**PART I****ITEM 3. LEGAL PROCEEDINGS.**

On February 28, and March 1, 2007, two identical complaints were filed in the 17<sup>th</sup> Judicial Circuit in and for Broward County, Florida against the Company, the members of the Company's Board of Directors and BFC Financial Corporation ( BFC ) in (i) *Samuel Flamholz, on behalf of himself and all others similarly situated, v. James Blosser, Darwin Dornbush, Alan B. Levan, William Scherer, S. Lawrence Kahn, III, Joel Levy, John E. Abdo, William Nicholson, Alan J. Levy, Levitt Corporation, and BFC Financial Corp.* and (ii) *Elaine Mount, on behalf of herself and all others similarly situated, v. James Blosser, Darwin Dornbush, Alan B. Levan, William Scherer, S. Lawrence Kahn, III, Joel Levy, John E. Abdo, William Nicholson, Alan J. Levy, Levitt Corporation, and BFC Financial Corp.*, respectively. Each complaint relates to the previously reported definitive merger agreement entered into by the Company and BFC, pursuant to which the Company would, if the merger is consummated, become a wholly-owned subsidiary of BFC. The complaints allege that the members of the Company's Board of Directors breached their fiduciary duty to the Company's minority shareholders by approving the merger agreement with BFC. The plaintiffs apparently are incorrectly suggesting that BFC controls the outcome of the vote of the Company's shareholders with respect to the merger agreement. However, the merger will be consummated only if, as required by Florida law, it is approved by the holders of a majority of the outstanding shares of the Company's Class A Common Stock (of which BFC holds only approximately 11%) and, as required by the terms of the merger agreement, it is approved by the holders of a majority of the Company's Class A Common Stock voted at the meeting without counting the shares of the Company's Class A Common Stock voted by BFC. In both complaints, the plaintiffs seek to enjoin the merger or, if it is completed, to rescind it. The Company believes the lawsuits are without merit.

### **ITEM 11. EXECUTIVE COMPENSATION.**

#### **Compensation Discussion and Analysis**

##### ***Overview of Compensation Program***

The Compensation Committee (referred to within this section as the Committee) administers the compensation program for the Company's executive officers. The Committee reviews and determines all executive officer compensation, administers the Company's equity incentive plans (including reviewing and approving grants to the Company's executive officers), makes recommendations to shareholders with respect to proposals related to compensation matters and generally consults with management regarding employee compensation programs. The Committee's charter reflects these responsibilities, and the Committee and the Board of Directors periodically review and, if appropriate, revise the charter. The Board of Directors determines the Committee's membership, which is composed entirely of independent directors. The Committee meets at regularly scheduled times during the year, and it may also hold specially scheduled meetings and take action by written consent. At Board meetings, the

chairman of the Committee reports on Committee actions and recommendations, as he deems appropriate. Executive compensation is reviewed at executive sessions of the Board.

Throughout this Annual Report on Form 10-K/A, the term "Named Executive Officers" is used to refer collectively to the individuals included on the Summary Compensation Table on page 8.

***Compensation Philosophy and Objectives***

The Company's compensation program for executive officers consists of a base salary, an annual cash incentive and bonus program, periodic grants of restricted stock or stock options and health and welfare benefits. The Committee believes that the most effective executive officer compensation program is one that is designed to align the interests of the executive officers with those of shareholders by compensating the executive officers in a manner that advances both the short- and long-term interests of the Company and its shareholders. The Committee believes that the Company's compensation program for executive officers is appropriately based upon the Company's performance, the performance and level of responsibility of the executive officer and the market, generally, with respect to executive officer compensation.

Messrs. Levan and Abdo hold executive positions at BFC and BankAtlantic Bancorp and receive compensation from BFC and BankAtlantic Bancorp. While the Committee does not determine the compensation paid to Messrs. Levan and Abdo by BFC or BankAtlantic Bancorp, the Committee considers the fact that Messrs. Levan and Abdo each devote time to the operations of BFC and BankAtlantic Bancorp when determining the compensation the Company pays to them.

