Item 8.01. Other Events.

On August 3, 2007, the Board of Directors (the *Board*) of Cooper Tire & Rubber Company, a Delaware corporation (the *Company*), approved the finalization of a new document the Company's Code of Business Ethics & Standards of Conduct (*Code of Business Ethics*) that combines:

the elements of the Company's then-existing Code of Business Conduct and Ethics (*Code of Business Conduct*); and

certain other general employee code of conduct guidelines and policies generally applicable to all employees of the Company and most of its majority owned and controlled subsidiaries.

The Code of Business Ethics consolidates in one document the material ethical guidelines and policies that apply to the Company's directors and each and every employee of the Company and most of its majority owned and controlled subsidiaries, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller (or persons performing such functions). The Code of Business Ethics retains the substance of the Code of Business Conduct.

The Code of Business Ethics does not substantively amend the provisions of the Code of Business Conduct. Thus, the Company is reporting the approval of the finalization of the Code of Business Ethics under Item 8.01 of this Current Report on Form 8-K rather than under Item 5.05. The Code of Business Ethics will be available at the Investor Relations/Corporate Governance link on the Company's website at <http://www.coopertire.com>.

The summary of Code of Business Ethics described above is qualified in its entirety by reference to the Code of Business Ethics, which is filed by the Company as Exhibit 14.1 to this Current Report on Form 8-K and is incorporated herein by reference.
