Item 8.01 Other Events

After business hours on June 30, 2006, Inter-Tel Technologies, Inc., (Inter-Tel Technologies) a wholly-owned subsidiary of Inter-Tel (Delaware), Incorporated (the Registrant), received a Notice of Debarment from the Federal Communications Commission (the FCC Notice) in connection with the previously disclosed civil settlement and criminal plea agreement of January 5, 2005, resolving the investigation by the Department of Justice into Inter-Tel Technologies participation in the E-Rate program. The FCC Notice initiated a debarment from the E-Rate program for Inter-Tel Technologies for a period of one year from the effective date of the FCC Notice order.

At the time of the execution of the settlement and plea agreement in January 2005, the Commission originally suspended Inter-Tel Technologies from participation in the E-Rate program and initiated debarment proceedings requesting a three (3) year debarment. Inter-Tel Technologies, Inc. contested the scope and duration of debarment by letter dated February 22, 2005. The Department of Justice also submitted a letter to the Commission on Inter-Tel Technologies behalf documenting Inter-Tel s cooperation throughout the investigation and the utility of Inter-Tel s continued cooperation with the pending prosecution of other E-Rate investigations.

The FCC Notice noted that the following Inter-Tel Technologies measures were taken into consideration when instituting the one-year debarment period: 1) Inter-Tel Technologies cooperation with the Department of Justice during the investigation and settlement; 2) the mitigating steps Inter-Tel Technologies has taken to remedy its past conduct and prevent future problems, including but not limited to implementation of a government procurement compliance program; and 3) the fact that Inter-Tel Technologies has not participated in the E-Rate program for the past few years. The FCC Notice further imposes strict E-Rate audit requirements on Inter-Tel Technologies for the two years following the debarment.

The FCC Notice states that the debarment decision runs only to Inter-Tel Technologies and is not applicable or binding on Inter-Tel Technologies parent corporation, nor on other subsidiaries of the Registrant.

The Registrant recorded no revenues in 2006 relating to Inter-Tel Technologies participation in the E-Rate program. The existence and disclosure of the civil settlement, plea agreement and FCC Notice of suspension may have already caused competitive harm to the Registrant, and these matters, including the Notice of Debarment may further harm the Registrant s business.
