall commence at the Effective Time and will be provided for a period of no less than three years after the Effective Time.

(d) If Regions or any of its successors or assigns shall consolidate with or merge into any other Person and shall not be the continuing or surviving Person of such consolidation or merger or shall transfer all or substantially all of its Assets to any Person, then and in each case, proper provision shall be made so that the successors and assigns of Regions shall assume the obligations set forth in this Section 8.11.

(e) The provisions of this Section 8.11 are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives.

8.12 Exemption from Liability Under Section 16(b). Park Meridian shall take all such steps as may be required to cause the transactions contemplated by Section 3.1 of this Agreement and any other dispositions of Park Meridian equity securities (including derivative securities) in connection with this Agreement by each individual who is a director or officer of Park Meridian to be exempt under Rule 16b-3 promulgated under the 1934 Act.

ARTICLE 9

CONDITIONS PRECEDENT TO OBLIGATIONS TO CONSUMMATE

9.1 Conditions to Obligations of Each Party. The respective obligations of each Party to perform this Agreement and to consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by both Parties pursuant to Section 11.6 of this Agreement:

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

(a) Stockholder Approval. The stockholders of Park Meridian shall have approved this Agreement, and the consummation of the transactions contemplated hereby, as and to the extent required by Law and by the provisions of any governing instruments.

(b) Regulatory Approvals. All Consents of, filings and registrations with, and notifications to, all Regulatory Authorities required for consummation of the Merger shall have been obtained or made and shall be in full force and effect and all waiting periods required by Law shall have expired. No Consent obtained from any Regulatory Authority which is necessary to consummate the transactions contemplated hereby shall be conditioned or restricted in a manner (excluding requirements relating to the raising of additional capital or the disposition of Assets or deposits) which in the reasonable good faith judgment of the Board of Directors of Regions would so Materially adversely impact the economic or business benefits of the transactions contemplated by this Agreement so as to render inadvisable the consummation of the Merger.

(c) Consents and Approvals. Each Party shall have obtained any and all Consents required for consummation of the Merger (other than those referred to in Section 9.1(b) of this Agreement) or for the preventing of any Default under any Contract or Permit of such Party which, if not obtained or made, is reasonably likely to have, individually or in the aggregate, a Material Adverse Effect on such Party after the Effective Time and no Consent obtained which is necessary to consummate the transactions

A-28

contemplated hereby shall be conditioned or restricted in a manner which in the reasonable good faith judgment of the Board of Directors of Regions would so Materially adversely impact the economic or business benefits of the transactions contemplated by this Agreement so as to render inadvisable the consummation of the Merger.

(d) Legal Proceedings. No court or governmental or Regulatory Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced, or entered any Law or Order (whether temporary, preliminary, or permanent) which is then in effect which prohibits, restrains, or makes illegal consummation of the transactions contemplated by this Agreement.

(e) Registration Statement. The Registration Statement shall be effective under the 1933 Act, no stop orders suspending the effectiveness of the Registration Statement shall have been issued, and no action, suit, proceeding, or investigation by the SEC to suspend the effectiveness thereof shall have been initiated and be continuing.

(f) Tax Opinion. Each Party shall have received a written opinion from Alston & Bird LLP in a form reasonably satisfactory to such Party (the "Tax Opinion"), dated the date of the Effective Time, substantially to the effect that, (i) the Merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, (ii) no gain or loss will be recognized by holders of Park Meridian Common Stock who exchange all of their Park Meridian Common Stock solely for Regions Common Stock pursuant to the Merger (except with respect to any cash received in lieu of a fractional share interest in Regions Common Stock), (iii) the tax basis of the Regions Common Stock received (including fractional shares deemed received and redeemed) by holders of Park Meridian Common Stock who exchange all of their Park Meridian Common Stock solely for Regions Common Stock in the Merger will be the same as the tax basis of the Park Meridian Common Stock surrendered in exchange for the Regions Common Stock (reduced

