Item 8.01 Other Events

In February 2006, Citizens Communications Company (“we”, “us” or “our”) entered into a definitive agreement to sell Electric Lightwave LLC (“ELI”), one of our subsidiaries. The sale of ELI was completed on July 31, 2006. In accordance with Financial Accounting Standards Board Statement No. 144, *Accounting for the Impairment or Disposal of Long-Lived Assets*, the results of operations, balance sheets and cash flows of ELI were presented in our Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2006 and June 30, 2006 (collectively, our “2006 Quarterly Reports”) as discontinued operations for all periods presented.

Effective January 1, 2006, we applied the provisions of EITF No. 04-05, “*Determining Whether a General Partner, or General Partners as a Group, Controls a Limited Partnership or Similar Entity When the Limited Partners Have Certain Rights*” (“EITF No. 04-05”), and consolidated the results of operations, balance sheets and cash flows of Mohave Cellular Limited Partnership (“Mohave”), in which we have a 33% ownership interest and of which we are the managing partner. As permitted, we elected to apply EITF No. 04-05 retrospectively from the date of adoption, and in our 2006 Quarterly Reports have recast the financial statements for all periods presented to consolidate Mohave.

On September 17, 2006, we entered into an Agreement and Plan of Merger with Commonwealth Telephone Enterprises, Inc. and CF Merger Corp., one of our subsidiaries (the “Merger Agreement”). The merger consideration provided under the Merger Agreement consists of cash and shares of our common stock. The issuance of the stock portion of the merger consideration is required to be registered with the Securities and Exchange Commission (the “SEC”).

The rules of the SEC require that when a registrant prepares, on or after the date a registrant reports discontinued operations, a new registration statement that includes or incorporates by reference financial statements, the registrant recast the prior period annual and relevant interim financial statements included or incorporated by reference in such registration statement to reflect the discontinued operations. Accordingly, we are filing this Current Report on Form 8-K to recast our consolidated financial statements for each of the three years in the period ended December 31, 2005 to reflect the presentation of ELI as discontinued operations, as well as the retrospective application of EITF No. 04-05. This recasting does not represent a restatement of previously issued financial statements.

The following recast information is presented as Exhibits 99.1, 99.2, 99.3, 99.4, 99.5 and 99.6, respectively, to this Current Report on Form 8-K:

- Item 6, Selected Financial Data
- Item 7, Management’s Discussion and Analysis of Financial Condition and Results of Operations
- Item 7A, Quantitative and Qualitative Disclosures about Market Risk

- Item 8, Financial Statements and Supplementary Data
- Valuation and Qualifying Accounts Schedule
- Computation of Ratio of Earnings to Combined Fixed Charges

The information presented in Exhibits 99.1, 99.2, 99.3, 99.4, 99.5 and 99.6 to this Current Report on Form 8-K updates the information set forth in Items 6, 7, 7A, 8 and 15 of and Exhibit 12.1 to our Annual Report on Form 10-K/A for the year ended December 31, 2005 (our “2005 Annual Report”).

None of the Exhibits to this Current Report on Form 8-K reflect events after the filing of our 2005 Annual Report, and none of such Exhibits modify or update the disclosure in our 2005 Annual Report other than to reflect the changes in discontinued operations and the consolidation of Mohave as described above. As we have not modified or updated any other disclosures presented in our 2005 Annual Report, all of such disclosures speak only as of the date of our 2005 Annual Report.
