The assets subject to this transaction met the criteria for reporting as discontinued operations and were reported as such in the Form 10-Q. Under generally accepted accounting principles, the Company is now required to reclassify previously reported prior period financial statements to reflect the discontinued operations on a basis comparable to the presentation in the Form 10-Q. The information contained in this Current Report on Form 8-K is presented as of the quarterly periods indicated above and such information has not been updated to reflect financial results subsequent to such dates. These revisions do not cause a change to the Company's previously reported consolidated financial condition or cash flows. This filing should be read together with the Company's other filings with the Securities and Exchange Commission subsequent to the filing of the Annual Report on Form 10-K for the year ended December 31, 2006.