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

by an amount allocable to a fractional share interest in Regions Common Stock deemed received and redeemed), and (iv) the holding period of the Regions Common Stock received (including fractional shares deemed received and redeemed) by holders who exchange all of their Park Meridian Common Stock solely for Regions Common Stock in the Merger will be the same as the holding period of the Park Meridian Common Stock surrendered in exchange therefor, provided that such Park Meridian Common Stock is held as a capital Asset at the Effective Time. In rendering such Tax Opinions, such counsel shall be entitled to rely upon representations of officers of Park Meridian and Regions reasonably satisfactory in form and substance to such counsel.

9.2 Conditions to Obligations of Regions. The obligations of Regions to perform this Agreement and consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by Regions pursuant to Section 11.6(a) of this Agreement:

(a) Representations and Warranties. For purposes of this Section 9.2(a), representations and warranties of Park Meridian set forth in this Agreement shall be accurate as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which speak as of the date of this Agreement or some other date shall speak only as of such date). The representations and warranties of Park Meridian set forth in Section 5.3 of this Agreement shall be true and correct (except for inaccuracies which are de minimis in amount). The representations and warranties of Park Meridian set forth in Sections 5.18, 5.20, and 5.21 of this Agreement shall be true and correct in all Material respects. There shall not exist inaccuracies in the representations and warranties of Park Meridian set forth in this Agreement (including the representations and warranties set forth in Sections 5.3, 5.18, 5.20, and 5.21 of this Agreement) such that the aggregate effect of such inaccuracies has, or is reasonably likely to have, a Material Adverse Effect on Park Meridian; provided that, for purposes of this sentence only, those representations and warranties which are qualified by references to "Material," "Material Adverse Effect," or variations thereof, or to the "Knowledge" of Park Meridian or to a matter being "known" by Park Meridian shall be deemed not to include such qualifications.

(b) Performance of Agreements and Covenants. Each and all of the agreements and covenants of Park Meridian to be performed and complied with pursuant to this Agreement and the other agreements

A-29

contemplated hereby prior to the Effective Time shall have been duly performed and complied with in all Material respects.

(c) Certificates. Park Meridian shall have delivered to Regions (i) a certificate, dated as of the Effective Time and signed on Park Meridian's behalf by its duly authorized officers, to the effect that the conditions set forth in Sections 9.2(a) and 9.2(b) of this Agreement have been satisfied, and (ii) certified copies of resolutions duly adopted by (1) Park Meridian's Board of Directors evidencing the taking of all corporate action necessary to authorize the execution, delivery, and performance of this Agreement, and the consummation of the transactions contemplated hereby, and (2) Park Meridian's stockholders evidencing the approval of this Agreement, all in such reasonable detail as Regions and its counsel shall request.

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by Park Meridian pursuant to Section 11.6(b) of this Agreement:

(a) Representations and Warranties. For purposes of this Section 9.3(a), the representations and warranties of Regions set forth in this Agreement shall be accurate as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which speak as of the date of this Agreement or some other date shall speak only as of such date). The representations and warranties of Regions set forth in Section 6.3 of this Agreement shall be true and correct (except for inaccuracies which are de minimis in amount). The representations and warranties of Regions set forth in Section 6.12 of this Agreement shall be true and correct in all Material respects. There shall not exist inaccuracies in the representations and warranties of Regions set forth in this Agreement (including the representations and warranties set forth in Sections 6.3 and 6.12 of this Agreement) such that the aggregate effect of such inaccuracies has, or is reasonably likely to have, a Material Adverse Effect on Regions; provided that, for purposes of this sentence only, those representations and warranties which are qualified by references to "Material," "Material Adverse Effect," or variations thereof, or to the "Knowledge" of Regions or to a matter being "known" by Regions shall be deemed not to include such qualifications.

