Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On November 14, 2006, the Board of Directors of Insteel Industries, Inc. (the Company) approved the appointment of James F. Petelle as Vice President and Assistant Secretary of the Company, effective immediately. Following the retirement of Gary D. Kniskern as Vice President - Administration and Secretary of the Company on January 12, 2007, Mr. Petelle will assume Mr. Kniskern's role. Mr. Petelle, 56, was previously with Andrew Corporation, a manufacturer of telecommunications infrastructure equipment, where he served as Vice President - Law from 2000 to October 2006, and Secretary from 1990 to May 2006.

Mr. Petelle, along with the other executive officers of the Company, will serve until the annual meeting of the Board of Directors, which generally follows the Annual Meeting of Shareholders. Executive officers are appointed annually.

In addition, on November 14, 2006, the Company entered into certain amended and restated compensatory agreements with its executive officers, as follows:

<p>H.O. Woltz III President and Chief Executive Officer</p>	<p>Change in Control Severance Agreement Retirement Security Agreement Severance Agreement</p>
<p>Michael C. Gazmarian Chief Financial Officer and Treasurer</p>	<p>Change in Control Severance Agreement Retirement Security Agreement Severance Agreement</p>
<p>James F. Petelle Vice President and Assistant Secretary</p>	<p>Change in Control Severance Agreement Retirement Security Agreement</p>
<p>Gary D. Kniskern Vice President - Administration and Secretary</p>	<p>Change in Control Severance Agreement Retirement Security Agreement</p>

In each case, the agreements referenced above were primarily amended and restated to comply with the provisions of Internal Revenue Code Section 409A. No material changes were made to the benefits provided under each agreement.

A brief description of each agreement follows and a more detailed discussion of each agreement was previously disclosed in our Proxy Statement, dated January 13, 2006.

Change of Control Severance Agreements

The Change of Control Severance Agreements specify the terms of separation in the event that termination of employment followed a change in control. The initial term of each agreement is two years and the agreements provide for an automatic renewal of one year unless we or the executive provides notice of termination as specified in the agreement. The agreements do not provide assurances of continued employment, nor do they specify the terms of an executive's termination should the termination occur in the absence of a change in control. Under the terms of these agreements in the event of termination within two years of a change of control, Mr. Petelle would receive severance benefits equal to one times base compensation, one times the average bonus for the prior three years and the continuation of health and welfare benefits for two years. Mr. Petelle's current base salary is \$150,000. In addition, all stock options would vest immediately. In the event of termination, outplacement services would be provided.

Supplemental Employee Retirement Plan

The Retirement Security Agreements (each, a SERP) provide nonqualified deferred compensation to participants, including our named executive officers. The SERPs generally provide participants with certain supplemental retirement benefits, pre-retirement disability benefits and pre-retirement death benefits, unless the participants are terminated for cause (as defined in each SERP), in which case no benefits will accrue and be payable under the SERPs. The SERPs will be administered by the Executive Compensation Committee (the Committee) of the Board of Directors and funds for payment of benefits thereunder are our responsibility.

Benefits payable under the SERPs will be payable to participants in equal pro rata installments according to our regular payroll cycle in effect at the time the payment is due, unless determined otherwise by the Committee.

Severance Agreements

The Severance Agreements provide certain termination benefits to the executives named above in the event that the executive's employment with us is terminated without cause (as defined in each Severance Agreement). Each Severance Agreement has a two year term, which is automatically extended for subsequent 12 month periods, unless either we or the executive provide notice to the other, at least 90 days prior to the expiration of any term, that the term of the Severance Agreement shall not be extended. No executive is entitled to termination benefits under a Severance Agreement (i) if that executive's employment with us is terminated for cause or (ii) to the extent that the executive is entitled to receive benefits under the Change in Control Severance Agreement between the executive and us in connection with the executive's termination.

Under each Severance Agreement, upon termination of the Executive's employment with us without cause, the Executive is generally entitled to receive the following termination benefits: payment of unpaid salary and bonus, payment of one and one-half times the executive's current annual base salary, outplacement services, reimbursement for any unreimbursed expenses, continued participation in certain employee benefit and health plans for a period of eighteen months following the termination, and vesting of all stock options and any other stock-based awards outstanding immediately prior to termination.

Item 8.01. Other Events

On November 15, 2006, the Company issued a press release announcing that its Board of Directors had declared a quarterly cash dividend of \$0.03 per share payable on January 5, 2007 to shareholders of record as of December 22, 2006. A copy of this release is being furnished as Exhibit 99.1 to this Current Report on Form 8-K.

While the Company intends to pay regular quarterly cash dividends for the foreseeable future, the declaration and payment of future dividends, if any, are discretionary and will be subject to determination by the board of directors each quarter after taking into account various factors, including general business conditions and the Company's financial condition, operating results, cash requirements and expansion plans.