***Role of Executive Officers in Compensation Decisions***

The Committee makes all compensation decisions for the Named Executive Officers and the Company's other executive officers and approves recommendations regarding equity awards to all of the Company's employees. The Chief Executive Officer annually reviews the performance of each of the Named Executive Officers (other than himself, whose performance is reviewed by the Committee). The conclusions reached and recommendations based on these reviews, including those with respect to setting and adjusting base salary, annual cash incentive awards and stock option awards, are presented to the Committee. The Committee can exercise its discretion in modifying upward or downward any recommended amounts or awards to executive officers. In 2006, the Committee accepted without modification the recommendations of the Chief Executive Officer with respect to the base salary, annual cash incentive awards and stock option awards paid or to be paid by the Company to its executive officers.

***Executive Officer Compensation Components***

For the fiscal year ended December 31, 2006, the principal components of compensation for the Named Executive Officers were:

base salary;

the Company's annual incentive and bonus program; and

long-term equity incentive compensation.

***Base Salary***

The Committee believes that the base salaries offered by the Company are competitive based on a review of market practices and the duties and responsibilities of each Named Executive Officer. In setting base salaries, the Committee periodically examines market compensation levels and trends observed in the market for executives of comparable experience and skills. Market information is used as an initial frame of reference for establishing and adjusting base salaries. The Committee believes that the Named Executive Officers' base salaries should be competitive with those of other executives with comparable experience at organizations similar to the Company.

In addition to examining market compensation levels and trends, the Committee makes base salary decisions for the Named Executive Officers based on an annual review by the Committee with input and recommendations from the

Chief Executive Officer. The Committee's review includes, among other things, the functional and decision-making responsibilities of each position, the significance of each Named Executive Officer's specific area of individual responsibility to the Company's financial performance and achievement of overall goals, and the contribution, experience and work performance of each Named Executive Officer.

With respect to base salary decisions for the Chief Executive Officer, the Committee made an assessment of Mr. Levan's past performance as Chief Executive Officer and its expectations as to his future contributions to the Company, as well as the factors described above for the other Named Executive Officers, including examining market compensation levels and trends and evaluating his individual performance and the Company's financial condition, operating results and attainment of strategic objectives. In evaluating the performance of Mr. Levan for purposes of not only his base salary, but also any cash bonus under the Company's annual incentive program and stock option awards under the Company's long-term equity incentive compensation program, the Committee considered the Company's 2006 operating results and its financial condition. In its review, the Committee noted several specific items relative to Mr. Levan's performance, including his leadership and critical assessment of the issues facing the Company. The 2006 base salary of each of Messrs. Levan, Abdo and Scanlon increased approximately 4% from 2005. The 2006 base salary of Mr. Wiener, former Chief Executive Officer of Levitt and Sons, increased approximately 19% from 2005. Mr. Hegener's 2006 base salary did not increase from 2005. For 2007, the Committee has approved increases of approximately 4% in Messrs. Levan's and Abdo's respective base salaries from 2006 and an increase of approximately 49% in Mr. Hegener's base salary from 2006. The Committee has also approved a 2007 base salary of \$175,000 for Mr. Scanlon, a decrease of approximately 39% from his 2006 base salary from the Company. However, Mr. Scanlon is also now serving as Chief Financial Officer of the Company's parent, BFC, and will receive a salary of \$175,000 in that capacity. Effective April 1, 2007, Mr. Weiner retired as Chief Executive Officer of Levitt and Sons, and accordingly he no longer serves as an executive officer of the Company. Mr. Weiner continues to serve the Company in a non-executive position.

#### *Annual Incentive and Bonus Program*

The Company's annual incentive and bonus program is a cash bonus plan designed to promote high performance and achievement of shorter-term corporate strategic goals and initiatives, encourage the growth of shareholder value, and allow executives, including the Named Executive Officers, to participate in the growth and profitability of the Company. This program includes elements tied to the achievement of pre-established, objective individual and company-wide annual financial performance goals. These goals are established each year during the Company's annual budget cycle, and the portion of an executive officer's cash bonus under the plan that is related to financial performance goals varies upon the impact that he or she has on the overall corporate and respective division financial performance. The Company's annual incentive program also includes a discretionary element tied to a subjective evaluation of overall performance in areas outside those that can be objectively measured from financial results. Each executive officer's bonus is intended to take into account corporate and individual components, which are weighted according to the executive officer's responsibilities.

