Item 2 Acquisition or Disposition of Assets

On May 9, 2003, certain subsidiaries of SBA Communications Corporation (SBA or the Company) closed on the first stage of its pending sale of 679 towers to AAT Communications Corp. (AAT). The Company sold 631 towers, in an asset sale, to AAT in exchange for gross cash proceeds of approximately \$145 million. The sale of the remaining 48 towers for gross cash proceeds of approximately \$15 million is expected to occur on or before July 1, 2003. The towers sold comprised substantially all of SBA 's tower assets in the Western United States, including Michigan, Iowa, Missouri, part of Illinois, Oklahoma and most of Texas.

Item 5 Other Events and Required FD Disclosure

On May 9, 2003, SBA refinanced its \$300 million senior credit facility, under which \$255 million was outstanding, with the proceeds from a new \$195 million senior credit facility from GE Capital Corporation and affiliates of Oak Hill Advisors, Inc., cash on hand and a portion of the proceeds from the tower sale to AAT.

Item 7 Financial Statements, *Pro Forma* Financial Information and Exhibits

b) Unaudited pro forma financial information

The unaudited pro forma consolidated balance sheet of SBA at March 31, 2003 gives effect to the sale of the towers as if the sale of all 679 towers and the refinancing of the senior credit facility had been consummated at that date. The unaudited pro forma consolidated statements of operations for the year ended December 31, 2002 and for the three months ended March 31, 2003 give effect to the sale of SBA 's towers as if the sale and the refinancing of the senior credit facility had occurred at the beginning of the respective periods.

The pro forma financial information for the year ended December 31, 2002 was derived from SBA 's audited historical Consolidated Financial Statements and notes thereto for such period. The pro forma financial information as of and for the three months ended March 31, 2003 was derived from SBA 's unaudited historical Consolidated Financial Statements and notes thereto as of and for such period.

The pro forma financial information has been prepared on the basis of preliminary assumptions and estimates. The pro forma adjustments represent SBA 's preliminary determinations of these adjustments based on available information and certain assumptions SBA considers reasonable under the circumstances. The pro forma financial information is presented for illustrative purposes only and may not be indicative of the results of operations and financial position of SBA, as it may be in the future or as it might have been had the transactions been consummated on the respective dates assumed.
