Item 8.01 Other Events

On July 25, 2006, the Board of Directors of First Community Bancshares, Inc. amended its 10(b)5-1 trading plan which the Company has adopted to facilitate repurchases of shares of its outstanding common stock in open market transactions. The amendments to the plan are effective as of July 28, 2006, and provide authority for its agent under such plan to repurchase stock in specified amounts at market prices between 1.5 and 1.7 times book value, as reported as of the prior quarter end, with the specific price limit based on the amount of stock sought to be purchased. The amendment is designed to limit the amount of repurchases which can be undertaken at any one time and reduces the permissible price above book value per share that may be undertaken. The trading plan implements the Company's previously announced repurchase plan, which is for 5% of the Company's issued and outstanding common stock.