(b) Performance of Agreements and Covenants. Each and all of the agreements and covenants of Regions to be performed and complied with pursuant to this Agreement and the other agreements contemplated hereby prior to the Effective Time shall have been duly performed and complied with in all Material respects.

(c) Certificates. Regions shall have delivered to Park Meridian (i) a certificate, dated as of the Effective Time and signed on Regions' behalf by its duly authorized officers, to the effect that the conditions set forth in Sections 9.3(a) and 9.3(b) of this Agreement have been satisfied, and (ii) certified copies of resolutions duly adopted by Regions' Board of Directors evidencing the taking of all corporate action necessary to authorize the execution, delivery, and performance of this Agreement, and the consummation of the transactions contemplated hereby, all in such reasonable detail as Park Meridian and its counsel shall request.

ARTICLE 10

TERMINATION

10.1 Termination. Notwithstanding any other provision of this Agreement, and notwithstanding the approval of this Agreement by the stockholders of Park Meridian, this Agreement may be terminated and the Merger abandoned at any time prior to the Effective Time:

Park Meridian Financial Corporation
P.O. Box 11816
Charlotte, NC 28220

Members of the Board:

You have requested our opinion as investment bankers as to the fairness, from a financial point of view, to the stockholders, ("Stockholders"), of Park Meridian Financial Corporation (the "Company") of the consideration to be received by such stockholders in the proposed merger (the "Merger") of the Company with Regions Financial Corporation ("Acquiror") pursuant to the Plan of Merger of Park Meridian Financial Corporation with and into Regions Financial Corporation (the "Merger Agreement"), between the Company and Acquiror. Upon the effectiveness of the Merger, each issued and outstanding share of the Company's Common Stock will be converted into .55 shares of the Acquiror's common stock.

In connection with rendering our opinion, we have reviewed and analyzed, among other things, the following: (i) the Merger Agreement; (ii) certain publicly available information concerning the Company and Acquiror, including the Annual Reports on Form 10-KSB of the Company for each of the years in the three year period ended December 31, 1998-2000 and the Annual Reports on Form 10-K of the Acquiror for each of the years in the three year period ended December 31, 1998-2000, the Quarterly Reports on Form 10-QSB of the Company and the Quarterly Reports on Form 10-Q of the Acquiror for the quarters ended March 31 and June 30, 2001, (iii) certain available financial forecasts concerning the business and operations of the Company and Acquiror that were prepared by management of the Company and Acquiror, respectively, and (iv) certain publicly available information with respect to other companies that we believe to be comparable in certain respects to the Company and Acquiror and the trading markets for such other companies' securities. We have held discussions with certain officers and employees of the Company and Acquiror to discuss the past and current business operations, financial condition and prospects of the Company and Acquiror, as well as matters we believe relevant to our inquiry. We have also considered other information, financial studies, analyses, investigations and financial, economic and market criteria that we deemed relevant.

In our review and analysis, we have assumed and relied upon the accuracy and completeness of all of the financial and other information provided us, or that is publicly available, and have not attempted independently to verify nor assumed responsibility for verifying any such information. With respect to the financial projections, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the Company or Acquiror, as the case may be, and we express no opinion with respect to such forecasts or the assumptions on which they are based. We have not made or obtained or assumed any responsibility for making or obtaining any independent evaluations or appraisals of any of the assets (including properties and facilities) or liabilities of the Company or Acquiror.

In conducting our analysis and arriving at our opinion as expressed herein, we have considered such financial and other factors that we have deemed appropriate under the circumstances, including the following: (i) the historical

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

and current financial position and results of operations of the Company and Acquiror; (ii) the historical and current market for the equity securities of the Company, Acquiror and other companies that we believe to be comparable in certain respects to the Company or Acquiror; (iii) the nature and terms of certain other acquisition transactions that we believe to be relevant; and (iv) the current and historical relationships between the trading levels of the Company's common stock and the Acquiror's common stock. We have taken into account our assessment of general economic, market and financial conditions and our knowledge of the banking industry, as well as our experience in connection with similar transactions and securities valuation generally.

