The Offering

The purpose of this offering is to enable stockholders who obtain shares of our common stock issued upon the conversion of the Notes to resell such shares. Holders of the Notes may, subject to certain conditions, convert the Notes into 6,160,708 shares of our common stock at a conversion rate of 14.2857 shares per \$1,000 principal amount of the Notes, subject to anti-dilution adjustments in certain circumstances. The shares of common stock

issuable upon the conversion of the Notes may be sold by the selling stockholders from time to time directly by the selling stockholders or, alternatively, through underwriters, broker-dealers or agents. See "Plan of Distribution."

The shares of common stock offered hereby are being registered for resale by the selling stockholders identified in this prospectus. See "Selling Stockholders." We will not receive any proceeds from the sale of such shares by the selling stockholders.

Because the selling stockholders may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act, the selling stockholders will be subject to the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the New York Stock Exchange pursuant to Rule 153 under the Securities Act. Also, the selling stockholders may resell all or a portion of the shares in open market transactions in reliance upon and in compliance with Rule 144 under the Securities Act. In no event will any distribution of the shares of common stock covered by this prospectus take the form of an underwritten offering without our prior agreement.

Asbestos Settlement

On November 27, 2002, we reached an agreement in principle with the appropriate parties to resolve all current and future asbestos-related claims made against the Company and its affiliates in connection with the Cryovac Transaction. The settlement will also resolve the fraudulent transfer claims, as well as indemnification claims by Fresenius that had been made against us in connection with the Cryovac Transaction. On December 3, 2002, our Board of Directors approved the agreement in principle. We were advised that both of the Committees had approved the agreement in principle as of December 5, 2002. As of

1

November 10, 2003, the parties signed a definitive settlement agreement consistent with the terms of the agreement in principle. On November 26, 2003, the definitive settlement agreement was presented to the court for approval and will eventually be incorporated into W. R. Grace & Co.'s ("New Grace") plan of reorganization and, assuming approval by New Grace's creditors as part of the approval of the plan of reorganization, will then be implemented. For a description of the Cryovac Transaction, the asbestos-related and other claims and the parties involved, as well as the charges recorded by us in connection with the settlement, see "Asbestos Settlement and Related Costs," "Cryovac Transaction" and "Contingencies Related to the Cryovac Transaction" contained in our quarterly report filed on Form 10-Q for the quarterly period ended September 30, 2003, which is incorporated by reference into this prospectus, and the discussion below under "Risk Factors."

Recapitalization

On July 18, 2003, we completed the redemption of all of our Series A convertible preferred stock, which was financed by the issuance through private offerings in July 2003 of \$400 million principal amount of 5.625% senior notes due July 15, 2013, \$450 million principal amount of 6.875% senior notes due July 15, 2033, and \$431.25 million principal amount of 3% convertible senior notes due June 30, 2033.

Headquarters

Our principal executive offices are located at Park 80 East, Saddle

Brook, New Jersey 07663, and our telephone number is (201) 791-7600.

2

RISK FACTORS

You should carefully consider the risks described below, in addition to the other information contained in this prospectus and the documents incorporated by reference in this prospectus, before making an investment decision. See also the "Cautionary Statement Regarding Forward-Looking Statements" below.

Our business, financial condition or results of operations could be materially adversely affected by any of these risks. The trading price of our common stock could decline due to any of these risks, and you may lose all or part of your investment.

This prospectus also contains or incorporates by reference forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks faced by us described below and elsewhere in this prospectus or in documents incorporated by reference in this prospectus.

If the settlement of the asbestos litigation that we have agreed to is not approved and implemented we will not be released from the various asbestos-related, fraudulent transfer and indemnification claims made against us. Further, we have been served with a complaint in a lawsuit seeking class action status against us concerning our public disclosures regarding the asbestos litigation.

