Narrative Description of Activities for Reporting Period

XERS Inc. XERS, a nonregulated subsidiary of Xcel Energy, operates as a retailer of electric power in targeted U.S. markets. XERS functions as an intermediary between energy producers, resellers and end-users and is exposed to the business risks involved with these operations. Therefore, XERS enters into fixed or full requirements contracts ranging from one month to several years.

Cadence Network Inc. Cadence Network Inc. provides a single source for both energy management services and products designed to lower energy costs for national companies that operate at multiple locations.
