Item 4. Description of Securities

Edgar Filing: TEREX CORP - Form S-8

Not applicable.

Item 5. Interests of Named Experts and Counsel -----

Eric I Cohen, Esq., has rendered an opinion on the validity of the Common Stock being registered under the Plan pursuant to this Registration Statement. Mr. Cohen is a senior vice president and general counsel of the Company. A copy of his opinion is attached as Exhibit 5 to this Registration Statement. Mr. Cohen holds shares of Common Stock and options to acquire shares of Common Stock.

Item 6. Indemnification of Directors and Officers -----

Section 145 of the Delaware General Corporation Law ("DGCL") and Article X of the Company's Amended and Restated By-laws ("By-laws") provide for the indemnification of the Company's directors and officers in a variety of circumstances, which may include liabilities under the Securities Act.

Article X of the Company's By-laws generally requires the Company to indemnify its officers and directors against all liabilities (including judgments, settlements, fines and penalties) and reasonable expenses incurred in connection with the investigation, defense, settlement or appeal of certain actions, whether instituted by a third party or a stockholder (either directly or indirectly) and including specifically, but without limitation, actions brought under the Securities Act and/or the Exchange Act; except that no such indemnification will be permitted if such director or officer was not successful in defending against any such action and it is determined that the director or officer breached or failed to perform his or her duties to the Company, and such breach or failure constitutes (i) a willful breach of his or her "duty of loyalty", (ii) acts or omissions not in good faith or involving intentional misconduct or a knowing violation of the law, (iii) a violation of Section 174 of the DGCL, relating to prohibited dividends or distributions or the repurchase or redemption of stock or (iv) a transaction where such individual derived an improper financial profit (unless it is deemed that such profit is immaterial in light of all of the circumstances) (collectively, "Breach of Duty"). Notwithstanding the foregoing, subject to certain exceptions, the By-laws provide that directors or officers initiating an action are not entitled to indemnification.

3

The By-laws also establish certain procedures by which (i) a director or officer may request an advance on his or her reasonable expenses, prior to the final disposition of an action, (ii) the Company may withhold an indemnification payment from a director or officer, (iii) a director or officer may be entitled to partial indemnification and (iv) a director or officer may challenge the Company's denial to furnish him or her with requested indemnification. Additionally, the By-laws provide that the adverse termination of an action against an officer or director is not in and of itself sufficient to create a presumption that a director or officer engaged in conduct constituting a Breach of Duty.

Finally, the Company's Restated Certificate of Incorporation, as amended, contains a provision that eliminates the personal liability of a director to the Company and its stockholders for certain breaches of his or her fiduciary duty of care as a director. This provision does not, however, eliminate or limit the personal liability of a director (i) for any breach of such director's "duty of loyalty" (as further defined therein) to the Company or its stockholders, (ii)

Edgar Filing: TEREX CORP - Form S-8

for acts or omissions not in "good faith" (as further defined therein) or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, relating in general to the willful or negligent payment of an illegal dividend or the authorization of an unlawful stock repurchase or redemption, or (iv) for any transaction from which the director derived an improper personal profit to the extent of such profit. This provision of the Restated Certificate of Incorporation offers persons who serve on the Board of Directors of the Company protection against awards of monetary damages resulting from negligent (except as indicated above) and "grossly" negligent actions taken in the performance of their duty of care, including grossly negligent business decisions made in connection with takeover proposals for the Company. As a result of this provision, the ability of the Company or a stockholder thereof to successfully prosecute an action against a director for a breach of his duty of care has been limited. However, the provision does not affect the availability of equitable remedies such as an injunction or rescission based upon a director's breach of his duty of care. Although the validity and scope of Section 145 of the DGCL has not been tested in court, the SEC has taken the position that the provision will have no effect on claims arising under the Federal securities laws.

The Company maintains a directors' and officers' insurance policy which insures the officers and directors of the Company from any claim arising out of an alleged wrongful act by such persons in their respective capacities as officers and directors of the Company.
