CEMEX, Inc. Savings and Investment Plan
for Union Employees:

We have audited the accompanying statements of net assets available for benefits of the CEMEX, Inc. Savings and Investment Plan for Union Employees (the Plan) as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003 and 2002, and the changes in net assets available for benefits for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CEMEX, INC. SAVINGS AND INVESTMENT PLAN FOR UNION EMPLOYEES

Notes to Financial Statements
December 31, 2003 and 2002

1. Plan Description

General

The CEMEX, Inc. Savings and Investment Plan for Union Employees (the Plan) was adopted effective August 1, 1998 for the benefit of the union employees of the Clinchfield, Georgia and Charlevoix, Michigan plants of CEMEX, Inc. Effective September 1, 2003, the union employees of the Charlevoix, Michigan plant ceased participating in the Plan and became participants in the CEMEX, Inc. Savings Plan. In connection therewith, assets of \$3,676,704 were transferred from the Plan to the CEMEX, Inc. Savings Plan during 2003.

The Plan is qualified under section 401(a) of the Internal Revenue Code (IRC) as a defined contribution plan and is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Eligibility

Union employees of the Clinchfield, Georgia and Charlevoix, Michigan plants of CEMEX, Inc. with at least three months of service are eligible to participate in the Plan. Plan entry dates are the first day of the calendar quarter coinciding with or following the completion of the service. Effective September 1, 2003, union employees of the Charlevoix, Michigan plant no longer participate in the Plan.

Contributions

Participants may contribute from 1% to 16% of their eligible pay, up to an annual maximum of the lesser of their eligible pay or \$40,000. Effective August 1, 2003, participants employed at the Charlevoix, Michigan plant may contribute from 1% to 18% of their eligible pay for the period August 1, 2003 through August 31, 2003. Participants may also rollover certain amounts from other qualified defined benefit or contribution plans.

Edgar Filing: CEMEX SA DE CV - Form 11-K

Participants direct the investment of their participant contributions in the investment options listed in note 3.

CEMEX, Inc. (the Employer and Sponsor) matches 50% of the amount contributed by each participant up to the first 6% (5% prior to May 1, 2002) of eligible pay. Effective August 1, 2003, participants employed at the Charlevoix, Michigan plant will receive matching Employer contributions for the period August 1, 2003 through August 31, 2003 equal to 75% of their amount contributed up to the first 6% of eligible pay.

The Employer contributions are in the form of American Depository Shares representing common stock of CEMEX, S.A. de C.V. (CEMEX stock). Effective April 12, 2002, a participant may, at any time after the CEMEX stock is credited to his or her account, make a diversification election and exercise investment discretion with respect to the Employer matching contribution. Prior to April 12, 2002, a participant must have attained the age of 59 1/2 before exercising investment discretion with respect to the CEMEX stock that was purchased with Employer contributions. The Employer may make additional contributions in accordance with the provisions of the Plan Agreement.

Participant accounts -----

Separate accounts are maintained for each participant as follows. Participant accounts are credited with the participant's contribution and allocations of the Employer's contributions and Plan earnings. Allocations are based on each participant's earnings or account balance, as defined in the Plan Agreement. Each participant is entitled to the benefit that can be provided from the participant's account.

Vesting -----

Participants are immediately and fully vested in all contributions plus actual earnings thereon.

Benefit payments -----

Benefits are payable from participant account balances, subject to certain restrictions, upon termination of employment, retirement, reaching the age of 59 1/2, or by incurring a disability or financial hardship, as defined in the Plan Agreement. Participants elect the method of distribution which may be either in the form of a direct rollover to an eligible retirement plan, lump sum payment or, if in excess of \$5,000, payment over a period of time not to exceed the shorter of 10 years or certain life expectancies as defined in the Plan Agreement.

Edgar Filing: CEMEX SA DE CV - Form 11-K

Participant loans -----

A participant may obtain a loan from his or her separate account balance. Each loan is evidenced by a promissory note and may not be less than \$1,000. The loans are secured by the balance in the participant's account and bear interest at the rate established by the Loan Committee. Provisions of the Plan require the aggregate of each loan outstanding not to exceed the lesser of \$50,000 or 50% of the participant's vested account balance. Repayment terms for loans are not to exceed five years and principal and interest is paid ratably through monthly payroll deductions.

Administrative expenses -----

Asset management fees are paid by the Plan, loan fees are paid by the borrowing participant, and all other administrative costs are paid by the Sponsor.

Forfeited accounts -----

Amounts forfeited for any reason shall first be used to restore previously forfeited participant accounts which are to be restored under the terms of the Plan and if any amount remains after that allocation, it shall be used to reduce the Employer matching contribution for that Plan year.

Plan termination -----

Although no interest has been expressed, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

2. Significant Accounting Policies

Basis of presentation -----

The financial statements have been prepared on an accrual basis and present the net assets available for plan benefits and changes in those net assets in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition -----

The mutual funds, common collective trust fund and common stock are stated at fair value based on quoted market prices as of the date of the financial statements. Participant loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities

Edgar Filing: CEMEX SA DE CV - Form 11-K

are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit payments

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investments

As of December 31, 2003 and 2002, participant contributions to the Plan were invested at the option of the participants in one or more of the following investment funds:

	2003	2002
	----	----
Stable Value Fund	\$ 906,746	1,543,188

Investments with a fair value that exceeds \$135,657 and \$234,031 at December 31, 2003 and 2002, respectively, represent 5% or more of Plan net assets.

4. Federal Income Tax Status

The Plan obtained its latest determination letter on June 14, 2002 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan's management believes that the related trust is tax-exempt and accordingly, no provision for Federal income taxes has been included in the Plan's financial statements.

5. Risks and Uncertainties

The Plan provides for investment in a common collective trust fund, various mutual funds, and common stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