The Company paid a bonus of \$100,000 to Mr. Scanlon for his service to the Company during 2006, all of which was based on a subjective evaluation of overall performance in areas other than those that can be objectively measured from specific financial goals. While the other Named Executive Officers achieved many of the goals set for them, the objective financial criteria set for 2006 under the Company's annual incentive program were not met and given the Company's reduction in workforce and its goal of reducing expenses, in accordance with the Chief Executive Officer's recommendation, no discretionary bonus was paid by the Company to Messrs. Levan, Abdo, Hegener or Weiner for their services to the Company during 2006. Because of the current challenging economic and market conditions, no objective financial criteria was set under the Company's annual incentive and bonus program for 2007 and accordingly any bonus paid to the Named Executive Officers in 2007, which may range from 60% to 150% of base salary, will be paid at the discretion of the Committee based on a number of subjective factors, which may include Company performance, market conditions and the level of compensation paid to executives with similar responsibilities at comparable companies. As described above, effective April 1, 2007, Mr. Weiner ceased to be an executive officer of the Company and is not expected to receive a bonus under the Company's annual incentive and bonus program for 2007.

In addition to being eligible for a cash bonus under the Company annual incentive and bonus program, the Named Executive Officers are eligible for a cash award under the Levitt Corporation Corporate Goal Bonus Plan (the

Goals Plan ). The Goals Plan provides a quarterly payout to all of the Company's employees, including the Named Executive Officers, in an amount equal to a percentage of not more than 6% of an employee's quarterly base salary payable at the discretion of the Company after taking into account certain pre-established quarterly goals. In 2006, a total of \$35,284 in cash was awarded to the Named Executive Officers under the Goals Plan as follows:

Alan B. Levan	\$ 6,769
John E. Abdo	9,582
Paul J. Hegener	6,354
Elliott M. Wiener	8,195
George P. Scanlon	4,384

*Long-Term Equity Incentive Compensation*

The Company's long-term equity incentive compensation program provides an opportunity for the Named Executive Officers, and the Company's other executive officers, to increase their stake in the Company through grants of options to purchase shares of the Company's Class A Common Stock and encourages executive officers to focus on long-term company performance by aligning the executive officers' interests with those of the Company's shareholders, since the ultimate value of such compensation is directly dependent on the stock price. The Committee believes that providing executive officers with opportunities to acquire an interest in the growth and prosperity of the Company through the grant of stock options enables the Company to attract and retain qualified and experienced executive officers and offer additional long-term incentives.

The Committee's grant of stock options to executive officers is discretionary based on an assessment of the individual executive officer's contribution to the success and growth of the Company, subject in any event to the limitations set by the Company's Amended and Restated 2003 Stock Incentive Plan. Decisions by the Committee regarding grants of stock options to executive officers, including the Named Executive Officers (other than the Chief Executive Officer), are generally made based upon the recommendation of the Chief Executive Officer, the level of the executive officer's position with the Company, an evaluation of the executive officer's past and expected future performance, the number of outstanding and previously granted stock options to the executive officer and discussions with the executive officer. In 2006, all of the Named Executive Officers were granted options to purchase shares of the Company's Class A Common Stock, with an exercise price equal to the market value of such stock on the date of grant, and which vest on the fifth anniversary of the date of grant. The Committee believes that such stock options serve as a significant aid in the retention of executive officers, since these stock option awards do not vest until five years after the grant date.

***Internal Revenue Code Limits on Deductibility of Compensation***

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Committee believes that it is generally in the Company's best interest to attempt to structure performance-based compensation, including stock option grants or performance-based restricted stock awards and annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements for full tax deductibility for the compensation. However, the Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable the Company to meet its overall objectives, even if the Company may not deduct all of the compensation. In an effort to meet the requirements of Section 162(m), the Company adopted its Performance-Based Annual Incentive Plan in 2004 to provide performance based goals for the payment of cash bonuses to certain Named Executive Officers. The objective criteria were not met in 2006. The bonus paid to Mr. Scanlon for his service to the Company during 2006 was paid based on subjective criteria. No assurance can be given that compensation paid by the Company in the future will satisfy the requirements for deductibility under Section 162(m).