B-1

Our opinion is based upon conditions as they exist and can be evaluated on the date hereof. Our opinion expressed below does not imply any conclusion as to the likely trading range for the Acquiror's Common Stock following the consummation of the Merger, which may vary depending upon, among other factors, changes in interest rates, dividend rates, market conditions, general economic conditions and factors that generally influence the price of securities. Our opinion does not address the Company's underlying business decision to effect the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration and does not constitute a recommendation concerning how holders of the Company's common stock should vote with respect to the Merger Agreement. The Orr Group was not requested to solicit third-party offers to acquire all of the Company immediately preceding or in connection with the process resulting in the proposed Merger. The Orr Group did not participate in the discussions and negotiations with respect to the proposed Merger. The Orr Group will receive a fee from the Company for delivery of this fairness opinion.

In rendering our opinion we have assumed that in the course of obtaining the necessary regulatory approvals for the Merger no restrictions will be imposed that would have a material adverse affect on the contemplated benefits of the Merger to the Company following the Merger. We understand that the Merger will qualify as a tax-free reorganization under the Internal Revenue Code and that, for accounting purposes, the Merger will be accounted for as a purchase.

Subject to the foregoing, it is our opinion that, as of the date hereof, the Merger consideration to be received by the Company's Stockholders is fair to such Stockholders from a financial point of view.

Very truly yours,

Laney G. Orr, III
Managing Director

ARTICLE 13 OF THE NORTH CAROLINA BUSINESS CORPORATION ACT

ARTICLE 13

PART I. RIGHT TO DISSENT AND OBTAIN PAYMENT FOR SHARES

SEC. 55-13-01. DEFINITIONS

In this Article:

- (1) "Corporation" means the issuer of the shares held by a dissenter

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

before the corporate action, or the surviving or acquiring corporation by merger or share exchange of that issuer.

(2) "Dissenter" means a shareholder who is entitled to dissent from corporate action under G.S. 55-13-02 and who exercises that right when and in the manner required by G.S. 55-13-20 through 55-13-28.

(3) "Fair value," with respect to a dissenter's shares, means the value of the shares immediately before the effectuation of the corporate action to which the dissenter objects, excluding any appreciation or depreciation in anticipation of the corporate action unless exclusion would be inequitable.

(4) "Interest" means interest from the effective date of the corporate action until the date of payment, at a rate that is fair and equitable under all the circumstances, giving due consideration to the rate currently paid by the corporation on its principal bank loans, if any, but not less than the rate provided in G.S. 24-1.

(5) "Record shareholder" means the person in whose name shares are registered in the records of a corporation or the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with a corporation.

(6) "Beneficial shareholder" means the person who is a beneficial owner of shares held in a voting trust or by a nominee as the record shareholder.

(7) "Shareholder" means the record shareholder or the beneficial shareholder.

SEC. 55-13-02. RIGHT TO DISSENT

(a) In addition to any rights granted under Article 9, a shareholder is entitled to dissent from, and obtain payment of the fair value of his shares in the event of, any of the following corporate actions:

(1) Consummation of a plan of merger to which the corporation (other than a parent corporation in a merger whose shares are not affected under G.S. 55-11-04) is a party unless (i) approval by the shareholders of that corporation is not required under G.S. 55-11-03(g) or (ii) such shares are then redeemable by the corporation at a price not greater than the cash to be received in exchange for such shares;

(2) Consummation of a plan of share exchange to which the corporation is a party as the corporation whose shares will be acquired, unless such shares are then redeemable by the corporation at a price not greater than the cash to be received in exchange for such shares;

(3) Consummation of a sale or exchange of all, or substantially all, of the property of the corporation other than as permitted by G.S. 55-12-01, including a sale in dissolution, but not including a sale pursuant to court order or a sale pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed in cash to the shareholders within one year after the date of sale;

