**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

The Delaware General Corporation Law ( GCL ) provides that director sand officers of a Delaware corporation may be indemnified under certain circumstances against judgments, fines, amounts paid in settlement and reasonable expenses actually and necessarily incurred by them in disposing of actions to which they are a party or are threatened to be made a party by reason of acting as directors or officers if such persons acted in good faith in a manner which they reasonably believed to be in the best interests of the corporation, and, in the case of criminal proceedings, had no reasonable cause to believe that their conduct was unlawful.

The By-laws of Veramark provide for indemnification of its directors, officers, employees and agents to the fullest extent permitted by law. Veramark s restated certificate of incorporation provides that no director shall be personally liable to Veramark or any of its stockholders for monetary damages for breach of fiduciary duty as a director, except, if required by the GCL, for liability (1) for any breach of a director s duty of loyalty to Veramark or its stockholders, (2) for acts or omissions not in good faith, (3) for intentional misconduct of a knowing violation of law, (4) for paying a dividend or approving a stock repurchase in violation of Section 174 of the GCL, or (5) for any transaction from which the director derived an improper personal benefit.

Veramark has purchased insurance under a policy that insures both Veramark and its officers and directors against exposure and liability normally insured against under such policies, including exposure on the indemnities described above. The GCL expressly permits Delaware corporations to purchase such insurance.

provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by the registrant is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
