(Attach Extra Sheets if Needed)

The audit of the Company's 2002 financial statements and the reaudits of the Company's 2000 and 2001 financial statements were completed on April 29, 2003, which ultimately delayed the Company's ability to focus on its financial reporting process for the quarters ended March 31, 2003, June 30, 2003 and September 30, 2003. The Form 10-Q for the quarter ended June 30, 2003 was filed on October 28, 2003. The delay of this filing caused the Company to require additional time to complete its financial reporting process for the quarter ended September 30, 2003.

The Company intends to file its quarterly report on Form 10-Q for the quarter ended September 30, 2003 as soon as practicably possible after completion of its financial reporting process for that quarter.

Edgar Filing: MIRANT CORP - Form NT 10-Q

1. Form 10-K for the year ended December 31, 2002 (the Form 10-K did not include the interim financial information required by Item 302 of Regulation S-K).

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

Note: On July 14, 2003, the Company and substantially all of its wholly-owned subsidiaries in the United States filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code in the U.S. Bankruptcy Court for the Northern District of Texas, Fort Worth Division. As such, the Company anticipates that significant changes could be reflected in the form of lower profitability and decreased cash flow. As of the date of this Form 12b-25, the Company has not completed its financial reporting process for the third quarter of 2003. Therefore, the Company is not in a position to quantify any potential differences between the comparable periods.

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.