(4) An amendment of the articles of incorporation that materially and adversely affects rights in respect of a dissenter's shares because it (i) alters or abolishes a preferential right of the shares;

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

(ii) creates, alters, or abolishes a right in respect of redemption, including a provision respecting a sinking fund for the redemption or repurchase, of the shares; (iii) alters or abolishes a preemptive right of the holder of the shares to acquire shares or other securities; (iv) excludes or limits the right of the shares to vote on any matter, or to cumulate votes; (v) reduces the number of shares owned by the shareholder to a fraction of a share if the fractional share so created is to be acquired for cash under G.S. 55-6-04; or (vi) changes the corporation into a nonprofit corporation or cooperative organization; or

(5) Any corporate action taken pursuant to a shareholder vote to the extent the articles of incorporation, bylaws, or a resolution of the board of directors provides that voting or nonvoting shareholders are entitled to dissent and obtain payment for their shares.

(b) A shareholder entitled to dissent and obtain payment for his shares under this Article may not challenge the corporate action creating his entitlement, including without limitation a merger solely or partly in exchange for cash or other property, unless the action is unlawful or fraudulent with respect to the shareholder or the corporation.

(c) Notwithstanding any other provision of this Article, there shall be no right of shareholders to dissent from, or obtain payment of the fair value of the shares in the event of, the corporate actions set forth in subdivisions (1), (2), or (3) of subsection (a) of this section if the affected shares are any class or series which, at the record date fixed to determine the shareholders entitled to receive notice of and to vote at the meeting at which the plan of merger or share exchange or the sale or exchange of property is to be acted on, were (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc., or (ii) held by at least 2,000 record shareholders. This subsection does not apply in cases in which either:

(1) The articles of incorporation, bylaws, or a resolution of the board of directors of the corporation issuing the shares provide otherwise; or

(2) In the case of a plan of merger or share exchange, the holders of the class or series are required under the plan of merger or share exchange to accept for the shares anything except:

a. Cash;

b. Shares, or shares and cash in lieu of fractional shares of the surviving or acquiring corporation, or of any other corporation which, at the record date fixed to determine the shareholders entitled to receive notice of and vote at the meeting at which the plan of merger or share exchange is to be acted on, were either listed subject to notice of issuance on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc., or held by at least 2,000 record shareholders; or

c. A combination of cash and shares as set forth in sub-subdivisions a. and b. of this subdivision.

SEC. 55-13-03. DISSENT BY NOMINEES AND BENEFICIAL OWNERS

(a) A record shareholder may assert dissenters' rights as to fewer than all the shares registered in his name only if he dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

the name and address of each person on whose behalf he asserts dissenters' rights. The rights of a partial dissenter under this subsection are determined as if the shares as to which he dissents and his other shares were registered in the names of different shareholders.

(b) A beneficial shareholder may assert dissenters' rights as to shares held on his behalf only if:

(1) He submits to the corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights; and

(2) He does so with respect to all shares of which he is the beneficial shareholder.

(2) Must not vote his shares in favor of the proposed action.

(b) A shareholder who does not satisfy the requirements of subsection (a) is not entitled to payment for his shares under this Article.

SEC. 55-13-22. DISSENTERS' NOTICE

notice to all shareholders who satisfied the requirement of G.S. 55-13-21.

(b) The dissenters' notice must be sent no later than 10 days after shareholder approval, or if no shareholder approval is required, after approval of the board of directors, of the corporate action creating dissenters' rights under 6.S.55-13-02, and must:

(2) Inform holders of uncertificated shares to what extent transfer of the shares will be restricted after the payment demand is received;

(3) Supply a form for demanding payment;

(4) Set a date by which the corporation must receive the payment demand, which date may not be fewer than 30 nor more than 60 days after the date the subsection (a) notice is mailed; and

(5) Be accompanied by a copy of this Article.