On November 27, 2002, we reached an agreement in principle with the Official Committee of Asbestos Personal Injury Claimants and the Official Committee of Asbestos Property Damage Claimants (the "Committees") prosecuting the claims against us and our wholly owned subsidiary Cryovac, Inc. to resolve all current and future asbestos related claims arising from the Cryovac Transaction. The "Cryovac Transaction" was a multi-step transaction, completed on March 31, 1998, which brought the Cryovac packaging business and the former Sealed Air Corporation under the common ownership of the Company. The settlement will also resolve all fraudulent transfer claims, as well as indemnification claims by Fresenius Medical Care Holdings, Inc. and affiliated companies, that had been made against us in connection with the Cryovac Transaction. On the same day, the court entered an order confirming that an amicable resolution of the disputes among the parties had been reached and that counsel for the Company and the Committees had agreed and bound the parties to the terms of this agreement in principle. Our Board of Directors approved this agreement in principle on December 3, 2002, and we were advised that the Committees approved this agreement in principle as of December 5, 2002. We recorded a charge of \$850.1 million reflecting our liability for this settlement and related expenses in our consolidated statement of operations for the year ended December 31, 2002. As of November 10, 2003, the parties signed a definitive settlement agreement consistent with the terms of the agreement in principle. On November 26, 2003, the definitive settlement agreement was presented to the court for approval and will eventually be incorporated into W. R. Grace & Co.'s ("New Grace") plan of reorganization and, assuming approval by New Grace's creditors as part of the approval of the plan of reorganization, will then be implemented. We expect the order approving the settlement agreement will also extend the stay of all

proceedings brought against us outside the bankruptcy court for any asbestos related claims through the effective date of New Grace's plan of reorganization.

The definitive settlement agreement, upon approval and implementation in the New Grace bankruptcy, will provide that, upon the effective date of New Grace's plan of reorganization and our payment of the settlement amount, which includes nine million shares of our common stock (subject to adjustment) and \$512.5 million in cash plus interest on the cash payment at a 5.5% annual rate from December 21, 2002 until the date the settlement amount is paid, all present and future asbestos related claims against us and our affiliates that arise from

3

alleged asbestos liabilities of New Grace and its affiliates (including former affiliates that became our affiliates through the Cryovac Transaction) will be channeled to and become the responsibility of one or more trusts to be established under Section 524(q) of the Bankruptcy Code as part of New Grace's plan of reorganization. The settlement will provide that we and our affiliates will receive releases from all asbestos-related claims, including fraudulent transfer claims, brought against us by the Committees, as well as various indemnification claims made against us. We will not be obligated to pay the settlement amount unless, among other things, New Grace's plan of reorganization is consistent with the terms of the settlement, including provisions for the trusts and liability releases referred to above, and including an injunction barring the future prosecution of any asbestos related claims against us and our affiliates. We do not know when New Grace's plan of reorganization will be presented to the court for approval, nor do we know at this time whether the plan of reorganization will be consistent with the terms of the settlement or if the other conditions on our obligation to pay the settlement amount will be met. If these conditions are not satisfied or not waived by us, we will not be obligated to pay the settlement amount. However, if we do not pay the settlement amount, we will not be released from the various asbestos-related, fraudulent transfer, and indemnification claims made against us noted above, and all of these claims would remain pending and would have to be resolved through other means, such as through agreement on alternative settlement terms or trials.

On September 15, 2003, a plaintiff filed the case of Senn v. Hickey, et al. (Case No. 03-CV-4372) in the U.S. District Court for the District of New Jersey (Newark). This lawsuit seeks class action status on behalf of all persons who purchased or otherwise acquired our securities during the period from March 27, 2000 through July 30, 2002 (the "Class Period"). The lawsuit names us and certain of our current and former officers and directors as defendants. The lawsuit makes a number of allegations against the defendants, including allegations that during the Class Period the defendants materially misled the investing public, artificially inflated the price of our common stock by publicly issuing false and misleading statements and violated Generally Accepted Accounting Principles by failing to accrue for our contingent liability for asbestos claims arising from past operations of New Grace. The lawsuit seeks compensatory damages and other relief. We intend to defend the lawsuit vigorously, since we believe that we properly disclosed our contingent liability for New Grace's asbestos claims. Although we believe that we should have no liability in this lawsuit, at this time we cannot estimate the likelihood or potential costs of an unfavorable outcome.

