BOARD OF DIRECTORS AND COMMITTEE MEETINGS

In fiscal 2004, the Board of Directors met three times with 100% of the directors in attendance. Board members traditionally attend the annual meeting of shareholders, and in 2003, all Board members attended the annual meeting; however, the Company does not have a policy with regard to Board members' attendance at annual meetings.

The Executive Committee, between meetings of the Board of Directors and to the extent permitted by law, exercises all of the powers and authority of the Board in the management of the business of the Company. The Executive Committee, comprised of Messrs. Taylor, Hill, and Gastel, did not meet in fiscal 2004.

The Audit Committee is comprised of Messrs. Clark, Gastel and Hofmar, and is governed by a Charter which was adopted by the Board of Directors and subsequently revised on August 22, 2003. At the March 3, 2004 meeting of the Board of Directors, Mr. Hofmar was named as the audit committee financial expert. Mr. Hofmar holds a B.A. degree from the State University of New York at Buffalo and is the President of Bell-Mar, Inc. of Buffalo, New York. As President of his company, Mr. Hofmar supervises the production of financial information and responsibility for the Company's fiscal well being. The Audit Committee met twice in fiscal 2004 with all members in attendance. The Audit Committee Charter requires at least four meetings per year.

The Compensation Committee, comprised of Messrs. Clark, Gastel and Hofmar, was formed to review the compensation of the Company's executive officers, and make recommendations in that regard to the Board, as a whole. The Compensation Committee met twice in fiscal 2004 with all members in attendance.

Edgar Filing: TAYLOR DEVICES INC - Form DEF 14A

The Stock Option Committee, comprised of Messrs. Clark, Gastel and Hofmar, administers the Company's Stock Option Plans. The Committee met twice in fiscal 2004 with all members in attendance.

The Company does not have a standing nominating committee. Messrs. Taylor, Hill, Clark, Gastel and Hofmar participate in the consideration of director nominees. There have been no changes in the composition of the Board since 1996 when Mr. Clark was asked to serve upon the death of Mr. O. Eugene Hilger, a Board member of many years.

The Audit Committee Report

The information contained in this Audit Committee Report shall not be deemed to be soliciting material, or to be filed with, or incorporated by reference in filings with the U.S. Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934.

Messrs. Clark, Gastel and Hofmar are independent directors under the applicable definition in Rule 4200(a)(15) of the currently applicable NASDAQ Stock Market listing standards. A more stringent standard of independence will become applicable to the Audit Committee on July 31, 2005.

As required by the terms of the Audit Committee Charter, the undersigned members of the Audit Committee have:

1. reviewed and discussed the Company's audited financial statements with management of the Company;
2. reviewed and discussed with the Company's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as it may be amended or supplemented; and
3. received the written disclosures and the letter from the independent accountants, as required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") as may be modified or supplemented, and has discussed with the independent accountant, the independent accountants' independence;

Based on the foregoing, the Audit Committee has recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for fiscal 2004 for filing with the Securities and Exchange Commission.

Respectfully submitted,

Employment Agreements

Edgar Filing: TAYLOR DEVICES INC - Form DEF 14A

As of December 1, 2000, Messrs. Taylor and Hill (each, an "Executive") entered into Employment Agreements with the Company (together, the "Agreements"). The Agreements provide that, each year, the term will be for three years going forward (the "Term"). Under their respective Agreements, Messrs. Taylor and Hill are entitled to receive base salaries of not less than \$174,000 per year and \$138,000, respectively, together with such employee benefits and perquisites as were available to them immediately prior to December 1, 2000. Should the Executive voluntarily resign, the Company may, in the discretion of the Board, pay the Executive a severance payment which the Board may determine at the time. The Company retains the right to terminate each Executive for "Cause", without compensation. "Cause" is defined to include personal dishonesty, incompetence, willful misconduct, any breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of law, or willful material breach of the Agreement. If the Company terminates either Executive without cause, or if either Executive resigns because the Company has failed to appoint him to the office he currently holds, or makes any material change in his functions, duties, or responsibilities, then the terminated Executive is entitled to a payment equal to the greater of the payments due him for the remaining Term or 1.2 times the average of his three preceding years' cash compensation plus contributions to employee benefit plans. In the event of a "Change of Control," as defined in the Agreements, followed by termination of the Executive's employment, the Company has agreed to pay each Executive a sum equal to the greater of the payments due him for the remaining Term, or 2.99 times the average of the five preceding years' cash compensation plus contributions to employee benefit plans. If an Executive voluntarily terminates his employment when there has not been a Change in Control, then the Agreements provide that the Executive will not compete with the Company for a period of one year in any city, town or county where the Company's principal office is located.

Indemnification Insurance for Directors and Officers

On July 24, 2004, the Company purchased a director and officer indemnification insurance policy written by the Vigilant Insurance Company through Chubb Group of Insurance Companies. The renewal was for a one year period at an annual premium of \$72,765. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of his conduct in such capacities. No payments or claims for indemnification or expenses have been made under any directors and officers' insurance policies purchased by the Company.

The Company and its directors and certain officers have entered into Indemnity Agreements. Although the New York Business Corporation Law (the "BCL") and the By-laws authorize the Company to indemnify directors and officers, they do not require the directors and officers to be indemnified during the pendency of litigation or specify the times at which the Company is obligated to reimburse an indemnified person for expenses. The Indemnity Agreements provide that the Company will advance litigation expenses to the person indemnified while the action is pending, upon the indemnified person's assurance (as required by the BCL) that the advance will be returned if the indemnified person is ultimately found not to be entitled to it.

