Vote your proxy on proposed merger

BellSouth to conduct special meeting of shareholders to vote on proposed merger with AT&T

Shareholders of both companies must approve the merger plans before the proposed merger between BellSouth and AT&T can be completed. BellSouth will hold a special meeting of shareholders on July 21, 2006, at the Cobb Galleria Centre in Atlanta, Ga., solely for the purpose of voting on the proposed merger.

BellSouth shareholders will receive a packet of shareholder materials in June, including a proxy statement and details on the time and place for the meeting. Shareholders should read the proxy statement to answer any questions they have about the merger.

AT&T will hold a special meeting for its shareholders to approve the issuance of common stock in the merger. The AT&T meeting will be held in San Antonio, Texas, on July 21, 2006.

You may receive multiple packages of shareholder materials.

Shareholders who own both BellSouth and AT&T stock will receive separate packages of materials, including proxy cards, from each company. If you own shares in both companies, you will need to vote all of your shares in each company. Note that even if you own stock in only one of the companies, it is still possible you may receive more than one package and multiple proxy cards, depending on how you hold your shares.

If you are a shareholder, your vote is important so vote all of your shares.

It is important that you vote all proxy cards received from each company, whether from stock you hold in your 401(K) plan or stock that you hold separately. Approval of the merger requires a majority vote of all of BellSouth's outstanding shares; therefore, not voting is the same as voting against the merger. Shareholders can quickly and easily vote their shares by phone, online, or via mail. Instructions for voting are included in the shareholder materials.

Shareholders can also vote in person at the special meeting of shareholders.

BellSouth's Board of Directors unanimously recommends that shareholders vote FOR the merger.

When will we know if the merger has been approved?

Shareholder approval is just one step in the merger approval process. In addition to shareholder approval, the U.S. Department of Justice, Federal Communications Commission and several state public service commissions must approve the merger. Once

Audit underway of dependents enrolled in healthcare plans

As announced last fall in your Annual Enrollment Bulletin, BellSouth is conducting an audit of all dependents enrolled in company healthcare benefit plans.

The purpose of the audit is to confirm that each dependent is eligible for continued benefits and to remove any ineligible coverage under the plans.

Refer to your Annual Enrollment Bulletin for the audit announcement or you can view a copy on Benefits@Your Fingertips, <https://www.bellsouthbenefits.com>. From the Benefits@Your Fingertips homepage, select Past Communications, then select By date and by source. Under November 2005 select 2006 Annual Enrollment Bulletin. The audit will be conducted in three waves, based on your state of residence:

Wave	States Included in this Wave	Dependent Verification Period
1	GA, KY, SC	May 1 - June 15, 2006

2 FL, AL, States outside of region June 1 - July 15, 2006

3 LA, MS, NC, TN July 1 - Aug. 15, 2006

As each audit period begins, employees and retirees with dependents enrolled in BellSouth benefit plans who live in the states covered by the wave will receive a personalized

statement listing the dependents they have on file as of Jan. 1, 2006, along with instructions on documentation to be faxed or mailed to the BellSouth Benefits Service Center to establish their dependents' continued eligibility.

A response is required for all dependents. Any dependents found not eligible for coverage after the review of the documentation will be dropped retroactive to Jan. 1, 2006.

Employees and retirees with individual coverage will not receive a package and will not go through the audit because they have no dependents covered by BellSouth benefits. In addition, employees and retirees living in declared disaster areas as a result of Hurricanes Katrina or Rita also will not be included in the audit for 2006.

Dependent coverage: Frequently asked questions

Q: Who can I cover as an eligible dependent?

A: You may cover your eligible Class I or Class II dependents or any eligible Sponsored Children.

Q: What will happen if one of my dependents is determined not to be eligible in the audit? Will there be any action taken against me?

A: Any dependents found not to be eligible for coverage at that time will be dropped retroactive to Jan. 1, 2006, and employees may be subject to disciplinary or other action.

Q: What kind of documentation will I have to provide to prove the eligibility of my dependents?

A: A complete listing of the documentation for verifying your dependents' eligibility will be included in the instructions you receive. In most cases, there will be preferred documents and alternative documents.

As an example, here are the preferred documents for substantiating a lawful spouse and a natural child:

Lawful Spouse

Marriage license and

First page of joint federal income tax return, or first pages of each spouse's return if married filing separately (you may black out the numbers on your form to ensure your privacy)

and

Signed affidavit certifying that spouse does not meet Working Spouse Premium criteria

Natural Child

Birth certificate

Q. When should I expect to know the status of my dependents?

A. Please allow up to four weeks from when you submitted your documentation to receive notice regarding your dependents' status.

Questions?

If you have any questions about the audit process, refer to the instructions in your package first. You should receive your package by the first week of your scheduled wave.

If you still have a question, you may call the BellSouth Benefits Service Center during your wave at 1-800-528-1232 and speak to a representative for assistance. Representatives are available weekdays from 9 a.m. to 5 p.m. Eastern time. To reach a representative, follow the prompts to Health Care and then Dependents and Coverage.

Please do not call the Service Center in advance of your scheduled wave to keep the telephone wait times at a minimum for your fellow retirees and employees who are going through their wave.

The Service Center will not accept your verbal confirmation of dependent documentation. Documentation can only be accepted by mail or by fax (at the address and fax number included in your instructions).

Make it easy on yourself!

Here are some tips about your BellSouth pension benefits that can make your life a little easier:

If you receive a monthly pension check, remember that the checks are mailed on the last business day of a month. Due to potential delays in receiving your payment through the U.S. Mail, wait until the 10th of the following month to call the BellSouth Benefits Service Center to request your payment be stopped and a new check issued.

Better yet, sign up for direct deposit of your monthly pension benefit to the checking or savings account of your choice. That way, your benefit is wired to your bank and deposited in your account on the last business day of the month no waiting to receive it, no worry about it getting lost.

You'll know it's there because you'll get a monthly statement from BellSouth confirming the amount deposited and the date. The statement will arrive in the mail at about the same time your pension checks have been arriving, and in the same kind of envelope.

You can sign up for direct deposit on *Benefits@Your Fingertips* at <https://www.bellsouthbenefits.com>. Or call the BellSouth Benefits Service Center at 1-800-528-1232.