Our subsidiaries hold substantially all of our assets and liabilities and conduct substantially all of our operations, which could restrict our ability to pay dividends.

We conduct substantially all of our business through two direct wholly-owned subsidiaries, Cryovac, Inc. and Sealed Air Corporation (US). These

two subsidiaries directly and indirectly own substantially all of the assets of our business and conduct operations themselves and through other subsidiaries around the globe. Therefore, we depend on distributions or advances from our subsidiaries to meet our debt service and other obligations and to pay dividends, if any, with respect to shares of our common stock. Contractual provisions, laws or regulations to which we or any of our subsidiaries may become subject, as well as any subsidiary's financial condition and operating requirements, may reduce funds available for dividends, service of our indebtedness and general corporate purposes.

4

The price of our common stock historically has experienced significant price and volume fluctuations, which may make it difficult for you to resell the common stock, and the sale of substantial amounts of our common stock could adversely affect the price of our common stock.

The market price of our common stock historically has experienced and may continue to experience significant price and volume fluctuations similar to those experienced by the broader stock market in recent years. In addition, our announcements of our quarterly operating results, future developments in the settlement of the asbestos litigation against us, the effects of animal and food-related health issues, spikes in raw material and energy-related costs, changes in general conditions in the economy or the financial markets and other developments affecting us, our affiliates or our competitors could cause the market price of our common stock to fluctuate substantially.

In addition, the sale of substantial amounts of our common stock could adversely affect its price. As of September 30, 2003, 1,061,956 shares of common stock were reserved for issuance under our contingent stock plan and directors' stock plan and options to purchase 278,572 shares of our common stock were outstanding (all of which were exercisable). In addition, as of September 30, 2003, 9 million shares of our common stock were reserved for issuance pursuant to the settlement of the asbestos litigation upon the effectiveness of a plan of reorganization in the bankruptcy of New Grace. The sale or the availability for sale of a large number of shares of our common stock in the public market could adversely affect the price of our common stock.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Certain statements that we have made in this prospectus and in the documents incorporated by reference herein, and in future oral and written statements that we make may be forward-looking. These statements include comments as to our beliefs and expectations as to future events and trends affecting our business, our results of operations and our financial condition. These forward-looking statements are based upon our management's current expectations concerning future events and discuss, among other things, anticipated future performance and future business plans. Forward-looking statements are identified by such words and phrases as "expects," "intends," "believes," "will continue," "plans to," "could be," "estimates" and similar expressions. Forward-looking statements are necessarily subject to risks and uncertainties, many of which are outside our control, which could cause actual results to differ materially from such statements.

Except as required by the federal securities laws, we do not undertake any obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

USE OF PROCEEDS

The shares of common stock offered hereby are being registered for resale by the selling stockholders identified in this prospectus. See "Selling Stockholders." We will not receive any proceeds from the sale of such shares by the selling stockholders. All net proceeds from the sale of such shares will go to the stockholders that offer and sell their shares.

The shares of common stock offered hereby are issuable upon the conversion of the Notes. The Notes were issued in July 2003, at which time we issued a total of \$1,281.25 million of senior notes, including \$431.25 million of the Notes, in transactions that were exempt from registration under Rule 144A and other available exemptions under the Securities Act. On July 18, 2003, the net proceeds from these offerings and additional cash on hand were used to redeem our Series A convertible preferred stock at the redemption price of \$51.00 per share for which we used \$1,298.1 million of cash plus an amount equal to dividends accrued from July 1, 2003 through July 17, 2003 for which we used \$2.4 million of cash.