EMPLOYEE STOCK PURCHASE PLAN

The Company offers an Employee Stock Purchase Plan generally to all its employees. As of September 22, 2004, there are 254,884 shares available for distribution to all qualified employees. The Company also provides a 401(k) plan.

TRANSACTIONS WITH MANAGEMENT AND OTHERS

The Company subleases a portion of the property where it does business from its affiliate, Tayco Realty, pursuant to the terms of a lease which will expire on October 31, 2005. Rental payments by the Company for fiscal 2004 totaled \$159,600. The total rent paid by the Company is determined by a base rate of \$10.64 per square foot, and is subject to adjustment for increases in taxes, maintenance costs and for utilization of additional space by the Company. The Company also pays for certain expenses incurred for the operation of the facilities. Developments owns approximately 42% of Tayco Realty, with 58% owned by the Company.

Pursuant to the Lease Agreement dated July 1, 2000 between the Company and Developments, the Company leases approximately 800 square feet of office and research and development space to Developments at a base annual rental of \$12,000. The rate of any rental increase may not exceed 10% annually and may be waived by both parties in writing. The lease automatically renews on each anniversary of its commencement date, unless either party gives three months' written notice to the other of termination. The lease provides that on April 1 of each year, management of both companies will review the agreement to determine possible increases for expenses due to increased taxes, maintenance costs, or for additional space utilized by Developments. In fiscal 2004, the Company received total rental payments of \$12,000 from Developments.

Under a License Agreement ("License Agreement") dated November 1, 1959, between the Company and Developments, the Company was granted preferential rights to market, in the United States and Canada, all existing and future inventions and patents developed by Developments. The term of this License Agreement is the life of the last-to-expire patent on which the Company is paying royalties, which is the year 2021. During the life of each patent, the Company records a royalty, payable to Developments, equal to five percent of sales value of patented items sold and shipped. The Company incurred royalty charges from Developments of \$322,000 in fiscal year 2004. Under the License Agreement, payments of royalties are required to be made quarterly. The Company has not made cash payments for royalties to Tayco during the last couple of years. The Company has issued a Promissory Note date June 1, 2004 payable to Tayco in the principal amount of \$775,716 for the balance

Edgar Filing: TAYLOR DEVICES INC - Form DEF 14A

then due. The Company plans to make the required quarterly royalty payments to Tayco during the year ending May 31, 2005.

The License Agreement also provides for Developments to pay the Company 10% of the gross royalties received from third parties who are permitted to make, use and sell machinery and equipment under patents not subject to the License Agreement, as well as on apparatus and equipment subject to the License Agreement but modified by the Company, with rights to such modification having been assigned to Developments. No royalties were received in the year ended May 31, 2004. Royalties, if any, are paid quarterly.

Although the Company and Developments share common management and a close business relationship, as separate corporations responsible to their own shareholders, interests may diverge regarding development and licensing of future inventions and patents. In that case, Developments would be permitted to license future inventions and patents to parties other than the Company, rendering the Company's option on future inventions and patents under its License Agreement only minimally beneficial.

The Board of Directors, on recommendation of the Audit Committee, has selected Lumsden & McCormick, LLP to continue as the independent registered public accounting firm for the Company for fiscal year 2005. This representative will be available to respond to appropriate questions and will be given the opportunity to make a statement if they so desire.

Tax Fees

The aggregate fees billed by Lumsden & McCormick, LLP for professional services for tax compliance, tax advice and tax planning were \$10,500 and \$5,000 for the fiscal years ended May 31, 2004 and 2003.

All Other Fees

None.

Pre-approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it.

SHAREHOLDER COMMUNICATIONS AND PROPOSALS

Although the Board of Directors does not have a formal procedure for shareholders to send communications to the Board of Directors, a shareholder may communicate with the Company at its website at www.shockandvibration.com. The Company will relay communications to specified individual directors if an express request to do so is included in the shareholder communication.

OTHER MATTERS

Voting

Under the Business Corporation Law of New York ("BCL") and the Company's By Laws, the presence, in person or by proxy, of a majority of the outstanding common shares is necessary to constitute a quorum of the shareholders to take action at the Annual Meeting. The shares which are present or represented by a proxy will be counted for quorum purposes regardless of whether or not a broker with discretionary authority fails to exercise discretionary voting authority with respect to any particular matter.

Directors standing for election must be elected by a plurality of votes cast at the Annual Meeting and elected to their class terms. "Other business," if properly brought before the meeting, must be adopted by a majority of affirmative votes cast at the meeting.

For voting purposes, all proxies marked "for", "against", "abstain", or "withhold authority" will be counted in accordance with such instruction as to each item. In no event will an abstention be counted as a vote cast. No broker non votes will be counted for any item.

Expenses

The expenses of this solicitation, including the costs of preparing and mailing this Proxy Statement and accompanying material, will be borne by the Company. The Company has retained the services of Regan & Associates, Inc. to assist in the solicitation of proxies under a contract providing for payment of \$2,500, plus reimbursement of reasonable out of pocket expenses. In addition to solicitations by mail, Regan & Associates, Inc. and regular employees of the Company may solicit proxies in person, by mail or by telephone, but no employee of the Company will receive any compensation for solicitation activities in addition to his or her regular compensation. Expenses may also include the charges and expenses of brokerage houses, nominees, custodians and fiduciaries for forwarding proxies and proxy materials to beneficial owners of shares.

The Board of Directors knows of no other matters to be voted upon at the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote on such matters in accordance with their judgment.