**Option Exercises 2006**

None of the Named Executive Officers exercised options to purchase shares of the Company's common stock in the fiscal year ended December 31, 2006. However, in 2006, Messrs. Hegener and Weiner exercised options to purchase shares of BankAtlantic Bancorp's Class A Common Stock, which options had net exercise values of \$165,281 and \$151,958, respectively. These options were granted to Messrs. Hegener and Wiener when the Company was a wholly-owned subsidiary of BankAtlantic Bancorp and continued to vest after the Company's spin-off from BankAtlantic Bancorp.

**Potential Payments upon Termination or Change-in-Control**

Mr. Wiener was a party to an employment agreement dated July 19, 2001, as amended on August 28, 2006, pursuant to which the Company employed Mr. Wiener as Chief Executive Officer of Levitt and Sons through December 31, 2008. Mr. Wiener was entitled to an annual salary during the term of \$600,000 and incentive compensation in an amount equal to a percentage of pretax earnings of Levitt and Sons as determined by mutual agreement provided that Levitt and Sons achieved a predetermined after tax return on equity. In addition, the employment agreement provided that Mr. Wiener would serve as Chairman Emeritus of Levitt and Sons after December 31, 2008, or at any time prior to that date at the election of Mr. Wiener or, in the event of Mr. Wiener's disability, at the election of Levitt and Sons. Effective April 1, 2007, Mr. Wiener retired as Chief Executive Officer of Levitt and Sons and began serving as Chairman Emeritus of Levitt and Sons. Accordingly, Mr. Wiener is no longer an executive officer of the Company, but continues to serve the Company in a non-executive position. The term for Mr. Wiener's service as Chairman Emeritus of Levitt and Sons will be for five years. Mr. Wiener will continue to receive his annual base salary of \$600,000 during the period he serves as Chairman Emeritus of Levitt and Sons and will continue to be covered under certain benefit plans provided to other employees so long as Mr. Wiener remains eligible for such coverage. The annual value of the employee benefits to be provided to Mr. Wiener under the employment agreement is estimated to be approximately \$35,000. Under certain instances, payments of base salary and for employee benefits may be delayed or suspended for a period of six months in order to meet certain requirements of Internal Revenue Code Section 409A. If Mr. Wiener dies during the term of his service as Chairman Emeritus, his estate will be entitled to payment of his compensation for a period of up to five years.

**Compensation of Directors**

The Compensation Committee recommends director compensation to the Board based on factors it considers appropriate and based on the recommendations of management. Each non-employee director receives \$100,000 for service on the Board of Directors, payable in cash, restricted stock or non-qualified stock options, in such combinations as the directors may elect, provided that no more than \$50,000 may be paid in cash. The restricted stock and stock options are granted in Class A Common Stock under the Levitt Corporation Amended and Restated 2003 Stock Incentive Plan. Restricted stock vests monthly over a 12-month service period beginning on July 1 of each year and stock options are fully vested on the date of grant, have a ten-year term and have an exercise price equal to the closing market price of the Class A Common Stock on the date of grant. The number of stock options and restricted stock granted is determined by the Company based on assumptions and formulas typically used to value these types of securities. No director receives additional compensation for attendance at Board or Committee meetings except as follows. Members of the Audit Committee receive an additional \$10,000 per year for their service on that committee. The Chairman of the Audit Committee receives an additional fee of \$15,000 per year for service as Chairman. The Chairman of the Compensation Committee and the Chairman of the Nominating/Corporate Governance Committee each receive an annual cash fee of \$3,500. Other than the Chairmen, members of the Compensation Committee and the Nominating/Corporate Governance Committee do not receive additional compensation for service on those committees. Non-management directors who serve on the Investment Committee receive an additional fee of \$15,000 per year. Directors who are also officers of the Company do not receive additional compensation for their service as directors or for attendance at Board or Committee meetings.

**ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.**

**Review, Approval or Ratification of Transactions with Related Persons**

The Board of Directors reviews and approves transactions in which the Company was or is to be a participant, the amount involved exceeded or will exceed \$120,000 annually and any of the Company's directors or executive officers, or their immediate family members, had or will have a direct or indirect material interest. When considering a related person transaction, the Company's board of directors analyzes, among other factors it deems appropriate, whether such related person transaction was or is to be for the benefit of the Company and upon terms no less favorable to the Company than if the related person transaction was with an unrelated party. During 2006, no related person transaction occurred where this process was not followed.