6

SELLING STOCKHOLDERS

We issued the Notes in the aggregate principal amount of \$431.25 million in July 2003 in transactions carried out pursuant to Rule 144A under the Securities Act. The Notes are restricted securities that are not covered by this prospectus and are not otherwise registered under the Securities Act. Accordingly, the Notes may not be offered or sold except in compliance with the registration requirements of the Securities Act and all other applicable securities laws, or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any other applicable securities laws.

Holders of the Notes may convert the Notes into 6,160,708 shares of our common stock at a conversion rate of 14.2857 shares per \$1,000 principal amount of the Notes (which is equal to a conversion price of \$70.00 per share), subject to anti-dilution adjustments in certain circumstances (the "Conversion Rate"). The 6,160,708 shares of common stock covered by this Prospectus, plus such additional shares of common stock as may be issuable pursuant to anti-dilution adjustments, are issuable upon the conversion of the Notes by the selling stockholders and, following their issuance, may be sold by the selling stockholders in the manner and under the circumstances described under "Plan of Distribution."

At the time the Notes were issued, we entered into a registration rights agreement with the initial purchasers of the Notes that provided that we would file the registration statement, of which this prospectus forms a part, to register for resale by holders of the Notes all the underlying shares of our common stock that they would acquire upon conversion of the Notes if they have requested to be shown as selling stockholders covered by the registration statement. To the extent that holders of Notes have not requested us to include in such registration statement shares of common stock issuable upon conversion of Notes that they hold, we are obligated to do so promptly following their request to do so. Under the registration rights agreement, we agreed to indemnify the selling stockholders and each person, if any, who controls the selling stockholders against certain liabilities, including liabilities under the Securities Act, and the selling stockholders have agreed to indemnify us, our directors, our officers and each person, if any, who controls us against certain liabilities, including liabilities under the Securities Act.

The Notes are convertible before the close of business on June 30, 2033

only under the following circumstances:

- o during any calendar quarter commencing after September 30, 2003, if the closing sale price of our common stock exceeds 120% of the conversion price for at least 20 trading days in the 30 consecutive trading days ending on the last trading day of the preceding calendar quarter;
- o during any period in which (i) the long-term credit rating assigned to the Notes by Standard & Poor's Rating Services, a division of the McGraw-Hill Companies ("Standard and Poor's") or Moody's Investors Services, Inc. ("Moody's") is lower than BB+ or Ba2, respectively, (ii) either Standard & Poor's or Moody's no longer rates the Notes or has withdrawn or suspended such rating, or (iii) the Notes are not assigned a rating by both Standard & Poor's and Moody's;
- during the five business day period immediately after any five consecutive trading day period in which the trading price per \$1,000 principal amount of Notes for each day of that period was less than 98% of the product of the closing sale price of our common stock and the Conversion Rate;

7

- o if the Notes have been called for redemption; or
- o upon the occurrence of certain corporate events.

We have the option to redeem the Notes beginning July 2, 2007 at a price equal to 101.286% of their aggregate principal amount declining ratably to 100% of their aggregate principal amount on June 30, 2010.

The holders of the Notes have the option to require us to repurchase the Notes on June 30 of 2010, 2013, 2018, 2023 and 2028 or upon the occurrence of a fundamental change in or a termination of trading of our common stock at a price equal to 100% of their principal amount, plus accrued and unpaid interest.

This prospectus also covers any additional shares of common stock that become issuable in connection with any of the foregoing events.

The following table is based on information furnished to us by or on behalf of the selling stockholders as of December 19, 2003. For purposes of presenting beneficial ownership data in the table, we have assumed that the selling stockholders will convert all of the Notes that they beneficially own and sell all of the shares of common stock issued upon conversion of such Notes and that no selling stockholder will acquire additional Notes or shares of common stock issuable upon the conversion thereof after the date on the cover page of this prospectus.

