Item 1.02. Termination of a Material Definitive Agreement.

On May 31, 2016, Terex Corporation (“Terex” or the “Company”) terminated the Loan and Security Agreement dated as of May 28, 2015 (the “Securitization Facility”) among TFS Funding I, LLC (the “Borrower”), Terex Financial Services, Inc., Institutional Secured Funding (Jersey) Limited (the “Conduit Lender”), Credit Suisse AG (Cayman Islands Branch) (the “Committed Lender”) and Credit Suisse AG (New York Branch).

Terex terminated the Securitization Facility as it was not providing the Company with the flexibility needed for its portfolio of assets. Under the Securitization Facility, the Borrower received loans from time to time from either the Conduit Lender or the Committed Lender. The Securitization Facility limit for such loans was \$350,000,000. There were no early termination penalties associated with the termination of the Securitization Facility.

Credit Suisse AG, or its affiliates, and certain lenders, or their affiliates, are party to other agreements with the Company and its subsidiaries, including the provision of commercial banking, investment banking, trustee and/or other financial services in the ordinary course of business of the Company and its subsidiaries.