**Transactions with Related Persons**

The Company and BankAtlantic Bancorp are under common control. The controlling shareholder of the Company and BankAtlantic Bancorp is BFC. BankAtlantic Bancorp is the parent company of BankAtlantic. The majority of BFC's capital stock is owned or controlled by the Company's Chairman and Chief Executive Officer, Alan B. Levan, and by the Company's Vice Chairman, John E. Abdo, both of whom are also directors of the Company and executive officers and directors of each of BFC, BankAtlantic Bancorp and BankAtlantic. Mr. Levan and Mr. Abdo are the Chairman and Vice Chairman, respectively, of Bluegreen.

As previously reported, the Company, on January 30, 2007, entered into a definitive merger agreement with BFC which, if the transactions contemplated by such agreement are consummated, will result in the Company becoming a wholly-owned subsidiary of BFC. Completion of the merger remains subject to a number of conditions, including, without limitation, the approval of the merger agreement and the merger by the Company's and BFC's respective shareholders. If the merger is consummated, holders of the Company's Class A Common Stock other than BFC will receive 2.27 shares of BFC Class A Common Stock for each share of the Company's Class A Common Stock they hold at the effective time of the merger and cash in lieu of any fractional shares. The shares of the Company's common stock held by BFC will be cancelled in the merger.

The Company, BFC, BankAtlantic Bancorp and Bluegreen entered into a shared services arrangement, pursuant to which BFC provides the Company, BankAtlantic Bancorp and Bluegreen with various executive and administrative services. In 2006, the Company paid \$912,000 for risk management, investor relations and human resources services provided to the Company by BFC, including the sublease of office space which is leased by BFC from BankAtlantic Bancorp on a month-to-month basis. An additional \$185,000 was paid in 2006 to BankAtlantic Bancorp for miscellaneous expense reimbursements and similar services provided in 2005.

The Company maintains securities sold under repurchase agreements at BankAtlantic. The balance in its accounts at December 31, 2006 was \$4.6 million, and BankAtlantic paid interest to the Company on its accounts in 2006 of \$436,000.

The Company utilizes the services of Conrad & Scherer, P.A., a law firm in which William R. Scherer, a member of the Company's Board of Directors, is a member. The Company paid fees aggregating \$470,000 to this firm during the year ended December 31, 2006.

Certain of the Company's executive officers separately receive compensation from affiliates of the Company for services rendered to those affiliates. Members of the Company's Board of Directors and executive officers also have banking relationships with BankAtlantic in the ordinary course of BankAtlantic's business.

During the year ended December 31, 2005 and 2004, actions were taken by the Company with respect to the development of certain property owned by BankAtlantic. The Company's efforts included the successful rezoning of the property and obtaining the permits necessary to develop the property for residential and commercial use. At December 31, 2005, BankAtlantic had agreed to reimburse the Company \$438,000 for the out-of-pocket costs incurred by it in connection with these efforts. As of December 31, 2006 this balance had been paid in full and no other amounts remain outstanding.

#### **Director Independence**

The Board of Directors has determined that five of the Company's directors James Blosser, S. Lawrence Kahn, III, Alan Levy, Joel Levy, and William Nicholson are independent as such term is defined in the listing standards of the New York Stock Exchange and applicable law relating to the independence of directors.

Under its charter, the Audit Committee must review and pre-approve both audit and permitted non-audit services provided by the independent certified public accounting firm and shall not engage the independent certified public accounting firm to perform any non-audit services prohibited by law or regulation. Each year, the independent certified public accounting firm's retention to audit the Company's financial statements, including the associated fee, is approved by the Audit Committee. Under its current practices, the Audit Committee does not regularly evaluate potential engagements of the independent certified public accounting firm and approve or reject such potential engagements. At each Audit Committee meeting, the committee receives updates on the services actually provided by the independent auditor, and management may present additional services for pre-approval. The Audit Committee may delegate to the chairman of the committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that a need arises for pre-approval between regular Audit Committee meetings. If the chairman so approves any such engagements, he will report that approval to the full Audit Committee at the next Audit Committee meeting.

The Audit Committee has determined that the provision of the services other than audit services, as described above, are compatible with maintaining the principal independent auditor's independence.