As of the date set forth on the cover of this prospectus, none of the Notes has been converted into our common stock. We do not know if, when, or in what amount the selling stockholders may convert any Note into common stock or offer such common stock for resale. There can be no assurance that any of the conditions that would permit conversion of the Notes will be satisfied or that, if such conditions are satisfied, the selling stockholders will convert any of the Notes that they beneficially own or sell any or all of the shares of common stock acquired upon conversion of such Notes that are covered by this prospectus.

Since December 19, 2003, each selling stockholder identified below may have sold, transferred or otherwise disposed of all or a portion of the Notes that such selling stockholder beneficially owns in a transaction exempt from the registration requirements of the Securities Act. Information concerning the selling stockholders may change from time to time, and any changed information will be set forth in supplements to this prospectus to the extent required by the rules and regulations under the Securities Act. In addition, as discussed above, the Conversion Rate, and therefore the number of shares of our common stock issuable upon conversion of the Notes, is subject to adjustment. Accordingly, the number of shares of common stock issuable upon such conversion may increase or decrease.

The following table sets forth as of December 19, 2003:

- the names of the selling stockholders who have requested that 0 their shares be included in this registration statement by completing the questionnaire required under the registration rights agreement (we will update this table following receipt of further notification by the selling stockholders);
- the number of shares of common stock issuable upon the conversion of the Notes that are beneficially owned by each of the selling stockholders;

- the number of shares of common stock issuable upon the conversion of the Notes that are being offered by the selling stockholders in this prospectus; and
- the number of shares of common stock held by the selling stockholders as a group.

Unless set forth in the following table or the footnotes thereto, to our knowledge, none of the selling stockholders has or since December 19, 2000 has had, any material relationship with us or any of our predecessors or affiliates, and none of the selling stockholders beneficially owns, as of December 19, 2003, in excess of 1% of our outstanding common stock.

As of November 30, 2003 there were 85,079,384 shares of our common stock issued and outstanding.

PLAN OF DISTRIBUTION

We are registering the shares of common stock covered by this prospectus for resale by the selling stockholders. The term "selling stockholders" as used in this section of the prospectus refers to the selling stockholders listed above, or their pledgees, donees, transferees, or any of their successors in interest.

Following conversion of the Notes, such shares of common stock may be sold from time to time directly by the selling stockholders or, alternatively, through underwriters, broker-dealers or agents. If shares of the common stock obtained upon conversion are sold through underwriters, broker-dealers or agents, the selling stockholders will be responsible for underwriting discounts or commissions or agent's commissions. Such common stock may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. Such sales may be effected in transactions (which may involve block transactions) (i) on any national securities exchange or quotation service on which the common stock may be listed or quoted at the time of sale, (ii) in the over-the-counter market, (iii) in transactions otherwise than on such exchanges or services or in the over-the-counter market, or (iv) through the writing of options. In connection with sales of the common stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the common stock in the course of hedging positions they assume. The selling stockholders may also sell common stock short and deliver common stock to close out short positions, or loan or pledge common stock to broker-dealers that in turn may sell such securities.

In no event will any distribution of the shares of common stock covered by this prospectus take the form of an underwritten offering without the prior agreement of the Company.

Because the selling stockholders may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act, the selling stockholders will be subject to the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the New York Stock Exchange pursuant to Rule 153 under the Securities Act. We have informed the selling stockholders that the anti-manipulative provisions of Regulation M promulgated under the Exchange Act may apply to their sales in the market.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon and in compliance with Rule 144 under the Securities ${\tt Act.}$

Upon being notified by a selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, we will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, disclosing:

- o the name of such selling stockholder and of the participating brokerdealer(s);
- o the number of shares involved;
- o the price at which such shares were sold;
- o the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable;

14

- that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus; and
- o any other facts material to the transaction.

ITEM 17. UNDERTAKINGS

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) of 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes:

- 1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in the registration statement.

- 2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- 3. To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

Part II-3

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Part II-4