SEC. 55-13-23. DUTY TO DEMAND PAYMENT

(a) A shareholder sent a dissenters' notice described in G.S. 55-13-22 must demand payment and deposit his share certificates in accordance with the terms of the notice.

C-3

(b) The shareholder who demands payment and deposits his share certificates under subsection (a) retains all other rights of a shareholder until these rights are cancelled or modified by the taking of the proposed corporate action.

(c) A shareholder who does not demand payment or deposit his share certificates where required, each by the date set in the dissenters' notice, is not entitled to payment for his shares under this Article.

SEC. 55-13-24. SHARE RESTRICTION

(a) The corporation may restrict the transfer of uncertificated shares from the date the demand for their payment is received until the proposed corporate action is taken or the restrictions released under G.S. 55-13-26.

(b) The person for whom dissenters' rights are asserted as to uncertificated shares retains all other rights of a shareholder until these rights are cancelled or modified by the taking of the proposed corporate action.

SEC. 55-13-25. PAYMENT

(a) As soon as the proposed corporate action is taken, or within 30 days after receipt of a payment demand, the corporation shall pay each dissenter who complied with G.S. 55-13-23 the amount the corporation estimates to be the fair value of his shares, plus interest accrued to the date of payment.

(b) The payment shall be accompanied by:

(1) The corporation's most recent available balance sheet as of the end of a fiscal year ending not more than 16 months before the date of payment, an income statement for that year, a statement of cash flows for that year, and the latest available interim financial statements, if any;

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

(2) An explanation of how the corporation estimated the fair value of the shares;

(3) An explanation of how the interest was calculated;

(4) A statement of the dissenter's right to demand payment under G.S. 55-13-28; and

(5) A copy of this Article.

SEC. 55-13-26. FAILURE TO TAKE ACTION

(a) If the corporation does not take the proposed action within 60 days after the date set for demanding payment and depositing share certificates, the corporation shall return the deposited certificates and release the transfer restrictions imposed on uncertificated shares.

(b) If after returning deposited certificates and releasing transfer restrictions, the corporation takes the proposed action, it must send a new dissenters' notice under G.S. 55-13-22 and repeat the payment demand procedure.

SEC. 55-13-27. RESERVED FOR FUTURE CODIFICATION PURPOSES

SEC. 55-13-28. PROCEDURE IF SHAREHOLDER DISSATISFIED WITH CORPORATION'S PAYMENT OR FAILURE TO PERFORM

(a) A dissenter may notify the corporation in writing of his own estimate of the fair value of his shares and amount of interest due, and demand payment of the amount in excess of the payment by the corporation under G.S. 55-13-25 for the fair value of his shares and interest due, if;

(1) The dissenter believes that the amount paid under G.S. 55-13-25 is less than the fair value of his shares or that the interest due is incorrectly calculated;

(2) The corporation fails to make payment under G.S. 55-13-25; or

C-4

(3) The corporation, having failed to take the proposed action, does not return the deposited certificates or release the transfer restrictions imposed on uncertificated shares within 60 days after the date set for demanding payment.

(b) A dissenter waives his rights to demand payment under this section unless he notifies the corporation of his demand in writing (i) under subdivision (a)(1) within 30 days after the corporation made payment for his shares or (ii) under subdivisions (a)(2) and (a)(3) within 30 days after the corporation has failed to perform timely. A dissenter who fails to notify the corporation of his demand under subsection (a) within such 30-day period shall be deemed to have withdrawn his dissent and demand for payment.

SEC. 55-13-29. RESERVED FOR FUTURE CODIFICATION PURPOSES

PART 3. JUDICIAL APPRAISAL OF SHARES

SEC. 55-13-30. COURT ACTION

(a) If a demand for payment under G.S. 55-13-28 remains unsettled, the dissenter may commence a proceeding within 60 days after the earlier of (i) the date payment is made under G.S. 55-13-25, or (ii) the date of the dissenter's

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

payment demand under G.S. 55-13-28 by filing a complaint with the Superior Court Division of the General Court of Justice to determine the fair value of the shares and accrued interest. A dissenter who takes no action within the 60-day period shall be deemed to have withdrawn his dissent and demand for payment.

(a) (1) Repealed by Session Laws 1997-202, s.4, effective October 1, 1997.

(b) Reserved for future codification purposes.

(c) The court shall have the discretion to make all dissenters (whether or not residents of this State) whose demands remain unsettled parties to the proceeding as in an action against their shares and all parties must be served with a copy of the complaint. Nonresidents may be served by registered or certified mail or by publication as provided by law.

(d) The jurisdiction of the superior court in which the proceeding is commenced under subsection (a) is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in any amendment to it. The parties are entitled to the same discovery rights as parties in other civil proceedings. The proceeding shall be tried as in other civil actions. However, in a proceeding by a dissenter in a corporation that was a public corporation immediately prior to consummation of the corporate action giving rise to the right of dissent under G.S. 55-13-02, there is no right to a trial by jury.

(e) Each dissenter made a party to the proceeding is entitled to judgment for the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the corporation.

SEC. 55-13-31. COURT COSTS AND COUNSEL FEES

(a) The court in an appraisal proceeding commenced under G.S. 55-13-30 shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court, and shall assess the costs as it finds equitable.

(b) The court may also assess the fees and expenses of counsel and experts for the respective parties, in amount the court finds equitable:

(1) Against the corporation and in favor of any or all dissenters if the court finds the corporation did not substantially comply with the requirements of G.S. 55-13-20 through 55-13-28; or

(2) Against either the corporation or a dissenter, in favor of either or any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this Article.

C-5

(c) If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to these counsel reasonable fees to be paid out of the amounts awarded the dissenters who were benefited.

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Article Tenth of the Certificate of Incorporation of the Registrant provides:

"(a) The corporation shall indemnify its officers, directors, employees, and agents to the full extent permitted by the General Corporation Law of Delaware. (b) No director of the corporation shall be personally liable to the corporation or its stockholders for monetary damages, for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the Delaware General Corporation Law; or (iv) for any transaction from which the director derived an improper personal benefit."

Section 145 of the Delaware General Corporation law empowers the Registrant to indemnify its officers and directors under certain circumstances. The pertinent provisions of that statute read as follows:

"(a) A corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

"(b) A corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request

II-1

of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

"(c) To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of this section, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

"(d) Any indemnification under subsections (a) and (b) of this section (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in subsections (a) and (b) of this section. Such determination shall be made (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (3) by the stockholders.

"(e) Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation as authorized in this section. Such expenses (including attorneys' fees) incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the board of directors deems appropriate.

"(f) The indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office.

II-2

"(g) A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer,

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under this section.

"(h) For purposes of this section, references to "the corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this section with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

"(i) For purposes of this section, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to "serving at the request of the corporation" shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this section.

"(j) The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

"(k) The Court of Chancery is hereby vested with exclusive jurisdiction to hear and determine all actions for advancement of expenses or indemnification brought under this section or under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise. The Court of Chancery may summarily determine a corporation's obligation to advance expenses (including attorneys' fees)."

The Registrant has purchased a directors' and officers' liability insurance contract which provides, within stated limits, reimbursement either to
a

Edgar Filing: REGIONS FINANCIAL CORP - Form S-4/A

director or officer whose actions in his capacity result in liability, or to the Registrant, in the event it has indemnified the director or officer. Major exclusions from coverage include libel, slander, personal profit based on inside information, illegal payments, dishonesty, accounting of securities profits in violation of Section 16(b) of the Securities Exchange Act of 1934 and acts within the scope of the Pension Reform Act of 1974.

ITEM 22. UNDERTAKINGS.

A. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

B. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and

against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

C.(1) The undersigned Registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The Registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

D. The undersigned Registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

E. The undersigned Registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
